COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

**FROM:** Supervisor Bob Buster

**SUBMITTAL DATE:** October 25, 2011

**SUBJECT:** Approve participation agreement with Inland Empire Electronic Health Record Resource Center

**RECOMMENDED MOTION:** That the Board of Supervisors directs:

- 1) Approve participation agreement between the County of Riverside and with Inland Empire E.H.R. Resource Center, a 501c(3), for participation in the Inland Empire Health Information Exchange; and
- 2) Authorize the Chairperson to sign the Agreement

**BACKGROUND:**

The Inland Empire Health Information Exchange (IEHIE) is a collaborative effort that will allow all healthcare provider stakeholders the ability to choose and access health information at the point-of-care in an immediate and secure manner. The IEHIE will be region-wide and will serve the more than 4.2 million people in Riverside and San Bernardino counties. The IEHIE coalition was formed in April 2009 and is comprised of members from the inland region of the Hospital Association of Southern California, Inland Empire medical associations, hospitals, physician groups, Riverside County, San Bernardino County, and other healthcare organizations. IEHIE's mission is to achieve continuity of care in the Inland Empire community by establishing a HIE within the Inland Empire.

On June 28, 2011, the Board approved item 3.3 to designate the IEHIE as the health information exchange for Riverside County, to accept \$150,000 investment from Inland Empire Health Plan (IEHP) for start up and the first year participation costs, and to require the Riverside County Regional Medical Center (RCRMC) and Riverside County Department of Public Health (DOPH) to participate in this IEHIE. This agreement will allow for RCRMC and DOPH to begin participating in the IEHIE. In addition to the first year costs, the IEHP will pay the participation costs for an additional four years for RCRMC and DOPH. Any unidentified additional costs beyond the start up and participation costs arise in excess of \$50,000 be determined, this agreement will be brought to the Board of Supervisors for approval.

7. Confidential Information.

7.1 Definition. It is anticipated that, in the performance of their respective roles in the Exchange, IEHIE and the Participant will exchange Confidential Information. "Confidential Information" means any non-public, proprietary or sensitive information (or materials) belonging to or in the possession or control of a Party that is disclosed or made available to the other Party in connection with this Agreement and that is either marked or identified in writing as confidential, proprietary, secret or with another designation sufficient to give notice of its sensitive nature, or is of a type that a reasonable person would recognize it to be commercially sensitive. Confidential Information includes, but is not limited to, each Party's trade secrets, business plans, marketing plans, know how, data, contracts, documents, scientific and medical concepts, patient lists, costs, financial information, profits and billings, and referral sources, existing or future services, products, operations, management, pricing, financial status, goals, strategies, objectives, and agreements of a Party and any of its departments or agencies, whether written or verbal. Confidential Information does not, however, include any information that a Party demonstrates: (a) is in the public domain; (b) is already known or obtained by that Party other than in the course of the Exchange; (c) is independently developed by that Party; and/or (d) becomes known to that Party from an independent source having the right to disclose such information and without similar

restrictions as to disclosure and use and without breach of this Agreement by that Party. Confidential Information also shall not include any Protected Health Information (as that term is defined in 45 CFR Part 160.103). The Parties' respective responsibilities with respect to the privacy and security of Protected Health Information are addressed in Sections 5 (Compliance With Laws) and 6 (Business Associate Agreement).

On request, either Party shall restore to the Disclosing Party all copies of the Disclosing Party's Confidential Information in its possession or under its control and in whatever form and all materials developed based on the Disclosing Party's Confidential Information. Neither Party shall have any proprietary interest in any materials derivative of the other Party's Confidential Information.

7.3 Equitable Remedies. All Confidential Information represents a unique intellectual product of its owner. The unauthorized disclosure of said Confidential Information would have a detrimental impact upon its owner, and the damages resulting from said detrimental impact would be difficult to ascertain but would result in irreparable loss, and it would require a multiplicity of actions at law and in equity in order to seek redress against the receiving party in the event of an unauthorized disclosure. The owner of Confidential Information shall be entitled to equitable relief in preventing a breach of this Agreement and that such equitable relief is in addition to any other rights or remedies available to such owner.

7.4 Notice of Disclosure. Notwithstanding any other provision hereof, nothing in this Agreement shall prohibit or be deemed to prohibit a Party from disclosing any Confidential Information (or any other information the disclosure of which is otherwise prohibited hereunder) to the extent that such Party becomes legally compelled to make such disclosure by reason of a subpoena or order of a court, administrative agency or other governmental body of competent jurisdiction, and such disclosures are expressly permitted hereunder, provided, however, that a Party that has been requested or becomes legally compelled to make a disclosure otherwise prohibited hereunder by reason of a subpoena or order of a court, administrative agency or other governmental body of competent jurisdiction shall provide the other Party with notice thereof within five (5) calendar days, or, if sooner, at least three (3) business days before such disclosure will be made so that the other Party may seek a protective order or other appropriate remedy. In no event shall a Party be deemed to be liable hereunder for compliance with any such subpoena or order of any court, administrative agency or other governmental body of competent jurisdiction.

## 8. Liability.

8.1 Exclusions and Limitations. Subject to Section 8.2 (Exceptions), in no event shall either IEHIE, the Participant or any other Participant, be liable, whether in contract, tort, negligence, strict liability in tort or by statute or otherwise, to the others for any direct, indirect, special, incidental consequential, exemplary or punitive loss, damages or expenses (including without limitation lost profits and/or savings) arising out of their respective participation in the Exchange.

