NOTICE OF PUBLIC HEARING BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE

NOTICE IS HEREBY GIVEN that a public hearing of which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on Tuesday, June 28, 2011 at 9:30 a.m. to consider adoption of the following ordinance:

SUMMARY OF PROPOSED ORDINANCE NO. 907 AN ORDINANCE OF THE COUNTY OF RIVERSIDE REGULATING BODY ART FACILITIES, PERMA- NENT COSMETICS AND BODY PIERCING FACILITIES

This summary is presented pursuant to California Government Code Section 25124(b); a certified copy of the full text of Ordinance No. 907 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside located at 4080 Lemon Street, 1st Floor, Riverside, California.

Ordinance No. 907 establishes minimum standards that apply to body art facilities, including temporary facilities, and practitioners of body art to help protect both the practitioner and the client from transmission of infectious diseases. Body art includes body piercing, branding, permanent cosmetics, and tattooing. The ordinance requires owners, operators, and practitioners to follow safe and healthy practices, including the use of sterilized equipment and the maintenance of a sterile work environment.

The major components of Ordinance No. 907 do the following:

Requires all owners and operators of body art facilities to obtain a permit through the Riverside County Department of Environmental Health (the "Department"), create a Department approved exposure control plan to manage and minimize exposure to blood-borne pathogens, allow inspections of the facility by Department representatives, require practitioner employees to attend a Department approved bloodborne pathogens exposure control training, and comply with requirements pertaining to the physical facility itself, equipment sterilization, and autoclave requirements (if an autoclave is used).

Requires all practitioners of body art to register with the Department, practice only in permitted body art facilities, and attend bloodborne pathogens exposure control training.

Sets forth the associated fees for permits, inspections, and practitioner registrations. It also contains the penalties for violations of the ordinance requirements, which include criminal infractions, misdemeanors, monetary administrative penalties, injunctive relief, abatement, and other civil remedies.

Provides for notice and due process related to the denial, suspension, or revocation of body art facility permits or practitioner registrations issued by the Department.

Prohibits registered sex offenders (as defined under California Penal Code Section 290) from owning or operating a body art facility or practicing body art as a registered practitioner. It also prohibits body art facilities from being located within 2500 feet of a school, park, or other location where minors congregate.

Any person affected by the above matter(s) may submit written comments to the Clerk of the Board before the hearing or may appear and be heard in support or opposition to the project at the time of the hearing. If you challenge the above item(s) in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence, to the Board of Supervisors at, or prior to, the public hearing.
