RE: To accept the SNAP-Ed Innovative Project grant funding from CDSS
Date: June 12, 2012
Page 2

BACKGROUND (Continued):

On November 30, 2011, DPSS, in collaboration with the Department of Public Health, FIND Food Bank, Ryan Douglas, and University of California Cooperative Extension, submitted an application for the Innovative Projects with the California Department of Social Services (CDSS). On March 7, 2012, CDSS approved the grant for the Federal Fiscal Year 2012 Supplemental Nutrition Assistance Program-Education (SNAP-Ed) Innovative Pilot Project in the amount of \$700,000.

DPSS is requesting approval of the following sole-sources to provide SNAP-Ed services, in accordance with the grant. Any changes to the proposal must be resubmitted to CDSS for approval.

- Ryan Douglas, chef with Riverside Unified School District will provide food preparation demonstrations using SNAP Ed curriculum
- FIND Food Bank will provide a food bank and outreach community workers to recruit CalFresh eligible clients
- University of California Cooperative Extension will provide data collection and evaluation for the SNAP-Ed Pilot Project.

Additionally, Riverside County Department of Public Health will provide CalFresh nutrition education services, including food demonstrations.

The SNAP-Ed Project will serve CalFresh recipients, particularly senior citizens, homeless and CalFresh recipients in geographically isolated communities. The key purpose of the project is to:

- Increase the number of CalFresh participants
- Increase client knowledge about healthy food choices
- Help clients prepare healthier meals within a limited budget
- Demonstrate that using multiple community partners is a better model to deliver nutrition education programs to CalFresh clients

DPSS, along with the current partners, will implement a three-tiered strategy to reach the most clients. The first tier is to provide nutrition education information through lobby presentations and videotaped demonstrations to CalFresh clients by placing a Health Education Assistant at selected DPSS offices and showing videos of the taped nutrition classes in the lobbies. FIND will also identify sites where nutrition education classes will be presented by the Department of Public Health. Through these efforts, approximately 16,942 participants will receive the nutrition information.

In the second tier, FIND Food Bank will provide community workers to go to remote geographic locations to reach the underserved population, particularly the seniors and homeless communities. The workers will screen for CalFresh eligibility and assist clients with the CalFresh application. DPSS anticipates that 1,680 clients will be served.

In tier three, DPSS will subcontract with the County of Riverside Department of Public Health and Ryan Douglas to create a "hands-on" nutrition education series using existing SNAP Ed curriculum. This demonstration will be given at senior congregate meal programs, churches, homeless shelter sites, and any locations identified by the FIND Food Bank workers and Department of Public Health staff. An estimated 5,040 participants will receive nutrition education classes.

The UC Cooperative Extension (UCCE) will provide data reporting and analysis, and will disseminate the information to CDSS to be distributed to county welfare departments, food nutrition services and any other stakeholders identified by the CDSS. UCCE will also use existing evaluative data from SNAP-Eligible clients and form evaluation focus groups to provide data to measure the projects success.

CONCUR/EXECUTE: County Purchasing

SL:ko

Date: April 4, 2012
From: Susan Loew, Director of the Department of Public Social Services
To: Board of Supervisors/Purchasing Agent
Via: Purchasing Agent
Subject: Request for a Sole Source Procurement for Multiple Services

The below information is provided in support of the Department of Public Social Services requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for a sole source.

1. **Supply/Service being requested:** The County of Riverside, Department of Public Social Services is requesting vendors who can provide services under the Supplemental Nutrition Assistance Program-Education (SNAP-Ed) Innovative Pilot Project.
2. **Supplier being requested:**
The County of Riverside Department of Public Social Services, in collaboration with the Department of Public Health, FIND Food Bank and University of California Cooperative Extension received a federal grant through the California Department of Social Services (CDSS) and the Food Nutrition Services (FNS).

DPSS is requesting approval of the following sole-sources to provide the Supplemental Nutrition Assistance Program-Education (SNAP-Ed) Innovative Pilot Project, in accordance with the grant. As stated in the grant application, the following organizations will provide SNAP-Ed services:

- Riverside County Department of Public Health will provide CalFresh nutrition education services, including food demonstrations.
- FIND Food Bank will provide a food bank and outreach community workers to recruit CalFresh eligible clients
- University of California Cooperative Extension will provide data collection and evaluation for the SNAP-Ed Pilot Project.
- Ryan Douglas, an chef from Riverside Unified School District, will provide food preparation demonstrations using SNAP Ed curriculum

3. **Alternative suppliers that can or might be able to provide supply/service:**
DPSS proposed to "expand current nutrition education services" by using existing partnerships with the Department of Public Health, UC Cooperative Extension and FIND Food Bank. There are no other vendors that currently provide these services.
4. **Extent of market search conducted:**
The CDSS grant gave preference to proposals who could demonstrate a continued partnership with other community agencies. DPSS submitted the proposal in collaboration with its current key partners.
5. **Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide:**
The vendors listed above currently provide services in Riverside County. Additionally, the CDSS has already approved the vendors and SNAP-Ed activities through the grant award. Any changes to the proposal must be submitted to CDSS for approval.

6. **Reasons why the Department of Public Social Services requires these unique features and what benefit will accrue to the county:**

CDSS and FNS have already approved all of the SNAP-Ed vendors and activities.

7. **Price Reasonableness:**

Project activities will be funded entirely by the CDSS Innovative Projects grant. The CDSS has already approved all costs.

8. **Does moving forward on this product or service further obligate the county to future similar contractual arrangements?**

No.

9. **Period of Performance:**

The period of performance is from March 1, 2012 – September 30, 2013. The contracts will be sent to the Board of Supervisors for their approval.
