**SUBJECT:** Approve a sole source Agreement with AdEase, Inc.

**BACKGROUND:** (continued from page 1)

The intent of PEI programs is to engage individuals before the development of serious mental illness or emotional disturbance, alleviating the need for traditional mental health treatment. Therefore, these specific PEI funds earmarked for this project cannot be used for traditional mental health services offered in our county clinics.

The key community mental health needs required in PEI program plans are Stigma and Discrimination Reduction (SDR) and suicide prevention activities. Riverside County satisfied this requirement by developing an Outreach, Awareness, and Stigma Reduction project, within the PEI plan, which includes a media campaign initiative to prevent suicide and promote mental health awareness and reduce stigma associated with mental illness. The SDR Media Campaign, includes but is not limited to a full range of creative, digital (website/internet), broadcast (Television/Radio/Cable), outdoor (billboards), print (newspapers/bulletins) media and public relations services. Riverside County recommends partnering and collaborating with San Diego County, by using their already established media campaign theme of "It's Up to Us". By using an already existing campaign, the development costs are reduced in areas such as research, design, and production. The campaign will be adapted to meet the specific demographic and un-served and underserved cultural and target populations unique to Riverside County.

**PRICE REASONABLENESS:**

This media campaign was competitively bid by the County of San Diego and recently awarded to AdEase, Inc. The County of San Diego has a Request for Proposal and evaluation process similar to Riverside County's process. Since AdEase, Inc. has already developed the media campaign for San Diego County, Riverside County recommends awarding to AdEase, Inc. Development, design and production costs are minimal to Riverside County, saving approximately \$293,000 in the first year. The majority of the costs associated with this media campaign are in the advertising costs, which include putting the campaign on the radio, television, billboards, internet, etc.

**FINANCIAL IMPACT:**

The funding for this project is earmarked for increasing awareness of mental health, mental illness and reducing stigma associated with mental illness. It cannot be used for traditional mental health services. There are sufficient funds for this media campaign in the MHSA PEI budget for fiscal year 2010/11. Additionally, the next fiscal year budget will also include these costs. No additional county funds are required for this agreement.

Subject: Request for Sole Source Procurement

The below information is provided in support of my Department requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for sole source.

**Supply/Service being requested:** Marketing and advertising a Mental Health Suicide Prevention and Stigma Reduction Media Campaign with the theme of "It's Up to Us", developed by a specific vendor. This Media Campaign is in cooperation with the Mental Health Services Act's Prevention and Early Intervention initiative to increase public understanding and awareness of mental illness, suicide prevention, and stigma reduction.

**Supplier being requested:** AdEase, Inc.

**Alternative suppliers that can or might be able to provide supply/service:**

The "It's Up to Us" media campaign was developed and proposed by a vendor in response to a Request for Proposal through San Diego County. Eight (8) proposals were received by the County of San Diego.

**Extent of market search conducted:**

Request for Proposal (RFP 3950) was released in August 2009 by the County of San Diego, Behavioral Health Services, Mental Health Services for a Suicide Prevention and Stigma Reduction Media Campaign.

**Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide:**

AdEase, Inc. invested over 18 months into developing a media campaign model for the County of San Diego Mental Health Services Act Prevention and Early Intervention Suicide Prevention and Stigma reduction. The department's approved Mental Health Services Act, Prevention and Early Intervention Plan describes a similar media campaign initiative to prevent suicide and promote mental health awareness and reduce stigma associated with mental illness. The Mental Health Services Act Prevention and Early Intervention component allows for a media campaign and the department recommends working with the awarded vendor, who recently developed the theme of "It's Up to Us" Media Campaign for the County of San Diego. By using this media campaign there is consistency in the stigma reduction efforts to residents of Southern California.

