If, at any time during the period of this contract, the Provider receives notification that their licenses, registrations or certifications are being suspended, are suspended, or may potentially be suspended, Provider must immediately notify the Institution's Chief Medical Officer / Chief Executive Officer (CMO/CEO) immediately.

- B. Provider agrees that its medical and professional staff's licenses, certifications and/or registrations shall be valid at all times and verified by the California Medical Board, the Oregon Board of Medical Examiners, Board of Registered Nurses or Nevada Board of Medical Examiners, as appropriate, and the National Practitioner Data Bank to ensure that no licensing, certification and/or registration restrictions exist.
- C. In the event the required licenses and/or certifications are to expire, Provider shall provide current/renewed license/certification(s) to CDCR not less than thirty (30) calendar days prior to their expiration. If, during the course of this Agreement, any of the licenses and requirements as stated herein are found to be inactive or not in compliance, CDCR may immediately terminate this Agreement.
- D. Copies of the current Board of Registered Nurses license/registration are required for all nurses providing services under this Agreement and shall be submitted to the HCM/CMO or designee at the applicable institution(s) prior to providing services, and annually thereafter.

3. **Provider Responsibilities**

A. **Prior Authorization**

Provider acknowledges that without CDCR's prior authorization, CDCR is not obligated to provide or pay for health care services or treatments beyond those which are essential to prevent death, permanent or severe disability. If health care service or treatment is non-essential or could safely be deferred until the inmate is released from custody when he is able to arrange for services himself, then CDCR shall defer services. Prior authorization must be obtained and documented in the inmate's health record for those excluded health care services or treatments listed in CDCR's Medical Standards of Care for Inmates.

B. **Prior Authorization for Treatment**

Provider agrees that, excluding emergency care services, prior authorization must be obtained in writing from the respective CDCR institution's Chief Medical Officer or his/her designated representative, in accordance with CDCR's Utilization Management Plan, and must be documented in the inmate's/patient's medical record in all cases of essential services before considering any non-emergency treatment, or any inpatient/outpatient consultations by specialty physicians or diagnostic procedures not prior authorized. Payment shall be denied if CDCR determines that inpatient/outpatient procedures performed were not medically necessary, inappropriately delivered, or did not have prior authorization.

C. Prior Authorization for Transportation/Transfers

Provider agrees that CDCR retains full authority to determine the manner in which an inmate/patient is transported to the CDCR institution or transferred to other health care facilities, after the course of treatment or therapy has been implemented or completed.

Provider shall not transfer an inmate/patient to any facility or provider without prior written authorization from the appropriate CDCR institution Chief Medical Officer or his/her designated representative.

D. Experimental and Investigational Drugs and Procedures

Provider shall not perform on or administer to any inmate/patient any experimental or investigational treatment, therapy, procedure or drug. Such treatment, unless it is related to specific California legislative provisions, is prohibited under Penal Code, Section 3502, and thus, must be prior authorized. Provider agrees to perform or administer only those medical services, which are recognized as being in accordance with generally accepted professional medical standards, or as being safe and effective for use in treatment of an illness, injury or condition at issue.

4. Quality Assurance

Provider agrees to allow CDCR to inspect Provider's operations to ensure compliance with the terms of this contract as well as compliance with State and Federal license and certification laws, regulations, and procedures. These inspections shall occur no more than two (2) times in any twelve (12) consecutive months. Provider shall be given twenty-four (24) hour notice of CDCR's intent to inspect Provider's operation. All inspections will be performed during normal business hours.

If negative findings are disclosed by CDCR, Provider shall have thirty (30) calendar days from the date of CDCR notification to develop a corrective action plan approved by the CMO and Department of Correctional Health Care Services (DCHCS). Failure to develop, implement, or comply with the corrective action plan may result in the cancellation of the contract.

5. Exclusions and Limitations

Provider agrees that no health care services or treatment shall be provided for those conditions specifically listed on CDCR's **Medical Standard of Care Policy (CCR, Title 15, Article 8, Section 3350.1)**. A list of exclusions will be provided by the Chief Medical Officer on request. The parties hereto agree that either party may cancel this Agreement by giving the other party written notice thirty (30) days in advance of the effective date of such cancellation. In the event of such termination, the State agrees to pay Contractor for actual services rendered up to and including the date of termination.

The State may terminate this Agreement and be relieved of any payments should the Contractor fail to perform the requirements of this Agreement at the time and in the manner herein provided. In the event of such termination the State may proceed with the work in any manner deemed proper by the State. All costs to the State shall be deducted from any sum due the Contractor under this Agreement and the balance, if any, shall be paid to the Contractor upon demand.

7. Contract Suspension

Notwithstanding any other provisions of this Agreement, pursuant to a Governor's Executive Order or equivalent directive, such as a court order or an order from a federal or state regulatory agency, mandating the suspension of state contracts, the State may issue a Suspension of Work Notice. The Notice shall identify the specific Executive Order or directive and the Agreement number(s) subject to suspension. Unless specifically stated otherwise, all performance under the Agreement(s) must stop immediately upon receipt of

the Notice. During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the Department will be issued to the Contractor to resume work.

