On motion of Supervisor Tavaglione, seconded by Supervisor Stone, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, October 16, 2012, be adjourned in memory of Walter "Walt" Norman Smith, an 83-year-old prominent resident of Riverside whose "tireless work ethic, integrity, and sense of responsibility molded him into an extraordinary man."

Born on November 5, 1928 in Santa Ana, California, Walt made Riverside his home for over 40 years. As a young teenager, he worked at his family's dairy farm in Glen Avon, and while attending Poly High School, he developed carpentry and architectural skills helping his father and brother build houses on the "historic" Wood Streets. After graduating from RCC and the University of Redlands, where he excelled in football and baseball, he spent two years in Baltimore, Maryland with the Counter Intelligence Division of the Army.

As an instrumental force in the community, Walt worked at the Glen Avon Lumber Company with his father and brothers building many single-family homes in the Glen Avon area. He also volunteered at the Glen Avon Fire Department, was actively involved in his church, and served on various boards including 23 years on the Jurupa Community Services District Board, Riverside Flood Control Board, and Planning Commission.

Walt was a loving husband, father, grandfather "Opa," and friend whose memory and passionate spirit will live forever in the hearts of those who knew and loved him. He will be dearly missed.
