

**SUBMITTAL TO THE BOARD OF SUPERVISORS  
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

213

**FROM:** Waste Management Department

**SUBMITTAL DATE:**  
June 16, 2011

**SUBJECT:** Extension of Desert Center Area Collection and Disposal Agreement

**RECOMMENDED MOTION:** That the Board of Supervisors approve the Extension of the Desert Center Area Collection and Disposal Agreement for a period of six months

Departmental Concurrence

**BACKGROUND:** On April 10, 2001, the County entered into a Collection and Disposal Agreement for the Desert Center area with Palo Verde Valley Disposal for the purpose of providing consideration caused by the reduced operational schedule at the Desert Center Landfill. Consideration included a monthly subsidy and free disposal for Desert Center area waste at the Blythe landfill in exchange for providing a residential collection rate just slightly below the CSA #51 collection rates in effect at that time. The agreement term is set to expire on July 1, 2011, and Waste Management Department and Environmental Health staff have been in discussions with the hauler regarding future Department subsidies and residential collection rates. An extension of six months is requested in order to finalize discussions and provide adequate notification to Desert Center residents in regard to changes in collection rates. Palo Verde Valley Disposal concurs with the proposed extension.

  
 Hans Kernkamp, General Manager-Chief Engineer
