**SUBJECT:** Authorization to negotiate and sign the Canadian California Business Council bilateral agreement

This tournament will benefit the Canadian March of Dimes, with many internationally known athletes, entertainers and Canadian business leaders participating. The County of Riverside, along with Canada's C-100, is cosponsoring the event, which is open to the public. The tournament is expected to be televised live by the Canadian Broadcasting Company, assisting the county's efforts to attract investment, create jobs and promote tourism.

Canadian firms employ thousands of workers in Riverside County. According to Claremont McKenna College, Canada is the county's top export destination for goods produced in the county. Fully 44 percent of goods made here are purchased by Canadian residents.

The county enjoys an excellent working relationship with the Canadian government and, in 2010, the two parties resolved a North American Free Trade Agreement duty issue in favor of county exporters from the wine country.

Any and all funds used to promote the tournament or sponsorship are strictly limited to \$5,000 in 2012 and 2013
