RE: Submittals for the Public Record

This memo is an addendum to the previous memo dated June 28, 2011 and contains two additional attachments for review and consideration by the Board of Supervisors, to be included as part of the public record.

Attachment 8 includes summary tables based on the census source data for Proposal C. Also included in the attachments is a map depicting the racial and ethnic majority per census block, topography for such proposal, and population over age 18, based on the source data.

Attachment 9 is an exhibit of the boundary differences in the three proposals as well as some additional detailed exhibit material relating to Proposal C. Proposal A promotes the inclusion of an area north of Arlington Avenue within the City of Riverside to the Second District, while retaining an area between the 91 freeway and the University of California, Riverside (UCR) within the First District. Proposal B is the inverse of A, moving the area generally between the 91 freeway and UCR into the Second District and retaining the area north of Arlington Avenue in the First District. Proposal C retains the area north of Arlington Avenue in the First District and includes the unincorporated area generally south of Highgrove between the City of Riverside and the City of Moreno Valley in the First District. Proposal C includes the area of Highgrove in the Second District as well as including the Victoria Avenue neighborhoods south of the 91 freeway that are generally bordered by Mary Street, Victoria, Arlington and Chicago Avenues as well as the arroyo that forms part of the Victoria Country Club golf course in the Second District.
