3. Find that the Project is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15301 Existing Facilities.

**BACKGROUND:**

Environmental Health Department currently occupies space on the 9<sup>th</sup> floor of the Riverside County Administrative Center (CAC). Seventy percent of the 9<sup>th</sup> floor is currently vacant and in order to maximize utilization of space in the CAC it is necessary to relocate Environmental Health during the design and construction of tenant improvements. The Economic Development Agency's Real Estate Division has located office space at 3880 Lemon Street which meets the needs and requirements of the department. Anticipated date of occupancy is September 2011.

Pursuant to the California Environmental Quality Act (CEQA), the Lease was reviewed and determined to be categorically exempt from CEQA under CEQA Guidelines 15301, Class 1 – Existing Facilities. The proposed project, the Lease, is the letting of property involving existing facilities with minor tenant improvement alterations and no expansion of an existing use will occur.

This Lease Agreement has been reviewed and approved by County Counsel as to legal form.

**FINANCIAL DATA:**

All associated costs for this lease will be fully funded through the Department of Environmental Health's budget. Environmental Health has budgeted for these lease costs in FY 2011/12 but the budget capacity for the tenant improvements and furniture exists in FY2010/11 as the original occupancy was to take place this fiscal year. The Economic Development Agency requires a budget adjustment to its FY 2011/12 budget to cover related transactional costs with the property owner. While EDA will front the costs for this Lease with the property owner, Environmental Health will reimburse EDA for all associated lease costs.

1 LEASE

2 COUNTY OF RIVERSIDE

3 1. Parties.

4 1.1 This Lease ("Lease") is made by and between the COUNTY OF  
5 RIVERSIDE, a political subdivision of the State of California hereinafter referred to as  
6 "County" and NOMEL VENTURES, LLP, hereinafter referred to as "Lessor". County and  
7 Lessor are hereinafter collectively referred to as the "Parties" or individually as a "Party".

8 2. Premises.

9 2.1 Letting. Lessor hereby leases to County, and County hereby leases  
10 from Lessor, the Premises, for the term, at the rental, and upon all terms, covenants and  
11 conditions set forth in this Lease.

12 2.2 Defined. The Premises shall consist of that certain portion of the  
13 Project, as defined herein, including all improvements therein or to be provided by Lessor  
14 under the terms of this Lease, and commonly known as 3880 Lemon Street, Suite 200,  
15 located in the City of Riverside, County of Riverside, State of California, also identified as  
16 Assessor Parcel Number 213311012 and generally described as office space consisting of  
17 approximately 6,594 square feet with twenty three (23) unreserved parking spaces at the  
18 prevailing rate, all as shown on the site plan attached as Exhibit "A". It is understood that the  
19 Premises include all appurtenances and easements thereto and the non-exclusive right of  
20 ingress and egress at all times to and from the public streets and highways for County, its  
21 employees and invitees. The Premises, the building, the Common Areas, the land upon  
22 which they are located, along with all other buildings and improvements thereon, are herein  
23 collectively referred to as the "Project".

24 2.3 Common Areas Defined. The term "Common Areas" is defined as all  
25 areas and facilities outside the Premises and within the exterior boundary line of the Project  
26 and interior utility raceways and installations within the Premises that are provided by and  
27 designated by the Lessor from time to time for the general non-exclusive use of Lessor,  
28 County, and other tenants of the Project and their respective employees, suppliers, shippers,

1 customers, contractors, and invitees, including but not limited to common restrooms, parking  
2 areas, loading and unloading zones, trash areas, roadways, walkways, driveways, and  
3 landscaped areas.

4           **2.4 County's Rights-Common Areas.** Lessor grants to County, for the  
5 benefit of the County and its employees, suppliers, shippers, customers, contractors, and  
6 invitees, during the term of this Lease, the non-exclusive right to use, in common with others  
7 entitled to such use, the Common Areas as same may from time to time exist. Lessor shall  
8 have the right to promulgate rules and regulations for the management, safety, care, and  
9 cleanliness of the Common Areas provided, however, that said rules and regulations shall be  
10 subject to the approval of County. County's prior approval shall be required for any changes to  
11 the Common Areas which adversely affect County's use and occupancy of the Premises, the  
12 parking, or accessibility of the Premises.

13           **2.5 Preparation of Premises/Acceptance.** The rights and obligations of  
14 the Parties regarding the construction of the Premises before the commencement of the  
15 Lease Term are stated in the attached Leasehold Improvement Agreement, Exhibit "B". If this  
16 Lease conflicts with the Leasehold Improvement Agreement, the Leasehold Improvement  
17 Agreement shall prevail.

18           **2.6 Condition of Premises.** Lessor shall deliver the Premises to County in  
19 a fully clean and safe condition, free of hazards and debris, entirely permitted and inspected  
20 by local authorities, on the Commencement Date, and Lessor warrants for the term of this  
21 Lease, that all systems and equipment, including, but not limited to, electrical, plumbing, fire  
22 sprinkler, fire suppression system, fire/life/safety system, elevators, security systems, lighting,  
23 heating, ventilating and air conditioning systems ("HVAC"), loading doors, if any, that serve  
24 the Premises and all other such elements in the Premises (herein defined as the "Base  
25 Building Systems"), other than those installed or constructed by County, shall be in safe,  
26 hazard free, good operating condition, and, the roof, bearing walls and foundation of the  
27 Premises shall be free of material defect.

28 ///

1           **3. Use.**

2           **3.1** County shall use and occupy the Premises for the purpose of providing  
3 office space for use by the Department of Environmental Health, but the Premises may be  
4 used for any official business of County government or any other legal use which is  
5 reasonably comparable thereto. Nothing contained in this Lease shall be construed to require  
6 County to occupy the Premises continuously.

