SUBJECT: PROPERTY TAX EXCHANGE-NOTICE OF FILING

Pursuant to Revenue and Taxation Code Section 99(b), please be advised that we have received an application for ~~LAFCO 2012-12-4-~~ **Reorganization to Include Annexation to the City of Rancho Mirage and Concurrent Detachment from the Riverside County Waste Resources Management District.** The above-referenced section states, in part:

(b)(1)(A) The county assessor shall provide to the county auditor, within 30 days of the notice of filing, a report which identifies the assessed valuations for the territory subject to the jurisdictional changes and the tax rate area or areas in which the territory exists.

(B) The auditor shall estimate the amount of property tax revenue generated within the territory that is the subject of the jurisdictional change during the current fiscal year.

(2) The auditor shall estimate what proportion of the property tax revenue determined pursuant to paragraph (1) is attributable to each local agency pursuant to Section 96.1 and 96.5.

(3) Within 45 days of notice of the filing of an application or resolution, the auditor shall notify the governing body of each local agency whose service area or service responsibility will be altered by the amount of, and allocation factors with respect to, property tax revenue estimated pursuant to paragraph (2) that is subject to a negotiated exchange.

(4) Upon receipt of the estimates pursuant to paragraph (3) the local agencies shall commence negotiations to determine the amount of property tax revenues to be exchanged between and among the local agencies. This negotiation period shall not exceed 60 days.

The exchange may be limited to an exchange of property tax revenues from the annual tax increment generated in the area subject to the jurisdictional change and attributable to the local agencies whose service area or service responsibilities will be altered by the proposed jurisdictional change. The final exchange resolution shall specify how the annual tax increment shall be allocated in future years.

(5) In the event that a jurisdictional change would affect the service area or service responsibility of one or more special districts, the board of supervisors of the county or counties in which the districts are located shall, on behalf of the district or districts, negotiate any exchange of property tax revenues. Prior to entering into negotiation on behalf of a district for the exchange of property tax revenue, the board shall consult with the affected district. The consultation shall include, at a minimum, notification to each member and executive officer of the district board of the pending consultation and provision of adequate opportunity to comment on the negotiation."

Please take the steps necessary to facilitate a property tax split between the affected agencies in accordance with this section. The proposal calls for an annexation of unincorporated territory to the City of Rancho Mirage. If you have any questions, please contact this office.
