RECOMMENDED MOTION: (Continued)

- b) No other reasonable means of financing the project are available to the community due to insufficient availability of funds as a result of the current economic downturn;
- c) The payment of funds for the proposed improvements is consistent with the Implementation Plan for the Project Area and is necessary to effectuate the purpose of the Project Area's Redevelopment Plan which identifies road infrastructure as a necessary improvement for the Mecca Community;
- 2. Approve and authorize the Chairman to execute the Reimbursement Agreement by and between the Redevelopment Agency and the County of Riverside; and
- 3. Authorize the Executive Director to sign subsequent relevant and necessary documents to implement the Reimbursement Agreement.

BACKGROUND:

The community of Mecca and the County of Riverside have identified certain improvements that are needed in the Mecca Downtown Area and are described in the Mecca Downtown Revitalization Plan. In need of improvement is the primary entry point to Mecca. The project, Mecca Roundabout Street Improvements, consists of construction of a roundabout entry to the Mecca Community. The project limits: primary entry to the Mecca Community at 4th Street and Hammond Road. The Redevelopment Agency funding for the project is \$962,400.00

In its current condition the intersection is distinguished by a railroad crossing and a disjointed intersection. This entry is used by community residents, agricultural businesses (trucking and equipment), and commercial truckers as part of transportation corridor to Interstate 10. Tourists also travel this route to the Painted Canyons and Joshua Tree National Monument. For commercial truckers, Mecca is integral connection point to Interstate 10 as both Highway 111 and Expressway 86 converge in this agricultural community. Peak traffic season coincides with the grape harvest beginning April through July.

Given the special constraints at this location a roundabout design was conceived as a method to correct the disjointed intersection, allow for smoother traffic flow and improve safety.

As shown on the attached site map the main entry point is at Fourth Street and crosses the railroad tracks. Commercial truckers will take the free right lane to head southwesterly on Hammond Road, turn left on Avenue 66 which eventually connects with Interstate 10 south. The northeast corner of Fourth Street will cul-de-sac to separate the residential uses from the traffic circle. The geometric design encourages a slowing of traffic so that the navigation of the circle will be conducted at a safe speed. Additionally, the roundabout will reduce traffic congestion and avoid the idling of trucks and other vehicles thus reducing air pollution.

Section 33445 of the Health and Safety Code provides that a Redevelopment Agency may assist in the design or development of improvements that are of benefit to the project area and located within or adjacent to the project area. The attached reimbursement agreement between the Riverside County Redevelopment Agency and the County of Riverside will provide funds for the Transportation Department to perform certain project management and design services for the project.

Approval of Reimbursement Agreement between the Riverside County Redevelopment Agency and the County of Riverside for the Mecca Roundabout Street Improvement Project June 16, 2011

Page 3

BACKGROUND: (Continued)

Ongoing maintenance expenses for the roundabout and all street improvements will be supported by the Riverside County Transportation Department. Landscaping improvements will be submitted to the voters for the establishment of a Landscape Maintenance District (LMD). If accepted the LMD will generate the revenue necessary for ongoing landscape maintenance.

Agency staff recommends that the Board of Supervisors make the required findings and approve the reimbursement agreement between the Riverside County Redevelopment Agency and the County of Riverside for the Mecca Roundabout Street Improvement Project.

County Counsel has reviewed and approved the agreement as to form.

REIMBURSEMENT AGREEMENT

BY AND BETWEEN THE

REDEVELOPMENT AGENCY FOR THE COUNTY OF RIVERSIDE AND THE COUNTY OF RIVERSIDE

FOR THE MECCA ROUNDABOUT STREET IMPROVEMENT PROJECT AT THE INTERSECTION OF 4TH STREET AND HAMMOND ROAD, MECCA

THIS REIMBURSEMENT AGREEMENT, hereinafter AGREEMENT is entered
into on this 28th day of 0000, 2011, by and between the
Redevelopment Agency for the County of Riverside, a public body corporate and politic
in the State of California, hereinafter AGENCY, and the County of Riverside, by and
through its Transportation Department, hereinafter COUNTY, hereinafter collectively
referred to as the Parties, for the design development and the construction of the Mecca
Roundabout Street Improvement Project at the intersection of 4 th Street and Hammond
Road, in the unincorporated community of Mecca.

