

REDEVELOPMENT AGENCY FOR THE COUNTY OF RIVERSIDE
CONTRACT DOCUMENTS FOR THE
RUBIDOUX AREA II STREET AND STORM DRAIN IMPROVEMENT PROJECT

ADDENDUM No. 4

Please Be Advised: the Agency hereby updates the following sections of the plans and specifications:

1. Reference: Construction Specifications, Section I Bidding Requirements, Contractor's Proposal:

A. The Contractor's Proposal has been updated in its entirety to reflect the updated field survey plans. There are now 110 items to bid on.

2. ADD Items 104 through 110 as follows:

104. Payment for "Hot Tap and connect to Existing 6" ACP Waterline" will be made on a per each (EA.) basis as specified in the bid schedule, which shall include all cost for labor, materials, equipment, permits/authorization and performing all work required to Hot Tap existing waterline, install gate valve, install cut-in valve, disinfect and connect to new waterlines, cut-off, plug and abandon existing waterline as required, install thrust blocks and legally dispose of removed materials, in accordance with plans and specifications.

105. Payment for "Hot Tap and connect to Existing 8" DIP Waterline" will be made on a per each (EA.) basis as specified in the bid schedule, which shall include all cost for labor, materials, equipment, permits/authorization and performing all work required to Hot Tap existing waterline, install gate valve, install cut-in valve, disinfect and connect to new waterline, cut-off, plug and abandon existing waterline as required, install thrust blocks and legally dispose of removed materials, in accordance with plans and specifications.

106. Payment for "Hot Tap and connect to Existing 12" PVC Waterline" will be made on a per each (EA.) basis as specified in the bid schedule, which shall include all cost for labor, materials, equipment, permits/authorization and performing all work required to Hot Tap existing waterline, install gate valve, install cut-in valve, disinfect and connect to new waterline, cut-off, plug and abandon existing waterline as required, install thrust blocks and legally dispose of removed materials, in accordance with plans and specifications.

107. Payment for "Encase Existing 6" A.C.P Waterline" will be made on a per lineal foot basis (L.F.), which shall include all cost for labor, materials, equipment, permit/authorization, and performing all work required to excavate, encase existing waterline and backfill to bottom of sub-grade of the final road surface elevation, in accordance with plans and specifications.
108. Payment for "Encase Existing 8" D.I.P Waterline" will be made on a per lineal foot basis (L.F.), which shall include all cost for labor, materials, equipment, permit/authorization, and performing all work required to excavate, encase existing waterline and backfill to bottom of sub-grade of the final road surface elevation, in accordance with plans and specifications.
109. Payment for "Encase Existing 12" P.V.C. Waterline" will be made on a per lineal foot basis (L.F.), which shall include all cost for labor, materials, equipment, permit/authorization, and performing all work required to excavate, encase existing waterline and backfill to bottom of sub-grade of the final road surface elevation, in accordance with plans and specifications.
110. Payment for "Connect Existing Water Meter to New Water Main" will be made on a per each (EA.) basis as specified in the bid schedule, which shall include all cost for labor, materials, equipment, permits/authorization and performing all work required to install water meter service connection and piping per R.C.S.D. standard drawing W1090 and W1100. Payment for relocation of water meter, meter box and customer service piping shall be per Bid Item No. 42.

3. **Reference:** Construction Specifications, Technical Provisions, Article 33 Concrete Curb, Gutter, Cross Gutter, Spandrel, Driveway Approaches, Sidewalk and Curb Ramps, Page TP-29 and **Addendum No.3 Item No. 21**

Delete reference to Section 51 of the Standard Specifications in the first paragraph.

Delete the entire second paragraph and the entire third paragraph as modified by Addendum No.3

For clarification note that all removals, excavation and grading within the limits of the roadway between existing or proposed rights-of-way shall be performed under Bid Item No. 9 "Roadway Excavation".

4. **Reference:** Construction Specifications, Technical Provisions.

ADD the following Technical Provision:

ARTICLE 36 WATERLINE ENCASEMENT

Contractor shall encase existing waterlines in accordance with the "Waterline Encasement Detail, Figure 1 Addendum No.4".

Contractor shall encase all waterlines found to have less than 3.5' of cover as measured from the final top of pavement elevation to the top of the existing waterline. Waterlines found to have less than or equal to 2.5' of cover will require to be relocated in accordance with plans and specifications.

Contractor shall backfill encasement excavation with 2-sack sand/cement slurry to bottom of subgrade of the final road surface elevation.

5. **Reference:** Construction Specifications, Technical Provisions.

ADD the following Technical Provision;

ARTICLE 37 WATERLINE RELOCATION SPECIFICATIONS

In order to determine the limits of waterlines to be relocated Contractor shall pothole existing waterline as directed by owner and witnessed by Owner's representative. Thereafter Owner will require a minimum of 15 working days to determine limits of waterline relocation after receipt of pothole data from Contractor.

Once the limits of waterline relocation are determined, Contractor shall provide notice to Rubidoux Community Service District (R.C.S.D.) a minimum of 10 working days in advance of commencement of waterline relocation. Contractor shall be responsible for proper homeowner notification if residential water service is to be interrupted.

Contractor shall furnish and install for each waterline relocation two (2) hot tapped valves, two (2) cut-in valves, new piping, and thrust blocks per "Waterline relocation Detail, Figure 2" (Addendum No.4) and in accordance with R.C.S.D. Standards and Specifications unless approved otherwise.

Contractor shall test and disinfect all new waterline installations, providing all test plates, fitting and equipment as required. All work shall be done in accordance with R.C.S.D. Standards and Specifications

Asbestos Cement Pipe is to be handled in accordance will all applicable California State laws and regulations and legally disposed of at a landfill permitted for disposal of asbestos containing materials.

If determined, the Agency shall address any further clarifications within subsequent Addendums.

By: E.S.
Erik Sydow
Project Manager

Date: 6/1/11

**REDEVELOPMENT AGENCY FOR THE COUNTY OF RIVERSIDE
CONTRACT DOCUMENTS FOR THE
RUBIDOUX AREA II STREET AND STORM DRAIN IMPROVEMENT PROJECT**

ADDENDUM No. 3

Please Be Advised: the Agency hereby updates the following sections of the plans and specifications:

1. Reference: Construction Specifications, Notice Inviting Bids, Page BD-1:
 - a. Proposals shall hereby be delivered to the Clerk of the Board of Directors, on the 1st floor of the County Administrative Center located at 4080 Lemon Street, 1st Floor, Riverside, CA 92501, no later than 2:00 p.m., on June 6, 2011 to be promptly opened in public at said address.
2. Soils Report: The Draft Soils Report, Project No. 110055, from Heider Engineering has been executed and finalized; recommendations and conclusion observations have not changed, so the Agency will not reissue the final until construction. Contractor shall base costs on the soil report conclusions and recommendations.
3. **Delete Plans:** Contractor will not be responsible for bidding any items associated with the Claystone Avenue, Canyon Pines Place Sidewalk Project (2 Sheets).
4. **Add Plans:** Contractor shall be responsible for the storm drain improvements identified within the Rubidoux – Crestmore Road Storm Drain Improvement Plans (8 sheets).
5. **Reference:** Construction Specifications, General Conditions, Article 1 General Provisions, 1.1 - Definitions, Page GC-1:

Add the following definitions:

Rubidoux Community Services District, hereinafter RCSD, is the water, fire-water, and sewer purveyor for the Community of Rubidoux. RCSD specifications and standards can be found at RCSD's website, <http://www.rcsd.org/development-resources.asp>, known as the "Water and Sanitary Sewer Design & Construction Manual (2005 version)."

Riverside County Flood Control District, hereinafter RCFC, is the regional drainage authority for the County of Riverside. RCFC specifications and standards can be found at RCFC's website, <http://www.floodcontrol.co.riverside.ca.us/DistrictDocuments.aspx>.

Riverside County Transportation Department, hereinafter RCTD, is responsible for planning, designing, funding, building, operating and maintaining all roads, bridges, and transportation facilities within the unincorporated County territory. RCTD specifications and standards can be found at RCTD's website, http://www.rctlma.org/trans/land_dev_ord_461.html.

6. **Reference:** Construction Specifications, Bidding Documents, Contractor's Proposal, Item 31.
 - a. Contractor can assume a 4" drain.
7. **Reference:** Construction Specifications, Bidding Documents, Contractor's Proposal, Item 38.
 - a. Item 38 is in relation to a 3'x3' water vault.
8. **Reference:** Construction Specifications, Bidding Documents, Contractor's Proposal, Item 71.
 - a. Addendum Number 2 stated "Construct 3'x4' RCB per Caltrans Standard D-80", and will be **Replaced** with "Construct 3'x5' RCB per Caltrans Standard D-80"
9. **Reference:** Construction Specifications, Bidding Documents, Payment for Items, Pages BD-11 through BD-19:
 - a. **Replace** Item 1 with the following:
 1. Payment for **"Mobilization"** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization required to establish a construction staging area(s), and placing a construction trailer and equipment in accordance with the specifications. Mobilization shall also include contract bonds, project insurance, demobilization, and project management.
 - b. **Delete** Item 3 in its entirety.
 - c. **Delete** Item 6 in its entirety.
 - d. **Replace** Item 10 with the following:
 10. Payment for **"Place AC Pavement"** will be made on a per ton (TON) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to provide and place AC pavement for course thickness as shown on Standard Improvement Plan Sheet 2, in accordance with the plans and specifications.