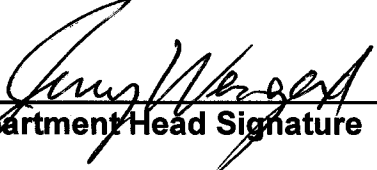

**Reasons why my department requires these unique features and what benefit will accrue to the county:**

In an effort to consistently implement the Mental Health Services Act, Prevention and Early Intervention initiative to increase awareness and understanding of mental illness, prevent suicide and reduce mental illness stigma, across the Southern California Counties Region, the County of Riverside Department of Mental Health recommends implementing the same media campaign for the residents of Riverside County that is also being spread in the County of San Diego. Other neighboring Southern California Counties are also reviewing the media campaign to possibly bring into their County. The slogan "Its Up to Us" was developed by AdEase, Inc. and sold to San Diego County for their Countywide Suicide Prevention and stigma reduction media campaign. San Diego County has agreed to share their media campaign with Riverside County.

**Price Reasonableness:**

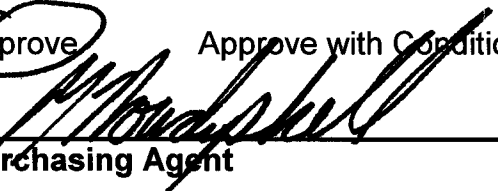

The County of San Diego competitively bid this service. The actual campaign development costs will be minimal for the County of Riverside, because the campaign itself is already developed for another County. To tailor the media campaign to Riverside County, the County expects to save approximately \$158,000 because the research and framework has already been completed. Additionally, the County expects to save an additional \$135,000 for subject matter experts who are consulted because the consulting work also has already been done. In total, the development and production costs will save the County of Riverside approximately \$293,000, in the first year alone. The other costs associated with this campaign are in advertising. Advertising will also be maximized because AdEase, Inc. has agreed to 100% dollar-matching, resulting in twice the advertising.

**Does moving forward on this product or service further obligate the county to future similar contractual arrangements? No**

If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

#### **5. Termination**

**5.1.** COUNTY may terminate this Agreement without cause upon 30 days written notice served upon the CONTRACTOR stating the extent and effective date of termination.

**5.2** COUNTY may, upon five (5) days written notice, terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress so as to endanger performance and does not immediately cure such failure. - (a) Stop all work under this Agreement on the date specified in the notice of termination;

5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 COUNTY may conduct a final audit of CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled.

5.7 The rights and remedies of COUNTY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

## 6. Ownership/Use of Contract Materials and Products

The CONTRACTOR agrees that all materials, reports or products in any form, including electronic, created by CONTRACTOR for which CONTRACTOR has been compensated by COUNTY pursuant to this Agreement shall be the sole property of the COUNTY; and may be used by the COUNTY for any purpose COUNTY deems to be appropriate, including, but not limit to, duplication and/or distribution within the COUNTY or to third parties. CONTRACTOR agrees not to release or circulate in whole or part such materials, reports or products without prior written authorization of the COUNTY.

The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.

The CONTRACTOR shall provide adequate cooperation to any inspector or other COUNTY representative to permit him/her to determine the CONTRACTOR's conformity with the terms of this Agreement. If any services performed or products provided by CONTRACTOR are not in conformance with the terms of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected, the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess or evaluate CONTRACTOR's performance under this Agreement at any time upon reasonable notice to CONTRACTOR.

**9. Independent Contractor**

The CONTRACTOR is, for purposes relating to this Agreement, an independent contractor and shall not be deemed an employee of the COUNTY. It is expressly understood and agreed that the CONTRACTOR (including its employees, agents and subcontractors) shall in no event be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits. There shall be no employer-employee relationship between the parties; and CONTRACTOR shall hold COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by a third party that an employer-employee relationship exists by reason of this Agreement. It is further understood and

agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

**10. Subcontract for Work or Services**

No contract shall be made by the CONTRACTOR with any other party for furnishing any of the work or services under this Agreement without the prior written approval of the COUNTY; but this provision shall not require the approval of contracts of employment between the CONTRACTOR and personnel assigned under this Agreement, or for parties named in the proposal and agreed to under this Agreement.

**11. Disputes**

**11.1** The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Any dispute relating to this Agreement which is not resolved by the parties shall be decided by the COUNTY's Purchasing Department's Compliance Contract Officer who shall furnish the decision in writing. The decision of the COUNTY's Compliance Contract Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. The CONTRACTOR shall proceed diligently with the performance of this Agreement pending the resolution of a dispute.