7           **4. Term.**

8           **4.1 Commencement.** This Lease shall be effective upon the date of its full  
9 execution by the parties hereto. The Term of this Lease shall be for a period of sixty (60)  
10 months ("Original Term") commencing (Commencement Date) on the earlier of (a) the date  
11 County staff occupies the Premises, or (b) the date on which County accepts the Premises for  
12 occupancy, which shall occur only after Lessor delivers to County a copy of the Certificate of  
13 Occupancy executed by the appropriate governing authority, if applicable, and provided that  
14 County, in its' sole discretion, is satisfied that all leasehold improvements have been  
15 completed in accordance with Exhibit "B" and Exhibit "F", excepting minor punch list items.  
16 The Original Term shall expire at midnight on the last day of the sixty (60) month term  
17 ("Expiration Date").

18           **4.2 Confirmation of Lease Information.** At such time as the  
19 Commencement Date of this Lease has been determined, either Party may deliver to the  
20 other Party a notice in the form set forth in the attached Exhibit "D". which the receiving Party  
21 shall execute, after making any corrections necessary to conform the information to the  
22 provisions of this Lease, and return to the forwarding Party within thirty (30) days after receipt.  
23 Either Party will use reasonable efforts to deliver the notice to the other Party within thirty (30)  
24 days after the Lease Commencement Date. Anything to the contrary notwithstanding, failure  
25 to forward or execute said notice shall not invalidate or nullify the provisions of this Lease.

26           **4.3 Delay in Delivery of Premises.** If the Original Term of this Lease has  
27 not commenced by 120 days from County's execution of this Lease, County may, at its sole  
28 option, either: (a) deduct from any rents that may become due hereunder the sum of \$345.00

1 for each day the Premises are not substantially complete and available for occupancy as per  
2 paragraph 2.6, after said date, as liquidated damages for failure to provide occupancy in a  
3 timely manner as prescribed hereunder. Lessor and County agree that such damages are to  
4 be one of the mutually exclusive remedies, as prescribed in this Section 4, for such failure, in  
5 that at the time of entering into this Lease it would be impractical and extremely difficult to fix  
6 the actual damages that would flow from Lessor's failure to provide occupancy in a timely  
7 manner, including, but not limited to, the difference in money between the total sum to be paid  
8 by County to another party for rent to Lease such party's real property, if the rental hereunder  
9 is less than the rental to be paid such other party; or if the Original Term of this Lease has not  
10 commenced by 120 days from County's execution of this Lease , or (b) cancel this Lease, and  
11 Lessor hereby waives any and all rights that it may have against County for any costs,  
12 expenses and/or charges that Lessor may have incurred as a result of preparing the Premises  
13 for occupancy.

14 **4.4 Holding Over.** Any holding over by County after the expiration of said  
15 term or any extension thereof shall be deemed a month to month tenancy upon the same  
16 terms and conditions of this Lease. **The rent for the Holdover period shall be at 110% of**  
17 **the fifth year rate.**

18 **5. Rent.** The anniversary dates shall be deemed to fall on the first day of the first  
19 full month of each lease year following commencement of the Lease term.

20 **5.1 Rent.** The monthly rent payable for the leased Premises during the term  
21 of this lease shall be payable according to the schedule indicated below, payable, in advance,  
22 on the first day of the month or as soon thereafter as a warrant can be issued in the normal  
23 course of County's business; provided, however, in the event rent for any period during the  
24 term hereof which is for less than one (1) full calendar month said rent shall be pro-rated  
25 based upon the actual number of days of said month.

Months	Amount	Months	Amount
1 – 30	\$10,418.52	37 – 48	\$12,792.36
31 – 36	\$12,330.78	49 – 60	\$13,253.94

1           **5.2 Tenant Improvement Reimbursement** Notwithstanding the provisions  
2 of Section 5.1 above, County shall pay to Lessor a one time payment not to exceed  
3 \$176,916.00 upon completion and acceptance of the improvements by County as provided in  
4 Exhibit "B", Section 8 of this Lease. This amount includes a ten (10%) percent contingency to  
5 be utilized for any additional work requested by the County during the course of construction  
6 upon written approval.

7           **6. Options.**

8           **6.1 Option to Extend Term.** Lessor grants to County two option(s) to  
9 extend the Lease term ("Extension Option(s)"). Each Extension Option shall be for a period of  
10 one year ("Extended Term"), subject to the conditions described in this Section 6.1.

11           **6.1.1 Exercise of Option.** The Extension Option(s) shall be exercised  
12 by County delivering to Lessor written notice thereof no later than sixty (60) days prior to the  
13 expiration of the Original Term or any extension thereof.

14           **6.1.2 Option Rent.** The rent payable by County during any Extended  
15 Term shall be increased three percent (3%) over the rent paid in the last month of the term,  
16 sixtieth month.

17           **6.1.3** All terms and conditions of this Lease with exception of Rent and  
18 Lease Term shall remain in full force and effect during the Extended Term.

19           **6.2 Right of First Refusal to Lease Additional Space.** Lessor hereby  
20 grants to County a right of first refusal to lease the other premises in the building containing the  
21 leased Premises ("Adjacent Premises"), in the event Lessor received a bona fide offer from a  
22 third party to lease any portion of the Adjacent Premises, which offer is acceptable to Lessor.  
23 Lessor shall promptly notify County in writing of the offer, including the square footage of the  
24 portion of the Adjacent Premises proposed to be let and other terms and conditions of the  
25 offer. County shall have ten (10) days within which to notify Lessor in writing whether County  
26 agrees to lease the portion of the Adjacent Premises under such offer upon the terms and  
27 conditions set forth in such offer. In the event County fails to give written notice of its election  
28 to lease the proposed additional space, Lessor shall be free to accept the bona fide offer and

1 fide offer and lease the Adjacent Premises to the third party. If the third party fails to lease  
2 such portion of the Adjacent Premises and the Adjacent Premises (or remaining portion of the  
3 Adjacent Premises) remains available; County shall have the same right of first refusal  
4 granted herein with regard to any future offer to lease such portion of the Adjacent Premises.

