The Honorable Board of Supervisors

RE: Cahuilla Hills Resurfacing Project adjacent to and within the City of Palm Desert.

August 29, 2012

Page 2 of 2

BACKGROUND: By Minute Order dated June 19, 2012 (Agenda Item 3.46) the Board authorized the Clerk of the Board to advertise for the Cahuilla Hills Resurfacing project adjacent to the City of Palm Desert.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the specifications and special provisions. Bidders are required to acknowledge and take into account all issued addenda on their Contractor's Proposal in order to be considered for award. The addendum was issued to clarify and modify the approved contract documents. The addendum is attached as Addendum No. 1.

Bids for the project were opened in the office of the Director of Transportation and Land Management at 2:00 PM, Wednesday, July 18, 2012. Seven bids were received, ranging from \$370,074 to \$440,042. The lowest responsive and responsible bid was submitted by Panorama General Engineering, Inc. of Rancho Cucamonga, CA in the amount of \$370,074, which is \$76,805 (17.2%) below the Engineer's Estimate. The project is expected to be completed within the existing budget as shown on Attachment 'A'.

Partial project funding is being provided through a cooperative agreement between the County and the City of Palm Desert for the road resurfacing within the City limits. This agreement is anticipated to be approved at the August 28, 2012 Board of Supervisors meeting.

Roadway resurfacing of five roads in the Cahuilla Hills area, adjacent to and within the City of Palm Desert as listed below, is needed due to deteriorated pavement conditions. The proposed road improvements will consist of grinding the existing pavement in place, re-grading the surface, and placing new AC pavement.

The proposed road locations to be improved are as follows:

<u>ROAD:</u>	<u>FROM:</u>	<u>TO:</u>
Cahuilla Way	Cat Canyon Road	State Highway 74
Cat Canyon Road	Cahuilla Way	Cholla Way
Cholla Way	Cat Canyon Road	2,650-feet West of Cat Canyon Road
Paisano Road	Cholla Way	Chuckawalla Way
Chuckawalla Way	Paisano Road	700-feet West of Paisano Road

The Contractor is qualified to perform the work as outlined in the bid.

The Contractor has executed the contract and has provided performance and payment bonds which meet the requirements of the contract.
