RECOMMENDED MOTION: (Continued)

- c. The payment of funds for the cost of the project is consistent with the Implementation Plan for the project area and is necessary to effectuate the purpose of the project area's Redevelopment Plan, which calls for construction of infrastructure improvements;
2. Approve and authorize the Chairman of the Board to execute the attached agreement between the County of Riverside by and through the Transportation Department and the Redevelopment Agency for the County of Riverside, providing \$120,000 in redevelopment funds for the design of the Vernon Avenue street improvements; and
3. Consent to the expenditure of redevelopment funds for the project.

BACKGROUND:

The Redevelopment Agency for the County of Riverside (RDA) and the County of Riverside identified a need to improve the roadway along Vernon Avenue commencing from 40th Street and proceeds 650 feet north of 40th Street in the Jurupa Valley Redevelopment Project Area. The project will improve public safety and access.

The attached agreement between RDA and the county provides \$120,000 dollars in Jurupa Valley Redevelopment Capital Improvement Funds to the county for construction of the project. County Counsel has approved the attached agreement and staff recommends that the Board make the aforementioned findings and approve the agreement to provide funding for the project.
