89-1-Consolidated of the County of Riverside pursuant to the Landscaping and Lighting Act of 1972 for the maintenance and servicing of, and the provision of electricity for, traffic signals; adopting the preliminary engineer's report; giving notice of and setting the time and place of the public hearing on the annexation of Zone 155, ordering a mailed ballot election; and directing notice of the public hearing and ballot be mailed pursuant to Article XIID of the California Constitution.

BACKGROUND: Adoption of Resolution No. 2011-071 appoints the Director of the Transportation Department as the Engineer to prepare a Report regarding the proposed annexation of Zone 155 to Landscaping and Lighting Maintenance District No. 89-1-Consolidated ("L&LMD No. 89-1-C").

Resolution No. 2011-072 declares the Board's intention of ordering the annexation of Zone 155 to L&LMD No. 89-1-C. Annexation of Zone 155 to L&LMD No. 89-1-C will fund the maintenance and servicing of, and the provision of electricity for, traffic signals within public right-of-way located at the intersection of Benton Rd and Temeku St in the French Valley area and includes 1 commercial parcel, totaling 1.39 acre(s).

The proposed budget for fiscal year 2011-12 for Zone 155 is \$578 that will result in an assessment for fiscal year 2011-12 within Zone 155 of \$415.82 per acre. The annual assessment will be adjusted annually by the greater of 2% or the cumulative percentage increase in the CPI-U for "electricity", if any, as it stands as of March of each year over the base index for March of 2011.

Consistent with the Board's direction regarding compliance with Article XIID of the California Constitution and the Landscaping and Lighting Act of 1972, the attached resolutions have been prepared and a public hearing scheduled for 9:30 a.m. on June 7, 2011 to receive testimony for and against the proposed assessment. Each property owner within the proposed Zone 155 will receive a notice of the public hearing and mail-in ballot, an impartial analysis, a copy of Resolution No. 2011-072, and an information sheet.

Ballots must be returned prior to the conclusion of the public hearing. If, at the time designated for the tabulation of the ballots, the ballots submitted in favor of the annexation and levy of the assessment exceed the ballots submitted in opposition of said annexation and levy, Zone 155 will be annexed to L&LMD No. 89-1-C.

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 155 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public hearing to be held on June 7, 2011.

PART IV

**ASSESSMENT FOR FISCAL YEAR 2011-12
LANDSCAPING AND LIGHTING MAINTENANCE DISTRICT
NO. 89-1-CONSOLIDATED, ZONE 155
COUNTY OF RIVERSIDE, CALIFORNIA**

**“LANDSCAPING AND LIGHTING ACT OF 1972”, DIVISION 16 OF THE
STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA**

WHEREAS, on April 12, 2011 the Board of Supervisors of the County of Riverside, State of California, did, pursuant to the provisions of the “Landscaping and Lighting Act of 1972”, being Division 15 of the Streets and Highways Code of the State of California, adopt Resolution No. 2011-071 ordering the preparation of the engineer’s report for a special assessment district known and designated as:

Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Zone 155 (herein referred to as “District”); and,

WHEREAS, the Board of Supervisors, did direct the appointed Engineer to make and file a “Report”, in accordance with Article 4 (commencing with Section 22565) of Chapter 1 of Part 2 of Division 15 of the Streets and Highways Code, being an article of the aforementioned Landscaping and Lighting Act of 1972.

WHEREAS, Section 22567 of said Article 4 states the “Report” shall consist of the following;

- a. Maintenance plans for the traffic signal improvements
- b. An estimate of the costs of servicing traffic signal improvements
- c. A diagram for the assessment district
- d. An assessment of the estimated costs of maintenance of the improvements

NOW, THEREFORE, I, the appointed ENGINEER, pursuant to the 'Landscaping Act of 1972", do hereby submit the following:

1. Pursuant to the provisions of law the costs and expenses of the District have been assessed upon the parcels of land in the District benefited thereby in direct proportion and relation to the estimated benefits to be received by each of said parcels. For particulars as to the identification of said parcel, reference is made to the Assessment Diagram, a reduced copy of which is included herein.
2. As required by law, a Diagram is filed herewith, showing the District, as well as the boundaries and dimensions of the respective parcels and subdivisions of land within said District as the same exist each of which subdivisions of land or parcels or lots, respectively, have been given a separate number upon said Diagram and in the Assessment Roll contained herein.
3. The separate numbers given the subdivisions and parcels of land, as shown on said Assessment Diagram and Assessment Roll, correspond with the numbers assigned to each parcel by the Riverside County Assessor. Reference is made to the County Assessment Roll for a description of the lots or parcels.
4. There are no parcels or lots within Zone 155 that are owned by a federal, state or other local governmental agency that will benefit from the services to be provided by the assessments to be collected.

Method of Assessment Apportionment

The law requires and the statutes provide that assessments, as levied pursuant to the "Landscaping and Lighting Act of 1972" be based on the benefit properties receive. The statutes do not specify the method or formula that should be used to apportion the assessment in any special assessment district proceedings.

The maintenance of traffic signals provides direct and special benefit to those properties located within Zone 155 in Landscaping and Lighting Maintenance District No. 89-1-Consolidated (DISTRICT). Traffic signals enhance the properties within the DISTRICT, improve neighborhood protection, allow traffic into and out of the development, and provide an enhanced quality of life and sense of well being for properties within the DISTRICT.

The costs and expenses for the traffic signal improvements within Zone 155 are apportioned on a per parcel basis and do not exceed 10% per signal of the total maintenance cost.

The dollar per acre value for Fiscal Year 2011-12 for Zone 155 is as follows:

$$\begin{array}{rcl} \text{Total Budget} = & \text{\$578} & \\ \text{Total No. Acres} & 1.39 & = \text{\$415.82/acre} \end{array}$$

The assessment for Fiscal Year 2011-12 for Zone 155 that is to be annexed into Landscaping and Lighting Maintenance District No. 89-1-Consolidated will be \$415.82 per acre. The annual assessment will be increased by the greater of two percent (2.0%) or the cumulative percentage increase, if any, in the Consumer Price Index for all Urban Consumers for "electricity" ("CPI-U" "electricity") for the Los Angeles-Riverside-Orange County California Standard Metropolitan Statistical area ("Index") published by the Bureau of Labor Statistics of United States Department of Labor. The annual "CPI-U" "electricity" adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2011. Any increase larger than the greater of 2.0% or the "CPI-U" "electricity" annual adjustment requires a majority approval of all the property owners within Zone 155.

Waiver and Consent Regarding Date of Assessment Ballot Election

There is only one individual/entity which owns all of the property within the proposed boundaries of Zone 155 and said property owner has executed a "Waiver and Consent Regarding Date of Assessment Ballot Election" allowing for the election and public

hearing to be held on June 7, 2011; a copy of said waiver is filed herewith and made a part hereof.

In conclusion, it is my opinion that the assessments for Landscaping and Lighting Maintenance District No. 89-1-Consolidated, Zone 155 have been spread in direct accordance with the benefits that each parcel receives from the items being financed.

NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED AND ORDERED by the Board of Supervisors in regular session assembled on April 12, 2011 as follows:

Section 1. Findings. The Board of Supervisors, after reviewing the Report, finds that:

- (a) The foregoing recitals are true and correct;

The Report expressly states that there are no parcels or lots within Zone 155 that are owned by a federal, state or other local governmental agency that will benefit from the services to be financed by the annual assessments. The annual assessments will be collected at the same time and in the same manner as property taxes are collected, and all laws providing for the collection and enforcement of property taxes shall apply to the collection and enforcement of said assessments.

Section 3. Boundaries. All the property within boundaries of Zone 155 is proposed to be annexed into L&LMD No. 89-1-C and shall include that property in the unincorporated area of the County as described and shown in Exhibit "A".

The annual CPI-U adjustment will be based on the cumulative increase, if any, in the Index as it stands on March of each year over the base Index for March of 2011. The assessment ballots are to be returned prior to the Public Hearing.