- e. **Revise** basis for payment in Item 15 to read "will be made on a per square foot (S.F.) basis".
- f. **Replace** Item 20 with the following:
 - 20. Payment for **"Cold Plane 0.1' Existing Pavement"** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to cold plane surface of existing pavement and legally dispose of removed material, in accordance with the plans and specifications.
- g. **Replace** Item 22 with the following:
 - 22. Payment for **"Construct Cross Gutter, Spandrel, and Curb Return"** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to prepare subgrade, place, and remove forms and finish concrete in accordance with the plans and specifications.
- h. **Delete** Item 23 in its entirety.
- i. **Revise** basis for payment in Item 24 to read "will be made on a per cubic yard (C.Y.) basis".
- j. **Replace** Item 26 with the following:
 - 26. Payment for **"Remove Existing Curb or Concrete as Noted"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to saw cut and remove existing concrete curb, gutter, or spandrel, and legally dispose of the materials, in accordance with the plans and specifications.
- k. **Replace** Item 29 with the following:
 - 29. Payment for **"Relocate Existing Mailbox with New In-Ground Metal Post"** will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to remove existing mailbox and footing, install mailbox in new location with new in-ground metal post and concrete footing, and legally dispose of removed materials, in accordance with the plans and specifications.

- I. **Delete** Item 30 in its entirety.

- m. **Replace** Item 33 with the following:
 - 33. Payment for **"Reconstruct In-Kind, Existing Private Owner Block Wall"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to remove the existing wall and footing, construct new wall to match existing in material and appearance (unless otherwise approved by Owner) in new location, and legally dispose of removed materials, in accordance with the plans and specifications.

- n. **Replace** Item 35 with the following:
 - 35. Payment for **"Reconstruct In-Kind, Existing Private Owner Wood Fence"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to remove the existing wood fence and footing, construct new wood fence to match existing in material and appearance (unless otherwise approved by Owner) in new location, and legally dispose of removed materials, in accordance with the plans and specifications.

- o. **Replace** Item 36 with the following:
 - 35. Payment for **"Reconstruct In-Kind, Existing Private Owner Wrought Iron Fence"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to remove the existing wrought iron fence and footing, install existing wrought iron fence panels in new location with new posts and footings, and legally dispose of removed materials, in accordance with the plans and specifications.

- p. **Delete** Item 37 in its entirety.

- q. **Replace** Item 38 with the following
38. Payment for **"Adjust to Grade Existing Vault"** will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to adjust existing vault to grade per RCSD Standards, in accordance with the plans and specifications.
- r. **Add** the following sentence at the end of Item 41:
- Fire hydrant installation shall meet RCSD Standards.
- s. **Add** the following sentence at the end of Item 42:
- Water meter installation shall meet RCSD Standards.
- t. **Delete** Item 43 in its entirety.
- v. **Add** Items 77 through 102 as follows:
77. Payment for **"Install 2-Sack Slurry Backfill Over Storm Drain with Less than 2' Cover"** will be made on a per cubic yard (C.Y.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to place 2-sack slurry backfill, in accordance with the plans and specifications.
78. Payment for **"Place Storm Drain Bedding and Backfill in Pipe Zone (to 12" Over Top of Pipe)"** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to place storm drain bedding and backfill, in accordance with the plans and specifications.
79. Payment for **"Reconstruct Sewer Lateral per RCFC STD M808"** will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to reconstruct sewer lateral, in accordance with the plans and specifications.

80. Payment for **"Furnish and Install Trench Protection in Accordance with Cal/OSHA Standards for Trenches Greater than 5' Deep"** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to furnish and install trench protection, in accordance with the plans and specifications.
81. Payment for **"Construct Type A Retaining Curb per Addendum Detail"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to construct Type A retaining curb, in accordance with the plans and specifications.
82. Payment for **"Construct Type B Retaining Curb per Addendum Detail"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to construct Type B retaining curb, in accordance with the plans and specifications.
83. Payment for **"Construct Masonry Retaining Wall per Greenbook Standard Plan 816-3 H=3'-4" Max."** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to construct masonry retaining wall, in accordance with the plans and specifications.
84. Payment for **"Encase Existing RCSD Sewer Main and Laterals with 2-Sack Slurry to RCSD Specifications within Street Lowering Area"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to encase existing RCSD sewer main and laterals, in accordance with the plans and specifications.
85. Payment for **"Construct Under Sidewalk Drain per Riverside County STD 309"** will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to construct under sidewalk drain, in accordance with the plans and specifications. Contractor can assume a 7' drain for estimating purposes.

86. Payment for "**Construct Private Drain through Curb per Riverside County STD 310**" will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to construct private drain, in accordance with the plans and specifications.
87. Payment for "**Pothole Existing Utilities as Required for Utility Relocation within Street Lowering Area**" will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to perform potholing, as required, in accordance with the plans and specifications.
88. Payment for "**Horizontal Sawcut Existing Curb**" will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to sawcut and remove portions of existing curb as required for driveway installation, in accordance with the plans and specifications.
89. Payment for "**Construct 6" AC Berm per Riverside County STD 212**" will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to install AC berm, in accordance with the plans and specifications.
90. Payment for "**Remove Existing Concrete Residential Driveways**" will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to sawcut, remove, and legally dispose of removed materials, in accordance with the plans and specifications.
91. Payment for "**Remove Existing Concrete Structure**" will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to demolish, remove, backfill, and recompact excavation area, and legally dispose of removed materials, in accordance with the plans and specifications.

92. Payment for **"Reconstruct In-Kind, Existing Private Owner Wrought Iron and Block Fence"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to demolish and remove existing wall, legally dispose of removed materials and reconstruct in new location, in accordance with the plans and specifications.
93. Payment for **"Relocate and/or Adjust to Grade Existing Private Owner Wrought Iron Gate, Recycle Wrought Iron Gate, and Install New V-Track and Footing"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to demolish and legally dispose of existing v-track and footing, and furnish and install new v-track and footing, in accordance with the plans and specifications.
94. Payment for **"Relocate and/or Adjust to Grade Existing Private Owner Chain Link Gate, and Recycle Material"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to relocate and/or adjust to grade existing private owner chain link gate, in accordance with the plans and specifications.
95. Payment for **"Relocate and/or Adjust to Grade Existing Private Owner Wood Gate, and Recycle Material"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to relocate and/or adjust to grade existing private owner wood gate, in accordance with the plans and specifications.
96. Payment for **"Construct Minimum 3" AC Paving Over Compacted Native Soil"** will be made on a per square foot basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to excavate to subgrade or place backfill, as required, to grade, and compact and place AC paving, in accordance with the plans and specifications.
97. Payment for **"Construct 4" PCC Over Compacted Native Soil"** will be made on a per square foot basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to excavate to subgrade or place backfill, as required, to grade, and compact and place PCC, in accordance with the plans and specifications.

98. Payment for **"Construct 4" AB or Gravel Surface for Driveway Matchup Purposes Over Compacted Native Soil"** will be made on a per square foot basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to excavate to subgrade or place backfill, as required, to grade, and compact and place 4" gravel, in accordance with the plans and specifications.
99. Payment for **"Install Traffic Signal Loop to RCTD Standards"** will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to install traffic loops and restore traffic signal function, in accordance with the plans and specifications.
100. Payment for **"Adjust Air-Vac to Grade per RCTD STD W1070"** will be made on a per each (EA.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to adjust air-vac to grade, and provide concrete slab and cover as required, in accordance with the plans and specifications.
101. Payment for **"Relocate Existing Waterline per RCSD Standards as Required by Street Lowering"** will be made on a per lineal foot basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization, and performing all work required to relocate existing waterline, in accordance with the plans and specifications. Contractor shall fill out Unit Prices and Total Prices for A, B, C; Contractor's do not need to place anything within the parent bid item 101.
102. Payment for **"Underground Unforeseen Conditions Allowance. To be used as approved and directed by Agency. Unused monies to be returned to Agency"** will be made on a time and material basis, as determined and directed by the Agency. As this is a Time and Material unit, the Agency shall only authorize payment and disbursement of this item for actual work performed under specific direction by the Agency.

10. **Reference:** Construction Specifications, Special Provisions, Section 3 - Duration of Contract, Page SP-1:

Replace the first paragraph with the following:

The Contractor must begin work no later than fourteen (14) days after the commencement date specified in the Notice to Proceed and must complete the entire work within three hundred sixty-five (365) calendar days from the date specified in the Notice to Proceed.

11. **Reference:** Construction Specifications, Special Provisions, Section 13 - Beginning of Work, Page SP-4:

Replace the third paragraph with the following:

All work must be completed within 365 calendar days from the date specified in the Notice to Proceed.

12. **Reference:** Construction Specifications, General Conditions, Article 3 Site Conditions, Page GC-11:

Delete the first sentence of Part 3.1.5.

