BACKGROUND: The Office of the District Attorney wants to ensure responsive and effective administrative operations in the Bureau of Investigations. In order to accomplish this goal, the Human Resources Department is requesting that the current classification of Assistant Chief D.A. This classification has the overall administrative responsibility for the County-wide management, direction, control and evaluation of all major functional areas of the Bureau of Investigations. These "At-Will" positions will serve at the pleasure of the District Attorney.

BACKGROUND (continued):

In February 2011, the D.A. Bureau Commander job series and incumbents, which directly report to the Assistant Chief D.A. Investigator, reached agreement to move from Unrepresented Executive Law Enforcement Management to the Represented Law Enforcement Management Unit (LEMU). Under the LEMU MOU, all rights, privileges, and benefits previously negotiated by LEMU in its closed 2008-2012 Memorandum of Understanding (MOU), including but not limited to, the remaining scheduled wage increases totaling 4.0% and a 1.0% increase in Peace Officer Standards Training (P.O.S.T.) pay were applied to the D.A. Bureau Commanders. In addition, the D.A. Bureau Commanders were granted an immediate 4.0% wage increase upon the execution of the agreement. These compensation changes created an immediate salary compaction with the next higher-level class of Assistant Chief D.A. Investigator. The Human Resources Department recommends the following changes and the Office of the District Attorney agrees to pay for the costs through its existing net County allocations in order to remedy the compaction issues and to incentivize the new "At-Will" status of the Assistant Chief D.A. Investigator job classification.

PARITY ADJUSTMENT RECOMMENDATION:

Assistant Chief D.A. Investigator B: It is recommended to grant this classification an approximate 6.5% parity adjustment from salary plan/grade LEX 121/L11 (\$105,053 - \$137,292) to salary plan/grade LEX 126/L11 (\$111,939 - \$146,291). In order to restore the internal parity relationship between the Assistant Chief D.A. Investigator B and the D.A. Bureau Commander B classifications, the Office of the District Attorney has requested that the 1.0% Advanced P.O.S.T. currently given to the D.A. Bureau Commander series be rolled into the base salary of the Assistant Chief D.A. Investigator B. In addition, Human Resources recommends adding the 5.5% increase for the At-Will designation incentive. Since this classification is currently vacant, there is no cost impact at this time.

Chief D.A. Investigator B: It is recommended to grant this classification an approximate 1.0% parity adjustment from salary plan/grade LEX 154/L11 (\$130,162 - \$170,102) to salary plan/grade LEX 152/L11 (\$131,464 - \$171,803). In order to maintain the internal parity relationship between the Assistant Chief D.A. Investigator B and the Chief D.A. Investigator B classifications, the Office of the District Attorney has requested that the 1.0% Advanced P.O.S.T. currently given to the D.A. Bureau Commander series be rolled into the base salary of the Chief D.A. Investigator B class. There is one incumbent in this classification.

CLASSIFICATION INACTIVATIONS:

The Office of the District Attorney has determined that they do not, and will not, consider any incumbents with less than an Advanced P.O.S.T. certificate for the positions of Chief D.A. Investigator and Assistant Chief D.A. Investigator. Therefore, they have requested the elimination of the two lower level classifications within each series.

Chief D.A. Investigator: It is recommended to inactivate this classification, currently assigned to salary plan/grade LEX 136/L11 (\$117,263 - \$153,246) from the Class & Salary Listing and Salary Ordinance No. 440. It has been determined that this classification is not in current use and is no longer allocated to the department. Since this request is only to inactivate the classification, there is no cost impact.

Chief D.A. Investigator A: It is recommended to inactivate this classification, currently assigned to salary plan/grade LEX 148/L11 (\$124,298 - \$162,441) from the Class & Salary Listing and Salary Ordinance No. 440. It has been determined that this classification is not in current use and is no longer allocated to the department. Since this request is only to inactivate the classification, there is no cost impact.

Assistant Chief D.A. Investigator: It is recommended to inactivate this classification, currently assigned to salary plan/grade LEX 112/L11 (\$94,642 - \$123,687) from the Class & Salary Listing and Salary Ordinance No. 440. It has been determined that this classification is not in current use and is no longer allocated to the department. Since this request is only to inactivate the classification, there is no cost impact.

Assistant Chief D.A. Investigator A: It is recommended to inactivate this classification, currently assigned to salary plan/grade LEX 118/L11 (\$100,320 - \$131,108) from the Class & Salary Listing and Salary Ordinance No. 440. It has been determined that this classification is not in current use and is no longer allocated to the department. Since this request is only to inactivate the classification, there is no cost impact.

Further, the class titles for the Chief D.A. Investigator B and Assistant Chief D.A. Investigator B will be amended through an administrative action, reflecting the removal of the "B" from their title.