To the extent that the information provided by the Contractor fails to so assure CDCR, CDCR may require that any implicated Contractor staff be denied access to and the supervision of CDCR inmates and/or parolees at the facility and access to inmate and/or parolee records. Notwithstanding the foregoing, and without waiving any obligation of the Contractor, CDCR retains the power to conduct an independent investigation of any incident(s). Furthermore, it is the responsibility of the Contractor to include the foregoing terms within any and all subcontracts, requiring that subcontractor(s) agree to the jurisdiction of CDCR to conduct an investigation of their facility and staff, including review of subcontractor employee personnel records, as a condition of the Agreement.

The Contractor shall be responsible for reimbursing CDCR for any additional expenses incurred to cure such defects.

13. Temporary Nonperformance

If, because of mechanical failure or for any other reason, the Contractor shall be temporarily unable to perform the work as required, the State, during the period of the Contractor's inability to perform, reserves the right to accomplish the work by other means and shall be reimbursed by the Contractor for any additional costs above the Agreement price.

- (2) For the twelve-month (12-month) period from the date he or she left state employment, no former state officer or employee may enter into an Agreement with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed Agreement within the 12-month period prior to his or her leaving state service.

In addition to the above, the Contractor shall avoid any conflict of interest whatsoever with respect to any financial dealings, employment services, or opportunities offered to inmates or parolees. The Contractor shall not itself employ or offer to employ inmates or parolees either directly or indirectly through an affiliated company, person or business unless specifically authorized in writing by CDCR. In addition, the Contractor shall not (either directly, or indirectly through an affiliated company, person or business) engage in financial dealings with inmates or parolees, except to the extent that such financial dealings create no actual or potential conflict of interest, are available on the same terms to the general public, and have been approved in advance in writing by CDCR. For the purposes of this paragraph, "affiliated company, person or business" means any company, business, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind which has any ownership or control interest whatsoever in the Contractor, or which is wholly or partially owned (more than 5% ownership) or controlled (any percentage) by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders, either directly or indirectly. "Affiliated companies, persons or businesses" include, but are not limited to, subsidiary, parent, or sister companies or corporations, and any company, corporation, nonprofit corporation, partnership, limited partnership, sole proprietorship, or other person or business entity of any kind that is wholly or partially owned or controlled, either directly or indirectly, by the Contractor or by the Contractor's owners, officers, principals, directors and/or shareholders.

The Contractor shall have a continuing duty to disclose to the State, in writing, all interests and activities that create an actual or potential conflict of interest in performance of the Agreement.

The Contractor shall have a continuing duty to keep the State timely and fully apprised in writing of any material changes in the Contractor's business structure and/or status. This includes any changes in business form, such as a change from sole proprietorship or partnership into a corporation or vice-versa; any changes in company ownership; any dissolution of the business; any change of the name of the business; any filing in bankruptcy; any revocation of corporate status by the Secretary of State; and any other material changes in the Contractor's business status or structure that could affect the performance of the Contractor's duties under the Agreement.

If the Contractor violates any provision of the above paragraphs, such action by the Contractor shall render this Agreement void.

Members of boards and commissions are exempt from this section if they do not receive

payment other than payment for each meeting of the board or commission, payment for preparatory time and payment for per diem.

17. Notification of Personnel Changes

Contractor must notify the State, in writing, of any changes of those personnel allowed access to State premises for the purpose of providing services under this Agreement. In addition, Contractor must recover and return any State-issued identification card provided to Contractor's employee(s) upon their departure or termination.

18. Security Clearance/Fingerprinting

The State reserves the right to conduct fingerprinting and/or security clearance—through the Department of Justice, Bureau of Criminal Identification and Information (BCII)—prior to award and at any time during the term of the Agreement, in order to permit Contractor (and/or Contractor employee) access to State premises. The State further reserves the right to terminate the Agreement should a threat to security be determined.

19. Computer Software

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

20. Expendable Equipment

Expendable equipment is defined as expendable items which change with use and have a unit acquisition cost of less than \$5,000 per unit (i.e. fax machines, computers, printers, etc.). Title to any expendable equipment purchased or built with State funds as part of this agreement will vest in the State. The Contractor must retain a listing of expendable equipment purchases that are considered "theft-sensitive" items, such as cameras, calculators, two-way radios, computer equipment, etc., for audit purposes. Upon completion or termination of the agreement, Contractors are required to leave all expendable equipment for use by subsequent contractors or for the State to dispose of accordingly. The State may authorize the continued use of such equipment for work to be performed under a different agreement.

The cost of expendable equipment purchased should be comparable to the prevailing price for similar items in the surrounding area.

21. Electronic Waste Recycling

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460 of the Public Resources Code, relating to hazardous and solid waste. Contractor shall maintain documentation and provide reasonable access to its records and documents that evidence compliance.