5           **6.3 Right of First Refusal to Extend Lease Term.** At such time as the  
6 Original Term and/or Extended Terms have expired, in further consideration of the Rent,  
7 Covenants, and Conditions to be paid, performed, and observed by County, Lessor hereby  
8 grants to County a right of first refusal to extend the Lease of the Premises. In the event  
9 Lessor receives a bona fide offer from a third party to lease the Premises, which offer is  
10 acceptable to Lessor, Lessor shall promptly notify County in writing of the offer, including the  
11 amount of rent offered and other terms and conditions of the offer. County shall have ten (10)  
12 business days within which to notify Lessor in writing whether County agrees to extend the  
13 Lease of the Premises on the same terms and conditions as the third party offer. In the event  
14 County elects to extend the Lease of the Premises, the Lease shall be subject to the same  
15 terms and conditions as the third party offer, including, but not limited to, amount of rent, term,  
16 and commencement date. In the event County fails to give written notice of its election to  
17 extend the Lease of the Premises, Lessor shall be free to accept the bona fide offer and lease  
18 the Premises to the third party. If the third party fails to lease the Premises and the Premises  
19 remains available, County shall have the same right of first refusal granted herein with respect  
20 to a bona fide offer to lease the Premises by a subsequent third party offerer.

21           **6.4 County's Right to Early Termination.** The Parties hereto recognize  
22 and understand that the rental consideration hereunder originates from County, State and/or  
23 Federal sources, and therefore County shall have the right to terminate this Lease (a) if such  
24 funding is reduced or otherwise becomes unavailable, based on County's annual fiscal  
25 budget, or (b) if any law, rule or regulation precludes, prohibits or materially adversely impairs  
26 County's ability to use the Premises for the use permitted herein.

27           **6.4.1 Notice.** County shall provide Lessor with written notification of its  
28 election to terminate this Lease at least one hundred twenty (120) days prior to the date of

1 termination. County's notice shall state the reason for its termination of this Lease. County's  
2 obligation to pay Rent shall continue through the termination date.

3                   **6.4.2 Satisfaction.** In the event County terminates this Lease for the  
4 reasons provided in Section 6.4(a) or 6.4(b) herein, and said termination occurs during the  
5 Original Term, County agrees to pay Lessor as full satisfaction a sum equal to ten percent  
6 (10%) of the monthly rent that would have been paid to Lessor for the remaining term of the  
7 Lease in effect from the date of termination through the scheduled expiration date.

8                   **7. Compliance.**

9                   **7.1 Compliance.** Lessor warrants that the Premises and improvements on  
10 the Premises shall comply with all applicable State and Federal laws, covenants or  
11 restrictions of record, building codes, regulations and ordinances ("Applicable Requirements")  
12 in effect on the Commencement Date of this Lease, regardless of the use to which County will  
13 put the Premises. If the Premises do not comply with said warranty, Lessor shall, promptly  
14 after receipt of written notice from County or any governmental agency having jurisdiction  
15 over such matters setting forth the nature and extent of such non-compliance, rectify the  
16 same at Lessor's expense. If the Applicable Requirements are hereinafter changed so as to  
17 require during the term of this Lease, unless same is the result of the use to which County  
18 puts the Premises, the construction of an addition to or an alteration of the Premises, the  
19 remediation of any Hazardous Substance as hereinafter defined, or the reinforcement or other  
20 physical modification of the Premises Lessor shall, promptly after receipt of written notice from  
21 County or any governmental agency having jurisdiction over such matters setting forth the

4                   **7.4 Hazardous Substance.**

5                   (a) Reportable Uses Require Consent. The term "Hazardous Substance" as  
6 used in this Lease shall mean any product, substance, or waste whose presence, use,  
7 manufacture, disposal, transportation, or release, either by itself or in combination with other

2 itself, the public, the Premises and/or the environment against damage, contamination, injury  
3 and/or liability, including, but not limited to, the installation (and removal on or before Lease

9 writing at the time of such agreement.

10 (f) Lessor Indemnification. Lessor and its successors and assigns shall  
11 indemnify, defend, reimburse and hold County, its employees and lenders, harmless from and  
12 against any and all environmental damages, including the cost of remediation, which result  
13 from Hazardous Substances which existed on the Premises prior to County's occupancy or  
14 which are caused by the gross negligence or willful misconduct of Lessor, its agents or  
15 employees. Lessor's obligations, as and when required by the Applicable Requirements, shall  
16 include, but not be limited to, the cost of investigation, removal, remediation, restoration  
17 and/or abatement, and shall survive the expiration or termination of this Lease.

21 County's occupancy, unless such remediation measure is required as a result of County's use  
22 of the Premises, in which event County shall be responsible for such payment. County shall  
23 cooperate fully in any such activities at the request of Lessor, including allowing Lessor and  
24 Lessor's agents to have reasonable access to the premises at reasonable times in order to  
25 carry out Lessor's investigative and remedial responsibilities.