13. **Reference:** Construction Specifications, General Conditions, Article 19 Changes, 19.1 Change Order Work, Page GC-38:

Add the following after Subpart c of Part 19.1.1:

If such changes reduce the quantity or amount of work to be done, they shall not constitute the basis for claim(s) for damages or anticipated profits on the work eliminated; provided, that if such changes render useless any work already done or material or equipment already furnished or used in the Work, Owner shall make reasonable allowance therefore, which action shall be binding upon both parties.

14. **Reference:** Construction Specifications, General Conditions, Article 19 Changes, 19.1 Change Order Work, Page GC-42:

Addendum No. 2 Deleted 19.1.20. Addendum No. 3 shall include Part 19.1.20 with the following:

19.1.20 Quantities shown on the Contract Drawings are estimates and must be verified by Contractor. Bid schedule may include bit item quantities that are not specified or do not agree with items on the Contract Drawings. Bid item quantities shall be a basis for Contractor's proposal and not constitute a basis for final payment. Final payment for unit cost items will be based upon actual quantities used and verified by Owner's inspector. Quantities shown and used to establish lump sum cost by Contractor are assumed to have been verified by Contractor prior to submitting a bid.

15. **Reference:** Construction Specifications, Technical Provisions, Specifications, Page TP-1:

Add the following to the end of the section titled "Specifications":

Where specified, this project shall also conform to the Standards and Specifications of the Riverside County Flood Control and Water Conservation District.

16. **Reference:** Construction Specifications, Technical Provisions, Article 23 Overall Construction Methods, 23.1 Project Site, Pages TP-1 and TP-2:

Replace the last two paragraphs with the following:

The Contractor shall inform Agency a reasonable length of time in advance of the times and places at which he intends to work in order that lines and grades may be furnished, that inspection may be provided, and that necessary measurements for records and payments may be made with minimum inconvenience. The Contractor shall provide such assistance and materials as may be required. The Contractor shall carefully preserve all survey stakes and reference points. Should any stakes or points be removed or destroyed by any act of the Contractor, they shall be reset at the Contractor's expense.

17. **Reference:** Construction Specifications, Technical Provisions, 30.5 Cold Plane Asphalt Concrete Pavement, Pages TP-10 and TP-11:

Revise depth from 0.17' to 0.10' in first paragraph and **revise** unit for unit bid price from square yard to cubic yard in last paragraph.

18. **Reference:** Construction Specifications, Technical Provisions, 32.5 through 32.8, Pages TP-19 through TP-23:

Delete all but the first paragraph of Part 32.5 on Page TP-19 and **delete** all of Parts 32.6, 32.7, and 32.8 on Pages TP-19 through TP-23. No rubberized asphalt is required under this project.

19. **Reference:** Construction Specifications, Technical Provisions, Part 32.9, Page TP-24:

Revise sentence in middle of Page TP-24 from "The paving asphalt shall be AR-4000" to read "The paving asphalt shall be PG64-10 per RCTD Road Improvement Standards and Specifications, Ordinance 461, Section 11".

20. **Reference:** Construction Specifications, Technical Provisions, Parts 32.10 through 32.13, Pages TP-26 through TP-28:

Delete Parts 32.10 through 32.13, these items are not required for this project.

21. **Reference:** Construction Specifications, Technical Provisions, Article 33 Concrete Curb, Gutter, Cross Gutter, Spandrel, Driveway Approaches, Sidewalk and Curb Ramps, Page TP-29:

Replace the third paragraph with the following:

Excess material resulting from the excavation of the subgrade will become property of the Contractor and be disposed of as provided in Section 7-1.13 of the Standard Specifications. Full compensation for the removal of existing concrete structures shall be included in the contract bid prices for such bid items.

Replace the last paragraph with the following:

The contract unit prices paid per linear foot for Curb and Gutter, per square foot for Sidewalk, Cross Gutter, Spandrels, and Driveway Approaches, and per each for Curb Ramps shall include full compensation for furnishing all labor, equipment, materials, and tools, and incidentals, and for performing all work involved in the construction, complete and in place, including the furnishing and placing of expansion joints.

22. **Reference:** Construction Specifications, Technical Provisions, 33.1 Driveway Tie In, Page TP-29:

Replace the third paragraph with the following:

Excess material resulting from the removal and regrading of existing driveways will become property of the Contractor and be disposed of as provided in Section 7-1.13 of the Standard Specifications.

23. **Reference:** Construction Specifications, Technical Provisions, 33.2 Catch Basin and Retaining Wall, Page TP-30:

Replace with the following:

All catch basins shall be constructed to Riverside County Transportation Department (RCTD) Standards and conform to applicable portions of RCTD Ordinance 461, Section 14.

Retaining walls shall be constructed in accordance with the "Greenbook" Standard Plans and Specifications for Public Works Construction.

Full compensation for furnishing and placing of reinforcement and grate cover, structure excavation, and backfill shall be included in the unit prices bid per each for Catch Basins and per square foot for Retaining Wall, and shall include full

compensation for furnishing all labor, materials, tools, and equipment, and no additional compensation will be allowed therefore.

24. **Reference:** Construction Specifications, Technical Provisions, Page TP-32:

Add the following Part 33.7 following Part 33.6:

33.7 Concrete Damage, Repair, and Protection from Graffiti

Any damage, cracks, or defects in new or existing concrete including but not limited to curbs, gutters, sidewalks, walls and driveways occurring during the course of the project shall be repaired by Contractor to the satisfaction of the Owner. Patching of damaged areas will not be allowed. Damaged, cracked, or defective areas are to be removed and replaced to nearest score line as directed by the Owner at Contractor's expense.

Newly poured concrete shall be protected and guarded from graffiti until concrete has cured sufficiently to resist such vandalism. Failure to prevent graffiti will result in defaced concrete being removed and replaced to nearest score line as directed by the Owner at Contractor's expense. Contractor is advised that preventative steps may include guarding the project after normal working hours and that such preventative measures will not constitute extra work.

25. **Reference:** Construction Specifications, Technical Provisions, Part 33.5 Relocate Signs and Fence, Page TP-31:

Replace with the following:

33.5.1 Relocate Signs

Sign relocation shall conform to the provisions in Section 56 of the Standard Specifications and as directed by the Engineer.

Signs shall be relocated at the locations shown on the construction plans or where directed by the Engineer.

The contract unit price paid per each for Relocate Sign shall include full compensation for furnishing all labor, materials, tools, equipment, and incidentals and for performing all work involved, and no additional compensation will be allowed therefore.

33.5.2 Relocate and/or Reconstruct Fences and Walls

Contractor shall relocate and/or reconstruct fences and walls as noted on the plans unless directed otherwise by Owner.

Relocate Fence - Contractor shall use existing material ("recycle") where possible and install same with new footings in new location. If material cannot be reused (recycled), new material shall match existing or be replaced by Owner-approved equal.

Reconstruct In-Kind Fences and Walls - Contractor shall construct new wall or fence in new location to match existing wall fence material(s) and appearance. Contractor shall reuse (recycle) existing materials (wrought iron panels, concrete wall capstones, etc.) where possible. If Contractor is unable to reuse (recycle) existing materials or match existing configuration and appearance, Contractor shall obtain Owner approval for equal.

Recycle shall be defined herein as the incorporation of existing materials with new construction.

The contract unit price paid per lineal foot for Relocate and/or Reconstruct Fences and Walls shall include full compensation for furnishing all labor, materials, tools, equipment, and incidentals and for performing all work involved, and no additional compensation will be allowed therefore.

If determined, the Agency shall address any further clarifications within subsequent Addendums.

**REDEVELOPMENT AGENCY FOR THE COUNTY OF RIVERSIDE
CONTRACT DOCUMENTS FOR THE
RUBIDOUX AREA II STREET AND STORM DRAIN IMPROVEMENT PROJECT**

ADDENDUM No. 2

Please Be Advised: the Agency hereby updates the following sections of the plans and specifications:

1. Reference: Construction Specifications, Section I Bidding Requirements, Contractor's Proposal:
 - a. The Contractor's Proposal has been updated in its entirety to reflect the updated field survey plans. There are now 102 items to bid on.
2. Reference: Construction Specifications, Section III General Conditions, Article 19 Changes, Page GC-42:
 - a. Section 19.1.20 of the Section shall be deleted in its entirety from the specification package and not apply to construction.
3. Reference: Street Improvement Plans
 - a. Street Improvement Plans, Pages 6-28 have been updated and are included within this Addendum.
4. Reference: Street Improvement Plans
 - a. Street Improvement Plan Construction Notes have been updated and included within this Addendum. This includes 3 figures for reference.
5. Reference: Storm Drain Plans
 - a. Missing Storm Drain Plans, sheets 17 and 18 are included within this Addendum.
6. Reference: Construction Specifications, Section I Bidding Requirements, Contractor's Proposal:
 - a. Bid Item 45 referencing "Const. New Street Lighting Electrical System in accordance with the Rubidoux Area II Electrical Infrastructure Installation Specifications" is included in Addendum and entitled the "Redevelopment Agency for the County of Riverside Rubidoux Area II Electrical Infrastructure Installation"
7. Soils Report: Attached is the draft version of the soils report from Heider Engineering, dated May 18, 2011, Project No. 110055. A final report, with no substantial changes, may be issued with a future Addendum.

