BACKGROUND:

Coachella Valley Housing Coalition, a non-profit public benefit corporation and a certified Community Housing Development Organization, is requesting \$1,000,000 in HOME funds for the development (hard and soft cost expenses) of an 85-unit multi-family affordable housing complex located along the southern side of Dr. Carreon Boulevard, between Van Buren Street and Calhoun Street in the City of Indio. The project site is approximately 7.52 acres and is located on the northern portion of Assessor's Parcel Number (APN) 612-170-005 and the northwestern portion of APN 612-170-006 within the existing Fred Young Farm Labor community. The project will consist of 12 one-bedroom units, 33 two-bedroom units, 28 three-bedroom units, 11 four-bedroom units, and 1 three-bedroom resident manager's unit. Project amenities will include a community room, computer room, pool, laundry facilities, picnic areas, basketball courts, and community/vegetable gardens.

A total of 41 units will be designated as HOME-assisted units limited to households whose incomes do not exceed 50% of the area median family income for the County of Riverside, adjusted by family size at the time of occupancy. The HOME-assisted units will be restricted for a period of at least 55 years from the issuance of Certificate of Occupancy.

The total cost of the project is estimated to be \$21,137,069. Additional sources of funds will include a \$1,000,000 grant from the State of California Housing and Community Development Department Joe Serna Jr. Farmworker Housing Grant Program (JSJFHGP), a \$3,359,952 loan from the United States Department of Agriculture (USDA) Rural Development, a \$5,000,000 loan from the City of Indio Redevelopment Agency (Indio RDA), a Deferred Developer Fee of \$302,400, and the balance of \$11,474,717 from tax credit proceeds and developer equity.

(Continued)

BACKGROUND: (Continued)

The county's HOME Loan will be in the fourth position behind a construction loan and permanent first mortgage, permanent mortgage in favor of USDA, and a permanent mortgage in favor of Indio RDA. Each aforementioned entity will require that the County of Riverside execute subordination agreements at a later date to signify their senior position to the HOME Loan.

On March 15, 2011, the Board approved the Notice of Finding of No Significant Impact on the Environment, and the county has received authorization from the U.S. Department of Housing and Urban Development to incur costs. The project activity was included in the 2010/2011 One-Year Action Plan on April 26, 2011.

County Counsel has reviewed and approved the attached Loan Agreement and Deed of Trust. Staff recommends that the Board approve the attached documents.

20 BORROWER, and (iv) is not the result of the failure of BORROWER to perform any of its
21 obligations under this Agreement. Notwithstanding the foregoing, a Force Majeure Delay shall
22 not be deemed to have occurred unless BORROWER has notified COUNTY of such
23 occurrence of Force Majeure within fifteen (15) days after such occurrence and has provided
24 COUNTY with the details of such event and the length of the anticipated delay within an
25 additional fifteen (15) days thereafter. BORROWER shall diligently attempt to remove,
26 resolve, or otherwise eliminate such event, keep COUNTY advised with respect thereto, and
27 shall commence performance of its obligations hereunder immediately upon such removal,

1 BORROWER shall be excused from performance of its obligations under this Agreement to
2 the extent the Force Majeure prevents BORROWER from performing such obligations.

3 10. EXTENSION OF TIME. COUNTY may grant an extension to the
4 completion schedule for the purpose of completing BORROWER's activities which cannot be
5 completed as outlined in **Exhibit "A"**. BORROWER shall request said extension in writing,
6 stating the reasons therefore, and may be granted only by receiving written approval from
7 COUNTY. Every term, condition, covenant, and requirement of this Agreement shall continue
8 in full force and effect during the period of any such extension.

9 11. LETTER TO PROCEED. BORROWER shall not initiate nor incur
10 expenses for the HOME funded activity covered under the terms of this Agreement prior to

15 Trust Fund may be reallocated by COUNTY after at least thirty (30) days' prior written notice
16 is given to BORROWER; provided that COUNTY agrees not to reallocate the funds while an
17 application for funding from another source is pending. Upon such reallocation, this
18 Agreement shall be terminated and be of no further force and effect and BORROWER shall be
19 released and discharged from any obligations under this Agreement.

20 13. CONDITIONS FOR DISPOSITION OF FUNDS. COUNTY, through its
21 EDA, shall: (1) make payments of the HOME funds to BORROWER as designated in **Exhibit**

28 such award or proceeds to repair or reconstruct the Project.

1 g. Bankruptcy, Dissolution and Insolvency. BORROWER's or any
2 general partner of BORROWER's (1) filing for bankruptcy,
3 dissolution, or reorganization, or failure to obtain a full dismissal
4 of any such involuntary filing brought by another party before the
5 earlier of final relief or sixty (60) days after such filing; (2)
6 making a general assignment for the benefit of creditors; (3)
7 applying for the appointment of a receiver, trustee, custodian, or
8 liquidator, or failure to obtain a full dismissal of any such
9 involuntary application brought by another party before the earlier
10 of final relief or seventy-five (75) days after such filing; (4)
11 insolvency; or (5) failure, inability or admission in writing of its
12 inability to pay its debts as they become due.

13 32. NOTICE OF DEFAULT AND OPPORTUNITY TO CURE. For
14 monetary and non-monetary Events of Default, COUNTY shall give written notice to
15 BORROWER and its investor limited partner, if any, of any Event of Default by specifying: (a)
16 the nature of the Event of Default or the deficiency giving rise to the default, (b) the action
17 required to cure the deficiency, and (c) a date, which shall not be more than thirty (30) calendar
18 days from the mailing of the notice for a monetary default, or a date, which shall not be more
19 than forty-five (45) calendar days from the mailing of the notice for a non-monetary default, by
20 which such action to cure must be taken. COUNTY agrees that BORROWER shall have the
21 right to cure any and all defaults under this Agreement.

22 33. COUNTY REMEDIES. Upon the happening of an Event of Default and a
23 failure by BORROWER or other Interested Party to cure said default within the time specified
24 in the notice of default (if an action to cure is specified in said notice), COUNTY's obligation
25 to disburse HOME funds shall terminate, and COUNTY may also in addition to other rights
26 and remedies permitted by this Agreement or applicable law, proceed with any or all of the
27 following remedies in any order or combination COUNTY may choose in its sole discretion:

28 a. Terminate this Agreement, in which event the entire amount as

1 well as any other monies advanced to BORROWER by COUNTY
2 under this Agreement including administrative costs, shall
3 immediately become due and payable at the option of COUNTY.

