**BACKGROUND:**

The County of Riverside Transportation Department has a strong interest in purchasing land for the eventual relocation of the main Washington Yard, currently located in the City of Riverside on Washington Street close to SR 91 and the Madison Interchange. This 15 acre site was built in 1955 and is in need of a functional upgrade, with some of the buildings dating back to that time and others added since then on an ad-hoc basis. There are 134 employees that primarily work out of this yard year-round and another 35 part of the time. The Transportation Department maintains over 2400 miles of roads and 500 signals County-wide out of this central facility and 10 satellite maintenance yards. This location is far from central to our current and future operations.

Economic Development Agency ("EDA") has done an extensive property search of potential sites along the I-215 corridor. Being in close proximity to I-215 and SR 60 provides faster access to most of Western Riverside County, with significantly better access to the desert region as well. EDA conducted a Request for Proposal process and received interest from 16 sites. After review of the proposals and doing due diligence, a 19.38 acre site on Harvill also known as Assessor's Parcel Numbers 317-260-007 and 317-260-033, between Placentia and Water, in the Unincorporated Area of Perris, Riverside County, California, more particularly described in Exhibit "A" and depicted in Exhibit "B" attached hereto and made a part hereof, and has been identified as the best combination of location and negotiated value.

This site is close to the Cajalco/Ramona Expressway Corridor, I-215, and SR 60. The Transportation Department has done an analysis of savings on fuel costs and lost productivity time comparing this location to the current Washington Yard. The analysis projects a conservative operational savings in the amount of \$600,000 annually from being in this much more central location, which would increase over time as gas costs continue to increase.

Purchasing the site now provides the County the opportunity to buy industrial property at a low point in the market. It is deemed beneficial to acquire at this time because of its strategic location for Transportation road maintenance operations. Being in this new central location also provides the County with long-term options to consolidate some of our outlying yards should they become unnecessary to keep due to future annexations/incorporations. Since the Washington Yard was purchased using State Gas Tax (Road Funds), proceeds of a future sale or transfer for other County uses need to reimburse the Road Fund.

(Continued)

**BACKGROUND:** (Continued)

After the close of the transaction, the Transportation Department will perform an analysis to determine how best to use the property, including what improvements need to be made and if it is beneficial to construct buildings through a financing mechanism or to be done gradually through annual capital outlays. The purchase of this site and the operational flexibility and long-term cost savings that it offers the Transportation Department is a solid strategic investment that is much more favorable than renovation and upkeep of the outdated 50+ year site that is no longer central to our operations.

Pursuant to the California Environmental Quality Act (CEQA), the proposed acquisition was reviewed and determined to be categorically exempt from CEQA under Guidelines Section 15061(b)(3); with certainty, there is no possibility that the land acquisition may have a significant effect on the environment. Pursuant to CEQA Guideline Section 15004(b)(2)(A), the County of Riverside is conditioned to perform additional CEQA analysis and compliance, prior to any subsequent development and use of subject property.

Notice of publication to satisfy California Government Code Section 6063 has been completed.

On July 26, 2011, (Agenda Number 3.41) the Board of Supervisors approved Resolution 2011-188, Notice of Intention to Purchase Real Property in the Unincorporated Area of Perris, County of Riverside, California.

The Resolution has been reviewed and approved by County Counsel as to legal form.

**FINANCIAL DATA:**

The following summarizes the funding necessary to acquire Assessor's Parcel Numbers 317-260-007 and 317-260-033:

Environmental Services:	\$ 1,800
Estimated Title and Escrow Charges:	\$ 8,000
Preliminary Title Report:	\$ 800
Appraisal:	\$ 3,450
Advertising:	\$ 4,390
Acquisition Administration:	\$ 35,000
Total Estimated Acquisition Costs:	\$ 3,430,211

(Continued)

**FINANCIAL DATA: (Continued)**

While EDA will cover the cost for the due diligence services (Preliminary Title Report and Appraisal) at the time of this property transaction, it is understood that the Transportation Department will reimburse EDA for these costs. The budget adjustment attached (Schedule A) is necessary to allow this transaction. The remaining costs will be paid directly by the Transportation Department.

All costs associated with this property acquisition are fully funded in the Transportation Department's budget for FY 2011/2012. Thus, no net county cost will be incurred as a result of this transaction.

16 2. **Purchase and Sale.** Upon and subject to the terms and conditions set  
17 forth in this Agreement, Seller agrees to sell to Buyer and Buyer agrees to buy from  
18 Seller the Property, together with all easements, appurtenances thereto and all  
19 improvements and fixtures situated thereon.