If determined, the Agency shall address any further clarifications within subsequent Addendums.

TOTAL SUM BID, ITEMS 1 THROUGH 110: five million nine hundred
ninety nine thousand thirty (Words) (\$ 5,999,039.00)
nine dollars and zero cents (Figures)

The determination of the low bidder will be based on the Base Bid. Bids must be submitted on all items. Failure to bid on all items may result in the bid being rejected as non-responsive.

PAYMENT FOR ITEMS

The following bid items are included in the Bid Proposal for providing a method of payment:

1. Payment for **“Mobilization”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to establish a construction staging area(s) and place a construction trailer and equipment in accordance with the specifications.
2. Payment for **“Storm Water Pollution Prevention Plan & Notice of Intent”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to prepare and implement a storm water pollution prevention plan in accordance with the plans and specifications.
3. Payment for **“Construction Surveying”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to provide construction surveying, staking, establishment of street center lines, etc. in accordance with the plans and specifications.
4. Payment for **“Clearing and Grubbing”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to remove and dispose of resulting material in accordance with the plans and specifications.
5. Payment for **“Traffic Control”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to prepare and gain approval of a traffic control plan and implement traffic control measures in accordance with the plans and specifications.
6. Payment for **“Soils and Material Testing”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to provide soils and material testing and approvals in accordance with the specifications.
7. Payment for **“Signing and Striping”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to provide signing and striping in accordance with the plans and specifications.
8. Payment for **“Developing Water Supply”** will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to develop a water supply in accordance with the specifications.
9. Payment for **“Roadway Excavation”** will be made on a per cubic yard (C.Y.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required for excavating, sloping, rounding tops and ends of excavations, loading, hauling, depositing, spreading and compacting the material complete in place and preparing subgrade at the grading plane in accordance with the plans and specifications.
10. Payment for **“Place 3” AC Pavement”** will be made on a per ton (TON) basis, as specified in the bid schedule, which shall include all costs for labor, materials,

11. Payment for **“Place Aggregate Base”** will be made on a per cubic yard (C.Y.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to provide, place and compact aggregate base in accordance with the plans and specifications.
12. Payment for **“Fog Seal”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to apply fog sealant to AC pavement in accordance with the plans and specifications.
13. Payment for **“Construct 6” Type A-6 Curb and Gutter”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
14. Payment for **“ Construct 4” Sidewalk”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
15. Payment for **“Construct Driveway Approach”** will be made on a per square foot (S.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
16. Payment for **“Construct Access Ramp”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
17. Payment for **“Adjust Manhole Cover to Grade”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to adjust existing manholes to grade in accordance with the plans and specifications.
18. Payment for **“Adjust Valve Cover to Grade”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to adjust existing valve covers and cans to grade in accordance with the plans and specifications.
19. Payment for **“Remove Existing Catch Basin”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing catch basin and legally dispose of the material in accordance with the plans and specifications.
20. Payment for **“Cold Plane 0.1' Existing Pavement”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to

21. Payment for **“Construct 0.1' AC Overlay”** will be made on a per square yard (S.Y.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to construct AC overlay on existing pavement in accordance with the plans and specifications.
22. Payment for **“Construct Cross Gutter”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
23. Payment for **“Construct 6” Slump Stone Wall”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place footing and construct 6” CMU slump stone screen wall in accordance with the plans and specifications.
24. Payment for **“Remove Existing AC and Base”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to saw cut and remove existing asphalt concrete pavement and aggregate base and legally dispose of the material in accordance with the plans and specifications.
25. Payment for **“Remove Existing Tree”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing tree, bush or stump, fill and compact the hole and legally dispose of the material in accordance with the plans and specifications.
26. Payment for **“Remove Existing Curb”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to saw cut and remove existing concrete curb, gutter and or spandrel in accordance with the plans and specifications.
27. DESIGNATION OF SUBCONTRACTORS

In compliance with the Public Contract Code, Sections 4104-4144, the undersigned submits the following complete list of each subcontractor who will perform work or labor or render services in or about the construction in an amount in excess of one-half of 1 percent of said total bid.

PORTION OF THE WORK	SUBCONTRACTOR	ADDRESS
Storm Drain	SRD Construction	Anaheim, CA
Trees/Clearing	Treesmith Enterprises	Anaheim, CA
Fence	ALCORN Fence	Riverside, CA Orange, CA
Masonry Walls	Ewandstrom Masonry	Torrance, CA
Surina Water	Surina	Bloomington, CA
Striping	PCI Striping	Long Beach, CA
electrical	Sierra Pacific	Riverside, CA

AWARD OF CONTRACT

The undersigned fully understands that a Contract is formed upon the acceptance of this proposal by the Owner, and the undersigned further agrees that upon request he will promptly execute and deliver to Owner a written memorial of the Contract together with the required labor and material and performance bonds.

BID GUARANTEE

The enclosed certified or cashier's check or bidder's bond on approved form, made payable to the Owner, in the amount of ten percent (10%) of the total bid submitted herewith, is hereby given as guarantee that the bidder will execute and deliver the above mentioned written memorial and required bonds if awarded the contract, and in the event that the undersigned fails or refuses to execute and deliver said documents, such check or bond is to be charged with the costs of the damages experienced by the Owner as a result of such failure or refusal, including, but not limited to publication costs, the difference in money between the amount of the bid of the said principal and the amount for which obligee may legally contract with another party to perform the said work if such amount be in excess of the former, building lease or rental costs, transportation costs and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event, however, shall the Surety's liability exceed the penal sum hereof.

Fidelity and Deposit Company of Maryland

EXTRACT FROM BY-LAWS OF FIDELITY AND DEPOSIT COMPANY OF MARYLAND

“Article VI, Section 2. The Chairman of the Board, or the President, or any Executive Vice-President, or any of the Senior Vice-Presidents or Vice-Presidents specially authorized so to do by the Board of Directors or by the Executive Committee, shall have power, by and with the concurrence of the Secretary or any one of the Assistant Secretaries, to appoint Resident Vice-Presidents, Assistant Vice-Presidents and Attorneys-in-Fact as the business of the Company may require, or to authorize any person or persons to execute on behalf of the Company any bonds, undertakings, recognizances, stipulations, policies, contracts, agreements, deeds, and releases and assignments of judgements, decrees, mortgages and instruments in the nature of mortgages,...and to affix the seal of the Company thereto.”

CERTIFICATE

I, the undersigned, Assistant Secretary of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, do hereby certify that the foregoing Power of Attorney is still in full force and effect on the date of this certificate; and I do further certify that the Vice-President who executed the said Power of Attorney was one of the additional Vice-Presidents specially authorized by the Board of Directors to appoint any Attorney-in-Fact as provided in Article VI, Section 2, of the By-Laws of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND.

This Power of Attorney and Certificate may be signed by facsimile under and by authority of the following resolution of the Board of Directors of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND at a meeting duly called and held on the 10th day of May, 1990.

RESOLVED: "That the facsimile or mechanically reproduced seal of the company and facsimile or mechanically reproduced signature of any Vice-President, Secretary, or Assistant Secretary of the Company, whether made heretofore or hereafter, wherever appearing upon a certified copy of any power of attorney issued by the Company, shall be valid and binding upon the Company with the same force and effect as though manually affixed."

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and affixed the corporate seal of the said Company,

this 4th day of May, 2011.

Assistant Secretary

**Power of Attorney
FIDELITY AND DEPOSIT COMPANY OF MARYLAND**

KNOW ALL MEN BY THESE PRESENTS: That the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, a corporation of the State of Maryland, by WILLIAM J. MILLS, Vice President, and GREGORY E. MURRAY, Assistant Secretary, in pursuance of authority granted by Article VI, Section 2, of the By-Laws of said Company, which are set forth on the reverse side hereof and are hereby certified to be in full force and effect on the date hereof, does hereby nominate, constitute and appoint **William SYRKIN, Rebecca HAAS-BATES and Sergio D. BECHARA, all of Irvine, California, EACH** its true and lawful agent and Attorney-in-Fact, to make, execute, seal and deliver, for, and on its behalf as surety, and as its act and deed: **any and all bonds and undertakings**, and the execution of such bonds or undertakings in pursuance of these presents, shall be as binding upon said Company as fully and amply to all intents and purposes, as if they had been duly executed and acknowledged by the regularly elected officers of the Company at its office in Baltimore, Md., in their own proper persons. This power of attorney revokes that issued on behalf of William SYRKIN, Rebecca HAAS-BATES, Sergio D. BECHARA, Leonard E. ZIMINSKY, dated April 8, 2008.

The said Assistant Secretary does hereby certify that the extract set forth on the reverse side hereof is a true copy of Article VI, Section 2, of the By-Laws of said Company, and is now in force.

IN WITNESS WHEREOF, the said Vice-President and Assistant Secretary have hereunto subscribed their names and affixed the Corporate Seal of the said FIDELITY AND DEPOSIT COMPANY OF MARYLAND, this 25th day of September, A.D. 2009.

