Subject:

Sole Source Procurement; Request for: Hologic Stereotactic Breast Biopsy System

The below information is provided in support of my Department requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for sole source.

- 1. Supply/Service being requested: The stereotactic biopsy unit at RCRMC is no longer repairable. This equipment is needed to perform the stereotactic biopsy procedure on those patients considered as a high probability of being diagnosed with breast cancer. This service provides for completion of timely procedures with results provided back to the physician to establish a diagnosis and treatment plan.
- 2. Supplier being requested: Hologic, Inc.
- 3. **Alternative suppliers:** Yes, however, the Siemens Mammotest Plus product lateral arm does not allow for imaging of inferior breast lesions because the arm only has 180 degree access. The Siemens Mammotest Plus table uses polar coordinates which does not allow for adjustments on targeting of breast lesions. When unable to view the breast lesions, patients must be referred to a facility that has a Hologic table or referred for surgery for an excisional biopsy. The Hologic table supports patients up to 350 lbs. while the Siemens product supports only 300 lbs.
- 4. **Extent of market search conducted:** A survey of local hospitals/clinics was conducted. Kaiser hospitals/clinics no longer use the Siemens Mammotest units. Kaiser's decision was made regionally. The hospital contracted physicist provides consulting services to 15 hospitals in Southern California and all have the Hologic breast biopsy table.
- 5. Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide: The full rotation to access the lesion without the need for additional set-up time or quality control (QC) checks for lateral arm. This improves patient throughput times. Cartesian coordinates for targeting breast lesions are available on the Hologic Unit. These coordinates allow fine tuning of the needle without having to retarget the lesion for the procedure.
- 6. Reasons why my department requires these unique features and what benefit will accrue to the county: If radiologists cannot target the breast biopsy lesions during the procedure, the alternative is to have surgery. This increases the cost and the likelihood of complications as a result of the surgical procedure. It is not standard of care for physicians to use the operating room for this procedure as it negatively impacts the availability of the operating rooms and physician use of time.

During the past two months we have referred patients from RCRMC to outside facilities for the procedure. Two patients were referred back to RCRMC. This referral facility's equipment (Fischer unit) did not have the capability of targeting the location of the inferior lesion to complete the procedure. This delay in the physician's ability to diagnose and establish a treatment plan results in a negative patient experience.

- 7. Price Reasonableness including purchase price and any ongoing maintenance or ancillary costs from the supplier: The Hologic table is part of the Med Assets GPO pricing. Hologic is providing a 25% discount, an additional 3 months to the normal 12 month warranty and \$10,000.00 trade-in credit. List price \$259,000.00 sale price \$155,000.00, Software \$4000.00, Trade-in \$10,000.00. Final Price \$149,000.00 plus sales tax at 7.75%. Total price \$160,547.
  - 25% discount on Four year Multicare Platinum Maintenance Agreement start at end of 15 month warranty at \$11,744.00 paid annually.
- 8. Does moving forward on this product or service further obligate the county to future similar contractual arrangements or any ongoing costs affiliated with this sole source? (Maintenance, support, or upgrades, if so, please explain). Four year Multicare Platinum Maintenance Agreement start at end of 15 month warranty at \$11,744.00 paid annually.
- 9. Period of Performance: July 1, 2012.

(Provide a defined period of performance	e. Please note multi-year terms require Board approval, unle	ess
renewable in one year increments and the	ne Purchasing Agent approves the terms.)

# The Hologic Master Sales Terms and Condition attached to Quote No. 176186 are hereby deleted and replaced with the following Hologic Master Sales Terms and Conditions

These Hologic, Inc. ("Hologic") Master Sales Terms and Conditions ("Terms") apply to the sale or use of Hologic equipment ("Equipment") and supplies ("Supplies") (Equipment, Supplies, and any included software, as defined in paragraph 13, collectively referred to as "Product" or "Products") between Hologic, its subsidiaries and affiliates, and Customer (collectively "Party" or "Parties"). The Parties, intending to be legally bound, agree as follows:

- 1. Agreement. These Terms, along with any applicable Hologic quote(s) or other purchasing program documents executed by the Parties constitute the complete and entire agreement between Hologic and Customer (collectively referred to herein as the "Agreement"). This Agreement will supersede all other quotations, agreements, understandings, warranties and representations (whether written or oral) between the Parties with respect to the subject matter set forth in the Agreement. Any Customer documentation (including Customer's purchase order terms and conditions) that conflicts with or attempts to modify the Agreement in any way is hereby rejected and of no effect unless specifically agreed to in writing and signed by the Parties. No provision of this Agreement shall be waived, amended, modified, superseded, canceled, terminated, renewed, or extended except in a written document signed by both Parties or signed by the Party against whom the modification is sought to be enforced.
- 2. Prices. Prices, fees and charges for Products and services (including maintenance, installation, and training as described in Hologic's then-published service description) ("Service" or "Services") are payable in United States (U.S.) Dollars only, and do not include any applicable taxes or shipping charges. If Customer claims any tax exemption, it must furnish a valid tax exemption certificate before shipment of Products. Unless price protection is explicitly agreed to by Hologic in writing, Hologic reserves the right to increase prices on thirty (30) days written notice to Customer.
- 3. Payment. Unless otherwise agreed to in writing by Hologic, Customer shall pay invoices net thirty (30) days from the invoice date. Hologic may charge interest at the maximum rate permitted by law on all amounts not paid by the invoice due date. Hologic retains a purchase money security interest in all Equipment sold to Customer to secure payment of the total purchase price thereof; Customer hereby grants Hologic the right to file a copy of this Agreement, with any appropriate authorities, to evidence this security interest; Customer agrees to execute and deliver such other documents as Hologic may request in connection therewith. Hologic shall not be obligated to deliver any Product or perform any Service during any period when Customer payment is past due. Customer will be responsible for all costs (including reasonable attorneys' fees) incurred by Hologic to collect overdue payments and/or to take possession or otherwise dispose of Products for which payment is overdue.
- 4. Product Shipment and Risk of Loss. Unless otherwise agreed to in writing by Hologic, all Products will be shipped F.O.B. Origin, regardless of any provisions for payments of freight, insurance, the form of shipping documents, or selection of carrier by Hologic. F.O.B. Origin means title to the Products passes to the Customer at the shipping dock of Hologic or Hologic's supplier or authorized agent. Customer is responsible for shipping charges. Hologic is responsible for the cost of insurance paid to cover any losses from Hologic's shipment point to Customer's receipt. Hologic will assist Customer in processing any loss claims and Customer will be paid directly by Hologic's insurer.
- 5. Installation and Acceptance. Product orders are subject to written acceptance by Hologic, receipt of specified deposits, as applicable and continuing credit approval. Orders may be canceled by written notice to Hologic prior to shipment. If applicable, Hologic will install all Equipment that requires installation at no charge, at the agreed upon location. Unless otherwise specifically agreed, installation shall be complete and acceptance shall occur upon Hologic's demonstration that the Equipment meets Hologic's then-current specifications ("Installation"). Installation is subject to Customer cooperating in preparing and maintaining the site in compliance with Hologic specifications, including but not limited to, applicable regulations including all electrical and other connections and all environmental conditions. If Customer fails to accept shipment of Products, Customer shall immediately pay the full purchase price as if shipment and Installation had occurred, and if Hologic decides to store ordered Products, Customer shall be responsible for Hologic's reasonable insurance, handling and storage charges. If Hologic decides not to store ordered Products, it is hereby authorized to arrange shipment and storage in a bonded warehouse at Customer's sole risk and expense.
- 6. Delay of Performance. The Parties' obligations under this Agreement are subject to force majeure, including but not limited to, civil insurrection, terrorism, fire, flood, labor disputes, shortages, delays of suppliers or contractors, or government priority systems, actions taken or threatened by any governmental agencies, acts of God or other contingencies or acts not within the sole control of Hologic. Hologic reserves the right during any shortage period to (a) make Supplies available to Customer (as it sees fit) without any liability to Customer, and (b) to make substitutions and modifications in the specification of any Products, provided such substitutions or modifications do not materially affect the performance of Products.