20 3. **Purchase Price.** The Purchase Price for the Property will be paid as

10 Sale and Joint Escrow Instructions document. This contingency will be removed from  
11 escrow upon the receipt of the Signed Purchase and Sale Agreement and Joint Escrow  
12 Instructions document signed by the Board of Supervisors. Buyer and Seller agree to  
13 execute any additional instructions reasonably required by the Escrow Holder. If there  
14 is a conflict between any printed escrow instructions and this Agreement, the terms of  
15 this Agreement will govern.

16       5.     **Deliveries to Escrow Holder.**

17             5.1     By Seller. On or prior to the Closing Date, Seller will deliver or  
18 cause to be delivered to Escrow Holder the following items:

19                     (a)     A Grant Deed (“**Grant Deed**”), in the form attached to this  
20 Agreement as Exhibit B, duly executed and acknowledged by Seller and in recordable  
21 form conveying the Property to Buyer; and

23 **Certificate**”).

24             5.2     By Buyer. On or prior to the Closing Date (and in any event in a  
25 manner sufficient to allow Escrow to close not later than the Closing Date), Buyer will  
26 deliver or cause to be delivered to Escrow Holder the following items:

27                     (a)     The Purchase Price in accordance with Paragraph 3.1; and

5 Escrow Holder or otherwise required to close escrow. In addition, Seller and Buyer will  
6 designate the Title Company as the "**Reporting Person**" for the transaction pursuant  
7 to Section 6045(e) of the Internal Revenue Code.

8 **6. Condition of Title.**

9 6.1 At the Close of Escrow, fee simple title to the Property will be  
10 conveyed to Buyer by Seller by Grant Deed subject only to the following matters  
11 ("**Permitted Exceptions**"):

12 (a) A lien for local real property taxes and assessments not  
13 then delinquent;

14 (b) Matters of title respecting the Property approved or deemed

17 created by or with the written consent of Buyer.

19 7.1 Conditions Precedent to Buyer's Obligations. The following  
20 conditions must be satisfied not later than the Closing Date or such other period of time

27 to advise Buyer that:

1 (i) Seller will remove any objectionable exceptions to  
2 title or obtain appropriate endorsements to the title policy on or before the Closing  
3 Date; or

4 (ii) Seller will not cause the exceptions to be removed. If  
5 Seller advises Buyer that it will not cause the exceptions to be removed, Buyer will  
6 have ten (10) days to elect, at its sole remedy, to:

7 (iii) Proceed with the purchase and acquire the Property  
8 subject to such exceptions without reduction in the Purchase Price;

9 (iv) Renegotiate the terms and conditions set forth in this  
10 Agreement, including the Purchase Price; or

11 (v) Cancel the Escrow and this Agreement by written  
12 notice to Seller and the Escrow Holder, in which case any deposit together with interest  
13 thereon will be returned to Buyer and the cancellation costs will be borne by Buyer.

14 If Buyer does not give Seller notice of its election within such ten (10) day  
15 period, Buyer will be deemed to have approved the condition of title to the Property and  
16 elected to proceed with this transaction.

17 If Seller commits to remove any objection to title and fails to do so by the  
18 Closing Date, Seller will be in default under this Agreement and Buyer may, at Buyer's  
19 election, terminate this Agreement and pursue its remedies as set forth herein.

20 (b) Title Insurance. As of the Close of Escrow, the Title  
21 Company will issue or have committed to issue the Title Policy to Buyer with only the  
22 Permitted Exceptions.

23 (c) Delivery of Information. Within ten (10) days after the  
24 Opening of Escrow, Seller shall deliver to Buyer the original or true copies of all  
25 surveys, plans and specifications, residential disclosure statements (as required),  
26 building conditions audits, past hazardous material studies, as-built drawings, building  
27 permits, certificates of occupancy, certificates of completion, soil reports, engineers'  
28 reports, other contracts, but not limited to, studies and similar information which it

1 may have in its possession relating to the Property except as specifically set forth  
2 herein, such items shall be delivered by Seller to Buyer and shall be to the best of  
3 Seller's actual knowledge true and correct and complete copies of the items in Seller's  
4 possession and except as expressly set forth herein, Seller makes no warranty  
5 regarding the contents of such items. If the Escrow shall fail to close for any reason, all  
6 such items shall be immediately returned to Seller.

