BACKGROUND: The Neighborhood Stabilization Program (NSP), which was enacted under Title III of Division B of the Housing and Economic Recovery Act of 2008 (HERA) and appropriated under Community Development Block Grant (CDBG), was created under the heading of Emergency Assistance for Redevelopment of Abandoned and Foreclosed Homes for the purpose of assisting in the redevelopment of abandoned or foreclosed homes. The American Recovery and Reinvestment Act of 2009 provided a second round of NSP funds, NSP2. On October 19, 2010, a third round of NSP funding, NSP3, provided an additional allocation of funds under Section 1497 of the Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act). The intent of NSP is to stabilize neighborhoods in areas with greatest need and stem the decline of house values of neighboring homes. On February 15, 2011, the Board of Supervisors approved the activity of acquisition, rehabilitation, and resale of housing units as a component of the Neighborhood Stabilization Program 3 (NSP3). The Substantial Amendment to the 2010-2011 One Year Action Plan (Action Plan) of the 2009-2014 Five-Year Consolidated Plan calls for the County of Riverside to partner with eligible public and private non-profit organizations.

On February 15, 2011, the Board of Supervisors approved the release of a Notice of Funding Availability (NOFA) for NSP3 activities by the Riverside County Economic Development Agency (EDA).

Habitat for Humanity Riverside, Inc. (HFHR) has applied for NSP3 funds to acquire, rehabilitate, and resell five vacant, foreclosed, and bank-owned single-family homes within designated Target Areas of the County of Riverside as defined in the Action Plan.

EDA has reviewed the application and is recommending a loan of \$1,000,000 in NSP3 funds to HFHR for resale to very low-income (VLI) first-time home buyers. The properties identified are listed with purchase prices from \$90,000 to \$130,000. Rehabilitation costs range from \$45,000 to \$51,000 per property.

NSP3 assisted units will be resold to qualified VLI first-time homebuyers whose incomes do not exceed 50% of the area median income for the county. Qualified home buyers must not have had ownership interest in improved-upon residential real property for the previous three years and are required to attend a home buyer counseling session certified by the United States Department of Housing and Urban Development.

Pursuant to NSP regulations, all acquisitions must be at least 1% below the current market appraised value as determined within 60 days of the date of the final purchase price offer. The resale price of each NSP3 assisted unit shall not exceed the (a) the fair market value or (b) the total cost to acquire, rehabilitate, and dispose the NSP3 assisted unit. NSP3 assisted units will be affordable for a period of at least 15 years from the transfer of title to qualified first-time homebuyers.

County Counsel has reviewed and approved as to form the attached Loan Agreement. Staff recommends that the Board approve the attached documents.

FINANCIAL DATA:

All the costs related to this project will be fully funded with NSP 3 funds.

24 of its knowledge and belief, that:

25 a. No federally appropriated funds have been paid or will be paid, by

20 herein from third party claims.

21 In the event there is conflict between this clause and California Civil Code Section 2782,
22 this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not

24 36. TERMINATION.

25 a. DEVELOPER. DEVELOPER may terminate this Agreement
26 consistent with the Act, the regulations implementing the Act, and
27 24 CFR 85.44.

28 b. COUNTY. Notwithstanding the above provision hereof,

COUNTY may suspend or terminate this Agreement upon written notice to DEVELOPER of the action being taken and the reason for such action:

- 1) In the event DEVELOPER fails to perform the covenants herein contained at such times and in such manner as provided in this Agreement after the applicable notice and cure provision hereof; or
- 2) In the event there is a conflict with any federal, state or local law, ordinance, regulation or rule rendering any of the provisions of this Agreement invalid or untenable; or
- 3) In the event the funding from HUD, as referred to in **Section 1**, is terminated or otherwise becomes unavailable.

c. This Agreement may be terminated or funding suspended in whole or in part for cause in accordance with 24 CFR 85.43. Cause shall be based on the failure of DEVELOPER to materially comply with either the terms or conditions of this Agreement after the applicable notice and cure provision hereof. Upon suspension of funding, DEVELOPER agrees not to incur any costs related thereto, or connected with, any area of conflict from which the COUNTY has determined that suspension of funds is necessary. The award may be terminated for convenience in accordance with 24 CFR 85.44.

d. Upon expiration of this Agreement, DEVELOPER shall transfer to the COUNTY any unexpended NSP 3 funds in its possession at the time of expiration of the Agreement as well as any accounts receivable held by DEVELOPER which are attributable to the use of NSP 3 funds awarded pursuant to this Agreement. If COUNTY

1 so chooses it will also require DEVELOPER to transfer title of
2 Assisted Units to COUNTY.

