Subject: Sole Source Procurement; Request for (City of Riverside Police Department (RPD))

The below information is provided in support of my Department requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for sole source.

1. **Supply/Service being requested:** To consult, participate, and provide expertise to the County of Riverside Department of Public Health, Injury Prevention Services (IPS) staff in the implementation of the educational and enforcement component of the Safe Routes to School (SRTS) program for schools in the city of Riverside. RPD will conduct pedestrian and bicycle safety programs for elementary school aged children enrolled at various elementary schools in the city of Riverside, provide in-class education, and offer expertise to help mitigate traffic congestion and conduct enforcement activities to increase safety in and around the targeted schools. The contractor will participate in SRTS community coalition meetings and related activities of the SRTS coalition in the City of Riverside.
2. **Supplier being requested:** City of Riverside Police Department
3. **Alternative suppliers that can or might be able to provide supply/service:** None
4. **Extent of market search conducted:** Internet and requests within community.
5. **Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide:** Riverside Police Department (RPD) brings immeasurable added value to the SRTS program through its partnership with local law enforcement, which is one of the 5 major components of Safe Routes To School (5 E's - Education, Encouragement, Engineering, Enforcement & Evaluation) and creates a sustainable, localized and cohesive effort. RPD also brings a high level of legitimacy and respect from the community, making educational messages to parents and children more effective.
6. **Reasons why my department requires these unique features and what benefit will accrue to the county:** Due to years of policing RPD has a unique understanding of the Riverside communities regarding traffic patterns, safety issues and criminal activities. Not only will Riverside school children benefit from RPD's knowledge of the communities, but they will also build positive interaction and understanding of community policing.
7. **Price Reasonableness including purchase price and any ongoing maintenance or ancillary costs from the supplier:** As a comparison between City of Riverside Police Department (RPD) and Safe Moves, Safe Moves is slightly less expensive per unit however RPD provides a more comprehensive list of services and is the expert in the field in the Riverside area. More importantly, RPD's reputation, good will, and existing influential relationship among communities will assist the SRTS program in achieving its objectives and create a sustainable program. RPD has a unique understanding of city of Riverside pedestrian and traffic issues, has existing cooperative partnerships

among local community groups that Safe Moves does not. Subcontracting with RPD brings greater capacity, resources, and legitimacy and meets the SRTS objectives more succinctly. Safe Moves does not offer this level of capacity.

8. Does moving forward on this product or service further obligate the county to future similar contractual arrangements or any ongoing costs affiliated with this sole source? (Maintenance, support, or upgrades, if so, please explain). No. It is our objective is to work with planners, transportation agencies, developers and schools to ensure that safety factors are considered in community design

9. Period of Performance: July 1, 2012 through June 30, 2014

10. Not to exceed Seventeen Thousand dollars (\$17,000) for the period of performance of July 1, 2012 through June 30, 2014.

2. Any State and Federal funds that may have been encumbered for this project are available for disbursement for limited periods of time. STATE reserves the right to suspend future authorizations/obligations for Federal aid projects, or encumbrances for State funded projects, as well as to suspend invoice payments for any on-going or future project by ADMINISTERING AGENCY if PROJECT costs have not been invoiced by ADMINISTERING AGENCY for a six-month period.

If no costs have been invoiced for a six-month period, ADMINISTERING AGENCY agrees to submit for each phase a written explanation of the absence of PROJECT activity along with target billing date and target billing amount.

ADMINISTERING AGENCY agrees to submit the final report documents that collectively constitute a "Report of Expenditures" within one hundred eighty (180) days of PROJECT completion. Failure of ADMINISTERING AGENCY to submit a "Final Report of Expenditures" within 180 days of PROJECT completion will result in STATE imposing sanctions upon ADMINISTERING AGENCY in accordance with the current Local Assistance Procedures Manual.
