Page 2

BACKGROUND: (Continued)

California law requires that the County Treasurer periodically publish a listing of unclaimed money (amounts over \$15), which have resided in the County Treasury for more than three years before they become the property of the County. As set forth in Sections 50050 et. Seq., of the California Government Code, the undersigned hereby states that the required newspaper publication was made in the Press Enterprise, Desert Sun and Palo Verde Times, and that the appropriate opportunity was given for parties of interest to file claims prior to the filing deadline.

In the process, the Treasurer-Tax Collector's Office has incurred costs of \$38,810. Detail on the costs has been provided to the County Executive Office.

Re: Unclaimed Money

Please find attached a summary of our costs relating to the publication of unclaimed money on September 14, 2011 and September 21, 2011.

As the filing period has passed, we are submitting for Board approval, the transfer of these unclaimed monies to the County General Fund. We are also requesting for reimbursement of costs incurred in the process.

Should you have any questions, please contact Erica Cervantes at 5-9151.