8.2 Exceptions. The limitations and exclusions set forth in Section 8.1 (Exclusions and Limitations) shall not apply with respect to: (a) damages attributable to intentional torts, unlawful conduct or gross negligence; (b) damages attributable to a Party's breach of its obligations pursuant to Section 7 (Confidential Information); (c) a third-party claim that is the subject to indemnification pursuant to Section 9 (Indemnification); or (d) intentional misappropriation or intentional infringement of a Party's intellectual property rights.

9. Indemnification and Insurance.

9.1 Indemnification. IEHIE and the Participant (each, the "Indemnifying Party") each shall indemnify and hold harmless the other, and other Participants (as applicable, the "Indemnified Party"), free of and harmless from all liability, judgments, costs, damages, claims, or demands, including reasonable attorneys' fees, net of the proceeds of insurance, arising out of the negligence, intentional misconduct or willful act or omission of the Indemnifying Party or any of the Indemnifying Party's employees or agents, including without limitation the Indemnifying Party's failure to comply with or perform its obligations under this Agreement.

9.2 Insurance. The Participant shall maintain at its own expense professional and general liability insurance, and other insurance, as described in the Exchange Overview.

10. Representations and Warranties.

10.1 Generally. Each Party hereby represents and warrants to the other that it is duly authorized to enter into this Agreement and legally able to perform its obligations hereunder, and that it has all rights necessary for the performance of its obligations under this Agreement, without violating any rights of any other party.

10.2 Disclaimer of Warranties. Except as expressly provided in this Agreement, neither Party makes nor shall be deemed to made or have made any representations or warranties of any kind or nature, either directly or indirectly or express or implied, either in fact or by operation of law, and each Party expressly disclaims all warranties of merchantability, title, design, non-infringement, operation or fitness for a particular purpose and all warranties arising from conduct, course of dealing or usage in trade.

11. Term and Termination.

11.1 Term. The term of this Agreement (the "Term") shall commence on the Execution Date and shall continue through and until the completion of the Exchange, unless terminated earlier pursuant to Section 11.2 (Termination).

11.2 Termination. IEHIE may terminate this Agreement, whether incident to the termination of the Exchange or otherwise, at any time after two years if it determines in good faith that it is appropriate to do so. The Participant may terminate this Agreement upon not less than 120 days notice to IEHIE and payment of any Termination Fees described in the Exchange Overview Section 2.2.

12. General Provisions.

Notice shall be deemed to have been given (a) upon receipt, if by electronic mail, by facsimile transmission or by personal

delivery, or (b) on the date on which receipt is confirmed by an overnight delivery service or by the United States Postal Service. If a Party has provided an electronic mail address to the other Party, notice may be given by e-mail message addressed to such address; provided, that if the Party giving notice receives notice that the e-mail message was not delivered, it shall give the notice by United States mail, overnight delivery service or facsimile.

12.2 Applicable Law. The interpretation of this Agreement and the resolution of any disputes arising under this Agreement shall be governed by the laws of the State of California. If any action or other proceeding is brought on or in connection with this Agreement, the venue of such action shall be exclusively in San Bernardino County, California.

12.3 Assignment. No rights of a Party hereunder may be assigned or transferred by that party, either voluntarily or by operation of law, without the prior written consent of the other Party.

12.4 Independent Parties. In the performance of their respective responsibilities under this Agreement, IEHIE and the Participant are and shall be independent contractors of the other. Nothing in this Agreement shall be deemed or construed as creating any joint venture or partnership between IEHIE and the Participant. Except as expressly set forth in this Agreement, neither Party shall have the power to control the activities or operations of, or contractually bind or otherwise commit, the other Party.

12.5 No Third Party Beneficiaries. Except as otherwise expressly provided herein with respect to other Participants, there shall be no third party beneficiaries of this Agreement.

12.6 Supervening Circumstances. Neither Party shall be deemed in violation of any provision of this Agreement if it is prevented from performing any of its obligations by reason of: (a) severe weather and storms; (b) earthquakes or other natural occurrences; (c) strikes or other labor unrest; (d) power failures; (e) nuclear or other civil or military emergencies; (f) acts of legislative, judicial, executive, or administrative authorities; or (g) any other circumstances that are not within its reasonable control. This Section 12.6 (Supervening Circumstances) shall not apply to obligations imposed under applicable laws or regulations or to obligations to pay money.

12.7 Severability. Any provision of this Agreement that shall prove to be invalid, void, or illegal shall in no way affect, impair, or invalidate any other provision of this Agreement, and such other provisions shall remain in full force and effect.

12.8 Waiver. No provision of this Agreement shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the Party claimed to have waived or consented. Any consent by a Party to, or waiver of a breach by the other, whether expressed or implied, shall not constitute a consent to, waiver of, or excuse for any other different or subsequent breach.

12.9 Complete Understanding. This Agreement and the exhibit(s) incorporated herein contain the entire understanding of the Parties with respect to the Exchange, and there are no other written or oral understandings or promises between the Parties with respect to the subject matter of this Agreement other than those contained or referenced in this Agreement or the Exchange. All modifications or amendments to this Agreement shall be in writing and signed by both IEHIE and the Participant.

12.10 Use of Name and Marks. Neither Party shall be permitted to use the other's name, trade name, fictitious business name, trademark, service mark or logo for any purpose without the prior written consent of the other Party; provided, that either Party may use the name of the other Party to identify and describe their respective roles in the conduct of the Exchange.