7 The conditions set forth in this Paragraph are solely for the benefit of Buyer and  
8 may be waived only by Buyer. At all times Buyer has the right to waive any condition.  
9 Such waiver or waivers must be in writing to Seller and Escrow Holder.

10 The Close of Escrow and Buyer's obligations with respect to this transaction are  
11 subject to Seller's delivery to Escrow Holder on or before the Closing Date the items  
12 described in Paragraph 5 and 6.1 and the removal of the items described in Paragraph  
13 7.1.

14 7.2 Conditions Precedent to Seller's Obligations. The following shall  
15 be conditions precedent to Seller's obligation to consummate the purchase and sale  
16 transaction contemplated herein:

17 (a) Buyer shall have delivered to Escrow Holder, prior to the  
18 Closing for disbursement as directed hereunder, all cash or other immediately available  
19 funds from Buyer in accordance with this Agreement; and

20 (b) Buyer shall have delivered to Escrow Holder the items  
21 described in Paragraphs 5.2 and 5.3.

22 The conditions set forth in this Paragraph are solely for the benefit of Seller and  
23 may be waived only by Seller. At all times Seller has the right to waive any condition.  
24 Such waiver or waivers must be in writing to Buyer and Escrow Holder.

25 7.3 Termination of Agreement. In the event that, for any reason, the  
26 Closing does not occur on or before the Closing Date, either party to this Agreement,  
27 who is not in default of its obligations under this Agreement, shall have the right to  
28 terminate this Agreement upon written notice to the other party and to Escrow Holder.

1           8.     **Due Diligence By Buyer.**

2           8.1     Matters To Be Reviewed. Buyer must complete its due diligence  
3 and approve the following matters not later than forty five (45) days following the  
4 Effective Date (the “**Due Diligence Period**”). Seller shall cooperate with Buyer in its  
5 investigation.

6                     (a)     The physical condition of the Property at the time of sale,  
7 including without limitation, any structural components, electrical, system, plumbing or  
8 any irrigation system, paving, soil conditions, the status of the Property with respect to  
9 hazardous and toxic materials, if any, and in compliance with all applicable laws,  
10 including any laws relating to hazardous and toxic materials and all applicable  
11 government ordinances, rules and regulations and evidence of Seller’s compliance  
12 therewith including without limitation zoning and building regulations;

13                     (b)     All applicable government ordinances, rules and regulations  
14 and evidence of Seller’s compliance therewith including without limitation zoning and  
15 building regulations; and

16                     (c)     All licenses, permits and other governmental approvals  
17 and/or authorizations relating to the Property which shall remain in effect after the  
18 Close of Escrow.

19           8.2     Notice and Resolution of Objections.

20                     (a)     If Buyer fails to notify Seller in writing of any objections to  
21 items (a) and (b) in Paragraph 8.1 above or to request an extension prior to the end of  
22 the Due Diligence Period then Buyer shall be deemed to have approved such items  
23 and elected to proceed with the acquisition of the Property; and

24                     (b)     If Buyer notifies Seller in writing of any objections to the  
25 condition of the Property at the time of sale or any other matters relating to the Property  
26 as set forth in Section 8.1 prior to the end of the due diligence period, the parties will  
27 have five (5) business days to agree upon a resolution of the objections(s); provided  
28 however, that if, as a result of investigations and inspections any deficiencies are found

1 or repairs are needed, the cost to remedy such deficiencies or to make such repairs  
2 shall be the exclusive responsibility of the Seller. In the event that Seller fails to  
3 remedy such deficiencies or to make such repairs within a reasonable time period then  
4 Buyer may terminate this Agreement by written notice to Seller and Escrow.

5 8.3 Material New Matters. If Buyer discovers any new matter prior to  
6 Close of Escrow which was:

7 (a) Not reasonably discoverable prior to the Close of Escrow  
8 and that matter is one which:

9 (i) Would appear as an exception to the Title Policy; or

10 (ii) Is materially inconsistent with a disclosure by Seller  
11 or with any representations or warranties contained in Paragraph 15.2; and

12 (iii) Such new matter is of such a nature that, in Buyer's  
13 reasonable judgment, it would materially and adversely affect the acquisition,  
14 development, sale or use of the Property for Buyer's intended purpose; then Buyer is  
15 entitled to treat such new matter as a failure of condition to the Close of Escrow.

16 (b) If Buyer elects to treat such new matter as a failure of  
17 condition to the Close of Escrow, Buyer must give notice to Seller of Buyer's  
18 election to terminate this Agreement within fifteen (15) days of Buyer's obtaining  
19 knowledge of such new matter, but in no event later than the Closing Date.

