FORM APPROVED COUNTY COUNSEL BY: NEAL R. KIPNIS DATE: 3/22/11 Departmental Concurrence

Dept's Recomm.: Per Exec. Ofc.: Policy Consent

**SUBJECT:** Authorize the General Manager to execute agreements for temporary one-time or reoccurring events on District property, including the 2012 Wave Loch Flow Tour Event at The Cove-Jurupa Aquatic Center- District II/II

**BACKGROUND:**

The WLFT has requested to conduct one stop on their annual FlowRider tour event at The Cove on June 23, 2012. The WLFT and District support the growth of this sport as it will nurture the development of competitive FlowRiders and raise greater exposure for and attendance at our aquatic facilities.

On March 2, 2011, M.O. 13.4., your honorable Board approved the Wave Loch Stand-Up Federation, Waiver, Release and Signature Agreement for The Cove. The Agreement allowed the District limited rights to use, advertise, maintain, operate and promote the FlowRider attraction. By joining the Wave Loch Stand-Up Federation, the District gains the organizing benefits of competitive rules and regulations supported by Wave Loch. This consistency in the sports organizing body will promote increased participation at the local level. The increase in participation also equates to increased revenues, and competitive events are an excellent source of valuable local media and public relations for the community.

The District anticipates the Wave Loch Flow Tour event to be the first of many such events to occur at our expanding facilities. To better serve our recreating public and improve efficiency for processing agreements for future events, the District asks that the General Manager be given authority to sign agreements for temporary one-time or reoccurring events on District property where 5,000 or fewer people are expected to be in attendance each day. For example, these events could include: sporting events or competitions, music events, stage or theatrical shows, carnivals, or other entertainment or participatory events appropriate for the venue. The General Manager will present to the Board of Directors for approval the agreement for any event that: involves expenditure of District funds or resources beyond the General Manager's authority; presents an unusually high risk to the District; or involves unique circumstances such that Board of Directors prior approval would be appropriate.

County Counsel has approved this agreement as to form.