4 hereby declare their express intent that the restrictions set forth in this Agreement for each
5 Assisted Unit of the Project shall be affordable for a period of fifteen (15) years from the

7 Unit until the expiration of the Affordability Period. Each and every contract, deed or other
8 instrument hereafter executed covering and conveying the Assisted Unit or any portion thereof
9 shall be held conclusively to have been executed, delivered and accepted subject to such
10 restrictions, regardless whether such restrictions are set forth in such contract, deed or other
11 instrument.

12 38. MECHANICS LIENS AND STOP NOTICES. If any claim of mechanics
13 lien is filed against the Project or a stop notice affecting the NSP 3 Loan is served on the
14 COUNTY, DEVELOPER must, within twenty (20) days of such filing or service, either pay
15 and fully discharge the lien or stop notice, obtain a release of the lien or stop notice by
16 delivering to the COUNTY a surety bond in sufficient form and amount, or provide the
17 COUNTY with other assurance reasonably satisfactory to COUNTY that the lien or stop notice
18 will be paid or discharged.

20 embodies the entire agreement of the parties in relation to the subject matter hereof, and that no
21 other agreement or understanding, verbal or otherwise, relative to this subject matter, exists
22 between the parties at the time of execution.

25 represent that they have the authority to execute this Agreement and warrant and represent that
26 they have the authority to bind the respective parties to this Agreement to the performance of
27 its obligations hereunder.

28 41. WAIVER. Failure by a party to insist upon the strict performance of any

1 of the provisions of this Agreement by the other party, or the failure by a party to exercise its
2 rights upon the default of the other party, shall not constitute a waiver of such party's rights to
3 insist and demand strict compliance by the other party with the terms of this Agreement
4 thereafter.

5 42. INTERPRETATION AND GOVERNING LAW. This Agreement and
6 any dispute arising hereunder shall be governed by and interpreted in accordance with the laws
7 of the State of California. This Agreement shall be construed as a whole according to its fair
8 language and common meaning to achieve the objectives and purposes of the parties hereto,

11 by counsel in the negotiation and preparation hereof.

13 under this Agreement or brought by a party hereto for the purpose of enforcing, construing or
14 determining the validity of any provision of this Agreement shall be filed in the consolidated
15 Courts of Riverside County, State of California, and the parties hereto waive all provisions of
16 law providing for the filing, removal or change of venue to any other court or jurisdiction.

17 44. SEVERABILITY. Each paragraph and provision of this Agreement is
18 severable from each other provision, and if any provision or part thereof is declared invalid, the
19 remaining provisions shall nevertheless remain in full force and effect.

20 45. MINISTERIAL ACTS. The COUNTY's Assistant County Executive
21 Officer/EDA or designee(s) are authorized to take such ministerial actions as may be necessary
22 or appropriate to implement the terms, provisions, and conditions of this Agreement as it may
23 be amended from time to time by both parties.

24 46. ASSIGNMENT. DEVELOPER will not make any sale, assignment,
25 conveyance, or lease of any trust or power, or transfer in any other form with respect to this
26 Agreement or the Project.

DEVELOPER: Habitat for Humanity Riverside, Inc.

Address: 2180 Iowa Avenue, Riverside, CA 92507

Project Title: Habitat Riverside – NSP 3 - 1

Project Description:

DEVELOPER will utilize up to \$1,000,000.00 in NSP 3 funds for acquisition, rehabilitation and resale of vacant, foreclosed and bank-owned single-family homes to very low-income (“VLI”) first-time homebuyers within designated Target Areas of the County of Riverside as defined in the Substantial Amendment to the COUNTY’s 2010-2011 One Year Action Plan and its amendments. Target Areas inside a city’s boundary will require a letter of support from the respective city.

NSP 3 Assisted Units will be sold to qualified VLI first-time homebuyers whose incomes do not exceed 50% of the area median income for the County. Qualified homebuyers cannot have had ownership interest in improved-upon residential real property for the previous three years and are required to attend an eight (8) hour home buyer counseling session certified by the United States Department of Housing and Urban Development (HUD). DEVELOPER will utilize NSP 3 funds for acquisition, rehabilitation and disposal costs of properties for the Project. NSP 3 Assisted Units shall be affordable for a period of at least 15 years from the transfer of title to qualified first-time homebuyers.

