

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION
DISTRICT BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: Supervisor John Tavaglione **SUBMITTAL DATE:** February 28, 2012

SUBJECT: City of Riverside Successor Agency Oversight Committee to the Riverside County Flood Control and Water Conservation District.

RECOMMENDED MOTION: That the Board of Supervisors appoint Charles Krieger (Zone Commissioner, Flood Control District Zone 1) to the City of Riverside Successor Agency Oversight Committee for the Riverside Redevelopment Agency as the special district representative.

BACKGROUND: On January 10, 2011, Governor Brown, as part of the statewide budget process, proposed the elimination of redevelopment agencies throughout California to be effective for Fiscal Year 2011-2012. The Governor's budget proposed stated that, while existing projects would not be affected, the \$1.7 billion that would have gone to redevelopment agencies would be shifted to the State General Fund to backfill the 2011-2012 budget. Future year redevelopment tax increment would be slated for school districts, special districts and other local services.

With the City of Riverside identified as the Successor Agency, the City of Riverside is required to have an Oversight Committee. The Oversight Committee shall consist of seven members, two of which are to be appointed by the County Board of Supervisors.

The Riverside County Flood Control and Water Conservation district is the largest special district taxing entity for the Riverside Redevelopment Agency.