- 4 b. Bring an action in equitable relief (1) seeking the specific
5 performance by BORROWER of the terms and conditions of this
6 Agreement, and/or (2) enjoining, abating, or preventing any
7 violation of said terms and conditions, and/or (3) seeking
8 declaratory relief.
- 9 c. Accelerate the HOME Loan, and demand immediate full payment
10 of the principal payment outstanding and all accrued interest under
11 the Note, as well as any other monies advanced to BORROWER
12 by COUNTY under this Agreement.
- 13 d. Enter the Project and take any remedial actions necessary in its
14 judgment with respect to hazardous materials that COUNTY
15 deems necessary to comply with hazardous materials laws or to
16 render the Project suitable for occupancy.
- 17 e. Enter upon, take possession of, and manage the Project, either in
18 person, by agent, or by a receiver appointed by a court, and collect
19 rents and other amounts specified in the assignment of rents in the
20 Deed of Trust and apply them to operate the Project or to pay off
21 the HOME Loan or any advances made under this Agreement, as
22 provided for by the Deed of Trust.
- 23 f. Pursue any other remedy allowed at law or in equity.

24 34. BORROWER'S REMEDIES. Upon the fault or failure of COUNTY to
25 meet any of its obligations under this Agreement, BORROWER may:

- 26 a. Demand payment from COUNTY of any sums due BORROWER;
27 and/or
28 b. Bring an action in equitable relief seeking the specific performance

1 by COUNTY of the terms and conditions of this Agreement;
2 and/or

3 c. Pursue any other remedy allowed at law or in equity.

4 35. BORROWER'S WARRANTIES. BORROWER represents and warrants
5 (1) that it has access to professional advice and support to the extent necessary to enable
6 BORROWER to fully comply with the terms of this Agreement, and to otherwise carry out the
7 Project, (2) that it is duly organized, validly existing and in good standing under the laws of the
8 State of California, (3) that it has the full power and authority to undertake the Project and to
9 execute this Agreement, (4) that the persons executing and delivering this Agreement are
10 authorized to execute and deliver such documents on behalf of BORROWER and (5) that
11 neither BORROWER nor any of its principals is presently debarred, suspended, proposed for
12 debarment, declared ineligible, or voluntarily excluded from participation in connection with
13 the transaction contemplated by this Agreement.

14 36. BORROWER'S CERTIFICATION. BORROWER certifies, to the best
15 of its knowledge and belief, that:

16 a. No federally appropriated funds have been paid or will be paid, by
17 or on behalf of the undersigned, to any person for influencing or
18 attempting to influence an officer or employee of any agency, a
19 member of Congress, an officer or employee of Congress, or an
20 employee of a member of Congress in connection with the
21 awarding of any federal contract, the making of any federal grant,
22 the making of any federal loan, the entering into of any cooperative
23 agreement, and the extension, continuation, review, amendment, or
24 modification of any federal contract, grant, loan, or cooperative
25 agreement.

26 b. If any funds other than federally appropriated funds have been paid
27 or will be paid to any person for influencing or attempting to
28 influence an officer or employee of any agency, a member of

1 Congress, an officer or employee of Congress, or an employee of a
2 member of Congress in connection with this federal contract,
3 grant, loan, or cooperative agreement, the undersigned shall
4 complete and submit Standard Form-LLL, "Disclosure Form to
5 Report Lobbying," in accordance with its instructions.

- 6 c. The undersigned shall require that the language of this certification
7 be included in the award documents for all sub-awards at all tiers
8 (including subcontracts, sub-grants, and contracts under grants,
9 loans, and cooperative agreements) and that BORROWER shall
10 certify and disclose accordingly. This certification is a material
11 representation of fact upon which reliance was placed when this
12 transaction was made or entered into.

13 37. HOLD HARMLESS AND INDEMNIFICATION. BORROWER shall
14 indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts
15 and Departments, their respective directors, officers, Board of Supervisors, elected and
16 appointed officials, employees, agents and representatives from any liability whatsoever, based
17 or asserted upon any services of BORROWER, its officers, employees, subcontractors, agents
18 or representatives arising out of their performance under this Agreement, including but not
19 limited to property damage, bodily injury, or death or any other element of any kind or nature
20 whatsoever arising from the performance of BORROWER, its officers, agents, employees,
21 subcontractors, agents or representatives under this Agreement. BORROWER shall defend, at
22 its sole expense, all costs and fees including, but not limited, to attorney fees, cost of
23 investigation, defense and settlements or awards, the County of Riverside, its Agencies,
24 Districts, Special Districts and Departments, their respective directors, officers, Board of
25 Supervisors, elected and appointed officials, employees, agents and representatives in any claim
26 or action based upon such alleged acts or omissions.

27 With respect to any action or claim subject to indemnification herein by BORROWER,
28 BORROWER shall, at their sole cost, have the right to use counsel of their own choice and shall

1 have the right to adjust, settle, or compromise any such action or claim without the prior consent
2 of COUNTY; provided, however, that any such adjustment, settlement or compromise in no
3 manner whatsoever limits or circumscribes BORROWER'S indemnification to COUNTY as set
4 forth herein.

5 BORROWER's obligation hereunder shall be satisfied when BORROWER has provided
6 to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the
7 action or claim involved.

8 The specified insurance limits required in this Agreement shall in no way limit or
9 circumscribe BORROWER's obligations to indemnify and hold harmless COUNTY herein from
10 third party claims.

11 In the event there is conflict between this clause and California Civil Code Section 2782,
12 this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not
13 relieve BORROWER from indemnifying COUNTY to the fullest extent allowed by law.

14 38. TERMINATION.

15 a. BORROWER. BORROWER may terminate this Agreement
16 consistent with the Act, the regulations consistent implementing
17 the Act, and 24 CFR 85.44. In addition, BORROWER may
18 terminate this Agreement in accordance with **Section 51** and
19 **Section 52** of this Agreement.

20 b. COUNTY. Notwithstanding the provisions of **Section 39(a)**,
21 COUNTY may suspend or terminate this Agreement upon written
22 notice to BORROWER of the action being taken and the reason for
23 such action:

24 (1) In the event BORROWER fails to perform the covenants
25 herein contained at such times and in such manner as
26 provided in this Agreement after the applicable notice and
27 cure provision hereof; or

28 (2) In the event there is a conflict with any federal, state or

1 local law, ordinance, regulation or rule rendering any
2 material provision, in the judgment of COUNTY of this
3 Agreement invalid or untenable; or

4 (3) In the event the funding from HUD to in **Section 1** above is
5 terminated or otherwise becomes unavailable.