Eligible Properties (“Assisted Units”)

Any single-family home, condominium or town home that meets all of the following minimum criteria:

1. The home must be foreclosed or abandoned and bank-owned or real estate owned.
2. If the home was occupied at the time of foreclosure by a bona fide tenant, the foreclosing entity must provide documentation showing that all tenant protection laws were adhered to. Also, If property was occupied by a bona fide tenant without a lease or with a lease terminable at will under state law at time of foreclosure, seller and or Listing Agent acknowledge and certify that the tenant was given 90 days notice as required by law before being asked to vacate the property, or if property was occupied by a bona fide tenant with a lease in effect on or before the date of the foreclosure, the Seller allowed the bona fide tenant to remain to the end of the lease term and provided a minimum 90 days notice to vacate (periods may overlap, but cannot be less than 90 days).
3. The home must be permanently fixed to a permanent foundation.
4. Homes constructed less than 50 years prior to the date of the initial offer are preferred. Older dwellings are eligible if they are suitable for renovation and if rehabilitation costs are reasonable. However, all properties older than 50 years must not be listed on, or eligible for listing on, the National Register of Historic Places and are subject to review by the California State Historic Preservation Office. Homes built prior to 1978 will require to be tested for lead.
5. The home must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) and comply with Laws and Authorities of §58.5: Historic Preservation, Floodplain & Wetlands, Coastal Zone, Aquifers, Endangered Species, Rivers, Air, Farmlands, HUD Environmental Standards and Environmental Justice.
6. Single-Family homes with in-ground pools or spas are eligible for acquisition.

Target Areas

Assisted Units must reside inside areas of greatest need within the designated Target Areas of the County of Riverside as defined in the Substantial Agreement to the County’s 2010-2011 One Year Action Plan

and its amendments. Target Areas inside a city's boundary will require a letter of support from the respective city.

Maximum Purchase Price

The maximum purchase price shall not exceed the actual 95 percent of the area median sales price, or the FHA 203(b) limit, as updated and published regularly by HUD. In addition, the purchase price of property shall not exceed 1% below the Current Market Appraised Value, as defined herein, of the property.

Resale Price Limitation

The Selling Price of each Assisted Unit shall not exceed (a) the fair market value or (b) the total costs to acquire, rehabilitate and dispose of each Assisted Unit pursuant to NSP 3.

Acquisition

1. All foreclosed homes participating in this program must meet or exceed the minimum one percent (1%) discount below the **Current Market Appraised Value (CMAV)**. The CMAV is the value of a foreclosed upon home that is established through an appraisal made in conformity with appraisal requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (URA) and its implementing regulations at 49 CFR 24.103 and completed within sixty (60) days prior to a final offer made for the property. At COUNTY's discretion and within NSP regulations of the NSP1 Federal Register Bridge Notice, COUNTY may modify the percentage discount requirement below the CMAV.
2. EDA will pay for appraisal costs as follows:
 - a) If the property's purchase price does not meet the minimum one percent (1%) discount below the Current Market Appraised Value, then EDA will only pay up to \$1,500 per property of which will be paid by EDA. Beyond that amount, DEVELOPER must pay for the cost of subsequent appraisals.
 - b) If the property's purchase price does meet or exceed the minimum one percent (1%) discount below the Current Market Appraised Value, then the cost of appraisal will be paid from the closing costs budget for the project.
3. Initial Notice and Offer. Upon receipt of a completed and signed Initial Notice and Offer form for each property in consideration, as provided in **Exhibit D**, or other similar forms approved by COUNTY, EDA will conduct an appraisal of the property through an independent fee contract appraiser ("Appraiser"). The Appraiser contracted by EDA will be State licensed or certified in accordance with Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA). The initial purchase price, identified in the Initial Notice and Offer form, will be considered as the Initial Offer. Bulk purchases must identify purchase prices for each property.
4. Final Notice and Offer. The final purchase price must be at least one percent (1%) below the CMAV. Properties may be purchased in bulk, but the minimum one percent (1%) discount applies to each property, and not an overall discount.
 - a) If the Initial Offer does meet or exceed the minimum one percent (1%) discount, then the Seller and DEVELOPER ("Buyer") will be required to submit a Final Notice and Offer form, as provided in **Exhibit D**, or other similar forms approved by COUNTY. The Final Notice and Offer form must be received and dated within sixty (60) days of the completed EDA appraisal report. Failure to submit this in a timely manner will result in denial of the property.
 - b) If the Initial Offer does not meet the minimum one percent (1%) discount below CMAV, then the Buyer will be required to re-negotiate to meet the minimum one percent (1%) discount. If the Seller and Buyer could not reach an amicable agreement for the purchase price of the property, then the property by the Buyer will be denied and the cost of the appraisal will be paid for by EDA.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS Borrower and Lender covenant and agree as follows:

1. **Payment of Principal; Late Charges.** Borrower shall promptly pay when due the principal of on the debt evidenced by the Note and any late charges due under the Note.
2. **Taxes and Insurance.** Borrower shall pay at least ten (10) days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.
 - a. Should Borrower fail to make any payment or to do any act herein provided, then Lender or Trustee, but without obligation so to do and upon written notice to or demand upon Borrower and without releasing Borrower from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Lender or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Lender or Trustee; pay, purchase, contest or compromise any encumbrance, charge, or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his or her reasonable fees.

Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within thirty (30) days of the giving of notice.

5. **Subordination.** This Deed of Trust shall be recorded in first position. This Deed of Trust shall remain in a superior position over any other trust deed that may be issued to secure additional public and/or private financing for the Project.

This insurance shall be maintained in the amounts and for the periods as required in the NSP 3 Loan Agreement. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 8.
 - a) All insurance policies and renewals shall be with terms and amounts acceptable to Lender and shall include a standard mortgagee clause. All original policies of insurance required pursuant to the Lender Deeds of Trust shall be held by Borrower; provided, however, Lender shall be named as a loss payee as its interest may appear and may be named as an additional insured. Borrower shall promptly give to Lender certificates of insurance showing the coverage is in full force and effect and that Lender is named as additional insured. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by the Borrower.
 - b) Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided Borrower determines that such restoration or repair is economically feasible and there is no default continuing beyond the expiration of all applicable cure periods. If Borrower determines that such restoration or repair is not economically feasible or if a default exists after expiration of all applicable cure periods, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, with the excess, if any, paid to Borrower. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.
 - c) Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of Note. If under paragraph 23 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

- 7. Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to representations concerning Borrowers use of Property for affordable housing. If this Security Instrument is on a leasehold, Borrower shall comply with all provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.
- a) The Borrower acknowledges that this Property is subject to certain use and occupancy restrictions (which may be further evidenced by a separate agreement recorded in the land records where the Property is located), limiting the Property's use to qualified very low-income (VLI) households earning no more than 50% of the median income within Riverside County. The use and occupancy restrictions may limit the Borrower's ability to sell the Property. The violation of any use and occupancy restrictions may, if not prohibited by federal law, entitle the Lender to the remedies provided in Section 22 hereof.
- 8. Protection of Lender's Rights in the Property.** If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then, subject to any applicable grace periods or cure periods, Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument (including sums secured by the Senior Deeds of Trust), appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 8, Lender does not have to do so.
- a. Any amounts disbursed by Lender under this paragraph 8 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.
- 9. Mortgage Insurance.** (Not used)
- 10. Inspection.** Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

11. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender.

- a. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due. Notwithstanding the foregoing, so long as the value of Lender's lien is not impaired, any condemnation proceeds may be used by Borrower for repair and/or restoration of the project.
- b. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.
- c. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Except in connection with any successor in interest approved by lender, extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Successors and Assigns Bound; Joint and Several Liability. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 18. Borrower's covenants and agreements shall be joint and several.

14. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan

charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be promptly refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

15. **Notices.** Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Borrower's mailing address stated herein or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice required to be given to a Senior Lien Holder shall be given by first class mail to any Senior Lien Holder at such address Senior Lien Holder designates by notice to the Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.
16. **Governing Law; Severability.** This Security Instrument shall be governed by law of the State of California. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.
17. **Borrower's Copy.** Borrower shall be given one conformed copy of the Note and of this Security Instrument.
18. **Transfer of the Property or a Beneficial Interest in Borrower.** Except for the sale of Assisted Units in the Project, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent (including a transfer of all or any part of the Property to any person who, at initial occupancy of the Property, does not use the Property for very low-income (VLI) households, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.
 - a. If Lender exercises the foregoing option, Lender shall give Borrower prior written notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.
 - b. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in Section 8 above, Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given at least 60 days' prior written notice.
19. **Borrower's Right to Reinstate.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier

of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 18.

20. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 15 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

21. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses, construction, and to maintenance of the Property.

- a. Borrower shall promptly given Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified in writing by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the Borrower shall notify the Senior Lien Holders that such remedial action is necessary and shall obtain the Senior Lien Holders' prior written consent for such remedial action.
- b. As used in this paragraph 22, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 22, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

- 22. Acceleration; Remedies.** Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured by the Borrower on or before the date specified in the notice, and the Senior Lien Holders or the Investment Limited Partner have not exercised their right to cure the default, then Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in Section 8 above, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given at least 60 days' prior written notice. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this paragraph 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.
- a. If Lender invokes the power of sale, Lender or Trustee shall mail copies of a notice of sale in the manner prescribed by applicable law to Borrower. Trustee shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property to any later time on the same date by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.
 - b. Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it.
- 23. Release.** Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument without charge to Borrower. Borrower shall pay any recordation costs.
- 24. Substitute Trustee.** Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Security Instrument is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.
- 25. Counterparts.** This Agreement may be signed by the different parties hereto in counterparts,

each of which shall be an original but all of which together shall constitute one and the same agreement.

EXHIBIT C

Promissory Note

PROMISSORY NOTE SECURED BY DEED OF TRUST

\$ _____ **Riverside, CA**

In installments as hereafter stated, for value received, HABITAT FOR HUMANITY RIVERSIDE, INC., a California, nonprofit public benefit corporation, ("Borrower" or "DEVELOPER") promises to pay the COUNTY OF RIVERSIDE, a political subdivision of the State of California ("COUNTY"), or order, at 3403 10th Street, Suite 500, Riverside, CA 92501, the sum of _____ Dollars (U.S. \$ _____) (the "Property Loan"), at the rate of zero percent (0%) per annum, pursuant to the terms of the NSP 3 Loan Agreement, dated _____, for acquisition, rehabilitation and disposition of the "Assisted Unit" or "Property" at _____. Capitalized terms not defined herein shall have the meaning ascribed to them in the NSP 3 Loan Agreement.

This Promissory Note shall provide the following:

The NSP 3 Loan will accrue interest at a rate of zero percent (0%) per annum. The NSP 3 Loan shall be due and payable by an Event of Default by Borrower which has not been cured as provided for in the NSP 3 Loan Agreement. Notwithstanding the above, it is intended that the full amount of the NSP 3 Loan for the Assisted Unit will be reduced by the following:

- (a) Development Subsidy. The Development Subsidy is the amount of the NSP 3 Loan minus the "Selling Price" of the Assisted Unit which is limited to (i) the fair market value or (ii) the total costs to acquire, rehabilitate and dispose the Assisted Unit;
- (b) Closing Costs. Closing Costs for the sale of the Assisted Unit to Qualified Homebuyer;

The NSP 3 Loan less Development Subsidy and Closing Costs for such Assisted Unit ("NSP 3 Balance") shall be converted to a grant upon the transfer of title of such Assisted Unit to Qualified Homebuyer.

At the time of the sale of the Assisted Unit to Qualified Homebuyer, COUNTY shall cause to be delivered to Borrower a reconveyance of the Deed of Trust from such Assisted Unit to and a termination of the NSP 3 Loan as a lien on such Assisted Unit, which termination does not affect the Affordability Period for each Assisted Unit.

Upon the date of transfer of title of such Assisted Unit to Qualified Homebuyer, Borrower promises and agrees to utilize NSP 3 Balance and continue to undertake and assist with the NSP 3-assisted activities, as provided in the NSP 3 Loan.

Borrower will be the primary lender to provide the Qualified Homebuyer a minimum 30-year fixed rate mortgage loan to purchase the home.

Upon sale of the Assisted Unit prior to the expiration of the Affordability Period, Borrower will utilize money from the sale towards NSP 3-assisted activities, as provided in **Exhibit A**.

Annual financial statements providing for the status of the NSP 3 Balance shall be submitted within 60 days of July 1st for COUNTY review.

