 per Exec. Ofc.:

SUBJECT: Approve the three year extension of the Master Ambulance Agreement #04-038 with American Medical Response for advanced life support and emergency ambulance service.

BACKGROUND:

AMR has consistently met or exceeded contractual performance standards throughout the current term. Continued use of AMR as the contracted advanced life support (ALS) and emergency ambulance provider pursuant to the County's EMS Plan is authorized under the California Health and Safety Code Section 1797.85 and 1797.224.

Approval of the recommended motion will extend the Master Ambulance Agreement with AMR effective July 1, 2012 until June 30, 2015. Additionally, during this time the EMS Agency will work with stakeholders and a consultant to perform a comprehensive EMS system evaluation to be completed during the term of this contract extension. This evaluation will provide the EMS Agency with recommendations for the future design of the EMS system including requirements for the County emergency ambulance service contract. Deliverables for the evaluation will include development of a scope of work that can be used as a template for a Request for Proposals (RFP) should the Board of Supervisors decide to put the ambulance contract out to competitive bid during or after the three year extension. The EMS Agency will return to the Board of Supervisors by June 30, 2014 with the evaluation recommendations.

The Board of Supervisors approved a Master Ambulance Agreement with AMR on March 30, 2004, Item 16.2, this agreement term was through June 30, 2009 with the option for two additional three year extensions. The Board of Supervisors extended the agreement term for the first additional three year option in June 2009, item 3.17 with a contract term extension through June 30, 2012.

Financial Data:

Fees collected by AMR from patients and insurers for services rendered comprise 100% of the funding for this agreement. Rates to be charged by the AMR are contained in Schedule H of Amendment 4. The rates reflected in Schedule H are the same as the current fiscal year 2011/2012 approved rates charged by AMR.

3.10

1. The Fourth Amendment to the existing contract is approved, including an extension for a three-year period.
2. Retain in the Fourth Amendment the struck-out portion of paragraph 4.2 which reads: "Each party's intent not to renew shall be given by written notice at least 12 months (365 days) prior to contract expiration."
3. If the contract is terminated early by the County and all of the following occur: (a) there has been no breach of the contract by AMR which would allow the County to terminate the contract; (b) the contract has not been extended for an additional period of five (5) years or more beginning as of July 1, 2012; and (c) AMR is not the selected firm for the next contract (as described below); then the County will consider reimbursement to AMR for capital investments AMR has made directly related to the County's EMS system since July 1, 2012, as determined to be appropriate by County financial staff and approved by the Board of Supervisors.
4. Hiring a consultant(s) promptly to evaluate the County's present EMS structure, including in the process those stakeholders that wish to participate.

Recommended Timeline:

1. August 1, 2012: Release RFP to hire consultant to work on a contemporary Riverside County EMS Plan.
2. September 4, 2012: Award a consultant contract to the most qualified applicant to work on the EMS Plan.

FOURTH AMENDMENT TO THE AGREEMENT

WITH

AMERICAN MEDICAL RESPONSE

(Ambulance Service)

1. That certain Agreement between the County of Riverside ("COUNTY") and American Medical Response, ("CONTRACTOR"), approved by the Board of Supervisors on March 30, 2004, Item #16.2, amended for the first time on December 21, 2004, amended for the second time on March 11, 2008, Item #3.11, amended for the third time on June 23, 2009, Item #3.17, is hereby amended for the fourth time effective July 1, 2012 as listed in bullets below.
2. Certain changes made in this amendment are shown as: Text additions are displayed in **bold and underline**. Text deletions are displayed as strike through text (i.e., Strike).

➤ **Paragraph 1.1.1 is amended to read:**

Nothing in this agreement shall prohibit Contractor from entering into a subcontract(s) for the provision of staffing and certain other services with fire service agencies to perform some of the services required of Contractor hereunder. Any such subcontract **is subject to approval of the County and shall require the subcontractor to meet all applicable requirements of this Agreement and EMS Agency policies, protocols and procedures. Subcontract approval shall** not be unreasonably withheld by the County. No subcontract approved by the County shall be deemed a change in "manner and scope" of the services rendered by Contractor within the meaning of section 1797.224 of the Health and Safety Code. If appropriate, County shall incorporate any such subcontract in its next amendment to its local EMS plan.