6 c. This Agreement may be terminated or funding suspended in whole
7 or in part for cause in accordance with 24 CFR 85.43. Cause shall
8 be based on the failure of BORROWER to materially comply with
9 either the terms or conditions of this Agreement after the
10 expiration of all applicable notice and cure provisions hereof.
11 Upon suspension of funding, BORROWER agrees not to incur any
12 costs related thereto, or connected with, any area of conflict from
13 which COUNTY has determined that suspension of funds is
14 necessary. The award may be terminated for convenience in
15 accordance with 24 CFR 85.44.

16 d. Upon expiration of this Agreement, BORROWER shall transfer to
17 COUNTY any unexpended HOME funds in its possession at the
18 time of expiration of the Agreement as well as any accounts
19 receivable held by BORROWER which are attributable to the use
20 of HOME funds awarded pursuant to this Agreement.

21 39. AFFORDABILITY RESTRICTIONS. COUNTY and BORROWER
22 hereby declare their express intent that the restrictions set forth in this Agreement shall be
23 affordable for a period of fifty-five (55) years from the first certificate of occupancy, and shall
24 bind all successors in title to the Property until the expiration of this Agreement. Each and
25 every contract, deed or other instrument hereafter executed covering and conveying the
26 Property or any portion thereof shall be held conclusively to have been executed, delivered and
27 accepted subject to such restrictions, regardless whether such restrictions are set forth in such
28 contract, deed or other instrument.

1 40. MECHANICS LIENS AND STOP NOTICES. If any claim of
2 mechanics lien is filed against the Project or a stop notice affecting the HOME Loan is served
3 on COUNTY, BORROWER must, within twenty (20) days of such filing or service, either pay
4 and fully discharge the lien or stop notice, obtain a release of the lien or stop notice by
5 delivering to COUNTY a surety bond in sufficient form and amount, or provide COUNTY
6 with other assurance reasonably satisfactory to COUNTY that the lien or stop notice will be
7 paid or discharged.

8 41. ENTIRE AGREEMENT. It is expressly agreed that this Agreement
9 embodies the entire agreement of the parties in relation to the subject matter hereof, and that no
10 other agreement or understanding, verbal or otherwise, relative to this subject matter, exists
11 between the parties at the time of execution.

12 42. AUTHORITY TO EXECUTE. The persons executing this Agreement or
13 exhibits attached hereto on behalf of the parties to this Agreement hereby warrant and
14 represent that they have the authority to execute this Agreement and warrant and represent that
15 they have the authority to bind the respective parties to this Agreement to the performance of
16 its obligations hereunder.

17 43. WAIVER. Failure by a party to insist upon the strict performance of any
18 of the provisions of this Agreement by the other party, or the failure by a party to exercise its
19 rights upon the default of the other party, shall not constitute a waiver of such party's rights to
20 insist and demand strict compliance by the other party with the terms of this Agreement
21 thereafter.

22 44. INTERPRETATION AND GOVERNING LAW. This Agreement and
23 any dispute arising hereunder shall be governed by and interpreted in accordance with the laws
24 of the State of California. This Agreement shall be construed as a whole according to its fair
25 language and common meaning to achieve the objectives and purposes of the parties hereto,
26 and the rule of construction to the effect that ambiguities are to be resolved against the drafting
27 party shall not be employed in interpreting this Agreement, all parties having been represented
28 by counsel in the negotiation and preparation hereof.

1 45. JURISDICTION AND VENUE. Any action at law or in equity arising
2 under this Agreement or brought by a party hereto for the purpose of enforcing, construing or
3 determining the validity of any provision of this Agreement shall be filed in the Superior
4 Courts of Riverside County, State of California, and the parties hereto waive all provisions of
5 law providing for the filing, removal or change of venue to any other court or jurisdiction.

6 46. SEVERABILITY. Each paragraph and provision of this Agreement is
7 severable from each other provision, and if any provision or part thereof is declared invalid, the
8 remaining provisions shall nevertheless remain in full force and effect.

9 47. MINISTERIAL ACTS. COUNTY's Assistant County Executive
10 Officer/Economic Development Agency or designee(s) are authorized to take such ministerial
11 actions as may be necessary or appropriate to implement the terms, provisions, and conditions
12 of this Agreement as it may be amended from time to time by both parties.

13 48. MODIFICATION OF AGREEMENT. COUNTY or BORROWER may
14 consider it in its best interest to change, modify or extend a term or condition of this
15 Agreement. Any such change, extension or modification, which is mutually agreed upon by
16 COUNTY and BORROWER shall be incorporated in written amendments to this Agreement.
17 Such amendments shall not invalidate this Agreement, nor relieve or release COUNTY or
18 BORROWER from any obligations under this Agreement, except for those parts thereby
19 amended. No amendment to this Agreement shall be effective and binding upon the parties,
20 unless it expressly makes reference to this Agreement, is in writing and is signed and
21 acknowledged by duly authorized representatives of all parties.

22 49. ASSIGNMENT. Except as otherwise permitted hereunder,
23 BORROWER will not make any sale, assignment, conveyance, or lease of any trust or power,
24 or transfer in any other form with respect to this Agreement or the Project, without prior
25 written approval of COUNTY. Any proposed transferee shall have the qualifications and
26 financial responsibility, as reasonably determined by COUNTY necessary and adequate to
27 fulfill the obligations undertaken in this Agreement by BORROWER. Any proposed
28 transferee shall, by instrument in writing, for itself and its successor and assigns, and expressly

1 for the benefit of COUNTY, assume all of the obligations of BORROWER under this
2 Agreement and agree to be subject to all the conditions and restrictions to which BORROWER
3 is subject.