Pursuant to the NSP 3 Loan Agreement, the term of the NSP 3 Loan shall be ten (10) months from the date of execution of the NSP 3 Loan Agreement.

In any action commenced to enforce the obligation of the Borrower to pay principal and interest under the Note, the obligations hereunder shall be non-recourse to the Borrower and the judgment shall not be enforceable personally against the Borrower, Borrower's partners, or the Borrower's assets, and the recourse of the County for the collection of such amounts shall be limited to actions against the Property described in the Deed of Trust executed by the Borrower to secure the Note and the rents, profits, issues, products, and income from the Property.

Should default be made in payment of principal when due and such default shall continue beyond the applicable notice and cure period provided in the Deed of Trust, the outstanding principal balance of this Note shall become immediately due at the option of the holder of this Note. Principal is payable in lawful money of the United States. If action be instituted on this Note, the undersigned promises to pay such sums as the Court may fix as attorney's fees.

The Borrower shall not have any direct or indirect personal liability for payment of the principal of, or interest on, the Property Loan or the performance of the Borrower's obligations under the NSP 3 documents. The sole recourse of the COUNTY with respect to payment of the principal of, or interest on, the Property Loan, shall be to the Assisted Unit. No money judgment (or execution on a money judgment) entered in any action (whether legal or equitable) on the NSP 3 documents shall be enforced personally against the Borrower, but shall be enforced only against the Property and such other property as may from time to time be hypothecated in connection with the Borrower's obligations under the NSP 3 documents. This non-recourse provision does not limit or impair the enforcement against all such security for the Property Loan of all the rights and remedies of the COUNTY, nor does it impair the right of the COUNTY to assert the unpaid principal amount of the Property Loan as a demand for money within the meaning of California Code of Civil Procedure Section 431.70 or any successor provision. In addition, this non-recourse provision does not relieve the Borrower of personal liability for damage to or loss suffered by the COUNTY as a result of any of the following (i) fraud or willful misrepresentation; (ii) any misappropriation of rental proceeds resulting in the failure to pay taxes, assessments, or other charges that could create statutory liens on the Project and that are payable or applicable prior to any foreclosure under the Deed of Trust; (iii) the fair market value of any personal property of fixtures removed or disposed of by the Borrower other than in accordance with the Deed of Trust; (iv) the misapplication of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss, or destruction to any portion of the Property (to the extent of the misapplied proceeds or awards); and (v) any rental income or other income arising with respect to the Property received by the Borrower after the COUNTY has properly exercised its rights under the Deed of Trust to receive such income upon an Event of Default (as defined under the Deed of Trust).

_____, (hereinafter referred to as "Buyer")

is interested in acquiring the property you own at:

_____(Address)

which may receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the Neighborhood Stabilization Program (NSP) created by the Housing and Economic Recovery Act of 2008 to purchase foreclosed homes at a discount. The American Recovery and Reinvestment Act of 2009 provided a second round of NSP funds, NSP2, awarded by competition. On October 19, 2010, a third round of NSP funding, NSP3, was announced providing an additional allocation of funds under Section 1497 of the Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act). The Buyer intends to apply and qualify for the Riverside County Economic Development Agency (EDA) NSP 3 assistance. Acquisitions financed with NSP 3 funds are subject to Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA).

Please be advised that the Buyer does not have the authority to acquire your property by eminent domain. In the event the Buyer cannot reach an amicable agreement for the purchase of your property, the proposed acquisition cannot be consummated under NSP 3 and the application for the NSP 3 assistance will be denied.

In accordance with the URA, owner-occupants who move as a result of a voluntary acquisition are not eligible for relocation assistance. A tenant-occupant who moves as a result of a voluntary acquisition for a federally-assisted project may be eligible for relocation assistance. Such displaced persons may include not only current lawful occupants, but also former tenants required to move for any reason other than an eviction for cause in accordance with applicable federal, state, and local law. If the property is currently tenant-occupied or a tenant lawfully occupied the property within the past ninety (90) days prior to this offer, we need to know immediately. Further, you should not order current occupant(s) to move, or fail to renew a lease, in order to sell the property to us as vacant.

