SUBJECT: Recovery Happens Month

RECOMMENDED MOTION: Move that the Board of Supervisors proclaim September 2011 as Substance Abuse "Recovery Happens Month."

BACKGROUND: Since 1994, the Riverside County Department of Mental Health's (RCDMH) Substance Abuse Program has requested that the Riverside County Board of Supervisors recognize its annual celebration called "Recovery Happens Month". This annual event celebrates individual recovery, and promotes the success of California's diverse substance abuse prevention, intervention, treatment, and recovery programs. Recovery Happens Month also recognizes the extraordinary achievements of those individuals and their families in recovery. This year's theme for the Riverside Recovery Happens Month is "RECOVERY HAPPENS-When We Stand United", and the theme for the Desert Recovery Happens Month is "CELEBRATE HEALTHY FAMILIES-Protect our children... A Recovery Happens Event." **(Continued on page 2).**