1 by the Applicable Requirements and this Lease shall continue in full force and effect, but  
2 subject to Lessor's rights under Paragraph 7.4(e) and Paragraph 7), Lessor may, at Lessor's  
3 option, either (i) investigate and remediate such Hazardous Substance Condition, if required,

7 County, within 30 days after receipt by Lessor of knowledge of the occurrence of such  
8 Hazardous Substance Condition, of Lessor's desire to terminate this Lease as of the date 60  
9 days following the date of such notice. In the event Lessor elects to give a termination notice,  
10 County may, within 10 days thereafter, give written notice to Lessor of County's commitment  
11 to pay the amount by which the cost of the remediation of such Hazardous Substance  
12 Condition exceeds an amount equal to 12 times the then monthly Base Rent or \$100,000,  
13 whichever is greater. County shall provide Lessor with said funds or satisfactory assurance  
14 thereof within 30 days following such commitment. In such event, this Lease shall continue in  
15 full force and effect, and Lessor shall proceed to make such remediation as soon as  
16 reasonably possible after the required funds are available. If County does not give such notice  
17 and provide the required funds or assurance thereof within the time provided, this Lease shall  
18 terminate as of the date specified in Lessor's notice of termination.

25 Date. County shall, within 10 days after receipt of Lessor's written request, provide Lessor  
26 with copies of all permits and other documents, and other information evidencing County's  
27 compliance with any Applicable Requirements specified by Lessor, and shall immediately  
28 upon receipt, notify Lessor in writing (with copies of any documents involved) of any

9 emergency, and otherwise at reasonable times, after reasonable notice, for the purpose of  
10 inspecting the condition of the Premises and for verifying compliance by County with this

26 investigator, Lessor will promptly contract with a qualified and experienced company to safely

12 and personal injury arising out of or relating, directly or indirectly, to the design, construction,  
13 maintenance, repair, alteration and ownership of the Premises and all areas appurtenant  
14 thereto including claims which may arise from or out of Lessor's operations, use, and  
15 management of the Premises, or the performance of its obligations hereunder. Policy shall  
16 name the County of Riverside, its Special Districts, Agencies, Districts and Departments, their  
17 respective Directors, Officers, Board of Supervisors, elected and appointed officials,  
18 employees, agents, independent contractors or representatives as an Additional Insured.  
19 Policy limits shall not be less than \$1,000,000 per occurrence. If such insurance contains a  
20 general aggregate limit, it shall apply separately to this Lease or be no less than two (2) times  
21 the occurrence limit.

22 **12.2.1.3 Vehicle Liability.** If vehicles or licensed mobile  
23 equipment are used on the Project, Lessor shall maintain auto liability insurance for all owned,  
24 non-owned or hired automobiles in an amount not less than \$1,000,000 per occurrence

2                                   (a)     All-Risk real property insurance coverage, including,  
3 if applicable, for the full replacement cost value of buildings, structures, fixtures, all  
4 improvements therein, and building systems on the Project as the same exists at each early  
5 anniversary of the term. Policy shall include Business Interruption, Extra Expense, and  
6 Expediting Expense coverage as well as coverage for off-premises power failure. Policy shall  
7 name the County as a Loss Payee as their interests may appear.

10 a full replacement cost value basis. Policy shall provide Business Interruption, Extra  
11 Expense, and Expediting Expense coverage as well as coverage for off-premises power  
12 failure. Policy shall name the County as a Loss Payee as their interests may appear.

13                                  (c)     During such time, prior to the commencement of this  
14 Lease while Lessor is preparing the Premises in accordance with Exhibit "B", Lessor shall  
15 keep or require its Contractor to keep in full force and effect, a policy of Course of  
16 Construction Insurance covering loss or damage to the Premises for the full replacement  
17 value of such work. The Named Insured shall include the Lessor, County and Contractor as  
18 their interests appear. Lessor or their Contractor shall be responsible for any deductible  
19 payments that result from a loss at the Premises under this coverage. If, at the time of any  
20 loss to the property described on Exhibit "B", it is determined that the insurance has not been  
21 carried or the insurance does not cover the loss of property being installed, the Lessor shall  
22 be responsible to pay the loss without contribution from the County.

23                                   **12.2.1.5     General Insurance Provisions – All Lines.**

24                                  (a)     Any insurance carrier providing Lessor's insurance  
25 coverage hereunder shall be admitted to the State of California and have an A.M. BEST rating  
26 of not less than an A:VIII (A:8) unless such requirements are waived, in writing, by the County  
27 Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer  
28 such waiver is only valid for that specific insurer and only for one policy term.

1 (b) The Lessor or Lessor's insurance carrier(s) must  
2 declare its insurance deductibles or self-insured retentions. If such deductibles or self-insured  
3 retentions exceed \$500,000.00 per occurrence such deductibles and/or retentions shall have  
4 the prior written consent of the County Risk Manager before the commencement of the Lease  
5 term. Upon notification of deductibles or self insured retentions which are deemed  
6 unacceptable to the County, at the election of the County's Risk Manager, Lessor's carriers  
7 shall either: 1) reduce or eliminate such deductibles or self-insured retentions as respects this  
8 Agreement with the County, or 2) procure a bond which guarantees payment of losses and  
9 related investigations, claims administration, defense costs and expenses.

10 (c) At the inception of this Lease and annually at the  
11 Lessor's insurance policy renewal date(s), the Lessor shall cause their insurance carrier(s) to  
12 furnish the County of Riverside with 1) a properly executed original Certificate(s) of Insurance  
13 and certified original copies of Endorsements effecting coverage as required herein; or, 2) if  
14 requested to do so orally or in writing by the County Risk Manager, provide original  
15 Certified copies of policies including all Endorsements and all attachments thereto, showing  
16 such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance  
17 shall contain the covenant of the insurance carrier(s) shall provide no less than thirty (30)  
18 days written notice be given to the County of Riverside prior to any material modification or  
19 cancellation of such insurance. In the event of a material modification or cancellation of  
20 coverage, this Lease shall terminate forthwith, unless the County of Riverside receives, prior  
21 to such effective date, another properly executed original Certificate of Insurance and original  
22 copies of endorsements or certified original policies, including all endorsements and  
23 attachments thereto evidencing coverage and the insurance required herein is in full force and  
24 effect. Individual(s) authorized by the insurance carrier to do so on its behalf shall sign the  
25 original endorsements for each policy and the Certificate of Insurance. The Lease term shall  
26 not commence until the County of Riverside has been furnished original Certificates(s) of  
27 Insurance and certified original copies of endorsements or policies of insurance including all  
28 endorsements and any and all other attachments as required in this Section.