- 7. WARRANTIES. Products are warranted to the original Customer to perform substantially in accordance with published product specifications for one (1) year starting from the date of shipment, or if Installation is required, from date of Installation ("Warranty Period"). Digital imaging mammography x-ray tubes are warranted for twenty-four (24) months, during which the x-ray tubes are fully warranted for the first twelve (12) months and are warranted on a straightline prorated basis during months 13-24. Replacement parts are warranted for the remainder of the Warranty Period or ninety (90) days from shipment, whichever is longer. Consumable Supplies are warranted to conform to published specifications for a period ending on the expiration date shown on their respective packages. Services are warranted to be supplied in a workman-like manner. Hologic does not warrant that use of Products will be uninterrupted or error-free, or that Products will operate with non-Hologic authorized third-party products. HOLOGIC'S ENTIRE WARRANTY RESPONSIBILITY IS EXPRESSLY LIMITED TO REPAIR OR REPLACEMENT (AT HOLOGIC'S OPTION AND IN THE FORM ORIGINALLY SHIPPED) OF PRODUCT OR CORRECTION OF SERVICE SUBJECT TO ANY CLAIM, OR, AT HOLOGIC'S ELECTION, REPAYMENT OF, OR CREDITING CUSTOMER WITH, AN AMOUNT EQUAL TO THE HOLOGIC PRICE, FEE OR CHARGE THEREFOR. THE FOREGOING WARRANTIES ARE IN LIEU OF AND EXCLUDE ALL OTHER WARRANTIES NOT EXPRESSLY SET FORTH HEREIN, WHETHER EXPRESS OR IMPLIED BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. SUCH LIMITED WARRANTY IS GIVEN SOLELY TO THE ORIGINAL CUSTOMER AND IS NOT GIVEN TO, NOR MAY IT BE RELIED UPON BY, ANY THIRD PARTY INCLUDING, WITHOUT LIMITATION, CUSTOMERS OF CUSTOMER. THIS WARRANTY IS VOID UPON TRANSFER OF PRODUCT BY CUSTOMER TO ANY ENTITY WHO HAS LESS THAN FIFTY (50) PERCENT OWNERSHIP IN THE PRODUCT. SOME STATES DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES SO THE ABOVE EXCLUSIONS MAY NOT APPLY TO YOU. YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY, FROM STATE TO STATE. These warranties do not apply to any item that is: (a) repaired, moved, or altered other than by Hologic authorized service personnel; (b) subjected to physical (including thermal or electrical) abuse, stress, or misuse; (c) stored, maintained, or operated in any manner inconsistent with applicable Hologic specifications or instructions, including Customer's refusal to allow Hologic recommended Software upgrades; or (d) designated as supplied subject to a non-Hologic warranty or on a prerelease or "as-is" basis.
- 8. Warranty Claims and Remedies. In the event of any warranty claim, Hologic will replace with new or repaired items any Equipment part, component, or consumable supply that is in breach of warranty, and will use reasonable efforts to promptly fix or provide a workaround for any Software defect or bug which prevents operation in substantial conformity with functional specifications. Alternatively, Hologic may elect to repay or credit to Customer an amount equal to the purchase price of the defective Equipment, component, Software, consumable supply, or Service. Items replaced shall become Hologic property. All claims shall be initiated by contacting Hologic within the applicable Warranty Period and thirty (30) days after discovery of the breach or non-conformity. Hologic must be given reasonable access and an opportunity to inspect all associated materials. If Hologic and Customer are unable to settle any claim and Customer has not notified Hologic within one (1) year after the claim arises, Customer shall be barred from instituting any legal action thereafter. These remedies shall comprise Hologic's entire liability and Customer's exclusive remedy for breach of warranty and are in lieu of any other remedies at law or equity.
- 9. LIMIT OF LIABILITY. EXCEPT FOR PERSONAL INJURY OR DEATH TO THE EXTENT RESULTING FROM HOLOGIC'S NEGLIGENT OR INTENTIONAL WRONGFUL ACTS OR OMMISSIONS, HOLOGIC SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL LOSSES, DAMAGES, OR EXPENSES (INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, DATA, OR USE), DIRECTLY OR INDIRECTLY ARISING FROM THE SALE, HANDLING, SERVICE OR USE OF PRODUCT ORDERED OR FURNISHED, OR FROM ANY CAUSE RELATING THERETO UNLESS EXPRESSLY AGREED TO BY THE PARTIES IN WRITING. EXCEPT FOR PERSONAL INJURY OR DEATH TO THE EXTENT RESULTING FROM HOLOGIC'S NEGLIGENT OR INTENTIONALLY WRONGFUL ACTS OR OMISSIONS, IN NO EVENT SHALL HOLOGIC BE LIABLE UNDER ANY LEGAL THEORY OR FOR ANY CAUSE WHATSOEVER, WHETHER BASED UPON WARRANTY, CONTRACT, TORT, NEGLIGENCE, OR OTHER THEORY, EVEN IF ADVISED OF THE POSSIBILITY THEREOF, FOR ANY AMOUNT IN EXCESS OF THE PRICE, FEE OR CHARGE THEREFORE RECEIVED BY HOLOGIC.
- 10. Insurance. Hologic shall at all times during the term of this Agreement maintain in effect the following insurance with respect to Customer's location (i) worker's compensation insurance covering any and all of its employees, agents or representatives who may be providing services to Customer under the terms of this Agreement, in amounts and coverage complying with the requirements of the applicable state; (ii) general liability insurance covering the acts or omissions of Hologic and its employees, agents or representatives, and any and all Equipment and other personal property of Hologic; and (iii) products liability insurance. At Customer's request, Hologic shall provide a certificate of insurance to Customer.

