SUMMARY OF ORDINANCE NO. 907

### AN ORDINANCE OF THE COUNTY OF RIVERSIDE REGULATING BODY ART FACILITIES, PERMANENT COSMETICS AND BODY PIERCING FACILITIES

This summary is presented pursuant to California Government Code Section 25124(b); a certified copy of the full text of Ordinance No. 907 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside located at 4080 Lemon Street, 1st Floor, Riverside, California.

Ordinance No. 907 establishes minimum standards that apply to body art facilities, including temporary facilities, and practitioners of body art to help protect both the practitioner and the client from transmission of infectious diseases. Body art includes body piercing, branding, permanent cosmetics, and tattooing. The ordinance requires owners, operators, and practitioners to follow safe and healthy practices, including the use of sterilized equipment and the maintenance of a sterile work environment.

The major components of Ordinance No. 907 do the following:

Requires all owners and operators of body art facilities to obtain a permit through the Riverside County Department of Environmental Health (the "Department"), create a Department approved exposure control plan to manage and minimize exposure to bloodborne pathogens, allow inspections of the facility by Department representatives, require practitioner employees to attend a Department approved bloodborne pathogens exposure control training, and comply with requirements pertaining to the physical facility itself, equipment sterilization, and autoclave requirements (if an autoclave is used).

Requires all practitioners of body art to register with the Department, practice only in permitted body art facilities, and attend bloodborne pathogens exposure control training.

Sets forth the associated fees for permits, inspections, and practitioner registrations. It also contains the penalties for violations of the ordinance requirements, which include criminal infractions, misdemeanors, monetary administrative penalties, injunctive relief, abatement, and other civil remedies.

Provides for notice and due process related to the denial, suspension, or revocation of body art facility permits or practitioner registrations issued by the Department.

Prohibits registered sex offenders (as defined under California Penal Code Section 290) from owning or operating a body art facility or practicing body art as a registered practitioner. It also prohibits body art facilities from being located within 1250 feet of a school, park, or other location where minors congregate.