1 (d) It is understood and agreed by the parties hereto and  
2 the Lessor's insurance company(s) that the Certificate(s) of Insurance and policies shall so  
3 covenant and shall be construed as primary insurance, and the County's insurance and/or  
4 deductibles and/or self-insured retentions or self-insured programs shall not be construed as  
5 contributory.

6 **12.3.1 County's Insurance:** County maintains funded programs of Self-  
7 Insurance. County shall provide to Lessor a Certificate of Self-Insurance evidencing the  
8 County's Self-Insurance for the following coverage, if so requested by Lessor:

9 12.3.1.1 Workers' Compensation \$1,000,000 per occurrence

10 12.3.1.2 Commercial General Liability \$1,000,000 per occurrence

11 12.3.1.3 Automobile Liability \$1,000,000 per occurrence

12 **13. Damage and Destruction.**

13 **13.1 Repair of Damage.** County agrees to notify Lessor in writing promptly  
14 of any damage to the Premises resulting from fire, earthquake, or any other identifiable event  
15 of a sudden, unexpected, or unusual nature ("Casualty"). If the Premises, whether covered by  
16 insurance or not, are damaged by a Casualty, or the Casualty results in the Premises not  
17 being provided with Base Building Systems or parking facilities, and if neither Lessor nor  
18 County has elected to terminate this Lease under this Section 13, Lessor shall promptly and  
19 diligently restore Premises, the County Improvements originally constructed by Lessor, Base  
20 Building Systems, and County's parking facilities to substantially the same condition as  
21 existed before the Casualty, subject to modifications required by building codes and other  
22 laws. If County requests that Lessor make any modifications to the County Improvements in  
23 connection with the rebuilding, Lessor may condition its consent to those modifications on:  
24 (a) confirmation by Lessor's contractor that the modifications shall not increase the time  
25 needed to complete the County Improvements; or (b) an agreement by County that the  
26 additional construction period shall not extend the rent abatement period.

27 **13.2 Repair Period Notice.** Lessor shall, within thirty (30) days after the  
28 date of the Casualty, provide written notice to County indicating the anticipated period for

1 repairing the Casualty ("Repair Period Notice"). The Repair Period Notice shall be  
2 accompanied by a certified statement executed by the Contractor retained by Lessor to  
3 complete the repairs or, if Lessor has not retained a Contractor, a licensed Contractor not  
4 affiliated with Lessor, certifying the Contractor's opinion about the anticipated period for  
5 repairing the Casualty. The Repair Period Notice shall also state, if applicable, Lessor's  
6 election either to repair or to terminate the Lease under Section 13.3.

7 **13.3 Lessor's Option to Terminate or Repair.** Lessor may elect either to  
8 terminate this Lease or to effectuate repairs if: (a) the Repair Period Notice estimates that the  
9 period for repairing the Casualty exceeds ninety (90) days from the date of the Casualty; or  
10 (b) the estimated repair cost of the Premises, even though covered by insurance, exceeds  
11 fifty percent (50%) of the full replacement cost.

12 **13.4 County's Option to Terminate.** If (a) the Repair Period Notice  
13 provided by Lessor indicates that the anticipated period for repairing the Casualty exceeds  
14 ninety (90) days, or (b) notwithstanding the above, in the event of a substantial or total  
15 casualty to the Premises or improvements, County may by written notice to Lessor within  
16 thirty (30) days after such damage or destruction of its intention to terminate this Lease, elect  
17 to terminate this Lease by providing written notice (County's Termination Notice) to Lessor  
18 within thirty (30) days after receiving the Repair Period Notice. If County does not elect to  
19 terminate within said thirty (30) day period, County shall be considered to have waived its'  
20 option to terminate.

21 **13.5 Rent Abatement Due to Casualty.** Lessor and County agree that  
22 County's Rent shall be fully abated during the period beginning on the later of: (a) the date of  
23 the Casualty; or (b) the date on which County ceases to occupy the Premises and ending on  
24 the date of Substantial Completion of Lessor's restoration obligations as provided in this  
25 Section 13 ("Abatement Period"). If, however, County is able to occupy and does occupy a  
26 portion of the Premises, Rent shall be abated during the Abatement Period only for the portion  
27 of the Premises not occupied by County.

28 ///

1           **13.6 Damage Near End of Term.** Despite any other provision of this  
2 Section 13, if the Premises are destroyed or damaged by a Casualty during the last eighteen  
3 (18) months of the original Lease Term, Lessor and County shall each have the option to  
4 terminate this Lease by giving written notice to the other of the exercise of that option within  
5 thirty (30) days after that damage or destruction, provided, however, County may negate  
6 Lessor's election to terminate under this Section 13.6 by electing, within ten (10) days after  
7 receipt of Lessor's termination notice, to exercise any unexercised option to extend this  
8 Lease. If County negates Lessor's election, this Lease shall continue in effect unless Lessor  
9 has the right to, and elects to, terminate this Lease under Section 13.3.

10           **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor or  
11 County elects to terminate this Lease under this Section 13 in connection with a Casualty, this  
12 termination shall be effective thirty (30) days after delivery of notice of such election. County  
13 shall pay Rent, properly apportioned up to the date of the Casualty. After the effective date of  
14 the termination, Lessor and County shall be discharged of all future obligations under this  
15 Lease, except for those provisions that, by their terms, survive the expiration or earlier  
16 termination of the Lease.

