RE: AMENDMENT #6 (CS-01197-06) WITH RIVERSIDE COUNTY SUPERINTENDENT OF SCHOOLS

Date: January 31, 2011

Page 2

BACKGROUND (Continued):

DPSS is requesting an amendment to the Educational Liaison agreement to augment the agreement by \$65,000 to allow for an additional FTE from 1/1/12 – 6/30/12 to assist at dependency court with the Educational Representative program. The Director of DPSS requests your honorable Board approve and authorize the Chairman of the Board to sign this agreement with Riverside County Superintendent of Schools for Educational Liaison Services.

These services provide Children Services with a liaison to act on behalf of all referred children and youth who are in Foster Care. These children often have special education needs that must be adequately addressed in order to ensure that they receive the educational services and support they need to be successful.

RCSS provides an Educational Liaison that meets the qualification requirements listed in the agreement and is responsible for all case management services. These services include educational support and advocacy for children who are medically fragile, in a group home placement, are eligible for the Independent Living Program (ILP) Wraparound Services.

Additionally, RCSS shall maintain special education, alternative education, educational placements/enrollment, school records, and expulsion hearings.

DPSS negotiated the agreement with RCSS without competition in accordance with California Department of Social Services (CDSS) manual section 23-650, paragraph 1.14, which states that contracts may be negotiated without formal advertising "for any service to be rendered by any federal, state or local governmental agency, public university, public college or other public educational institution."

FINANCIAL:

Federal (48.12%); State (32.65%); County (2.55%); Realignment (16.68%). The total annual cost to the County for these services is \$3,315. Sufficient funds have been budgeted for this agreement and no additional general fund support is necessary.