4 50. CONDITIONAL HOME COMMITMENT. As defined under 24 CFR
5 92.2, COUNTY can reasonably expect for BORROWER to start construction within twelve
6 (12) months of the execution of this Agreement. Notwithstanding all other sections in this
7 Agreement, BORROWER must provide COUNTY with letter confirmation of the federal/state
8 tax credit award from the California Tax Credit Allocation Committee (CTCAC) by May 30,
9 2012 (the "CTCAC Deadline"). COUNTY's HOME commitment is expressly contingent upon
10 the Project receiving federal/state tax credit on or before the CTCAC Deadline. If
11 BORROWER cannot provide COUNTY with letter confirmation of the federal/state tax credit
12 award from CTCAC by the CTCAC Deadline, then COUNTY and BORROWER mutually
13 agree that this Agreement will self-terminate. Upon such termination, this Agreement shall be
14 null and void. COUNTY and BORROWER shall be released and discharged respectively from
15 its obligations under this Agreement.

16 51. PROJECT FINANCING CONTINGENCY. This Agreement is expressly
17 conditioned upon BORROWER's receipt, on or prior to May 30, 2012 of (i) such binding loan
18 commitments for new loans as may be required by BORROWER, on terms and conditions
19 acceptable to BORROWER, in its sole discretion, including, without limitation, (a) Indio RDA
20 financing, and (b) any conventional construction and/or permanent financing, including
21 without limitation, a construction and permanent loan from an institutional construction lender
22 (the "Senior Lien Holder"), and (c) a binding reservation of federal low income housing tax
23 credits pursuant to Section 42 of the Internal Revenue Code of 1986, as amended (collectively,
24 the "Project Financing") on or before the CTCAC Deadline. Either COUNTY or
25 BORROWER may elect to terminate this Agreement with ten (10) days written notice to the
26 other party if BORROWER fails to acquire the project financing as required by this **Section**
27 **51**. Furthermore, this Agreement shall be self-terminating if BORROWER does not reserve
28 the binding reservation of federal low income housing tax credits by the CTCAC Deadline.

1 Upon such termination, this Agreement shall be null and void, and:

- 2 a. If BORROWER elects to terminate this Agreement,
3 BORROWER shall be released and discharged by COUNTY
4 from its obligations under this Agreement; or
5 b. If COUNTY elects to terminate this Agreement, COUNTY shall
6 be released and discharged by BORROWER from its
7 obligations under this Agreement.

8 At that time all cost incurred by each party on the Project will be assumed
9 respectively, and each party shall be released from all liability under this Agreement.

10 52. NONRECOURSE OBLIGATION. BORROWER and its partners,
11 officers, directors, employees, and agents shall not have any direct or indirect personal liability
12 for payment of the principal of, or interest on, the HOME Loan or the performance of
13 BORROWER's obligations under the HOME documents. The sole recourse of COUNTY with
14 respect to payment of the principal of, or interest on, the HOME Loan, shall be to the Project.
15 No money judgment (or execution on a money judgment) entered in any action (whether legal
16 or equitable) on the HOME documents shall be enforced personally against BORROWER or
17 its partners, officers, directors, employees, and agents, but shall be enforced only against the
18 Project and such other property as may from time to time be hypothecated in connection with
19 BORROWER's obligations under the HOME documents. This nonrecourse provision does not
20 limit or impair the enforcement against all such security for the HOME Loan of all the rights
21 and remedies of COUNTY, nor does it impair the right of COUNTY to assert the unpaid
22 principal amount of the HOME Loan as a demand for money within the meaning of California
23 Code of Civil Procedure Section 431.70 or any successor provision. In addition, this
24 nonrecourse provision does not relieve BORROWER of personal liability for damage to or loss
25 suffered by COUNTY as a result of any of the following: (i) fraud or willful misrepresentation;
26 (ii) any misappropriation of rental proceeds resulting in the failure to pay taxes, assessments, or
27 other charges that could create statutory liens on the Project and that are payable or applicable
28 prior to any foreclosure under the HOME Deed of Trust; (iii) the fair market value of any

1 personal property or fixtures removed or disposed of by BORROWER other than in
2 accordance with the HOME Deed of Trust; (iv) the misapplication of any proceeds under any
3 insurance policies or awards resulting from condemnation or the exercise of the power of
4 eminent domain or by reason of damage, loss, or destruction to any portion of the Project (to
5 the extent of the misapplied proceeds or awards); and (v) any rental income or other income
6 arising with respect to the Project received by BORROWER after COUNTY has properly
7 exercised its rights under the HOME Deed of Trust to receive such income upon an Event of
8 Default (as defined under the HOME Deed of Trust).

9 53. EXHIBITS AND ATTACHMENTS. Each of the attachments and
10 exhibits attached hereto is incorporated herein by this reference.

11 Riverside, CA 92501

12 54. MEDIA RELEASES. BORROWER agrees to allow COUNTY to
13 provide input regarding all media releases regarding the Project. Any publicity generated by
14 BORROWER for the Project must make reference to the contribution of COUNTY in making
15 the Project possible. COUNTY's name shall be prominently displayed in all pieces of publicity
16 generated by BORROWER, including flyers, press releases, posters, signs, brochures, and
17 public service announcements. BORROWER agrees to cooperate with COUNTY in any
18 COUNTY-generated publicity or promotional activities with respect to the Project.

19 55. NOTICES. All notices, requests, demands and other communication
20 required or desired to be served by either party upon the other shall be addressed to the
21 respective parties as set forth below or the such other addresses as from time to time shall be
22 designated by the respective parties and shall be sufficient if sent by United States first class,
23 certified mail, postage prepaid, or express delivery service with a receipt showing the date of
24 delivery.

3 constitute one and the same agreement.

DEED OF TRUST

This DEED OF TRUST is made on this _____ day of _____, 2011. The trustor is Coachella Valley Housing Coalition, a California non-profit public benefit corporation ("Borrower" or "BORROWER"), and whose address is 45701 Monroe Street, Suite G, Indio, CA 92201. The trustee is RIVERSIDE COUNTY ECONOMIC DEVELOPMENT AGENCY ("Trustee"). The lender is the COUNTY OF RIVERSIDE ("COUNTY" or "Lender"), a public agency, organized and existing under the laws of the State of California, and whose address is 3403 Tenth Street, Suite 500, Riverside, CA 92501. Pursuant to the terms of the HOME Loan Agreement, dated _____, Borrower owes Lender the principal sum of One Million and No/100 Dollars (U.S. \$1,000,000.00) (the "HOME Loan"). This debt is evidenced by Borrower's Note dated _____ ("Note"). Capitalized terms not defined herein shall have the meaning ascribed to them in the HOME Loan Agreement.