17           **13.8 Waiver of Statutory Provisions.** The provisions of this Lease,  
18 including those in this Section 13, constitute an express agreement between Lessor and  
19 County that applies in the event of any Casualty to the Premises. Lessor and County,  
20 therefore, fully waive the provisions of any statute or regulation, for any rights or obligations  
21 concerning a Casualty including California Civil Code Sections 1932(2) and 1933(4).

22           **13.9 Release on Termination.** In the event of any termination of this Lease  
23 in accordance with Section 13, the Parties shall be released there from without further  
24 obligation to the other Party, except as may otherwise be specifically set forth in this Lease  
25 and items that have accrued and are unpaid.

26           **14. Eminent Domain.**

27           **14.1 Total Condemnation.** If all of the Premises are condemned by  
28 eminent domain, inversely condemned, or sold in lieu of condemnation for any public or

1 quasi-public use or purpose, this Lease will terminate as of the date of title vesting in that  
2 proceeding and the Rent will be abated from the date of termination.

3 **14.2 Partial Condemnation.** If any portion of the Premises is condemned  
4 by eminent domain, inversely condemned, or sold in lieu of condemnation for any public or  
5 quasi-public use or purpose and the partial condemnation renders the Premises unusable for  
6 County's business, this Lease will terminate as of the date of title vesting or order of  
7 immediate possession in that proceeding and the Rent will be abated to the date of  
8 termination. If the partial condemnation does not render the Premises unusable for the  
9 business of County and less than a substantial portion of the Premises is condemned, Lessor  
10 must promptly restore the Premises to the extent of any condemnation proceeds recovered by  
11 Lessor, excluding the portion lost in the condemnation, and this Lease will continue in full  
12 force, except that after the date of the title vesting, the Rent will be adjusted, as reasonably  
13 determined by Lessor and County.

14 **14.3 Award.** If the Premises are wholly or partially condemned, Lessor will  
15 be entitled to the entire award paid for the condemnation, and County waives any claim to any  
16 part of the award from Lessor or the condemning authority. County, however, will have the  
17 right to recover from the condemning authority any compensation that may be separately  
18 awarded to County in connection with costs in removing County's merchandise, furniture,  
19 fixtures, leasehold improvements, and equipment to a new location.

20 **14.4 Temporary Condemnation.** In the event of a temporary  
21 condemnation, this Lease will remain in effect, County will continue to pay Rent, and County  
22 will receive any award made for the condemnation. If a temporary condemnation remains in  
23 effect at the expiration or earlier termination of this Lease, County will pay Lessor the  
24 reasonable cost of performing any obligations required of County with respect to the  
25 surrender of the Premises. If a temporary condemnation is for a period that extends beyond  
26 the Term, this Lease will terminate as of the date of occupancy by the condemning authority  
27 and any award will be distributed in accordance with Section 14.3.

28 ///

1           **15. Estoppel Certificates.**

2           **15.1** Within thirty (30) business days after receipt of a written request by  
3 either party, the other party shall execute and deliver to the requesting party an Estoppel  
4 Certificate, in the form of the attached Exhibit "G", indicating in the certificate any exceptions  
5 to the statements in the certificate that may exist at that time.

6           **16. Subordination, Non-Disturbance, and Attornment.**

7           **16.1 Subordination, Non-Disturbance, and Attornment Agreement.** To  
8 carry out the purposes of Section 16.2 and Section 16.3, the Parties agree to execute a  
9 Subordination, Non-Disturbance and Attornment Agreement in the form set forth in the  
10 attached Exhibit "H".

11           **16.2 Subordination.** County agrees that within forty-five (45) business days  
12 after Lessor's written request, it shall execute the agreement referred to in Section 16.1 that  
13 Lessor reasonably considers necessary to evidence or confirm the subordination or inferiority  
14 of this Lease to the lien of any mortgage, deed of trust or other encumbrance of the Premises  
15 or any renewal, extension, modification, replacement thereof, provided however, that such  
16 Subordination Agreement shall be strictly limited to matters contained in the Agreement  
17 referred to in Section 16.1 and no such Subordination Agreement shall materially increase  
18 any of County's obligations or materially decrease any of County's rights under this Lease,  
19 nor shall the possession of County be disturbed, by reason of any foreclosure, sale or other  
20 action under any such trust deed, mortgage or other encumbrance.

21           **16.3 Attornment.** If Lessor's interest in the Premises passes to a  
22 successor, and provided County has received the Non-Disturbance agreement referred to in  
23 Section 16.1, County shall, within forty-five (45) business days after Lessor's transferee's  
24 request, execute the agreement referred to in Section 16.1, thereby agreeing to attorn and to  
25 recognize the transferee as the Lessor under this Lease; provided the transfer of Lessor's  
26 interest in the Premises was by sale, lease, foreclosure, deed in lieu of foreclosure, exercise  
27 of any remedy provided in any encumbrance or operation of law.

28 ///

1           **17. Breach by Lessor.**

2           **17.1 Lessor's Default.** Except as provided to the contrary in this Lease,  
3 Lessor's failure to perform any of its obligations under this Lease shall constitute a default by  
4 Lessor under the Lease if the failure continues for thirty (30) days after written notice of the  
5 failure from County to Lessor. If the required performance cannot be completed within thirty  
6 (30) days, Lessor's failure to perform shall constitute a default under the Lease unless Lessor  
7 undertakes to cure the failure within thirty (30) days and diligently and continuously attempts  
8 to complete this cure as soon as reasonably possible.

9           **17.2 County's Right to Cure Lessor's Default and Deduct Cost.** Except  
10 as provided to the contrary in this Lease, if County provides notice to Lessor of Lessor's  
11 failure to perform any of its obligations under this Lease and Lessor fails to provide such  
12 action as required by the terms of this Lease within the period specified, County may take the  
13 required action if: (a) County delivers to Lessor an additional written notice advising Lessor  
14 that County intends to take the required action if Lessor does not begin the required action  
15 within ten (10) days after the written notice; and (b) Lessor fails to begin the required action  
16 within this ten (10) day period.

