LAKELAND VILLAGE ORANGE STREET STORM DRAIN LATERAL STAGE 1

This proposed project is located near the City of Lake Elsinore, Riverside County, California within Township 6 South, Range 5 West, Section 10. The project is an underground system designed to relieve the flooding located along Orange Street, between Macy Street and Fairview Street.

The proposed project consists of approximately 650 lineal feet of a 30 inch diameter reinforced concrete pipe (RCP). The proposed project begins at Lime Street Channel and terminates approximately 350 feet southeasterly of the intersection of Fairview Street and Orange Street. A water quality feature is also proposed to be constructed at the storm drain terminus to collect sediment and debris prior to it entering the storm drain system. Construction of the project includes trenching, removal of existing structures and concrete work; the storm drain will be placed within the public right of way and connect to an existing channel in order to minimize the potential environmental impacts.

NOTICE TO CONTRACTORS

Riverside County Flood Control and Water Conservation District hereinafter called "District", invites sealed proposals for construction of:

**Lakeland Village – Orange Street Storm Drain Lateral, Stage 1
Project No. 3-0-00012
located near the city of Lake Elsinore
Riverside County, California**

Specifications and Contract Documents may be examined at the District's office at 1995 Market Street, Riverside, California, and may be obtained upon payment to District of **\$60.00** per set, received at the District's office and **\$65.00** per set if mailed. The Specifications and Contract Documents are also offered on CD-ROM for \$10.00 received at the District's office and \$15.00 if mailed. No refund.

Each proposal must be accompanied by a certified or cashier's check or bid bond equal to ten percent (10%) of the amount bid, payable to the Riverside County Flood Control and Water Conservation District as a guarantee that the Contractor will, if awarded the contract, execute a satisfactory contract and furnish the required bonds and proof of insurance.

Proposals must be in accordance with the instructions and filed with District by **2:30 p.m. on Thursday, May 17, 2012** at the District office at the above address which time and place are fixed for the public opening of bids.

General prevailing rate per diem wages and general prevailing rate of per diem wages for holiday and overtime work, including employer payments for health and welfare, pension, vacation, apprentices and similar purposes for each craft, classification or type of workman needed for execution of contracts under the jurisdiction of District have been obtained by the Board of Supervisors of the District from the Director of Industrial Relations of the State of California for the area where the work is to be done. The said determinations are on file in the principal office of the District, and will be made available to any interested person upon request.

Contractors submitting proposals for this project shall have an "A" Contractors license from the State of California in order to be considered eligible for the contract award.

Dated: April 24, 2012