20 (c) However, if Buyer gives Seller notice of its election to  
21 terminate this Agreement, Seller may elect, in its sole and absolute discretion by  
22 written notice to Buyer and to Escrow Holder within five (5) business days following  
23 Seller's receipt of Buyer's notice, to correct the new matter prior to the Close of  
24 Escrow. If Seller elects to correct the new matter, Seller will be entitled to extend the  
25 Close of Escrow for not more than twenty (20) days in order to correct the new matter  
26 and, in such event, this Agreement will not terminate. If Seller fails to correct the new  
27 matter by the Closing Date as extended, Buyer, as Buyer's sole remedy, may terminate  
28 this Agreement.

1           9.     **No Side Agreements or Representations.** Buyer represents and  
2 warrants that prior to the Close of Escrow, Buyer will have had the opportunity to make  
3 and will have made such an investigation and inspection of all aspects of the condition  
4 of the Property as it has deemed necessary or appropriate, including, but not limited to  
5 soils and the Property's compliance or non-compliance with applicable laws, rules,  
6 regulations and ordinances (including any Environmental Laws) as defined in  
7 Paragraph 15.1 and the existence or non-existence of Hazardous Substances as  
8 defined in Paragraph 15.1 on, in or under the Property. Buyer further represents and  
9 warrants that in purchase the Property, Buyer is relying upon its own investigations and  
10 inspections of same, and the information provided by Seller and Seller's

15 equal to the Purchase Price showing fee title to the Property vested in Buyer subject  
16 only to the Permitted Exceptions ("**Title Policy**") and the standard printed exceptions  
17 and conditions in the policy of title insurance. If Buyer elects to obtain any  
18 endorsements or an ALTA Extended Policy of Title, the additional premium and costs  
19 of the policy survey for the ALTA Extended policy of title and the cost of any  
20 endorsements will be at Buyer's sole cost and expense; however, Buyer's election to  
21 obtain an ALTA extended policy of title will not delay the Closing and Buyer's inability to  
22 obtain an ALTA extended policy of title or any such endorsements will not be deemed  
23 to be a failure of any condition to Closing.

24           11.    **Costs and Expenses.**

25           Seller will pay:

- 26           (a)     CLTA standard coverage policy;

7

8 **12. Prorations.**

9 12.1 Tax Exempt Agency. All parties hereto acknowledge that the  
10 Buyer is a public entity and exempt from payment of any real property taxes. There will  
11 be no proration of taxes through Escrow. Seller will be responsible for payment of any  
12 real property taxes due prior to Close of Escrow. In the event any real property taxes

14 instructed to pay such taxes from proceeds due the Seller at the Close of Escrow.  
15 Seller understands that the Tax Collector will not accept partial payment of an  
16 installment of the real property due at the close of escrow. At the Close of Escrow, the  
17 Buyer will file any necessary documentation with the County Tax Collector/Assessor for  
18 the property tax exemption. Any prorate refund that will be due the Seller will be  
19 refunded to the Seller by the County Tax Collector/Assessor outside of Escrow and  
20 Escrow Holder shall have no liability and/or responsibility in connection therewith.

21 12.2 Utility Deposits. Seller represents and warrants that there are no  
22 active accounts associated with the Property.

23 12.3 Method of Proration. For purposes of calculating prorations,  
24 Buyer shall be deemed to be in title to the Property and therefore entitled to the income  
25 there from and responsible for the expenses thereof for the entire day upon which the  
26 Closing occurs. All prorations will be made as of the date of Close of Escrow based on  
27 a three hundred sixty-five (365) day year or a thirty (30) day month, as applicable. The  
28

1 obligations of the parties pursuant to this Paragraph 12 shall survive the Closing and  
2 shall not merge into any documents of conveyance delivered at Closing.

10 **13.2 Recording.** Cause the Grant Deed to be recorded with the County  
11 Recorder and obtain conformed copies thereof for distribution to Buyer and Seller.

12 **13.3 Title Policy.** Direct the Title Company to issue the Title Policy to  
13 Buyer.

14 **13.4 Delivery of Documents to Buyer and Seller.** Deliver to Buyer the  
15 FIRPTA Certificate and any other documents (or copies thereof) deposited into Escrow  
16 by Seller. Deliver to Seller any other documents (or copies thereof) deposited into  
17 Escrow by Buyer.