**11.2** Prior to the filing of any legal action related to this Agreement, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediations.

**12. Licensing and Permits**

CONTRACTOR shall comply with all State or other licensing requirements, including but not limited to the provisions of Chapter 9 of Division 3 of the Business and Professions Code. All licensing requirements shall be met at the time proposals are submitted to the COUNTY. **13. Use By Other Political Entities**

The CONTRACTOR agrees to extend the same pricing, terms and conditions as stated in this Agreement to each and every political entity, special district, and related non-profit entity in Riverside County. It is understood that other entities shall make purchases in their own name, make direct payment,

and be liable directly to the CONTRACTOR; and COUNTY shall in no way be responsible to CONTRACTOR for other entities' purchases.

**14. Non-Discrimination**

CONTRACTOR shall not be discriminate in the provision of services, allocation of benefits, accommodation in facilities, or employment of personnel on the basis of ethnic group identification, race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status or sex in the performance of this Agreement; and, to the extent they shall be found to be applicable hereto, shall comply with the provisions of the California Fair Employment and Housing Act (Gov. Code 12900 et. seq), the Federal Civil Rights Act of 1964 (P.L. 88-352), the Americans with Disabilities Act of 1990 (42 U.S.C. S1210 et seq.) and all other applicable laws or regulations.

**15. Records/Documents and Audits**

**15.1** CONTRACTOR shall make available, upon written request by any duly authorized Federal, State or COUNTY agency, a copy of this Agreement and such books, documents and records as are necessary to certify the nature and extent of the CONTRACTOR's costs related to this Agreement. All such books, documents and records shall be maintained by CONTRACTOR for at least five (5) years following termination of this Agreement and be available for audit by the COUNTY. CONTRACTOR shall provide to the COUNTY reports and information related to this Agreement as requested by COUNTY.

**16. Confidentiality**

**16.1** The CONTRACTOR shall not use for personal gain or make other improper use of privileged or confidential information which is acquired in connection with this Agreement. The term "privileged or confidential information" includes but is not limited to: unpublished or sensitive technological or scientific information; medical, personnel, or security records; anticipated material requirements or pricing/purchasing actions; COUNTY information or data which is not subject to public disclosure; COUNTY operational procedures; and knowledge of selection of contractors, subcontractors or suppliers in advance of official announcement.

**16.2** The CONTRACTOR shall protect from unauthorized disclosure names and other identifying information concerning persons receiving services pursuant to this Agreement, except for general statistical information not identifying any person. The CONTRACTOR shall not use such information for any purpose other than carrying out the CONTRACTOR's obligations under this Agreement. The CONTRACTOR shall promptly transmit to the COUNTY all third party requests for disclosure of such information. The CONTRACTOR shall not disclose, except as otherwise specifically permitted by this Agreement or authorized in advance in writing by the COUNTY, any such information to anyone other than the COUNTY. For purposes of this paragraph, identity shall include, but not be limited to, name, identifying number,

symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.

**16.3** The CONTRACTOR is subject to and shall operate in compliance with all relevant requirements contained in the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, enacted August 21, 1996, and the related laws and regulations promulgated subsequent thereto.

**17. Administration/Contract Liaison**

The COUNTY Purchasing Agent, or designee, shall administer this Agreement on behalf of the COUNTY. The Purchasing Department is to serve as the liaison with CONTRACTOR in connection with this Agreement.

**20. EDD Reporting Requirements**

In order to comply with child support enforcement requirements of the State of California, the COUNTY may be required to submit a Report of Independent Contractor(s) form **DE 542** to the Employment Development Department. The CONTRACTOR agrees to furnish the required data and certifications to the COUNTY within 10 days of notification of award of Agreement when required by the EDD. and Notices of Assignment shall constitute a material breach of Agreement. If CONTRACTOR has any questions concerning this reporting requirement, please call (916) 657-0529. CONTRACTOR should also contact its local Employment Tax Customer Service Office listed in the telephone directory in the State Government section under "Employment Development Department" or access their Internet site at [www.edd.ca.gov](http://www.edd.ca.gov).