WITNESSETH

WHEREAS, AGENCY is a redevelopment agency duly created, established and authorized to transact business and exercise its powers, all under and pursuant to the provisions of the Community Redevelopment Law which is Part 1 of Division 24 of the California Health and Safety Code (commencing with Section 33000 et seq.);

WHEREAS, the County of Riverside has adopted by Ordinance No. 638 on December 23, 1986, and amended by Ordinance No. 786 adopted May 11, 1999, a redevelopment plan for an area within the County known as the Mecca Sub-Area of the Desert Communities Redevelopment Project Area (hereinafter PROJECT AREA);

WHEREAS, the Redevelopment Plan (hereinafter PLAN) was adopted in order to eliminate blight and revitalize the substandard physical and economic conditions that exist within the PROJECT AREA;

WHEREAS, pursuant to Section 33125 of the California Health and Safety Code, the AGENCY is authorized to make and execute contracts and other instruments necessary or convenient to the exercise of its powers;

WHEREAS, pursuant to Section 33421 of the California Health and Safety Code a redevelopment agency may cause, provide to undertake or make provision with other agencies for the installation, or construction of streets, utilities, parks, playgrounds and other public improvements necessary for carrying out in the PROJECT AREA the redevelopment plan;

WHEREAS, pursuant to Section 33445 of the California Health and Safety Code, upon specific findings, a redevelopment agency may, with the consent of the legislative body, pay all or a part of the value of the land for and the cost of the installation and construction of any building, facility, structure or other improvement that is publicly owned either within or without the PROJECT AREA;

WHEREAS, AGENCY and the COUNTY have determined that there is a great need for the construction of roundabout street improvements at the intersection of 4th Street and Hammond Road within the unincorporated community of Mecca (hereinafter the "PROJECT");

WHEREAS, the PROJECT will benefit the PROJECT AREA by improving traffic safety and flow at the intersection, providing aesthetic improvements for the community and eliminating physical blighting conditions, and as such meets a primary objective of the PLAN; and

WHEREAS, the AGENCY agrees to reimburse the COUNTY for design development and construction costs associated with the PROJECT;

NOW, THEREFORE, in consideration of the covenants, conditions and provisions contained herein, the Parties hereto do hereby agree as follows:

SECTION 1. Purpose of AGREEMENT. The purpose of this AGREEMENT is to set forth the terms and conditions by which AGENCY will reimburse COUNTY for COUNTY'S actual costs associated with the design development and construction of

the PROJECT.

SECTION 2. Location of the PROJECT. The PROJECT is located at the intersection of 4th Street and Hammond Road in the unincorporated community of Mecca, as more specifically detailed in Exhibit A, which is attached hereto and made a part hereof by this reference.

SECTION 3. <u>Scope of Work</u>. The work to be performed by COUNTY includes design development and construction services for the installation of roundabout street improvements, including asphalt concrete pavement, curb and gutter, sidewalk, access ramps, medians, street lighting, landscaping and a community entry monument.

SECTION 4. Construction of the PROJECT. The contractor(s) for the PROJECT are to be selected by COUNTY. COUNTY shall cause the construction of the PROJECT to be carried out in compliance with all applicable laws, including, but not limited to, all applicable federal and state and local environmental, occupational, safety and health standards; nondiscrimination requirements; accessibility for the disabled; and prevailing wage laws.

SECTION 5. <u>Permits</u>. COUNTY agrees to obtain, secure or cause to be secured any and all permits and/or clearances which may be required by COUNTY or any other federal, state or local governmental or regulatory agency relating to the PROJECT.

SECTION 6. <u>Time Limit</u>. COUNTY shall complete the work that is the subject of this AGREEMENT within a period of twenty four (24) months after the date of execution of this AGREEMENT. In the event said twenty four (24) month period expires prior to the completion of the work, the terms of this AGREEMENT may be extended upon written consent of Parties. Nothing in this Section shall be deemed a waiver of any or all claims or other actions by either party in regard to any breach of this AGREEMENT.

SECTION 7. Payment. AGENCY shall reimburse COUNTY for the actual cost of the PROJECT as outlined in Exhibit B, which is attached hereto and made a part

 hereof by this reference. Said costs for improvements and services shall not exceed nine hundred sixty-two thousand four hundred (\$962,400) dollars which shall constitute the full and complete financial obligation of the AGENCY. Said amount shall include, but is not limited to, all of COUNTY's charges to design and construct the PROJECT.

COUNTY shall invoice AGENCY monthly or quarterly for the work performed during the prior billing period and submit documentation to verify reimbursable expenditures by COUNTY. A written project status report shall also be included with each invoice. Said status report shall provide a description of the work completed that AGENCY is being billed for and indicate the percentage of the PROJECT which is completed. The final invoice shall be received by AGENCY within 12 months of completion of the construction of the PROJECT. After said 12 month period, AGENCY will reprogram any remaining funds.

SECTION 8. <u>Principal Contact Persons</u>. The following individuals are hereby designated to be the principal contact persons for their respective parties:

AGENCY: Leah Rodriguez, Project Manager

Redevelopment Agency for the County of Riverside