The Borrower and its partners, officers, directors, employees, and agents shall not have any direct or indirect personal liability for payment of the principal of, or interest on, the HOME Loan or the performance of the Borrower's obligations under the HOME documents. The sole recourse of COUNTY with respect to payment of the principal of, or interest on, the HOME Loan, shall be to the Project. No money judgment (or execution on a money judgment) entered in any action (whether legal or equitable) on the HOME documents shall be enforced personally against the Borrower or its partners, officers, directors, employees, and agents, but shall be enforced only against the Project and such other property as may from time to time be hypothecated in connection with the Borrower's obligations under the HOME documents. This non-recourse provision does not limit or impair the enforcement against all such security for the HOME Loan of all the rights and remedies of COUNTY, nor does it impair the right of COUNTY to assert the unpaid principal amount of the HOME Loan as a demand for money within the meaning of California Code of Civil Procedure Section 431.70 or any successor provision. In addition, this non-recourse provision does not relieve the Borrower of personal liability for damage to or loss suffered by COUNTY as a result of any of the following (i) fraud or willful misrepresentation; (ii) any misappropriation of rental proceeds resulting in the failure to pay taxes, assessments, or other charges that could create statutory liens on the Project and that are payable or applicable prior to any foreclosure under the HOME Deed of Trust; (iii) the fair market value of any personal property of fixtures removed or disposed of by the Borrower other than in accordance with the HOME Deed of Trust; (iv) the misapplication of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss, or destruction to any portion of the Project (to the extent of the misapplied proceeds or awards); and (v) any rental income or other income

arising with respect to the Project received by the Borrower after COUNTY has properly exercised its rights under the HOME Deed of Trust to receive such income upon an Event of Default (as defined under the HOME Deed of Trust).

The HOME Loan evidenced by the Note and secured by this Deed of Trust is being made pursuant to the HOME Investment Partnerships Program and the regulations issued thereunder (Title II, the Cranston-Gonzales National Affordable Housing Act, Public Law No. 101-625, 104 Stat. 4079 (1990), (24 C.F.R. Part 92) (the "HOME Program").

Pursuant to the HOME Loan Agreement, the term of the HOME Loan shall be fifty-five (55) years from the first certificate of occupancy.

This Deed of Trust secures to Lender: (a) the repayment of the debt evidenced by the Note, with interest as provided in the Note, and all renewals, extensions and modifications of the Note; (b) the payment of all other sums, with interest as provided in the Note, advanced under **Section 8** to protect the security of this Deed of Trust; and (c) the performance of Borrower's covenants and agreements under this Deed of Trust and the Note. For this purpose, Borrower irrevocably grants and conveys to Trustee, in trust, with power of sale, subject to the rights of the holder of the First Deed of Trust (the "Senior Lien Holder"), all of Borrower's right, title and interest in and to the property located in Riverside County, California. The legal description of the property is further described in **Exhibit "B-1"** attached hereto;

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Deed of Trust. All of the foregoing is referred to in this Deed of Trust as the "Property."

BORROWER COVENANTS that the Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the fee interest of the Property and, except for the Deed of Trust in favor of the Senior Lien Holder ("First Deed of Trust"), the Deed of Trust in favor of the United States Department of Agriculture Rural Development ("Second Deed of Trust"), the Deed of Trust, Regulatory Agreement, and Notice of Affordability Restrictions in favor of the Redevelopment Agency of the City of Indio (collectively, the "Third Deed of Trust"), and other encumbrances of record acceptable to the Senior Lien Holder, the Property is unencumbered. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to such encumbrances of record.

THIS DEED OF TRUST combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any late charges due under the Note.

2. Taxes and Insurance. Borrower shall pay at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock;

when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior or superior hereto; all costs, fees and expenses of this Trust.

a. Should Borrower fail to make any payment or to do any act herein provided, then Lender or Trustee, but without obligation so to do and upon written notice to or demand upon Borrower and without releasing Borrower from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Lender or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Lender or Trustee; pay, purchase, contest or compromise any encumbrance, charge, or lien which in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay his or her reasonable fees.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under **Sections 1 and 2** shall be applied: first, to amounts payable under **Section 2**; second, to interest due; third, to principal due; and last, to any late charges due under the Note.

4. Prior Deeds of Trust; Charge; Liens. The Borrower shall perform all of the Borrower's obligations under the First Deed of Trust, including Borrower's covenants to make payments when due. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Deed of Trust, and leasehold payments or ground rents, if any, subject to applicable cure periods. Borrower shall pay these obligations in the manner provided in **Section 2**, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

a. Except for the liens permitted by the Lender, Borrower shall promptly discharge any other lien which shall have attained priority over this Deed of Trust unless Borrower: (1) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (2) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (3) bond around the lien (4) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Deed of Trust. Except for the liens approved herein,, if Lender determines that any part of the Property is subject to a lien which may attain priority over this Deed of Trust, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within 30 days of the giving of notice.

5. Subordination. This Deed of Trust shall be recorded and subordinate to a construction loan during the construction phase; to permanent United States Department of Agriculture – Rural Development loans and related regulatory agreement; to a deed of trust and regulatory agreement in favor of the Redevelopment Agency for the City of Indio, and to a deed of trust and regulatory agreement in favor of the California Department of Housing and Community Development. COUNTY hereby agrees to execute any and all documents necessary to effectuate such subordination. Borrower shall request Lender approval of any additional subordination and Lender consent shall not be unreasonably withheld.

6. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss of fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods as required in the HOME Loan Agreement. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with **Section 8**.

a. All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgagee clause. All requirements hereof pertaining to insurance shall be deemed satisfied if the Borrower complies with the insurance requirements under the First Deed of Trust. All original policies of insurance required pursuant to the First Deed of Trust shall be held by the Senior Lien Holder; provided, however, Lender may be named as a loss payee as its interest may appear and may be named as an additional insured. Borrower shall promptly give to Lender certificates of insurance showing the coverage is in full force and effect and that COUNTY is named as additional insured. In the event of loss, Borrower shall give prompt notice to the insurance carrier, the Senior Lien Holder and Lender. Lender may make proof of loss if not made promptly by the Senior Lien Holder or the Borrower.

b. Unless Lender and Borrower otherwise agree in writing and subject to the rights of senior lenders, insurance proceeds shall be applied to restoration or repair of the Property damaged, provided Borrower determines that such restoration or repair is economically feasible and there is no default continuing beyond the expiration of all applicable cure periods. If Borrower determines that such restoration or repair is not economically feasible or if a default exists after expiration of all applicable cure periods, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, with the excess, if any, paid to Borrower. If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Deed of Trust.

c. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of Note. If under **Section 23** the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Deed of Trust immediately prior to the acquisition.

d. Notwithstanding the above, the Lender's rights to collect and apply the insurance proceeds hereunder shall be subject and subordinate to the rights of the Senior Lien Holder to collect and apply such proceeds in accordance with the Senior Deeds of Trust.

7. Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Deed of Trust or Lender's security interest. Borrower may cure such a default and reinstate, as provided in **Section 19**, by causing the action or proceeding to be dismissed with a

ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Deed of Trust or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to representations concerning Borrower's use of Property for affordable housing. If this Deed of Trust is on a leasehold, Borrower shall comply with all provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

a. The Borrower acknowledges that this Property is subject to certain use and occupancy restrictions (which may be further evidenced by a separate agreement recorded in the land records where the Property is located), limiting the Property's use to "low-income housing" within the meaning of the HOME Program. The use and occupancy restrictions may limit the Borrower's ability to rent the Property. The violation of any use and occupancy restrictions may, if not prohibited by federal law, entitle the Lender to the remedies provided in **Section 23** hereof.

8. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Deed of Trust, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then, subject to any applicable grace periods or cure periods, Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Deed of Trust (including sums secured by the First Deed of Trust), appearing in court, paying reasonable attorneys' fees, and entering on the Property to make repairs. Although Lender may take action under this **Section 8**, Lender does not have to do so.

a. Any amounts disbursed by Lender under this **Section 8** shall become additional debt of Borrower secured by this Deed of Trust. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

b. Prior to taking any actions under this **Section 8**, however, Lender shall notify the Senior Lien Holder of such default in the manner provided in **Section 23** of this Deed of Trust, and shall provide the Senior Lien Holder with the opportunity to cure any such default under this Deed of Trust. All amounts advanced by the Senior Lien Holder to cure a default hereunder shall be deemed advanced by the Senior Lien Holder and shall be secured by the Deed of Trust held by such Senior Lien Holder. In addition, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days' prior written notice. Any action by Lender hereunder to foreclose or accept a deed in lieu of foreclosure shall be subject to the "due on sale" provisions of the First Deed of Trust.

9. Not used

10. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower at least forty-eight (48) hours to an inspection specifying reasonable cause for the inspection.

11. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, subject to the terms of the Senior Deeds of Trust.

a. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Deed of Trust, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Deed of Trust immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Deed of Trust shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Deed of Trust whether or not the sums are then due. Notwithstanding the foregoing, so long as the value of Lender's lien is not impaired, any condemnation proceeds may be used by Borrower for repair and/or restoration of the project.

b. If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemner offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Deed of Trust, whether or not then due.

c. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the payments referred to in **Sections 1** and **2** or change the amount of such payments.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Except in connection with any successor in interest approved by Lender, extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Deed of Trust by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

13. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Deed of Trust shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of **Section 18**. Borrower's covenants and agreements shall be joint and several.

14. Loan Charges. If the loan secured by this Deed of Trust is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be promptly refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

15. Notices. Any notice to Borrower provided for in this Deed of Trust shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Borrower's mailing address stated herein or any other address Borrower designates by notice to Lender. All such notices to Borrower shall also be provided to the investment limited partner. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice required to be given to the Senior Lien Holder shall be given by first class mail to such other address the Senior Lien Holder designates by notice to the Borrower. Any notice provided for in this Deed of Trust shall be deemed to have been given to Borrower or Lender when given as provided in this Section.

16. Governing Law; Severability. This Deed of Trust shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision. To this end the provisions of this Deed of Trust and the Note are declared to be severable.

17. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Deed of Trust.

18. Transfer of the Property or a Beneficial Interest in Borrower. Except for a conveyance to the trustee under the First Deed of Trust or the Second Deed of Trust or this Deed of Trust or as otherwise allowed under the Loan Agreement, if all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent (including a transfer of all or any part of the Property to any person who, at initial occupancy of the Property, does not use the Property for "low-income housing" within the meaning of the HOME Program) Lender may, at its option, require immediate payment in full of all sums secured by this Deed of Trust. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Deed of Trust. Nothing in this Deed of Trust shall be deemed to require Lender's approval of a transfer of a limited partnership interest in the Borrower or of a conveyance of an easement interest in the Property for utility purposes.

a. If Lender exercises this Option, Lender shall give Borrower and the Senior Lien Holder prior written notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Deed of Trust. If Borrower fails to pay these sums prior to the expiration of this period,

Lender may invoke any remedies permitted by this Deed of Trust without further notice or demand on Borrower.

b. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in **Section 8** above, Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder at least 60 days' prior written notice. The Borrower's limited partners shall have the same right to cure as Senior Lien Holder.

c. The Borrower and the Lender agree that whenever the Note or this Deed of Trust gives the Lender the right to approve or consent with respect to any matter affecting the Property (or the construction of any improvements thereon) or otherwise (including the exercise of any "due on sale" clause), and a right of approval or consent with regard to the same matter is also granted to the Senior Lien Holder pursuant to the Senior Deeds of Trust, the Senior Lien Holder's approval or consent or failure to approve or consent, as the case may be, shall be binding on the Borrower and the Lender.

d. Notwithstanding anything to the contrary contained herein, the transfer of the limited partner interest to the investment limited partner or the assignment of that interest to a limited liability company or limited partnership in which the investor limited partner or an affiliate is the managing member or general partner, respectively, shall not constitute a prohibited transfer under this Deed of Trust.

19. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Deed of Trust discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Deed of Trust; or (b) entry of a judgment enforcing this Deed of Trust. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Deed of Trust and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Deed of Trust, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Deed of Trust, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Deed of Trust shall continue unchanged. Upon reinstatement by Borrower, this Deed of Trust and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under **Section 18**.

20. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Deed of Trust) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Deed of Trust. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with **Section 15** above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

21. No Assignment. Until the loan secured by the First Deed of Trust has been satisfied in full, the Lender and the Borrower agree that the Note and the Deed of Trust will not be assigned without the Senior Lien Holder's prior written consent.

22. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses, construction, and to maintenance of the Property.

a. Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified in writing by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Prior to taking any such remedial action, however, the Borrower shall notify the Senior Lien Holder that such remedial action is necessary and shall obtain the Senior Lien Holder's prior written consent for such remedial action.

b. As used in this **Section 22**, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this **Section 22**, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

23. Acceleration; Remedies. Lender shall give notice to Borrower, the investor limited partner, and the Senior Lien Holder prior to acceleration following Borrower's breach of any covenant or agreement in this Deed of Trust. The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, which shall not be more than sixty (60) calendar days from the mailing of the notice for a monetary default, or a date, which shall not be more than ninety (90) calendar days from the mailing of the notice for a non-monetary default, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Deed of Trust and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured by the Borrower on or before the date specified in the notice, and the Senior Lien Holder or the investor limited partner have not exercised their right to cure the default, but subject to any non-recourse provisions then in effect, then Lender at its option may require immediate payment in full of all sums secured by this Deed of Trust without further demand and may invoke the power of sale and any other remedies permitted by applicable law. Notwithstanding Lender's right to invoke any remedies hereunder, as provided in **Section 8** above, the Lender agrees that it will not commence foreclosure proceedings or accept a deed in lieu of foreclosure, or exercise any other rights or remedies hereunder until it has given the Senior Lien Holder and the investor limited partner at least 60 days' prior written notice. Lender shall be entitled to collect all expenses

incurred in pursuing the remedies provided in this **Section 23**, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

a. If Lender invokes the power of sale, Lender or Trustee shall mail copies of a notice of sale in the manner prescribed by applicable law to Borrower, the investor limited partner, the Senior Lien Holder and to the other persons prescribed by applicable law. Trustee shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder for cash at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of all or any parcel of the Property to any later time on the same date by public announcement at the time and place of any previously scheduled sale. Lender or its designee may purchase the Property at any sale.

b. Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Deed of Trust; and (c) any excess to the person or persons legally entitled to it.

24. Release. Upon payment of all sums secured by this Deed of Trust, Lender shall release this Deed of Trust without charge to Borrower. Borrower shall pay any recordation costs.

25. Substitute Trustee. Lender, at its option, may from time to time remove Trustee and appoint a successor trustee to any Trustee appointed hereunder by an instrument recorded in the county in which this Deed of Trust is recorded. Without conveyance of the Property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

26. Modification of Senior Loan Documents. The Lender consents to any agreement or arrangement in which the Senior Lien Holder waives, postpones, extends, reduces, or modifies any provisions of the Senior Deeds of Trust Loan Documents, including any provisions requiring the payment of money.

27. Prohibition against tenancy under foreclosure. Notwithstanding anything to the contrary set forth in this Deed of Trust or in any documents secured by this Deed of Trust or contained in any subordination agreement, the Lender acknowledges and agrees that, in no event will any action be taken which violates Section 42(h)(6)(E)(ii) of the U.S. Internal Revenue Code of 1986, as amended, regarding prohibitions against evicting, terminating tenancy or increasing rent of tenants for a period of three (3) years after acquisition of a building by foreclosure or deed-in-lieu of foreclosure.

28. General Partner Change. The withdrawal, removal, and/or replacement of a general partner of the Borrower pursuant to the terms of the Partnership Agreement shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan, provided that any required substitute general partner is reasonably acceptable to Lender and is selected with reasonable promptness. Any proposed General Partner replacement shall have the qualifications and financial responsibility as reasonably determined by COUNTY

necessary and adequate to fulfill the obligations undertaken in the HOME Loan Agreement, as amended.

29. Removal, Demolition or Alteration of Personal Property and Fixtures. Except to the extent permitted by the following sentence, no personal property or fixtures shall be removed, demolished or materially altered without the prior written consent of the Beneficiary. Trustor may remove and dispose of, free from the lien of this HOME Deed of Trust, such personal property and fixtures as from time to time become worn out or obsolete, providing that, (a) the same is done in the ordinary course of business, and (2) either (i) at the time of, or prior to, such removal, any such personal property or fixtures are replaced with other personal property or fixtures which are free from liens other than encumbrances permitted hereunder and which have a value at least equal to that of the replaced personal property and fixtures (and by such removal replacement Trustor shall be deemed to have subjected such replacement personal property and fixtures to the lien of this HOME Deed of Trust), or (ii) such personal property and fixtures may not require replacement if functionally, economically or operationally obsolete and so long as the fair market value of and operational efficiency of the Project is not reduced or adversely effected thereby.

This Promissory Note (the “Note”) is given in accordance with that certain Loan Agreement for the Use of HOME Funds executed by COUNTY and Borrower, dated as of _____ (the “HOME Loan Agreement”). Excepting to the extent otherwise expressly defined in this Note, all capitalized terms shall have the meanings established in the HOME Loan Agreement. The rights and obligations of the Borrower and COUNTY under this Note shall be governed by the Agreement and by the additional terms of as follows:

(1) That the HOME Loan will accrue simple interest at a rate of three percent (3.00%) per annum, except in the case of default as hereinafter provided, and shall be repaid on an annual basis from the Project’s Residual Receipts as defined herein; (2) The Note shall be repaid as defined herein: i) Seventy five percent (75%) of the Project’s Residual Receipts shall be used towards the payment of the residual receipts loans secured by the Project, and the payment shall be prorated based on the percentage of each relative loan amount of all such loan; and ii) The remaining twenty-five percent (25%) of the Project’s Residual Receipts will be paid to BORROWER. (3) The HOME Loan shall be subordinated to a construction loan, permanent first mortgage, and the Indio RDA Loan. Available residual receipts shall be determined based on a review of certified financial statements for the project. Quarterly financial statements shall be submitted within forty-five (45) days following the close of each quarter of the project fiscal year. In addition, the annual audited financial statements shall be submitted within ninety (90) days following the close of the project fiscal year. All outstanding principal along with accrued interest shall be due upon the first to occur of (i) December 31, 2069 or (ii) fifty-five (55) years from the first certificate of occupancy. The first payment shall be due on July 1st of the year after the calendar year in which the first certificate of occupancy occurs, to the extent of available Residual Receipts, as set forth above; and (4) Project Residual Receipts are defined as gross receipts, not including interest on required reserve accounts, less the following: i) auditing and accounting fees; ii) property management fee not to exceed \$50 per unit per month and increased annually by the percentage equal to the percentage increase in the Consumer Price Index (“CPI”); iii) operating expenses (any expense reasonably and normally incurred in carrying out the Project’s day-to-day activities, which shall include administration, on-site management, utilities, on-site staff payroll, payroll taxes, and maintenance); iv) reserves; v) deferred developer’s fee; vi) a General Partner management fee, which shall be in the initial amount of \$20,000 and increased annually by the percentage equal to the percentage increase in the CPI; vii) a Limited Partnership asset management fee not to exceed \$2,500 per year and increased annually by the percentage equal to the percentage increase in the CPI; and viii) payments of principal and interest on amortized loans and indebtedness senior to the HOME Loan, which have been approved by COUNTY (collectively, the “Senior Debt”).