- 11. Governmental Authorizations. Customer is responsible for compliance and costs associated with all required licenses, permits, or other governmental authorizations, including but not limited to, any license or certification needed for Customer to use the Product, and any export or import license, exchange permit, or the like ("Licenses"), even if applied for by Hologic on Customer's behalf. If any authorization is delayed, denied, revoked, restricted or not renewed, Hologic shall not be liable, and Customer is not relieved of its obligations. Customer represents and agrees that it will handle all Product and technical data related to the Licenses so that it conforms to all applicable U.S. laws and regulations, including U.S. export licensing laws and the U.S. Foreign Corrupt Practices Act. Customer shall not transship, divert, re-export or otherwise dispose of any U.S. origin goods or technology obtained from Hologic except as U.S. laws and regulations expressly permit.
- 12. Intellectual Property Indemnity. Hologic will defend, indemnify, and hold harmless Customer against any third-party claim that Customer's use of Products infringes a valid U.S. patent, copyright, or trademark, provided that: (1) Products are used as approved by Hologic and have not been altered other than by Hologic or its authorized service personnel; (2) Customer promptly notifies Hologic of such claim; (3) Hologic has sole control of the defense, settlement, or compromise thereof and Customer will be solely responsible for attorneys' fees and costs it incurs independently of Hologic's representation; and (4) Customer cooperates with Hologic and furnishes all aid, information, and assistance necessary or useful to defend such claim. If a final injunction is obtained against the Customer's use of any Product, or if in the opinion of Hologic the Product is likely to become the subject of a successful claim, Hologic may, at its option and in its sole discretion: (i) obtain for Customer the right to continue using the Product; (ii) replace or modify the Product so that it becomes non-infringing; or (iii) if neither (i) or (ii) are reasonably available, accept return of such Products held by Customer, grant a credit therefore as depreciated on a five-year straight-line basis, and terminate the Agreement without any further obligation or liability. The remedy selected by Hologic will be Customer's exclusive remedy for any damage, cost, or expense resulting from any court order or settlement enjoining Customer's use of the Product.
- 13. Software License. The term "Software" includes all Hologic (and third-party) computer software, firmware and associated documentation, whether in printed or machine-readable form supplied by reason of this Agreement or for use in connection with Equipment or Services. To the extent the Product includes Software, Customer is granted a nonexclusive, non-transferable, royalty-free license to use Software solely on the Equipment on which it is first installed or as designated in the Agreement, in connection with the Equipment in the normal course of Customer's business, and for no other purpose or business. No license is provided under this Agreement to use Software for multi-site quality control or data review purposes or for source code of any type. Software, at all times, shall remain the sole property of Hologic. Software is agreed to contain and shall be treated as confidential information. The Parties agree that all information needed for interoperability is available from Hologic in accordance with applicable government directives. From time to time Hologic may develop new versions or updates for this software. Customer agrees to allow Hologic access to the Equipment in order to implement any new versions or updates to the software. If Customer transfers Equipment to a third-party, Customer may assign the right to use Software on the Equipment; provided that, the third-party agrees in writing with Hologic to be bound by and to permit Hologic to enforce the provisions of this Section. Customer has no other right to use, sell, assign, transfer, copy, or sublicense Software. As identified in the applicable software product specifications, some third-party software vendors (including Microsoft Corporation) provide different warranties and require different or additional terms applicable to software which they supply; such warranties and terms supersede this Agreement and Customer agrees to abide by such terms with respect to such third-party software. The Microsoft End User License is located on the applicable installation CD-ROM (file name is EULAtxt).

This clause shall survive the termination of this Agreement according to its terms. If the law or regulations are effectively amended to increase or decrease the annual amount necessary to require this clause, the amount set forth herein shall be amended accordingly. Notwithstanding the presence of this clause in this Agreement, this clause shall only apply if the actual dollar amount paid during any twelve (12)-month period equals or exceeds the government threshold amount.