17           **17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's written  
18 demand for payment of County's costs incurred in taking such action on Lessor's behalf,  
19 Lessor has not paid the invoice or delivered to County a detailed written objection to it, County  
20 may deduct from Rent payable by County under this Lease the amount set forth in the  
21 invoice, including transaction costs and attorneys' fees, plus interest at the then legal rate of  
22 interest from the date these costs are incurred until the date of County's Rent setoff.

23           **18. Lessor's Representations and Warranties.** Lessor represents and warrants  
24 to County that:

25           **18.1 Title.** County's Leasehold interest in the Premises is free and clear of  
26 restrictions which would restrict County's rights under this Lease.

27           **18.2 Certificate of Authority.** Lessor covenants that it is a duly constituted  
28 under the laws of the state of its organization, and that the person(s) who is acting as its

1 signatory in this Lease is duly authorized and empowered to act for and on behalf of the  
2 Lessor. Lessor shall furnish County prior to the execution hereof with evidence of the  
3 authority of the signatory to bind the entity or trust as contemplated herein.

4           **18.3 No Litigation.** There are no judicial, quasi-judicial, administrative or other  
5 orders, injunctions, moratoria or pending proceedings against Lessor or the Premises which  
6 preclude or interfere with, or would preclude or interfere with, the construction contemplated  
7 herein or the occupancy and use of the Premises by County for the purposes herein  
8 contemplated.

9           **18.4 Easements.** Lessor shall not (a) subdivide, parcel or otherwise divide  
10 the Premises, (b) create, modify or terminate any ingress or egress to or from the premises,  
11 or (c) create any easements in the Premises, without County's prior written approval.

12           **19. Miscellaneous.**

13           **19.1 Quiet Enjoyment.** Lessor covenants that County shall at all times during  
14 the term of this Lease peaceably and quietly have, hold and enjoy the use of the Premises so  
15 long as County shall fully and faithfully perform the terms and conditions that it is required to  
16 do under this Lease. If the Premises are part of a building shared with other tenants of  
17 Lessor, during County's tenancy, Lessor may make or permit other tenants to make  
18 alterations, renovations and improvements to those portions of the building not occupied by  
19 County. Lessor covenants for itself and anyone deriving title from or holding title under  
20 Lessor that County's access, ingress, loading and unloading and sufficient parking for  
21 County's business shall not unreasonably be obstructed nor shall the daily business of County  
22 be disrupted as a result of such alterations, renovations and improvements.

23           **19.2 Non-Waiver.** No waiver of any provision of this Lease shall be implied  
24 by any failure of either party to enforce any remedy for the violation of that provision, even if  
25 that violation continues or is repeated. Any waiver by a party of any provision of this Lease  
26 must be in writing. Such written waiver shall affect only the provision specified and only for the  
27 time and in the manner stated in the writing.

28 ///

1           **19.3 Binding on Successors.** The terms and conditions herein contained  
2 shall apply to and bind the heirs, successors in interest, executors, administrators,  
3 representatives and assigns of all the Parties hereto.

4           **19.4 Severability.** The invalidity of any provision in this Lease as  
5 determined by a court of competent jurisdiction shall in no way affect the validity of any other  
6 provision hereof.

7           **19.5 Venue.** Any action at law or in equity brought by either of the Parties  
8 hereto for the purpose of enforcing a right or rights provided for by this Lease shall be tried in  
9 a court of competent jurisdiction in the County of Riverside, State of California, and the  
10 Parties hereto waive all provisions of law providing for a change of venue in such proceedings  
11 to any other county.

12           **19.6 Attorneys' Fees.** In the event of any litigation or arbitration between  
13 Lessor and County to enforce any of the provisions of this Lease or any right of either party  
14 hereto, the unsuccessful party to such litigation or arbitration agrees to pay to the successful  
15 party all costs and expenses, including reasonable attorneys' fees, incurred therein by the  
16 successful party, all of which shall be included in and as a part of the judgment rendered in  
17 such litigation or arbitration.

18           **19.7 County's Representative.** County hereby appoints the Assistant  
19 County Executive Officer/EDA as its authorized representative to administer this Lease.

20           **19.8 Agent for Service of Process.** It is expressly understood and agreed  
21 that in the event Lessor is not a resident of the State of California or it is an association or  
22 partnership without a member or partner resident of the State of California, or it is a foreign  
23 corporation, then in any such event, Lessor shall file with County's Assistant County Executive  
24 Officer/EDA, upon its execution hereof, a designation of a natural person residing in the State  
25 of California, giving his or her name, residence and business addresses, as its agent for the  
26 purpose of service of process in any court action arising out of or based upon this Lease, and  
27 the delivery to such agent of a copy of any process in any such action shall constitute valid  
28 service upon Lessor. It is further expressly understood and agreed that if for any reason

1 service of such process upon such agent is not feasible, then in such event, Lessor may be  
2 personally served with such process out of this county and that such service shall constitute  
3 valid service upon Lessor. It is further expressly understood and agreed that Lessor is  
4 amenable to the process so served, submits to the jurisdiction of the court so obtained and  
5 waives any and all objections and protests thereto.

6 **19.9 Entire Lease.** This Lease is intended by the Parties hereto as a final  
7 expression of their understanding with respect to the subject matter hereof and as a complete  
8 and exclusive statement of the terms and conditions thereof and supersedes any and all prior  
9 and contemporaneous leases, agreements and understandings, oral or written, in connection  
10 therewith. This Lease may be changed or modified only upon the written consent of the  
11 Parties hereto.