INITIAL NOTICE

Under NSP 3, the Buyer is required to purchase the foreclosed and vacant property at a discount from its **Current Market Appraised Value (CMAV)**. Upon receipt of the **Initial Notice and Offer** form for the property in consideration, EDA, through an independent fee contract appraiser will conduct an appraisal of the property. The appraisal must be completed meeting the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA) and its implementing regulations at 49 CFR Part 24. The contract fee appraiser contracted by EDA must be State licensed or certified in accordance with Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA). The initial purchase price submitted at the time the **Initial Notice and Offer** form is received by EDA will be considered as the **Initial Offer**. The final purchase price must be at least one percent (1%) below the appraised value. If the Initial Offer meets the one percent (1%) discount, Seller and Buyer will be required to submit a **Final Notice and Offer** form and the Initial Offer will be considered to be the **Final Offer**. The Final Notice and Offer form must be received and dated within sixty (60) days of the completed EDA appraisal report. Failure to submit this in a timely manner will result in denial of the NSP 3 application. However, if the Initial Offer falls short of the one percent (1%) discount, the Buyer will be required to re-negotiate a minimum 1% discount. If the Seller and Buyer could not reach an amicable agreement for the purchase price of the property, the NSP 3 application by the Buyer will be denied and the cost of the appraisal will be absorbed by EDA.

Section 135.30 Numerical Goals for Meeting the Greatest Extent Feasible Requirement

A. GENERAL

- (1) Recipients and covered contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the numerical goals set forth in this Section for providing training, employment, and contracting opportunities to Section 3 residents and Section 3 Business Concerns.
- (2) The goals established in this section apply to the entire amount of the Section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY) commencing with the first FY following the effective date of this rule - (October 1, 1994).
- (3) For Recipients that do not engage in training, or hiring, but award contracts to contractors that will engage in training, hiring and subcontracting, recipients must ensure that, to the greatest extent feasible, contractors will provide training, employment, and contracting opportunities to Section 3 residents and Section 3 Business Concerns.
- (4) The numerical goals established in this Section represent minimum numerical goals.

B. TRAINING AND EMPLOYMENT

The numerical goals set forth in this Section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ Section 3 residents, to the greatest extent feasible, should be made at all levels.

Recipients of section 3 covered community development assistance, and their contractors and subcontractors may demonstrate compliance with the requirements of this part by committing to employ section 3 residents as:

- (i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995 (October 1, 1994 to September 30, 1995),

D. SAFE HARBOR AND COMPLIANCE DETERMINATIONS

- (2) In evaluating compliance, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered despite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in Sec. 135.40, which were provided in its efforts to comply with Section 3 and the requirement of this part.

- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate actions, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. (a) Applicability. In the procurement of property and services by participating jurisdictions, State recipients, and sub-recipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) Conflicts prohibited. No persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with NSP 3 funds or who are in a position to participate in a decision making process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a NSP 3 assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter

(c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the COUNTY, State recipient, or sub-recipient which are receiving NSP 3 funds.

(d) Exceptions: Threshold requirements. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the NSP 3 Investment Partnerships Program and the effective and efficient administration of the COUNTY's program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d) of this section, HUD shall consider the cumulative effect of the following factors, where applicable:

- (2) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;
- (3) Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- (4) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted activity in question;
- (5) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (c) of this section;
- (6) Whether undue hardship will result either to the COUNTY or the person affected when weighed against the public interest served by avoiding the prohibited conflict;

- (7) Any other relevant considerations.

Owners/Participants and Developers.

- (1) No owner, developer, or sponsor of a project assisted with NSP 3 funds (or officer, employee, agent or consultant of the owner, developer, or sponsor) whether private, for profit or non-profit (including a community housing development organization (CHDO) when acting as an owner, developer or sponsor) may occupy a NSP 3 assisted affordable housing unit in a project. This provision does not apply to an individual who receives NSP 3 funds to acquire or rehabilitate his or her principal residence or to an employee or agent of the owner or developer of a rental housing project who occupies a housing unit as the project manager or maintenance worker.
- (2) Exceptions. Upon written request of owner or developer, the COUNTY may grant an exception to the provisions of paragraph (f)(1) of this section on a case-by-case basis when it determines that the exception will serve to further the purpose of the NSP 3 program and the effective and efficient administration of the owner's or developer's NSP 3 assisted project. In determining whether to grant a requested exception, the COUNTY shall consider the following factors:
 - (i) Whether the person receiving the benefit is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted housing, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
 - (ii) Whether the person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted housing in question;
 - (iii) Whether the tenant protection requirements of § 92.253 are being observed;