18 **14. Joint Representations and Warranties.** In addition to any express  
19 agreements of the parties contained herein, the following constitute representations  
20 and warranties of the parties each to the other:

21 **14.1** Each party has the legal power, right and authority to enter into

28 transaction are and will be valid, legally binding obligations of and enforceable against

3. Authorize the Economic Development Agency to incur typical due diligence and transaction costs not-to-exceed \$53,440; and
4. Direct the Clerk of the Board to give notice pursuant to Government Code Section 6063.

**BACKGROUND:**

The County of Riverside Transportation Department has a strong interest in purchasing land for the eventual relocation of the main Washington Yard, currently located in the City of Riverside on Washington Street close to SR 91 and the Madison Interchange. This 15 acre site was built in 1955 and is in need of a functional upgrade, with some of the buildings dating back to that time and others added since then on an ad-hoc basis. There are 134 employees that primarily work out of this yard year-round and another 35 part of the time. The Transportation Department maintains over 2400 miles of roads and 500 signals County-wide out of this central facility and 10 satellite maintenance yards. This location is far from central to our current and future operations.

Economic Development Agency ("EDA") has done an extensive property search of potential sites along the I-215 corridor. Being in close proximity to I-215 and SR 60 provides faster access to most of Western Riverside County, with significantly better access to the desert region as well. EDA conducted a Request for Proposal process and received interest from 16 sites. After review of the proposals and doing due diligence, a 19.38 acre site on Harvill also known as Assessor's Parcel Numbers 317-260-007 and 317-260-033, between Placentia and Water, in the Unincorporated Area of Perris, Riverside County, California, more particularly described in Exhibit "A" and depicted in Exhibit "B" attached hereto and made a part hereof, and has been identified as the best combination of location and negotiated value.

This site is close to the Cajalco/Ramona Expressway Corridor, I-215, and SR 60. The Transportation Department has done an analysis of savings on fuel costs and lost productivity time comparing this location to the current Washington Yard. The analysis projects a conservative operational savings in the amount of \$600,000 annually from being in this much more central location, which would increase over time as gas costs continue to increase.

Purchasing the site now provides the County the opportunity to buy industrial property at a low point in the market. It is deemed beneficial to acquire at this time because of its strategic location for Transportation road maintenance operations. Being in this new central location also provides the County with long-term options to consolidate some of our outlying yards should they become unnecessary to keep due to future annexations/incorporations. Since the Washington Yard was purchased using State Gas Tax (Road Funds), proceeds of a future sale or transfer for other County uses need to reimburse the Road Fund.

After the close of the transaction, the Transportation Department will perform an analysis to determine how best to use the property, including what improvements need to be made and if it is beneficial to construct buildings through a financing mechanism or to be done gradually through annual capital outlays. The purchase of this site and the operational flexibility and long-term cost savings that it offers the Transportation Department is a solid strategic investment that is much more

(Continued)

**BACKGROUND:** (Continued)

favorable than renovation and upkeep of the outdated 50+ year site that is no longer central to our operations.

Pursuant to the California Environmental Quality Act (CEQA), the proposed acquisition was reviewed and determined to be categorically exempt from CEQA under Guidelines Section 15061(b)(3); with certainty, there is no possibility that the land acquisition may have a significant effect on the environment. Pursuant to CEQA Guideline Section 15004(b)(2)(A), the County of Riverside is conditioned to perform additional CEQA analysis and compliance, prior to any subsequent development and use of subject property.

The Resolution has been reviewed and approved by County Counsel as to legal form.

**FINANCIAL DATA:**

The following summarizes the funding necessary to acquire Assessor's Parcel Numbers 317-260-007 and 317-260-033:

Acquisition:	\$ 3,376,771
Environmental Services:	\$ 1,800
Estimated Title and Escrow Charges:	\$ 8,000
Preliminary Title Report:	\$ 800
Appraisal:	\$ 3,450
Advertising:	\$ 4,390
Acquisition Administration:	\$ 35,000
Total Estimated Acquisition Costs:	\$ 3,430,211

**FINANCIAL DATA:** (Continued)

While EDA will cover the cost for the due diligence services (Preliminary Title Report and Appraisal) at the time of this property transaction, it is understood that the Transportation Department will reimburse EDA for these costs. The remaining costs will be paid directly by the Transportation Department.

All costs associated with this property acquisition are fully funded in the Transportation Department's budget for FY 2011/2012. Thus, no net county cost will be incurred as a result of this transaction.
