ATTACHMENTS FILED
 WITH THE CLERK OF THE BOARD

BACKGROUND:

On July 13, 2010, the Board of Supervisors approved the construction contract between the County of Riverside and Orr Builders in the amount of \$684,900 for construction of the Blythe Riverside County Information Technology Communications Facility. During the course of construction, \$45,321 in change orders were approved, increasing the contract amount to \$730,221.

The general conditions of the contract state that after the 50% completion point of the contract work, if satisfactory progress is being made, the county has sole discretion to reduce the retention to a minimum of 5% of the contract. Orr Builders has completed the work on time, within budget, and in a professional manner. Therefore, the Economic Development Agency recommends that the contract retention be reduced to 5% of the contract and the Clerk of the Board to record the Notice of Completion.

The project was inspected and found to comply with all contract requirements. This Board action will release \$36,512, which is 5% of the total contract, and the remaining retention funds of \$36,511 to Orr Builders. The sum of these two amounts is \$73,023.

Sufficient funds are budgeted for FY 2010/11 within the project budget to cover all costs associated with this agreement. This agreement will be fully funded by RCIT, thus no additional net county costs will be incurred as a result of this agreement.
