BACKGROUND (Continued):

The proposed development will consist of a 41-unit manufactured housing complex for farmworkers in the unincorporated community of Mecca. The proposed project is located on a portion of a 25 acre lot situated to the southeast corner of Hammond Road and 68th Avenue, Assessor's Parcel Number 729-050-002. There is currently a gap financing in the amount of \$3,500,000 for which the Developer has requested assistance to fill in.

The attached Resolution recommends to the Board of Directors to make a loan commitment of \$3,500,000 in RDA Low-and Moderate-Income Housing Set-Aside Funds for the development and construction of the project. The Resolution obligates \$3,500,000 in Low-and Moderate-Income Housing Set-Aside funds for this project upon satisfaction of the following:

1. Secure any and all land use entitlements, permits, and approvals which may be required for construction of the project;
2. Obtain sufficient equity capital or firm and binding commitments for construction and permanent financing necessary to undertake the development and completion of the project; and
3. Successful negotiation of an RDA loan agreement satisfactory to the Board of Directors.

The estimated total development cost for the project is \$9,212,406. Funding will include a \$3,000,000 loan from the United States Department of Agriculture Farm Labor Housing Program Section 514/516; a \$1,000,000 loan from the Rural Community Assistance Corporation; a \$840,000 deferred loan from the Federal Home Loan Affordable Housing Program; a loan of \$872,406 from Housing and Community Development Joe Serna Jr. Farmworker Housing Grant Program.

Agency Counsel has reviewed and approved to form the attached RDA Resolution No. 2011-012, and staff recommends that the Board of Directors approve RDA Resolution No. 2011-012.

FINANCIAL DATA:

All the costs related to the development of the project will be fully funded with Redevelopment Housing Set Aside Funds. RDA has budgeted this expense in the FY 2010/11 budget.