➤ **Paragraph 1.6 and the related Schedule B is Deleted**

~~County shall pay Contractor on a quarterly basis funds appropriated for MISP emergency ambulance transportation as set forth in Schedule B for reimbursement of services provided to eligible County MISP patients. The provisions of this paragraph are contingent upon County's receipt of state funds from the MISP account as provided in Welfare and Institutions Code Section 16703.~~

➤ **Paragraph 1.7 and the related Schedule C is Deleted**

~~County shall pay Contractor the amount specified in Schedule C as total compensation for providing emergency ambulance services to County indigent patients. Payments will be made on a quarterly basis. County indigent patients will not include those patients meeting the definition of MISP patients.~~

➤ **Paragraph 2.7 is amended to read:**

Contractor shall provide **or subcontract for** a minimum of one (1) fully staffed and response ready ALS transport unit, 24 hours a day, to service the Mountain Plateau area as defined in Schedule A **and as Schedule A is amended for this area by the EMS Agency.** The location(s) of the station(s) of said ALS transport unit(s) shall be approved by the EMS Agency. County shall not unreasonably withhold approval of any such proposed station location(s) **or subcontract.** The EMS Agency may require additional Contractor **or subcontractor** ALS ambulance coverage for the Mountain Plateau in order to meet response time criteria as described within this agreement **or the Riverside County EMS plan.**

➤ **Paragraph 2.25 is amended to read:**

Contractor agrees to act in good faith in collaborating **with the County** and subcontracting with local agencies (e.g., cities and Fire Departments) for the development and implementation of enhanced services **and technology such as including but not limited to; first responder paramedics, Emergency Medical Dispatch (EMD), radio communication infrastructure upgrades and cooperative education and training programs.** All such arrangements shall be approved by the EMS Agency. Contractor may request from time to time an adjustment in ambulance rates to enhance EMS systems, subject to County approval. Contractor shall also be entitled to rate adjustments as specified in Schedule H.

➤ **Paragraph 2.30 is added to read:**

Contractor shall provide emergency ambulance transportation services for patients enrolled in the County's MISP and the Riverside County HealthCare (RCHC) Program. Neither the County nor patients enrolled in these programs shall be billed for services rendered by the Contractor.

➤ **Paragraph 4.2 is amended to read:**

Term - This agreement extends and continues Contractor ALS Ambulance services as described herein on behalf of the County. The term of this Agreement begins July 1, 2009 **2012** and shall continue until June 30, **2012** **2015.**, subject to one (1) optional renewal of three (3) years upon mutual consent of the parties. Re. Item 3.10 Board's June 12, 2012 agenda

Dear Supervisors:

On behalf of the Murrieta City Council, please find enclosed a certified copy of Murrieta City Council Resolution No. 12-2920 encouraging the Riverside County Board of Supervisors to support the competitive bid process for emergency medical services. It relates to item 3.10 on the Board's June 12, 2012 agenda.

As the resolution indicates, the City desires a competitive bid process on public contracts to protect the best interests of taxpayers, which undoubtedly is congruent with the County's philosophy. Hopefully the competitive bid process will begin soon with the result implemented by the end of the 2013-14 fiscal year.

Respectfully,

A handwritten signature in cursive script that reads "A. Kay Vinson".

RESOLUTION NO. 12 - 2920

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MURRIETA,
CALIFORNIA, ENCOURAGING THE RIVERSIDE COUNTY BOARD OF
SUPERVISORS TO SUPPORT THE COMPETITIVE BID PROCESS FOR
EMERGENCY MEDICAL SERVICES

WHEREAS, the City of Murrieta wishes to thank the Board of Supervisors for the opportunity to provide feedback on the ambulance contract for Riverside County; and

WHEREAS, the City of Murrieta recognizes the Board of Supervisors' leadership on behalf of southwest Riverside County residents in advocating for a competitive bid process to promote open and transparent government; and

WHEREAS, San Bernardino County has just recently joined both Orange and Los Angeles counties in conducting open, competitive bids for ambulance service; and

WHEREAS, the City of Murrieta appreciates the Riverside County Emergency Services Agency's efforts to improve the pre-hospitalization patient care system; and

WHEREAS, the City of Murrieta believes that a competitive bid process would help ensure that City residents are receiving the best service for the best possible price; and

WHEREAS, opening county ambulance service to an open bid process will help provide an opportunity to provide state-of-the-art service and an improved modernized emergency system; and

WHEREAS, a competitive bid process for a public contract can help protect the best interests of taxpayers and demonstrate transparency in vendor selection; and

WHEREAS, the Board of Supervisors should begin the competitive bid process this fiscal year to ensure that new proposals have been evaluated and are ready to be implemented by the end of the 2013-14 fiscal year,

NOW, THEREFORE, BE IT RESOLVED by the City Council of Murrieta, California, as follows:

1. That the City of Murrieta supports seeking the most cost-effective and efficient ambulance service provider for our region's emergency needs.
2. That the City of Murrieta encourages the County of Riverside Board of Supervisors to launch an immediate competitive bidding process for future regional ambulance service.