22. Liability for Loss and Damages

Any damages by the Contractor to the State's facility including equipment, furniture,

materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor under this Agreement.

23. Disclosure

Neither the State nor any State employee will be liable to the Contractor or its staff for injuries inflicted by inmates or parolees of the State. The State agrees to disclose to the Contractor any statement(s) known made by any inmate or parolee which indicate violence may result in any specific situation, and the same responsibility will be shared by the Contractor in disclosing such statement(s) to the State.

24. Workers' Compensation

Contractor hereby represents and warrants that Contractor is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at Contractor's expense, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to pay for services provided under this agreement.

Prior to approval of this agreement and before performing any work, Contractor shall furnish to the State evidence of valid workers' compensation coverage. Contractor agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. In the event said insurance coverage expires or is canceled at any time during the term of this agreement, Contractor agrees to give at least thirty (30) days prior notice to CDCR before said expiration date or immediate notice of cancellation. Evidence of coverage shall not be for less than the remainder of the term of the agreement or for a period of not less than one year. The State reserves the right to verify the Contractor's evidence of coverage. In the event the Contractor fails to keep workers' compensation insurance coverage in effect at all times, the State reserves the right to terminate this agreement and seek any other remedies afforded by the laws of this State.

Contractor also agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all of Contractor's workers' compensation claims and losses by Contractor's officers, agents and employees related to the performance of this agreement.

25. Mutual Hold Harmless

Contractor agrees, to the fullest extent permitted by law, to hold harmless, defend and indemnify the State, its officers, agents and employees from and against any liabilities, damages and costs (including reasonable attorneys fees and cost of defense) to the extent caused, during performance of services under this Agreement, by the negligent acts, errors and omissions of the Contractor or anyone for whom Contractor is legally responsible.

The State agrees, to the fullest extent permitted by law and subject to the availability of funds to hold harmless, defend and indemnify the Contractor, its officers, directors, principals and employees, from any liabilities, damages and costs (including reasonable attorneys fees and cost of defense) to the extent caused by the negligent acts, errors or omissions of the State as allowed by law.

26. Insurance Requirements

Insurance as required herein shall be a condition of the State's obligation to pay for services provided under this Agreement. Prior to approval of this Agreement and before performing any work, Contractor and any subcontractor shall furnish to the State evidence of valid coverage. The following shall be considered evidence of coverage: A certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by Contractor's insurance carrier. Binders are not acceptable as evidence of coverage. Providing evidence of coverage to the State conveys no rights or privileges to the State, nor does it insure any State employee or insure any premises owned, leased, used by or otherwise or under the control of the State. It does, however, serve to provide the State with proof that the Contractor and any subcontractors are insured at the minimum levels required by the State of California.

Contractor agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, Contractor's insurance provider must agree to give at least thirty (30) days prior notice to the State before said expiration date or notice of cancellation. Evidence of coverage required in the performance of this Agreement shall not be for less than the remainder of the term of this Agreement or for a period of not less than one year. The State and the Department of General Services (DGS) reserve the right to verify the Contractor's evidence of coverage; evidence of coverage is subject to the approval of the DGS. In the event the Contractor fails to keep insurance coverage as required herein in effect at all times, the State reserves the right to terminate this Agreement and to seek any other remedies afforded by the laws of the State of California.

Contractor hereby represents and warrants they (and any subcontractors) are currently and shall for the duration of this Agreement be insured. Contractor shall provide proof of self-insurance for Commercial General Liability.

27. Tuberculosis (TB) Testing

In the event that the services required under this Agreement will be performed within a CDCR institution/parole office/community-based program, prior to the performance of contracted duties, Contractors and their employees who are assigned to work with inmates/parolees on a regular basis shall be required to be examined or tested or medically evaluated for TB in an infectious or contagious stage, and at least once a year thereafter or more often as directed by CDCR. Regular basis is defined as having contact with inmates/parolees in confined quarters more than once a week.

Contractors and their employees shall be required to furnish to CDCR, at no cost to CDCR, a form CDCR 7336, "Employee Tuberculin Skin Test (TST) and Evaluation," prior to assuming their contracted duties and annually thereafter, showing that the Contractor and their employees have been examined and found free of TB in an infectious stage. The form CDCR 7336 will be provided by CDCR upon Contractor's request.

The following provisions apply to services provided on departmental and/or institution grounds:

28. Blood borne Pathogens

Specifically, blue denim pants and blue chambray shirts, orange/red/yellow/white/chartreuse jumpsuits and/or yellow rainwear shall not be worn onto institution grounds, as this is inmate attire. Contractor should contact the institution regarding clothing restrictions prior to requiring access to the institution to assure the Contractor and their employees are in compliance.

The CDCR shall maintain a zero tolerance for sexual misconduct in its institutions, community correctional facilities, conservation camps and for all offenders under its jurisdiction. Business Associate further agrees to notify Covered Entity immediately after Business Associate becomes aware that the foregoing representation and warranty may be inaccurate or may be incorrect.
