BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE, STATE OF CALIFORNIA
ORDINANCE NO. 824.8
AN URGENCY INTERIM ORDINANCE OF THE COUNTY OF RIVERSIDE
AMENDING ORDINANCE NO. 824
AUTHORIZING PARTICIPATION IN THE WESTERN RIVERSIDE COUNTY TRANSPORTATION UNIFORM MITIGATION FEE PROGRAM

The Board of Supervisors of the County of Riverside ordains as follows:

Section 1. The introductory sentence of Section 7. of Ordinance No. 824 is amended to read as follows:

"Section 7. TEMPORARY FEE REDUCTION PERIOD. Pursuant to the fee adjustment authority set forth in Section 6.c. and notwithstanding Section 6.a., or any other provision of this ordinance, the following TUMF fee schedule shall apply for the period commencing on January 1, 2010 and ending on January 13, 2011:"

Section 2. This ordinance is hereby declared to be an urgency measure and shall take effect immediately upon its adoption and shall have no further force and effect thirty (30) days after its adoption unless extended pursuant to law. In accordance with the requirements of Government Code section 66017, subsection (b), the Board of Supervisors hereby declares that the provisions contained herein are necessary for the immediate preservation of the public health, welfare and safety for the following reasons:

a. On December 31, 2010, the temporary fee reduction schedule for the TUMF program will expire; and

b. The extension of the temporary fee reduction will reduce the overall costs of development, thereby encouraging economic growth and minimizing the ongoing impact of the economic recession on development and construction in Western Riverside County; and

c. Absent an immediate extension of the temporary fee reduction, permits and construction starts anticipated from pending development projects will either be halted or delayed until expiration of the otherwise required thirty (30) day waiting period; and

d. WRCOG has directed the County to implement this temporary fee reduction immediately and the County must comply with this directive to remain a participating agency in the Western Riverside County TUMF Program and stay eligible to receive the funds necessary for its vital transportation projects; and

e. The loss of funds the County would suffer if it fails to comply with WRCOG's directive would significantly and detrimentally affect public welfare by severely limiting the County's ability to provide necessary road improvements. Absent these improvements, an unacceptably high level of traffic congestion would occur within and around Western Riverside County.

Marion Ashley, Chairman of the Board
I HEREBY CERTIFY that at a regular meeting of the Board of Supervisors of said County, held on December 14, 2010, the foregoing Ordinance consisting of two (2) sections was adopted by said Board by the following vote:

AYES: Buster, Tavaglione, Stone, Benoit and Ashley