12 **19.10 Interpretation.** The Parties hereto have negotiated this Lease at arms  
13 length and have been advised by their respective attorneys, or if not represented by an  
14 attorney, represent that they had an opportunity to be so represented and no provision  
15 contained herein shall be construed against County solely because it prepared this Lease in  
16 its executed form.

17 **19.11 Time of Essence.** Time is of the essence with respect to the  
18 performance of all obligations to be performed or observed by the Parties under this Lease.

19 **19.12 Recording.** Either Lessor or County shall, upon request of the other,  
20 execute, acknowledge and deliver to the other a short form memorandum of this Lease for  
21 recording purposes. The Party requesting recordation shall be responsible for payment of  
22 any fees applicable thereto.

23 **19.13 Consent.** Whenever Lessor's or County's consent is required under  
24 any provision of this Lease, it shall not be unreasonably withheld, conditioned or delayed.

25 **19.14 Title.** Lessor covenants that Lessor is well seized of and has good title  
26 to the Premises, and Lessor does warrant and will defend the title thereto, and will indemnify  
27 County against any damage and expense which County may suffer by reason of any lien,  
28 encumbrance, restriction or defect in title or description herein of the Premises. If, at any

1 time, Lessor's title or right to receive Rent and any other sums due hereunder is disputed,  
2 County may withhold such sums thereafter accruing until County is furnished satisfactory  
3 evidence as to the Party entitled thereto.

4 **19.15 Conveyance by Lessor.** Should Lessor convey the Premises, all  
5 rights and obligations inuring to the Lessor by virtue of this Lease shall pass to the grantee  
6 named in such conveyance, and the grantor shall be relieved of all obligations or liabilities  
7 hereunder, except those theretofore accrued and not discharged.

8 **19.16 Mechanic's Liens.** If any mechanic's or materialmen's lien or liens  
9 shall be filed against the Premises for work done or materials furnished to a Party, that Party  
10 shall, at its own cost and expense, cause such lien or liens to be discharged within fifteen (15)  
11 days after notice thereof by filing or causing to be filed a bond or bonds for that purpose. In  
12 the event any notice preliminary to establishing such a lien (such as the California Preliminary  
13 20-Day Notice) is served on Lessor for work done on the Premises, Lessor shall immediately  
14 forward a copy of such notice to Lessee.

15 **19.17 Surrender.** County shall, after the last day of the term or any extension  
16 thereof or upon any earlier termination of such term, surrender and yield up to Lessor the  
17 Premises in good order, condition and state of repair, reasonable wear and tear and damage  
18 by fire or other casualty excepted. County may, but shall not be required to: (a) patch or paint  
19 any walls/surfaces; (b) remove any leasehold improvements constructed or installed prior to  
20 or during the term of this Lease or any extension thereof; or (c) remove any fixtures or  
21 equipment installed prior to or during the term of this Lease or any extension thereof.

22 **19.18 Notice.** Except as expressly provided elsewhere in this Lease, all  
23 notices and other communication required under this Lease shall be in writing and delivered  
24 by: (a) Certified Mail, postage prepaid, return receipt requested, in the United States mail; or

## ASBESTOS

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
  2. Common public areas which County employees or its invitees would normally/reasonably use.
  3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.
  
- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

**SUBORDINATION, NON-DISTURBANCE, AND ATTORNMENMENT AGREEMENT**

This Subordination, Non-disturbance, and Attornment Agreement ("Agreement") is made as of \_\_\_\_\_ between \_\_\_\_\_ (Lender), a \_\_\_\_\_, having its principal place of business at \_\_\_\_\_ and the County of Riverside (County), by its authorized representative the Assistant County Executive Officer/EDA having its address for notification at 3403 Tenth Street, Suite 500, Riverside, California 92501.

**Recitals:**

A. Lender has agreed to make a loan to \_\_\_\_\_, a \_\_\_\_\_ (Lessor), to be secured by a deed of trust, dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of \_\_\_\_\_ County, California (together with all amendments, increases, renewals, modifications, consolidations, replacements, substitutions, and extensions, either current or future, referred to hereafter as the "Mortgage") encumbering Lessor's ownership interest in real property located in \_\_\_\_\_, \_\_\_\_\_, State of California. The legal description of the encumbered real property (the "Mortgage Premises") is set forth in Exhibit A, attached to this Agreement. The Mortgage, together with the promissory note or notes, the loan agreement(s), and other documents executed in connection with it are hereafter collectively referred to as the "Loan Documents".

B. On \_\_\_\_\_, \_\_\_\_\_, County and Lessor entered into a lease for the Mortgage Premises (the Lease). The Lease creates a leasehold estate in favor of County for space (the "Premises") located on the Mortgage Premises.

C. In connection with execution of the Mortgage, Lessor also executed and delivered to Lender an Assignment of Leases, Rents and Profits dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of the County Recorder of \_\_\_\_\_, California concerning all rents, issues and profits from the Mortgage Premises. This document, together with all amendments, renewals, modifications consolidations, replacements, substitutions and extensions, is hereafter referred to as the "Assignment of Rents."

To confirm their understanding concerning the legal effect of the Mortgage and the Lease, in consideration of the mutual covenants and agreements contained in this Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Lender and County, intending to be legally bound, agree and covenant as follows:

1. **Representations and Warranties.** County warrants and represents that the Lease is in full force and effect and that, as of the date of this Agreement and to the best of County's knowledge, there is no default under the Lease by Lessor or County.

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered, or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to

perfect the foreclosure, trustee's sale, or other proceeding.

**4. Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

**5. Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

- (a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;
- (b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;
- (c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or
- (d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.

14. **Notice.** All notices required by this Agreement shall be given in writing and shall be deemed to have been duly given for all purposes when:
