RE: Sole Source Agreement with KME Fire Apparatus

Date: November 1, 2012

Page 2

BACKGROUND: (Continued)

The Fire Department currently has ten (10) fire engines manufactured by the Kovatch Mobile Equipment Corporation. The Department is requesting to sole source the maintenance, service and repair of those vehicles with KME Fire Apparatus (KME). KME is the only authorized vendor to work on vehicles manufactured by Kovatch Mobile Equipment Corporation in our area.

PRICE REASONABLENESS:

The rates submitted were found acceptable and similar to the cost of services rendered on other heavy equipment. KME Fire Apparatus has also will be maintaining their rates from the past fiscal year. They will provide for one calendar year the following pricing and discounts for vehicle fire apparatus engine maintenance, service and repairs(s) to Riverside County Fire Department.

Labor Charge: \$95.00 Hourly rate

Parts discount from list: 20%

Hazard Fee: 2%

Sublet Charge: NA

Prompt payment 2% 10days Net30

Date: October 24, 2012

To: Board of Supervisors/Purchasing Agent

Via: Purchasing Agent

Subject: Sole Source Procurement; Request for KME Apparatus to provide vehicle maintenance, service, and repair.

The below information is provided in support of my Department requesting approval for a sole source. Outside of a duly declared emergency, the time to develop a statement of work or specifications is not in itself justification for sole source.

1. **Supply/Service being requested:**
Vehicle maintenance, service and repair of fire department manufactured Kovatch Mobile Equipment (KME) fire engines.
2. **Supplier being requested:**
KME Fire Apparatus
5400 East Jurupa
Ontario, CA 91761
Phone: (909) 937-3326 Fax: (909) 937-1762
Contact: Jerry Hennessey, Branch Manager.
Vendor code #0000000449
3. **Alternative suppliers that can or might be able to provide supply/service:**
There is no other manufacturer factory authorized vendors local area with the certification and knowledge to provide maintenance, service and repairs for KME Fire Engines along with providing warranty repair(s).
4. **Extent of market search conducted:**
The Department has requested from the manufacture a listing of any local authorized repair facility. KME Fire Apparatus is the only local authorized vendor to work on the mechanism and instruments to operate the fire engine(s) manufactured by Kovatch Mobile Equipment Corporation.
5. **Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide:**
KME is utilized as a sole source for Ladder maintenance, mechanisms and instrument to operate the fire apparatus. Using any other alternative vendor for repair could void KME warranted equipment.
6. **Reasons why my department requires these unique features and what benefit will accrue to the county:**
The Fire Department must be able to respond to the emergency needs of the public, and it is essential equipment is properly repaired and maintained. This is a factory authorized vendor who can provide maintenance, service, and repair(s) to Kovatch fire apparatus engines. The Department benefits from knowledgeable and certified mechanics that are familiar with all components of the apparatus.
7. **Price Reasonableness including purchase price and any ongoing maintenance or ancillary costs from the supplier:** The rates submitted were found acceptable and similar to the cost of services rendered on other heavy equipment. KME Fire Apparatus will also be maintaining their rates from the previous fiscal year. They will provide for one calendar year the following pricing and discounts

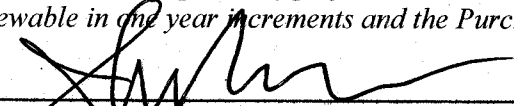

for vehicle fire apparatus engine maintenance, service and repairs(s) to Riverside County Fire Department.

Labor Charge: \$95.00 Hourly rate
Parts discount from list: 20%
Hazard Fee: 2%
Sublet Charge: NA
Prompt payment 2% 10days Net30

8. Does moving forward on this product or service further obligate the county to future similar contractual arrangements or any ongoing costs affiliated with this sole source? (Maintenance, support, or upgrades, if so, please explain).
Yes, currently there are approximately ten (10) units within the fire department fleet of engines that are utilized to provide fire services.

9. Period of Performance:
November 2012 through November 2013. With an option to renew for four (4) additional one year periods.

(Provide a defined period of performance. Please note multi-year terms require Board approval, unless renewable in one year increments and the Purchasing Agent approves the terms.)
