BACKGROUND:

On June 24, 2008, the Board of Supervisors approved a Loan Agreement for the use of Home Investment Partnership Act (HOME) funds with Dream Homes Housing Partners, L.P. (DHHP), a California limited partnership, for the development and construction of an 84-unit multi-family apartment complex called Cimarron Heights at Dream Homes Apartments (Cimarron Heights) located in the City of Cathedral City. The agreement called for a loan of \$800,000 with a 1% interest payable in 55 years.

On March 23, 2010, the Board of Supervisors approved the First Amendment to Loan Agreement for the use of HOME funds decreasing the commitment from \$800,000 to \$300,000. Because DHHP was unable to obtain commitments from other funding sources despite DHHP's best efforts, DHHP opted to focus their efforts and use a portion of the HOME funding allocation on another eligible county affordable housing project that DHHP's parent company owns.

DHHP's second largest source of gap financing for Cimarron Heights was the Cathedral City Redevelopment Agency. The state's elimination of redevelopment agencies placed a significant burden on cities to meet their financial obligations. As a result of this situation and declining tax revenues, Cathedral City was unable to provide their original gap financing commitments under their existing disposition and development agreement, but instead proposed to transfer redevelopment owned assets in lieu of their cash commitment. However, the city was ultimately unable to sell the assets to help leverage the project because of ABx1 26, the constitutionality of which was recently upheld by the California Supreme Court, dissolving redevelopment agencies statewide on February 1, 2012. Consequently, in March 2012, DHHP informed the County that they are putting the project on hold indefinitely until they can find alternate financing sources in order to make the project financially feasible.

Under the terms and conditions of the HOME Loan Agreement, DHHP has not obtained the necessary financing so that the project can move forward. Pursuant to Section 51 of the HOME Loan Agreement, in the event DHHP does not perform, the County may terminate the HOME Loan Agreement and will not be obligated to make further reimbursement to DHHP. DHHP was obligated to pay back a previous reimbursement of HOME funds to the County in the amount of One Hundred Fifty Thousand nine hundred and thirty-two dollars and forty-five cents (\$150,932.45) replenishing any used HOME funds. DHHP has tendered payment in full to County.

The County and DHHP mutually agree to terminate the HOME Loan Agreement and HOME funds will be re-allocated for other eligible HOME funded projects.

County Counsel has reviewed the attached Termination Agreement and approved as to form. Staff recommends that the Board approved the attached Termination Agreement.
