**AGENDA NO.
9.11**

April 10th, 2012

Today I have one document for the Clerk of the Board. Page 1, agenda 10.3, resolution no. F-95-50, Oct 3rd, 1995: To give four property owners easements for ingress and egress over district owned land. Page 2, justification: The county has landlocked the property owners and these easements will provide new access to the property owners. Page 3, easement deed to Robert Mabee signed by John F. Tavaglione. Page 4, a letter from the Clerk of the Board stating the County Recorder has determined that the deeds have never been recorded.

Mr. Tavaglione where is your sense of honor? As a future Congressman, could you be called the Honorable John Tavaglione. Be a better man than Supervisor Jeff Stone who paid \$26,000 in fines for corruption cases to the Attorney General. In one case the Pharmacy Board made 20 accusations , including improperly labeled drugs, dishonesty, fraud, deceit, and corruption.

Bob Buster is corrupt and incompetent. Mr. Tavaglione, you are passing over the line by looking the other way regarding the missing deeds. The deeds were given without any conditions.

I now offer a reward of \$1000 for information on missing Baby John Deed. Conceived on the floor of the board room by Supervisor Buster and Supervisor Tavaglione. Mother unknown. Baby John Deed was born Oct 3rd, 1995 at 10 a.m. in the County Board Room. Supervisor Tavaglione signed the birth certificate as the father of the child. Baby John would be 17 years old on Oct 3rd, 2012, and has been missing since birth. The County Recorders office has determined the birth was never recorded.

FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD SUBMITTAL
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA
SUBMITTAL DATE: October 3, 1995
SUBJECT: Authorization to Convey Non-Exclusive Easements
Bautista Creek Channel Project # 4-0-0030
Resolution No. F96-50

JUSTIFICATION:

The District's Bautista Creek Channel from Fairview Avenue upstream has experienced vandalism and trespassing. To prevent this and limit potential liabilities, the District fenced the 15-foot wide maintenance road and modified several side channel conveyances. Certain individuals by virtue of being successors in interest to an access easement (Instrument No. 91932) enjoyed the use of the 15-foot wide strip of land adjacent to said channel. Said access easement provided that if at any time a public highway or street was extended to the described lands in Section 22 lying easterly of Bautista Creek Channel said easement shall cease and determine. To this end, the District granted to the County a 40-foot wide strip of land adjacent to the 15-foot wide easement for acceptance in the County's non-maintained road system (Instrument No. 127298).

A portion of the 15-foot wide access easement is located within a drainage wash, making it dangerous and unusable during times of storm flow. In addition, the side channel modification has obstructed physical access to a portion of the 15-foot side easement. The granting of these easements will provide new unobstructed access to the property owners (see attached Exhibit A).

Re: California Public Records Act Request

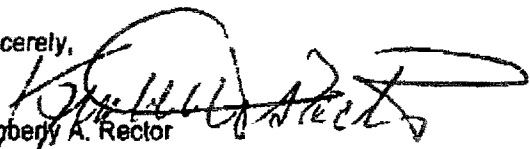

Dear Mr. Mabee:

The Clerk of the Board of Supervisors of the County of Riverside requested staff of the County Assessor-Clerk-Recorder to conduct a search to confirm whether certain easement deeds, attached to item 10.3 of October 3, 1995, of the Board of Supervisors records, were ever recorded. The recording would have been made at the request of and returned to the Riverside County Flood Control and Water Conservation District (Flood); however, Flood was unable to locate the deeds as indicated in their correspondence dated May 4, 2011.

After attempting to locate the Easement Deeds and Resolution F95-50, *Authorization to Convey Non-Exclusive Easements*, the Assessor-Clerk-Recorder was unsuccessful in finding any matches. If you would like to perform further research there is a public viewing area on the first floor of the County Administrative Center (CAC).

If you require further assistance, you may contact my office at (951) 955-1069.

Sincerely,

Kimberly A. Rector