PASSED APPROVED, AND ADOPTED on this 5th day of June, 2012.

Re. Item 3.10 Board's June 12, 2012 agenda

Dear Supervisors:

On behalf of the Murrieta City Council, please find enclosed a certified copy of Murrieta City Council Resolution No. 12-2920 encouraging the Riverside County Board of Supervisors to support the competitive bid process for emergency medical services. It relates to item 3.10 on the Board's June 12, 2012 agenda.

As the resolution indicates, the City desires a competitive bid process on public contracts to protect the best interests of taxpayers, which undoubtedly is congruent with the County's philosophy. Hopefully the competitive bid process will begin soon with the result implemented by the end of the 2013-14 fiscal year.

Respectfully,

RESOLUTION NO. 12 - 2920

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MURRIETA,
CALIFORNIA, ENCOURAGING THE RIVERSIDE COUNTY BOARD OF
SUPERVISORS TO SUPPORT THE COMPETITIVE BID PROCESS FOR
EMERGENCY MEDICAL SERVICES

WHEREAS, the City of Murrieta wishes to thank the Board of Supervisors for the opportunity to provide feedback on the ambulance contract for Riverside County; and

WHEREAS, the City of Murrieta recognizes the Board of Supervisors' leadership on behalf of southwest Riverside County residents in advocating for a competitive bid process to promote open and transparent government; and

WHEREAS, San Bernardino County has just recently joined both Orange and Los Angeles counties in conducting open, competitive bids for ambulance service; and

WHEREAS, the City of Murrieta appreciates the Riverside County Emergency Services Agency's efforts to improve the pre-hospitalization patient care system; and

WHEREAS, the City of Murrieta believes that a competitive bid process would help ensure that City residents are receiving the best service for the best possible price; and

WHEREAS, opening county ambulance service to an open bid process will help provide an opportunity to provide state-of-the-art service and an improved modernized emergency system; and

WHEREAS, a competitive bid process for a public contract can help protect the best interests of taxpayers and demonstrate transparency in vendor selection; and

WHEREAS, the Board of Supervisors should begin the competitive bid process this fiscal year to ensure that new proposals have been evaluated and are ready to be implemented by the end of the 2013-14 fiscal year,

NOW, THEREFORE, BE IT RESOLVED by the City Council of Murrieta, California, as follows:

1. That the City of Murrieta supports seeking the most cost-effective and efficient ambulance service provider for our region's emergency needs.
2. That the City of Murrieta encourages the County of Riverside Board of Supervisors to launch an immediate competitive bidding process for future regional ambulance service.

PASSED APPROVED, AND ADOPTED on this 5th day of June, 2012.

Chairman John F. Tavaglione

RE: CONTRACT EXTENSION OF THE MASTER AMBULANCE AGREEMENT

Supervisor Tavaglione:

A little more than a year ago, the Riverside County Emergency Medical Services Agency requested stakeholder input regarding its contract for ambulance and prehospital emergency medical care services. The City of Murrieta took this opportunity seriously, and our City Manager and Fire Chief submitted a letter with specific improvements to address the current EMS system deficiencies. None of our comments should have come as a surprise, as much of the substance was taken from prior letters from our previous fire chiefs as well as information taken from the 2008 white paper entitled, "Riverside County Ambulance Services, A New Era" signed by the fire chiefs in Riverside County. In summary, our position has always been that the current ambulance contract is inadequate, antiquated, and places too large of a burden on first responders and local governments with no ability to seek reimbursement for paramedic services. Again, this should not come as a surprise, considering that a December 26, 2009 article in the Californian called the current deployment model in Riverside County "antiquated and expensive". In the article, the government affairs manager for the current ambulance provider recalled attending a conference on responding to medical emergencies. Canadian emergency medical crews who utilize an EMD system likened the Riverside County practice to "sending a police SWAT team on all police calls." If the system was antiquated and expensive in 2009, and not much has been done to substantially improve and implement efficiencies into the EMS system during the past three years, than we continue to fall behind when compared to counties throughout the state.