ATTEST:

FIDELITY AND DEPOSIT COMPANY OF MARYLAND

Gregory E. Murray

William J. Mills

Gregory E. Murray Assistant Secretary

By:

William J. Mills

William J. Mills Vice President

State of Maryland }
City of Baltimore } ss:

On this 25th day of September, A.D. 2009, before the subscriber, a Notary Public of the State of Maryland, duly commissioned and qualified, came WILLIAM J. MILLS, Vice President, and GREGORY E. MURRAY, Assistant Secretary of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, to me personally known to be the individuals and officers described in and who executed the preceding instrument, and they each acknowledged the execution of the same, and being by me duly sworn, severally and each for himself deposed and saith, that they are the said officers of the Company aforesaid, and that the seal affixed to the preceding instrument is the Corporate Seal of said Company, and that the said Corporate Seal and their signatures as such officers were duly affixed and subscribed to the said instrument by the authority and direction of the said Corporation.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my Official Seal the day and year first above written.

TOTAL SUM BID, ITEMS 1 THROUGH 110: Six Million, Three Hundred
 (Words)
Eighty nine thousand and five hundred eighty (\$ 6,389,508.00)
 (Figures)
 00/100 Dollars

The determination of the low bidder will be based on the Base Bid. Bids must be submitted on all items. Failure to bid on all items may result in the bid being rejected as non-responsive.

DESIGNATION OF SUBCONTRACTORS

In compliance with the Public Contract Code, Sections 4104-4144, the undersigned submits the following complete list of each subcontractor who will perform work or labor or render services in or about the construction in an amount in excess of one-half of 1 percent of said total bid.

PORTION OF THE WORK	SUBCONTRACTOR	ADDRESS
---------------------	---------------	---------

Electrical	SIERRA PACIFIC	Riverside, CA
Fence	Valley Gate	Moreno Valley
MASONRY	MARK WHITAKER	CHINO, CA.
SEWER	SURINA	Bloomington
STORM	Kip Inc.	Murrieta CA.
WATER	SURINA	Bloomington
Electrical	Stacy Co. N	Baldwin Park, CA
Fence	Econo Fence	Riverside, CA.
Electrical	SIERRA PACIFIC	Riverside, CA.

AWARD OF CONTRACT

The undersigned fully understands that a Contract is formed upon the acceptance of this proposal by the Owner, and the undersigned further agrees that upon request he will promptly execute and deliver to Owner a written memorial of the Contract together with the required labor and material and performance bonds.

BID GUARANTEE

The enclosed certified or cashier's check or bidder's bond on approved form, made payable to the Owner, in the amount of ten percent (10%) of the total bid submitted herewith, is hereby given as guarantee that the bidder will execute and deliver the above mentioned written memorial and required bonds if awarded the contract, and in the event that the undersigned fails or refuses to execute and deliver said documents, such check or bond is to be charged with the costs of the damages experienced by the Owner as a result of such failure or refusal, including, but not limited to publication costs, the difference in money between the amount of the bid of the said principal and the amount for which obligee may legally contract with another party to perform the said work if such amount be in excess of the former, building lease or rental costs, transportation costs and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event, however, shall the Surety's liability exceed the penal sum hereof.

EXTRACT FROM BY-LAWS OF FIDELITY AND DEPOSIT COMPANY OF MARYLAND

"Article VI, Section 2. The Chairman of the Board, or the President, or any Executive Vice-President, or any of the Senior Vice-Presidents or Vice-Presidents specially authorized so to do by the Board of Directors or by the Executive Committee, shall have power, by and with the concurrence of the Secretary or any one of the Assistant Secretaries, to appoint Resident Vice-Presidents, Assistant Vice-Presidents and Attorneys-in-Fact as the business of the Company may require, or to authorize any person or persons to execute on behalf of the Company any bonds, undertakings, recognizances, stipulations, policies, contracts, agreements, deeds, and releases and assignments of judgements, decrees, mortgages and instruments in the nature of mortgages,....and to affix the seal of the Company thereto."

CERTIFICATE

I, the undersigned, Assistant Secretary of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, do hereby certify that the foregoing Power of Attorney is still in full force and effect on the date of this certificate; and I do further certify that the Vice-President who executed the said Power of Attorney was one of the additional Vice-Presidents specially authorized by the Board of Directors to appoint any Attorney-in-Fact as provided in Article VI, Section 2, of the By-Laws of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND.

This Power of Attorney and Certificate may be signed by facsimile under and by authority of the following resolution of the Board of Directors of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND at a meeting duly called and held on the 10th day of May, 1990.

RESOLVED: "That the facsimile or mechanically reproduced seal of the company and facsimile or mechanically reproduced signature of any Vice-President, Secretary, or Assistant Secretary of the Company, whether made heretofore or hereafter, wherever appearing upon a certified copy of any power of attorney issued by the Company, shall be valid and binding upon the Company with the same force and effect as though manually affixed."

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and affixed the corporate seal of the said Company,

this 20TH day of APRIL, 2011.

Assistant Secretary

**Power of Attorney
FIDELITY AND DEPOSIT COMPANY OF MARYLAND**

KNOW ALL MEN BY THESE PRESENTS: That the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, a corporation of the State of Maryland, by WILLIAM J. MILLS, Vice President, and ERIC D. BARNES, Assistant Secretary, in pursuance of authority granted by Article VI, Section 2, of the By-Laws of said Company, which are set forth on the reverse side hereof and are hereby certified to be in full force and effect on the date hereof, does hereby nominate, constitute and appoint **Richard A. COON, Charles L. FLAKE, David L. CULBERTSON and Lexie SHERWOOD, all of Anaheim, California, EACH** its true and lawful agent and Attorney-in-Fact, to make, execute, seal and deliver, for, and on its behalf as surety, and as its act and deed: ~~any and all bonds and undertakings, and the execution of such bonds or undertakings in pursuance of these presents, shall be as binding upon said Company, as fully and amply, to all intents and purposes, as if they had been duly executed and acknowledged by the regularly elected officers of the Company at its office in Baltimore, Md., in their own proper persons.~~ This power of attorney revokes that issued on behalf of Richard A. COON, Charles L. FLAKE, David L. CULBERTSON, Matthew P. FLAKE, Lexie SHERWOOD, dated November 7, 2005.

The said Assistant Secretary does hereby certify that the extract set forth on the reverse side hereof is a true copy of Article VI, Section 2, of the By-Laws of said Company, and is now in force.

IN WITNESS WHEREOF, the said Vice-President and Assistant Secretary have hereunto subscribed their names and affixed the Corporate Seal of the said FIDELITY AND DEPOSIT COMPANY OF MARYLAND, this 15th day of November, A.D. 2006.

**CONTRACTOR'S CERTIFICATE REGARDING
WORKER'S COMPENSATION INSURANCE**

Section 3700 of the Labor Code provides, in part, as follows:

"Every employer except the State and all political subdivision or institutions thereof, shall secure the payment of compensation in one (1) or more of the following ways:

- a) by being insured against liability to pay compensation with one (1) or more insurers duly authorized to write compensation insurance in this State; or
- b) by securing from the Director of Industrial Relations, a Certificate of Consent to Self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his employees ..."

The undersigned is aware of the provisions of Section 3700 of the Labor Code that requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and will comply with such provisions before commencing the performance of the work of this Contract.

To:

CO. OF RIVERSIDE REDEVELOPMENT AGENCY
CLERK OF THE BOARD OF DIRECTORS
COUNTY ADMINISTRATIVE CENTER 1ST FLOOR
4080 LEMON ST.
RIVERSIDE, CA 92501

PROPOSAL FOR THE CONSTRUCTION OF:
RUBIDOUX AREA II STREET & STORM DRAIN
IMPROVEMENT PROJECT PROJECT ADDRESS:
AREA BOUNDED BY WALLACE ST, 34TH ST,

NOTICE INVITING BIDS

The Redevelopment Agency for the County of Riverside, herein called Owner, invites sealed proposals for the construction of:

Rubidoux, Area II Street And Storm Drain Improvement Project

Project Address:

Area bounded by Wallace Street, 34th Street,
Crestmore Road and Mission Boulevard.

Proposals shall be delivered to the Clerk of the Board of Directors, on the 1st floor of the County Administrative Center located at 4080 Lemon Street, 1st Floor, Riverside, CA 92501, not later than 2:00 p.m. ~~11/11~~, on June 6, 2010 to be promptly opened in public at said address.

Each proposal shall be in accordance with Plans, Specifications and other Contract Documents dated 10-06 and 3-11 and prepared by Pettit, Inc., whose address is 1641 Commerce Street, Corona, CA 92880, (951) 736-8161. The Plans, Specifications, and other Contract Documents can be reviewed at <http://dfs.aandirepro.com> and purchased by calling A&I Reprographics at (800) 233-8435. There will be a non-refundable charge per set. Bidders requesting that sets be mailed or shipped to them will be charged the full cost of shipping. Please make checks payable to A&I Reprographics, not the Redevelopment Agency for the County of Riverside.

