SUBJECT: In-Principle approval for lease or purchase of new space for a new Moreno Valley Adult Mental Health Clinic for the Riverside County Department of Mental Health. [DISTRICT 5]

BACKGROUND: (Continued)

The need for mental health services in the Moreno Valley area has been a concern for the RCDMH for a number of years. Existing and new Moreno Valley consumers do not currently have reasonable access to mental health services due to the lack of a facility in Moreno Valley. Additionally, the RCDMH anticipates consumer growth due to the conversion of Riverside County Health Care (RCHC) consumers to Medi-cal in 2014.

The existing Blaine street clinic located in Riverside currently provides services to Moreno Valley residents. Approximately 750 Moreno Valley residents must take up to a three hour bus ride with multiple transfers in order to access services at the existing Blaine street facility in Riverside. Additionally, the Blaine street clinic is the largest outpatient service program in the RCDMH system, serving 2600 adults. The Blaine street clinic is overcrowded for both consumers and staff and service demands are exceeding the facility's capacity. The Blaine Street facility was originally designed to serve 1500 clients.

The RCDMH will need approximately 11,000 square feet of space to accommodate approximately 23 licensed professional, paraprofessional and clerical mental health staff. The new location must provide space for adult mental health and integrated healthcare. Finally, the new facility should be close to public transportation to allow consumers who utilize public transportation access to services. Below is a brief description of the services that will be provided at the new Moreno Valley Adult Mental Health Clinic:

- **Moreno Valley Adult Mental Health:** A community-based outpatient mental health clinic providing a range of mental health services. Services are provided for adults who have a diagnosis of a severe mental illness.
- **Integrated Healthcare:** Providing a full array of primary care, medical, and substance abuse services.

FINANCIAL INFORMATION

There are sufficient funds in the RCDMH FY 12/13 budget to fund this additional space. No additional County funds are required.