However, I am happy to note that over the past year, we have met with Riverside County staff. We have shared our concerns, provided input, and pushed for the implementation of high standards. And to the credit of your staff, we continue to strive for excellence through continuous prehospital emergency care improvements. I am equally satisfied that the staff report before you today is a step in the right direction. Considering the magnitude of this issue, and how complex the future of health care and emergency services has become, the Riverside County Board of Supervisors are to be commended for the thoughtfulness and the time you have spent to ensure our residents will receive the best possible service in the future.

(date)

As I have mentioned in the past, based on twenty years of public safety experience, the current ambulance contract cannot lead to systems improvement. This is not an indictment of the current ambulance provider. Instead, the current provider has met the stated goals of the contract. Our contention is that the hurdle has been set too low for our residents. But changes in the scale of what is necessary to get us to the same level as similar counties of our size will require substantial modifications. But precedent exists for counties that have used the competitive bid process to strengthen and improve their EMS system. The EMS Agency Director is aware of the examples of Alameda and Santa Clara County. We also have an example just north of us, as San Bernardino County has recently agreed to enter into a comprehensive study of their EMS zones. We have full confidence that Mr. Barton has the knowledge and expertise to improve the EMS system at little to no cost to the County through the competitive bid process.

My only concern with the staff report as written is its clarity. While it provides for the EMS Director to return to the Board of Supervisors by June 30, 2014, with evaluation recommendations, we respectfully request that stronger language be inserted so that a competitive bid process can already be underway by June 30, 2014. This will provide the EMS Director with a clear directive to create a request for proposal using the EMS evaluation as a guide so that when the contract extension expires, a seamless transition is already underway. To be clear: **Please provide Mr. Barton with clear, stated direction to study the EMS system in Riverside County, and place the ambulance contract out to bid more than one year before this current extension expires, so that we have a seamless transition to an improved EMS system.**

In conclusion, we appreciate the staff of the Riverside County EMS Agency as well as the Board of Supervisors. Making considerable changes to a complex issue such as the EMS system is difficult during the best of times. During one of the worst economic recessions in the history of our country has made it that much more difficult. But we appreciate the opportunity to comment and hope we can be of assistance if called upon.

Sincerely,

Alan Long

Paramedic and Ambulance Transporting services are vital to our health and safety. Simply put, our lives depend on it!! Residents of Riverside County deserve the most efficient paramedic and ambulance services available. A competitive bid ensures efficiency. We, the undersigned, ask the Riverside County Board of Supervisors to put the ambulance contract out for competitive bid.

Furthermore, we respect the authority of the Riverside County, as it pertains to Emergency Medical Services (EMS). However, we ask that the management of EMS be granted to local cities. Local management would allow cities to operate under the County's authority, but improve service to a level their residents' desire and deserve.

Residents of Riverside County deserve the most efficient paramedic and ambulance services available. A competitive bid ensures efficiency. We, the undersigned, ask the Riverside County Board of Supervisors to put the ambulance contract out for competitive bid.

Furthermore, we respect the authority of the Riverside County, as it pertains to Emergency Medical Services (EMS). However, we ask that the management of EMS be granted to local cities. Local management would allow cities to operate under the County's authority, but improve service to a level their residents' desire and deserve.

I SUPPORT LOCAL CONTROL AND COMPETITIVE BIDDING FOR AMBULANCE SERVICES IN RIVERSIDE COUNTY.

Paramedic and Ambulance Transporting services are vital to our health and safety. Simply put, our lives depend on it!! Residents of Riverside County deserve the most efficient paramedic and ambulance services available. A competitive bid ensures efficiency. We, the undersigned, ask the Riverside County Board of Supervisors to put the ambulance contract out for competitive bid.

Furthermore, we respect the authority of the Riverside County, as it pertains to Emergency Medical Services (EMS). However, we ask that the management of EMS be granted to local cities. Local management would allow cities to operate under the County's authority, but improve service to a level their residents' desire and deserve.

I SUPPORT LOCAL CONTROL AND COMPETITIVE BIDDING FOR AMBULANCE SERVICES IN RIVERSIDE COUNTY.

Paramedic and Ambulance Transporting services are vital to our health and safety. Simply put, our lives depend on it!! Residents of Riverside County deserve the most efficient paramedic and ambulance services available. A competitive bid ensures efficiency. We, the undersigned, ask the Riverside County Board of Supervisors to put the ambulance contract out for competitive bid.

Furthermore, we respect the authority of the Riverside County, as it pertains to Emergency Medical Services (EMS). However, we ask that the management of EMS be granted to local cities. Local management would allow cities to operate under the County's authority, but improve service to a level their residents' desire and deserve.