Pursuant to the Labor Code, the Governing Board of the Owner has obtained from the Director of Industrial Relations, State of California, his determinations of general prevailing rates of per diem wages applicable to the work, and for holiday and overtime work, including employee payments or health and welfare, pension, vacation and similar purposes, as set forth on schedule which is on file at the principal office of the Owner, and which will be made available to any interested person upon request.

The Contract General Conditions for this project will contain provisions allowing successful contractor to substitute securities for monies withheld by the Owner to ensure performance (Public Contract Code 22300).

A Performance Bond and Payment Bond shall be required for this project.

The Contractor will be required, per Public Contracts Code, Section 3300 and for this contract, to have a State of California contractor's license classification A – General Engineering Contractor. A mandatory pre-bid job walk inspection will be held on April 25, 2010 at 8.30 a.m., meeting Riverside, CA.

No bids will be accepted from bidders who have not attended the pre-bid job walk.

For Further information, contact Delia Flores at the Redevelopment Agency for the County of Riverside located at 3403 10th Street, Suite 500, Riverside CA 92501 whose phone number is (951) 955-5737.

INSTRUCTIONS TO BIDDERS

- A. **COMMUNICATION:** All communication **will be in writing**, no phone calls or other verbal communication will be allowed.

Bidders may submit questions or request clarifications of any aspect of the proposal process or proposed construction on the form provided titled "Request for Information" (RFI). RFI's may be faxed, mailed or delivered to the person designated as the contact. All RFI's and the Owner's answers to RFI's will be compiled, faxed and mailed to all registered bidders as soon as possible. To be considered, all RFI's shall be submitted in writing by 5:00 p.m. a minimum of **ten (10) working days** prior to bid date. The person submitting the request will be responsible for its prompt delivery.

All requests shall be submitted as single RFI's for one particular question or subject. Multiple requests per form may or may not be considered at the discretion of the Owner or Owner's representative.

- B. **DRAWINGS AND SPECIFICATIONS:** All drawings, herein enclosed, become a part of the Bid Documents. Additional sets may be provided if requested by bidders and deemed necessary and if there is sufficient time. Sets may be purchased by calling A&I Reprographics at (800) 233-8435. There will be a non-refundable charge per set. Bidders requesting that sets be mailed or shipped to them will be charged the full cost of shipping. Please make checks payable to A&I Reprographics, not the Redevelopment Agency for the County of Riverside.
- C. **FORM OF THE PROPOSAL:** The proposal must be made on the attached Contractors Proposal form, which must be filled out completely, dated and signed by the bidder or duly authorized agent in accordance with the directions on the Proposal form.

Each proposal shall include a complete list of the subcontractors proposed for every portion of the work, in accordance with Public Contract Code Sections 4100 - 4114, inclusive.

- D. **SUBMISSION OF PROPOSAL:** Signed copies of each Proposal shall be sealed in an opaque envelope. The envelope shall bear the bidders name and shall be marked:

***PROPOSAL FOR THE CONSTRUCTION OF
Rubidoux, Area II Street And Storm Drain Improvement Project**

**Project Address:
Area bounded by Wallace Street, 34th Street,
Crestmore Road and Mission Boulevard.**

Proposals shall be submitted at the place designated in the Notice Inviting Bids at, or before, the time specified in said Notice. Before that time a proposal may be withdrawn, but only in person by the bidder or someone authorized by him in writing, and not by telephone or telegram.

- E. **INTERPRETATION OF THE DOCUMENTS:** Discrepancies in and omissions from the plans, specifications or other contract documents, or questions as to their meaning shall, at once, be brought to the attention of the Owner. Any interpretation of the documents will be made only by addenda duly issued and a copy of such addenda will be mailed or delivered to each person or firm receiving a set of such documents. The Owner will not be responsible for any other explanations or interpretations. Should

anything in the scope of the work or any of the sections of the specifications be of such nature as to be apt to cause disputes between the various trades involved, such information shall be promptly called to the attention of the Owner.

- F. **ADDENDA TO THE DOCUMENTS:** The Owner reserves the right to issue such addenda to the documents as it may desire at any time prior to the time fixed for receiving proposals. A copy of all such addenda will be promptly mailed or delivered to each bidder. The number and date of each addendum shall be listed on the Contractors Proposal in the space provided.
- G. **OWNERS RESERVATION OF RIGHTS:** The Owner reserves the right to reject any or all proposals and to waive any informalities in a bid or in the bidding. No bidder may withdraw his bid for a period of sixty (60) days after the time set or the opening thereof.
- H. **BIDDERS CHECK OR BOND:** Each proposal must be accompanied by a certified or cashier's check, or by a bid bond on the form supplied by the Owner, drawn in favor of the Owner in an amount not less than ten percent (10%) of the total proposal. This check or bond shall be given as a guarantee that the bidder, if awarded the contract, will execute and deliver the contract documents and the required Payment & Performance bonds in accordance with his proposal accepted by the Owner.

In default of execution of the contract upon award and/or delivery of said Payment and Performance Bonds, such proposal bond or check shall be held subject to payment to the Owner of the difference in money between the amount of the bidders proposal and the amount for which the Owner may legally contract with another party to perform the said work together with the costs to the Owner of redrafting, redrawing and publishing documents and papers necessary to obtain new bids on the said work. The check or bond shall, in addition, be held subject to all other damages suffered by the Owner, as set forth in the contract documents. Said check or bond will be returned upon the close of the period mentioned in Paragraph G above, and to the successful bidder upon execution of the contract documents.

NO BONDS WILL BE ACCEPTED UNLESS SUBMITTED ON FORM SUPPLIED BY OWNER.

- I. **AWARD OF CONTRACT:** The contract shall be awarded upon a resolution or minute order to that effect duly adopted by the governing board of the Owner. Execution of the contract documents shall constitute a written memorial thereof.
- J. **ADDITIONAL INFORMATION:** The Owner reserves the right to require of a bidder information regarding financial responsibility or such other information as the Owner determines is necessary to ascertain whether a bid is in fact the lowest responsible bid submitted. All references to an Architect shall be deemed to refer to the Owner where no Architect has been employed by the Owner.
- K. **PROMPT ACTION BY CONTRACTOR:** After the award of the Contract by the Owner, and within four (4) days after the Agreement Forms are presented to the Contractor for signing, he shall return to the Owner the signed Agreements, along with all necessary Bonds and Certificates of Insurance.
- L. **CAUTION TO BIDDERS:** Prospective bidders are cautioned not to merely examine the plans and specifications in making their bid, since requirements are imposed upon the contractor by various other portions of the Contract Documents.
- M. **PERFORMANCE AND PAYMENTS BONDS:** Bidders attention is directed to the

requirement that both the Performance and Payment Bonds are one hundred percent (100%) of the contract price.

- N. **BIDDERS QUALIFICATIONS:** To be considered, a potential bidder must have an A License, as required under provisions of Public Contracts Code Section 3300, and the California Business and Professions Code, for work covered in its proposal when a bid is submitted. This includes a joint venture formed to submit a bid.
- O. **TIME OF COMPLETION:** Time of completion of project is two hundred ten (210) calendar days from the date specified in the NOTICE TO PROCEED issued by the Owner.
- P. **BIDS:** Under the bidding items listed on Contractors Proposal, bidders shall state prices for each basis for bid given herein after:
 - 1. Base Bid shall be the entire work complete in accordance with the drawings and specifications.

TOTAL SUM BID, ITEMS 1 THROUGH 110: Six million Four Hundred
 (Words)
Eighty Two Thousand Five Hundred (\$ 6,482,507⁰⁰)
 SEVEN (Figures)

The determination of the low bidder will be based on the Base Bid. Bids must be submitted on all items. Failure to bid on all items may result in the bid being rejected as non-responsive.

PAYMENT FOR ITEMS

The following bid items are included in the Bid Proposal for providing a method of payment:

1. Payment for "**Mobilization**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to establish a construction staging area(s) and place a construction trailer and equipment in accordance with the specifications.
2. Payment for "**Storm Water Pollution Prevention Plan & Notice of Intent**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to prepare and implement a storm water pollution prevention plan in accordance with the plans and specifications.
3. Payment for "**Construction Surveying**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to provide construction surveying, staking, establishment of street center lines, etc. in accordance with the plans and specifications.
4. Payment for "**Clearing and Grubbing**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to remove and dispose of resulting material in accordance with the plans and specifications.
5. Payment for "**Traffic Control**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to prepare and gain approval of a traffic control plan and implement traffic control measures in accordance with the plans and specifications.
6. Payment for "**Soils and Material Testing**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to provide soils and material testing and approvals in accordance with the specifications.
7. Payment for "**Signing and Striping**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to provide signing and striping in accordance with the plans and specifications.
8. Payment for "**Developing Water Supply**" will be made on a lump sum (L.S.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment and permits/authorization required to develop a water supply in accordance with the specifications.
9. Payment for "**Roadway Excavation**" will be made on a per cubic yard (C.Y.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required for excavating, sloping, rounding tops and ends of excavations, loading, hauling, depositing, spreading and compacting the material complete in place and preparing subgrade at the grading plane in accordance with the plans and specifications.
10. Payment for "**Place 3" AC Pavement**" will be made on a per ton (TON) basis, as specified in the bid schedule, which shall include all costs for labor, materials,

