Dist 1

On Wednesday the 16<sup>th</sup> me and three other of my friends witnessed an older male being taken away by a Police man. The reason of the arrest was because the male was caught watching Porn in the Public Library's Computer.

From my experience using the Computers of the Public Library, you are able to get into certain ~~things~~ websites on there.

I am 16 years old, two others are 15 years old and the one is 17 years old.

My Parent wonders why we and others are able to go on the internet without Safety.
