BACKGROUND:

The Inland Empire Reading Scholarship Program has been proving awards and incentives to all after school programs in Moreno Valley for accomplishments in reading. The Annual Cherry Festival brings a positive program to the area every year. WRCOG Annual General Assembly is held to bring together all levels of government in western Riverside County. The City of Riverside's Sister City, Sendai, Japan has been devastated by a horrific earthquake. These funds are used to improve quality of life and I urge the Board to approve these uses of the Community Improvement Designation funds.