11. Payment for **“Place Aggregate Base”** will be made on a per cubic yard (C.Y.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to provide, place and compact aggregate base in accordance with the plans and specifications.
12. Payment for **“Fog Seal”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to apply fog sealant to AC pavement in accordance with the plans and specifications.
13. Payment for **“Construct 6” Type A-6 Curb and Gutter”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
14. Payment for **“ Construct 4” Sidewalk”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
15. Payment for **“Construct Driveway Approach”** will be made on a per square foot (S.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
16. Payment for **“Construct Access Ramp”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
17. Payment for **“Adjust Manhole Cover to Grade”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to adjust existing manholes to grade in accordance with the plans and specifications.
18. Payment for **“Adjust Valve Cover to Grade”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to adjust existing valve covers and cans to grade in accordance with the plans and specifications.
19. Payment for **“Remove Existing Catch Basin”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing catch basin and legally dispose of the material in accordance with the plans and specifications.
20. Payment for **“Cold Plane 0.1' Existing Pavement”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to

21. Payment for **“Construct 0.1' AC Overlay”** will be made on a per square yard (S.Y.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to construct AC overlay on existing pavement in accordance with the plans and specifications.
22. Payment for **“Construct Cross Gutter”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place and remove forms and finish concrete in accordance with the plans and specifications.
23. Payment for **“Construct 6” Slump Stone Wall”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place footing and construct 6” CMU slump stone screen wall in accordance with the plans and specifications.
24. Payment for **“Remove Existing AC and Base”** will be made on a per square foot (S.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to saw cut and remove existing asphalt concrete pavement and aggregate base and legally dispose of the material in accordance with the plans and specifications.
25. Payment for **“Remove Existing Tree”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing tree, bush or stump, fill and compact the hole and legally dispose of the material in accordance with the plans and specifications.
26. Payment for **“Remove Existing Curb”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to saw cut and remove existing concrete curb, gutter and or spandrel in accordance with the plans and specifications.
27. Payment for **“Remove Existing Guard Post”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing guard post and legally dispose of the material in accordance with the plans and specifications.
28. Payment for **“Relocate Existing Sign and Post”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing sign and post and associated footing, install sign and post in new location and legally dispose of removed materials in accordance with the plans and specifications.
29. Payment for **“Relocate Existing Mailbox”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing mailbox and footing, install mailbox in new location and legally dispose of removed

30. Payment for **“Replace 12 Existing Mailboxes with Gang Box”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing mailboxes and footings, install new gang box and legally dispose of removed materials in accordance with the plans and specifications.
31. Payment for **“Relocate Existing Drain”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing drain, install drain in new location and legally dispose of the removed materials in accordance with the plans and specifications.
32. Payment for **“Relocate Private Lamp”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing private lamp and footing, install lamp in new location and legally dispose of removed materials in accordance with the plans and specifications.
33. Payment for **“Relocate Private Wall”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing wall, footing, construct wall in new location and legally dispose of removed materials in accordance with the plans and specifications.
34. Payment for **“Relocate Private Chain Link Fence”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing chain link fence, footing, install chain link fence in new location and legally dispose of removed materials in accordance with the plans and specifications.
35. Payment for **“Relocate Private Wood Fence”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing wood fence, footing, install wood fence in new location and legally dispose of removed materials in accordance with the plans and specifications.
36. Payment for **“Relocate Private Wrought Iron Fence”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove the existing wrought iron fence, footing, install wrought iron fence in new location and legally dispose of removed materials in accordance with the plans and specifications.
37. Payment for **“Relocate Existing Backflow Device”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing backflow device, install backflow device in new location and legally dispose of removed materials in accordance with the plans and specifications.
38. Payment for **“Relocate Existing Vault”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing vault and appurtenances, install vault in new location and legally dispose of removed materials in accordance with the plans specifications.

39. Payment for **“Construct Desilting Drain Inlet”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans and specifications.
40. Payment for **“Install Type F Markers”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to install Type F road markers in accordance with the plans and specifications.
41. Payment for **“Relocate Existing Fire Hydrant”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing fire hydrant and appurtenances, install fire hydrant in new location and legally dispose of removed materials in accordance with the plans and specifications.
42. Payment for **“Relocate Existing Water Meter”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing water meter and appurtenances, install water meter in new location and legally dispose of removed materials in accordance with the plans and specifications.
43. Payment for **“Relocate Existing Fire Dept. Service”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing Fire Department service and appurtenances, install Fire Department service in new location and legally dispose of removed materials in accordance with the plans and specifications.
44. Payment for **“Relocate Existing Irrigation Control Valve”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to remove existing irrigation control valve and appurtenances, install irrigation control valve in new location and legally dispose of removed materials in accordance with the plans specifications.
45. Payment for **“Install New Street Light”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to install street light in accordance with the plans and specifications.
46. Payment for **“Install 18” RCP (2000-D)”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install pipe, backfill and compact in accordance with the plans and specifications.
47. Payment for **“Install 24” RCP (2000-D)”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install pipe, backfill and compact in accordance with the plans and specifications.

48. Payment for **"Install 36" RCP (1500-D)"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install pipe, backfill and compact in accordance with the plans and specifications.
49. Payment for **"Install 42" RCP (1200-D)"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install pipe, backfill and compact in accordance with the plans and specifications.
50. Payment for **"Install 48" RCP (1500-D)"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install pipe, backfill and compact in accordance with the plans and specifications.
51. Payment for **"Install 60" RCP (1600-D)"** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install pipe, backfill and compact in accordance with the plans and specifications.
52. Payment for **"Install Catch Basin STD 300 W=7"** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
53. Payment for **"Install Catch Basin STD 300 W=14"** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
54. Payment for **"Install Catch Basin STD 300 W=22"** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
55. Payment for **"Install Catch Basin STD 302 W=7"** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
56. Payment for **"Install Drop Inlet STD CB110"** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
57. Payment for **"Construct Manhole Structure STD MH253 #3"** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for

58. Payment for **“Construct Manhole Structure STD MH254 #4”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, install cover, remove forms and finish concrete in accordance with the plans specifications.
59. Payment for **“Construct Manhole Structure STD MH251 #1”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, install cover, remove forms and finish concrete in accordance with the plans specifications.
60. Payment for **“Construct Modified Manhole Structure STD MH251 #1”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, install cover, remove forms and finish concrete in accordance with the plans specifications.
61. Payment for **“Construct Manhole Structure STD MH252 #2”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, install cover, remove forms and finish concrete in accordance with the plans specifications.
62. Payment for **“Construct Manhole Structure STD JS227 #2”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, install cover, remove forms and finish concrete in accordance with the plans specifications.
63. Payment for **“Construct Frame and Cover for Catch Basin STD CB103”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, install cover, remove forms and finish concrete in accordance with the plans specifications.
64. Payment for **“Construct Junction Structure STD JS226 #1”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
65. Payment for **“Construct Junction Structure STD JS229 #4 ”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
66. Payment for **“Construct Transition Structure STD TS303 #3”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and

67. Payment for **“Construct Modified Transition Structure STD TS304 #4”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
68. Payment for **“Construct Modified Transition Structure STD TS301 #1”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
69. Payment for **“Construct Modified Transition Structure STD TS301 #1”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
70. Payment for **“Construct 3'x4' RCB per Caltrans STD D-80”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install box, backfill and compact in accordance with the plans and specifications.
71. Payment for **“Construct 3'x5' RCB per Caltrans STD D-80”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to trench, place bedding, install box, backfill and compact in accordance with the plans and specifications.
72. Payment for **“Construct Headwall Structure per Caltrans STD D-89”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to prepare subgrade, place forms and reinforcement, remove forms and finish concrete in accordance with the plans specifications.
73. Payment for **“Install Sewer Steel Casing”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to install steel casing around the existing sewer line in accordance with the plans and specifications.
74. Payment for **“Construct Concrete Collar”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to place and remove forms and finish concrete in accordance with the plans and specifications.
75. Payment for **“Construct Concrete Encasement”** will be made on a per lineal foot (L.F.) basis, as specified in the bid schedule, which shall include all costs for labor, materials, equipment, permits/authorization and performing all work required to place and remove forms and finish concrete in accordance with the plans and specifications.
76. Payment for **“Construct Concrete Bulkhead”** will be made on a per each (E.A.) basis, as specified in the bid schedule, which shall include all costs for labor,

AWARD OF CONTRACT

The undersigned fully understands that a Contract is formed upon the acceptance of this proposal by the Owner, and the undersigned further agrees that upon request he will promptly execute and deliver to Owner a written memorial of the Contract together with the required labor and material and performance bonds.

BID GUARANTEE

The enclosed certified or cashier's check or bidder's bond on approved form, made payable to the Owner, in the amount of ten percent (10%) of the total bid submitted herewith, is hereby given as guarantee that the bidder will execute and deliver the above mentioned written memorial and required bonds if awarded the contract, and in the event that the undersigned fails or refuses to execute and deliver said documents, such check or bond is to be charged with the costs of the damages experienced by the Owner as a result of such failure or refusal, including, but not limited to publication costs, the difference in money between the amount of the bid of the said principal and the amount for which obligee may legally contract with another party to perform the said work if such amount be in excess of the former, building lease or rental costs, transportation costs and additional salary costs that result from the delay due to the principal's default on the awarded contract. In no event, however, shall the Surety's liability exceed the penal sum hereof.

