Subject: FY 11/12 Requested Budget for the Public Authority
Page 2

BACKGROUND: (Continued)

The FY 11/12 requested budget anticipates a decrease of 4.27% in provider hours from FY 10/11. The Public Authority also handles existing workload which includes health benefits for the providers who serve our clients.

In FY 10/11 the State reduced funding levels to the In-Home Supportive Services (IHSS) Public Authority (PA) in the State budget process. This total proposed budget for FY 11/12 is estimated to be \$2,364,073, which is a decrease of \$134,458 compared to the FY 10/11 budget. The total FY 11/12 budget decrease is 5.38%.

With your Board's approval, this budget will be submitted to the California Department of Social Services (CDSS) for approval. CDSS will convert this budget into an hourly rate based on the number of service hours that will be rendered by individual providers to IHSS clients. We estimate that the hourly rate for administrative costs will be \$0.13 per hour of service provided, which is the same as the budgeted amount for the current year FY 10/11.

The funding ratios for the budget are as follows:

Federal	49.00%
State	24.37%
County	<u>26.63%</u>
Total	100%

The FY 2011/12 County share is estimated to be \$629,557. Based on program expenditure plans for FY 2011/12, a contribution from other funds of \$512,333 from the General Fund contingency and \$117,224 from the Public Authority fund balance will be used to balance the FY 11/12 budget.