This note may be prepaid in whole or in part by the undersigned at any time without prepayment penalty or premium.

Pursuant to the HOME Loan Agreement, the term of the HOME Loan shall be fifty-five (55) years from the first certificate of occupancy.

In any action commenced to enforce the obligation of the Borrower to pay principal and interest under the Note, the obligations hereunder shall be non-recourse to the Borrower and the judgment shall not be enforceable personally against the Borrower, Borrower's partners, or the Borrower's assets, and the recourse of COUNTY for the collection of such amounts shall be limited to actions against the Property described in the Deed of Trust executed by the Borrower to secure the Note and the rents, profits, issues, products, and income from the Property.

Should default be made in payment of principal and interest when due and such default shall continue beyond the applicable notice and cure period provided in the Loan Agreement, the whole sum of principal and interest shall become immediately due at the option of the holder of this Note. Principal and interest are payable in lawful money of the United States. If action be instituted on this Note, the undersigned promises to pay such sums as the Court may fix as attorney's fees.

The Borrower and its partners, officers, directors, employees, and agents shall not have any direct or indirect personal liability for payment of the principal of, or interest on, the HOME Loan or the performance of the Borrower's obligations under the HOME documents. The sole recourse of COUNTY with respect to payment of the principal of, or interest on, the HOME Loan, shall be to the Project. No money judgment (or execution on a money judgment) entered in any action (whether legal or equitable) on the HOME documents shall be enforced personally against the Borrower or its partners, officers, directors, employees, and agents, but shall be enforced only against the Project and such other property as may from time to time be hypothecated in connection with the Borrower's obligations under the HOME documents. This non-recourse provision does not limit or impair the enforcement against all such security for the HOME Loan of all the rights and remedies of COUNTY, nor does it impair the right of COUNTY to assert the unpaid principal amount of the HOME Loan as a demand for money within the meaning of California Code of Civil Procedure Section 431.70 or any successor provision. In addition, this non-recourse provision does not relieve the Borrower of personal liability for damage to or loss suffered by COUNTY as a result of any of the following (i) fraud or willful misrepresentation; (ii) any misappropriation of rental proceeds resulting in the failure to pay taxes, assessments, or other charges that could create statutory liens on the Project and that are payable or applicable prior to any foreclosure under the HOME Deed of Trust; (iii) the fair market value of any personal property of fixtures removed or disposed of by the Borrower other than in accordance with the HOME Deed of Trust; (iv) the misapplication of any proceeds under any insurance policies or awards resulting from condemnation or the exercise of the power of eminent domain or by reason of damage, loss, or destruction to any portion of the Project (to the extent of the misapplied proceeds or awards); and (v) any rental income or other income arising with respect to the Project received by the Borrower after COUNTY has properly exercised its rights under the HOME Deed of Trust to receive such income upon an Event of Default (as defined under the HOME Deed of Trust).

Prohibition Against Conflicts of Interest

EXHIBIT "D"

§ 92.356 Conflict of interest.

(a) **Applicability.** In the procurement of property and services by participating jurisdictions, State recipients, and sub-recipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, apply. In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section apply.

(b) **Conflicts prohibited.** No persons described in **paragraph (c)** of this section who exercise or have exercised any functions or responsibilities with respect to activities assisted with HOME funds or who are in a position to participate in a decision making process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter.

(c) **Persons covered.** The conflict of interest provisions of **paragraph (b)** of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of COUNTY, State recipient, or sub-recipient which are receiving HOME funds.

(d) **Exceptions: Threshold requirements.** Upon the written request of the recipient, HUD may grant an exception to the provisions of **paragraph (b)** of this section on a case-by-case basis when it determines that the exception will serve to further the purposes of the HOME Investment Partnerships Program and the effective and efficient administration of COUNTY's program or project. An exception may be considered only after the recipient has provided the following:

(1) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and

(2) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.

(e) **Factors to be considered for exceptions.** In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of **paragraph (d)** of this section, HUD shall consider the cumulative effect of the following factors, where applicable:

(1) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project which would otherwise not be available;

(2) Whether the person affected is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

- (3) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted activity in question;
- (4) Whether the interest or benefit was present before the affected person was in a position as described in **paragraph (c)** of this section;
- (5) Whether undue hardship will result either to COUNTY or the person affected when weighed against the public interest served by avoiding the prohibited conflict;
- (6) Any other relevant considerations.

Owners/Participants and Developers.

- (1) No owner, developer, or sponsor of a project assisted with HOME funds (or officer, employee, agent or consultant of the owner, developer, or sponsor) whether private, for profit or non-profit (including a community housing development organization (CHDO) when acting as an owner, developer or sponsor) may occupy a HOME-assisted affordable housing unit in a project. This provision does not apply to an individual who receives HOME funds to acquire or rehabilitate his or her principal residence or to an employee or agent of the owner or developer of a rental housing project who occupies a housing unit as the project manager or maintenance worker.
- (2) Exceptions. Upon written request of owner or developer, COUNTY may grant an exception to the provisions of **paragraph (f)(1)** of this section on a case-by-case basis when it determines that the exception will serve to further the purpose of the HOME program and the effective and efficient administration of the owner's or developer's HOME-assisted project. In determining whether to grant a requested exception, COUNTY shall consider the following factors:
 - (i) Whether the person receiving the benefit is a member of a group or class of low-income persons intended to be the beneficiaries of the assisted housing, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
 - (ii) Whether the person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted housing in question;
 - (iii) Whether the tenant protection requirements of § 92.253 are being observed;
 - (iv) Whether the affirmative marketing requirements of § 92.351 are being observed and followed; and
 - (v) Any other factor relevant to COUNTY's determination, including the timing of the requested exception.

Unlisted classifications needed for work not included within

the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage

payment data, project description, area practice material,
etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an
interested party may appeal directly to the Administrative
Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