**21. Hold Harmless/Indemnification**

21.1 CONTRACTOR shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability, claim, damage or action whatsoever, based or asserted upon any act or omission of CONTRACTOR, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death. CONTRACTOR shall defend, at its sole cost and expense, including but not limited to attorney fees, cost of investigation, defense and settlements or awards, the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any such action or claim. With respect to any action or claim subject to indemnification herein by CONTRACTOR, CONTRACTOR shall, at its sole cost, have the right to use counsel of its own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CONTRACTOR's indemnification of COUNTY. CONTRACTOR's obligations hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal (or similar document) relieving the COUNTY from any liability for the action or claim involved. The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR's obligations to indemnify and hold harmless the COUNTY.

21.2 In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the CONTRACTOR from indemnifying the COUNTY to the fullest extent allowed by law.

21.3 CONTRACTOR's indemnification obligations shall also apply to any action or claim regarding actual or alleged intellectual property infringement related to any material or product provided to COUNTY pursuant to this Agreement. In the event of any such action or claim, CONTRACTOR shall provide immediate notice to COUNTY of the action or claim. CONTRACTOR may defend or settle the action or claim as CONTRACTOR deems appropriate; however, CONTRACTOR shall be required to obtain for COUNTY the right to continue to use the material or product (or a similar non-infringing material or product with the same function) on terms identical to those stated in this Agreement.

## **22. Insurance**

Without limiting or diminishing the CONTRACTOR's obligation to indemnify or hold the COUNTY harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement:

### **22.1 Workers' Compensation**

If the CONTRACTOR has employees as defined by the State of California, the CONTRACTOR shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than **\$1,000,000** per person per accident. The policy shall be endorsed to waive subrogation in favor of the County of Riverside, and, if applicable, to provide a Borrowed Servant/Alternate Employer Endorsement.

## **EXHIBIT A SCOPE OF SERVICES**

### **1. Program Description and Purpose:**

Contractor shall develop, implement, and document a multimedia education and information campaign to increase public awareness and understanding of mental illness, stigma reduction, and suicide prevention. Contractor shall create print, internet, and broadcast products to advance the county-wide campaign on suicide prevention and mental illness stigma reduction, as well as the County of Riverside, Mental Health Services Act, Prevention and Early Intervention programs.

### **2. Background:**

The Mental Health Services Act (MHSA) was approved by California voters to provide a 1% tax on personal income over \$1 million in order to expand and transform the county mental health service system. It became effective January 01, 2005.

This funding allows the County of Riverside the opportunity to provide services in the areas of Prevention and Early Intervention (PEI). Per the MHSA, a comprehensive community planning process was completed that utilized the expertise of the community and community leaders. In alignment with the MHSA, RCDMH has included the transformational concepts to develop a community-driven, culturally competent, wellness focused PEI plan that targets individuals and families across the age span, with special attention to underserved cultural communities.

Per the State guidelines, an objective of PEI is to increase capacity for mental health prevention and early intervention programs. These programs need to be provided in places where mental health services are not traditionally given, such as schools, community centers, faith-based organizations, etc. The intent of PEI programs is to engage individuals before the development of serious mental illness or serious emotional disturbance or to alleviate the need for additional or extended mental health treatment.

#### **What is Prevention?**

- ✓ Prevention in mental health involves building protective factors and skills, increasing support, and reducing risk factors or stressors.
- ✓ Prevention efforts occur prior to a diagnosis for mental illness.
- ✓ Generally there are no time limits on prevention programs.

#### **What is Early Intervention?**

- ✓ Addresses a condition early in its manifestation
- ✓ Is of relatively low intensity
- ✓ Is of relatively short duration (usually less than one year)
- ✓ Has the goal of supporting well-being in major life domains and avoiding the need for more extensive mental health services
- ✓ May include individual screening for confirmation of potential mental health needs

### **3. Objective:**
