**BACKGROUND:** (Continued)

By March 1, 2011, the legislative body is required to report to the Auditor-Controller how the redevelopment agency intends to fund its SERAF obligation. The funding for Riverside County's share will come from tax increment funds.

A companion item is submitted on today's agenda through the Economic Development Agency, recommending that the Board of Supervisors will approve funding the SERAF through the Redevelopment Agency. The attached letter is the acknowledgement by the Board of Directors for the Redevelopment Agency for the County of Riverside that the payment will be designated from tax increment and will be submitted for deposit on or before May 10, 2011. The letter will be submitted to the Auditor-Controller as required by law. Failure to make the SERAF payment will result in a "death penalty" for the Redevelopment Agency, in which it will not be allowed to adopt a new redevelopment plan, amend an existing plan to add territory, issue bonds, further encumber funds or expend any monies derived from any source except to pay pre existing indebtedness.
