BACKGROUND (Continued):

RFP DPARC-140 was released and Catholic Charities was selected as the most responsive bidder. On February 9, 2010, Item 3.44, the Board of Supervisors approved an agreement with Catholic Charities to provide In-Home Visitation services.

CSD has experienced a dramatic increase in the need for In-Home Parenting Education, especially in remote areas where clients do not have the means to attend parenting classes and is requesting an increase of \$44,916. In-Home Services are often the only means a client has to receive parenting services. Catholic Charities provides an evidence-based model for the parenting portion of these services, which have demonstrated better outcomes for the participants. Due to the increase in need, DPSS anticipates serving an additional 48 clients with the additional funding for a total of 134 clients served.

FINANCIAL:

The amendment will be funded with 100% State funded and does not require any County general funding.
