April 5, 2012

RECOMMENDED MOTION: Move that the Riverside County Board of Supervisors proclaim the month of April 2012 as California Friday Night Live Month.

Departmental Concurrence

BACKGROUND: The California Friday Night Live (FNL) program was developed in 1984 as the model program for California, and was designed to reduce alcohol use and other problems among youth by building partnerships for positive healthy youth development. During the first years of the FNL program, the concentration was based upon high school based student groups. By 1990, the number of Counties with the California FNL program had increased, and the main focus of the program began to promote healthy lifestyles free of alcohol, tobacco, and/or other drugs (ATOD).

SUBJECT: California Friday Night Live (FNL) Month Proclamation

BACKGROUND: (continued)

As a result of the overwhelming success of FNL, a middle/junior high school component was developed named Club Live (CL). In addition, in 1990, the FNL Kids Program, which focuses on youth in the 4th through 6th grades, began. By 1994, 48 California counties have also implemented the CL program and/or the FNL Kids program. The FNL chapter locations had also broadened from school campus-based programs to recreation facilities, housing projects, youth centers, and youth in detention centers, reaching nearly one million youth throughout California.

Currently, the FNL program is active in 54 out of 58 counties in California. Riverside County has the largest FNL program in the State with 109 chapters active throughout Riverside County. Therefore, the Riverside County Department of Mental Health is requesting that the Riverside county Board of Supervisors proclaim April as California Friday Night Live Month.