BID BOND

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned
Riverside Construction Company, Inc.

_____, as Principal : and Fidelity and Deposit Company of Maryland
_____, as Surety, are hereby held and firmly bound unto the Redevelopment Agency for
the County of Riverside, hereinafter called the "Owner", in the sum of
ten * dollars (\$ 10%) for the payment of which sum, well and truly to be
made, were hereby jointly and severally bind ourselves, our heirs, executors,
administrators, successors and assigns. *percent of the total bid amount

WHEREAS, the said Principal is herewith submitting its proposal for the construction of
Rubidoux, Area II Street And Storm Drain Improvement Project

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH, that if the aforesaid Principal
shall be awarded the contract upon said proposal and shall, within the required number of
days after the notice of such award, execute a written memorial of the awarded contract
and submit the required labor and material and faithful performance bond, then this
obligation shall be null and void; and in the event that the principal fails and/or refuses to
execute and deliver said documents this bond will be charged with the costs of the
damages experienced by the Owner as a result of such refusal, including but not limited to,
publication cost, the difference in money between the amount of the bid of the said principal
and the amount for which the obligee may legally contract with another party to perform the
said work if such amount be in excess of the former; building lease or rental costs,
transportation costs, and additional salary costs that result from the delay due to the
principal's default on the awarded contract. In no event however, shall the Surety's liability
exceed the penal sum hereof.

The Surety, for value received, hereby stipulates and agrees that the obligations of said
Surety and its bond shall be in no way impaired or affected by any extension of the time
within which the Owner may accept such bid; and said Surety does hereby waive notice of
any such extension.

IN WITNESS WHEREOF, the above-bounded parties have executed this instrument under
their several seals this 18th day of April, 2011, the name and corporate seal of
each corporate party being hereto affixed and these presents duly signed by its
undersigned representative, pursuant to authority of its governing body.

EXTRACT FROM BY-LAWS OF FIDELITY AND DEPOSIT COMPANY OF MARYLAND

"Article VI, Section 2. The Chairman of the Board, or the President, or any Executive Vice-President, or any of the Senior Vice-Presidents or Vice-Presidents specially authorized so to do by the Board of Directors or by the Executive Committee, shall have power, by and with the concurrence of the Secretary or any one of the Assistant Secretaries, to appoint Resident Vice-Presidents, Assistant Vice-Presidents and Attorneys-in-Fact as the business of the Company may require, or to authorize any person or persons to execute on behalf of the Company any bonds, undertakings, recognizances, stipulations, policies, contracts, agreements, deeds, and releases and assignments of judgements, decrees, mortgages and instruments in the nature of mortgages,....and to affix the seal of the Company thereto."

CERTIFICATE

I, the undersigned, Assistant Secretary of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, do hereby certify that the foregoing Power of Attorney is still in full force and effect on the date of this certificate; and I do further certify that the Vice-President who executed the said Power of Attorney was one of the additional Vice-Presidents specially authorized by the Board of Directors to appoint any Attorney-in-Fact as provided in Article VI, Section 2, of the By-Laws of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND.

This Power of Attorney and Certificate may be signed by facsimile under and by authority of the following resolution of the Board of Directors of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND at a meeting duly called and held on the 10th day of May, 1990.

RESOLVED: "That the facsimile or mechanically reproduced seal of the company and facsimile or mechanically reproduced signature of any Vice-President, Secretary, or Assistant Secretary of the Company, whether made heretofore or hereafter, wherever appearing upon a certified copy of any power of attorney issued by the Company, shall be valid and binding upon the Company with the same force and effect as though manually affixed."

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and affixed the corporate seal of the said Company,

this 18th day of April, 2011.

Assistant Secretary

Power of Attorney
FIDELITY AND DEPOSIT COMPANY OF MARYLAND

KNOW ALL MEN BY THESE PRESENTS: That the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, a corporation of the State of Maryland, by WILLIAM J. MILLS, Vice President, and GREGORY E. MURRAY, Assistant Secretary, in pursuance of authority granted by Article VI, Section 2, of the By-Laws of said Company, which are set forth on the reverse side hereof and are hereby certified to be in full force and effect on the date hereof does hereby nominate, constitute and appoint **Cristin NOLETTE, of Irvine, California**, its true and lawful agent and Attorney-in-Fact, to make, execute, seal and deliver, for, and on its behalf as surety, and as its act and deed, **any and all bonds and undertakings**, and the execution of such bonds or undertakings in pursuance of these presents, shall be as binding upon said Company, as fully and amply, to all intents and purposes, as if they had been duly executed and acknowledged by the regularly elected officers of the Company at its office in Baltimore, Md., in their own proper persons. This power of attorney revokes that issued on behalf of Cristin NOLETTE dated October 15, 2008.

The said Assistant Secretary does hereby certify that the extract set forth on the reverse side hereof is a true copy of Article VI, Section 2, of the By-Laws of said Company, and is now in force.

IN WITNESS WHEREOF, the said Vice-President and Assistant Secretary have hereunto subscribed their names and affixed the Corporate Seal of the said FIDELITY AND DEPOSIT COMPANY OF MARYLAND, this 24th day of June, A.D. 2009.

ATTEST:

FIDELITY AND DEPOSIT COMPANY OF MARYLAND

Gregory E. Murray By: *William J. Mills*
Gregory E. Murray Assistant Secretary William J. Mills Vice President

State of Maryland }
City of Baltimore } ss:

On this 24th day of June, A.D. 2009, before the subscriber, a Notary Public of the State of Maryland, duly commissioned and qualified, came WILLIAM J. MILLS, Vice President, and GREGORY E. MURRAY, Assistant Secretary of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, to me personally known to be the individuals and officers described in and who executed the preceding instrument, and they each acknowledged the execution of the same, and being by me duly sworn, severally and each for himself deposed and saith, that they are the said officers of the Company aforesaid, and that the seal affixed to the preceding instrument is the Corporate Seal of said Company, and that the said Corporate Seal and their signatures as such officers were duly affixed and subscribed to the said instrument by the authority and direction of the said Corporation.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my Official Seal the day and year first above written.

ADDITIONAL OPTIONAL INFORMATION

INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to that document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. he/she/they, is /are) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
 - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
 - ❖ Indicate title or type of attached document, number of pages and date.
 - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document

AGREEMENT FORM

THIS AGREEMENT entered into this ____ day of _____, 20__, by and between _____, hereinafter called the "Contractor" and the Redevelopment Agency for the County of Riverside, hereinafter called the "Owner".

WITNESSETH

That the parties hereto have mutually covenanted and agreed as follows:

CONTRACT: The complete Contract includes all of the Contract Documents, to wit: The Notice Inviting Bids, the Instructions to Bidders, the Contractor's Proposal, the Payment and Performance Bonds, the Plans and Specifications plus any Addenda thereto, the General Conditions, Special and Technical Provisions, and this Agreement. All contract documents are intended to cooperate and be complementary so that any work called for in one and not mentioned in the other, or vice versa, is to be executed the same as if mentioned in all contract documents.

STATEMENT OF WORK: The Contractor hereby agrees to furnish all tools, equipment, services, apparatus, facilities, transportation, labor, and materials for the construction of:
Rubidoux Area II Street and Storm Drain Improvement Project

I in strict accordance with the plans and specifications dated, _____, prepared by Pettit, Inc., hereinafter called the "Engineer", including Addenda thereto as listed in the Contractor's Proposal, all of which are made a part hereof.

TIME FOR COMPLETION: The work shall be commenced on a date to be specified in a written order of the Engineer and shall be completed within two hundred ten (210) calendar days from and after said date. It is expressly agreed that except for extensions of time duly granted in the manner and for the reasons specified in the General Conditions, time shall be of the essence.

COMPENSATION TO BE PAID TO CONTRACTOR: The Owner agrees to pay and the Contractor agrees to accept in full consideration for the performance of the Contract, subject to additions and deductions as provided in the General Conditions, the sum of _____ Dollars (\$ _____), being the total of the Base Bid.

The sum is to be paid according to the schedule as provided in the General Conditions.

Pursuant to Labor Code Section 1861, the Contractor gives the following certifications: I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Contract.

IN WITNESS WHEREOF, the parties hereto on the day and year first above written have executed this agreement in _____ counterparts.

**CONTRACTOR'S CERTIFICATE REGARDING
WORKER'S COMPENSATION INSURANCE**

Section 3700 of the Labor Code provides, in part, as follows:

"Every employer except the State and all political subdivision or institutions thereof, shall secure the payment of compensation in one (1) or more of the following ways:

- a) by being insured against liability to pay compensation with one (1) or more insurers duly authorized to write compensation insurance in this State; or
- b) by securing from the Director of Industrial Relations, a Certificate of Consent to Self-insure, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his employees ..."

The undersigned is aware of the provisions of Section 3700 of the Labor Code that requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and will comply with such provisions before commencing the performance of the work of this Contract.
