President Barack Obama

Republican Party

Democratic Party

Speaker of the House

Congressional Black Caucus

Congressional Hispanic Caucus

Blue Dog Democrats

Senator Claire McCaskill

This letter represents the opinions of senior and disabled citizens of the United States. We have several concerns. We would like implementation of entitlement reform. We want the rich to pay more. We are in favor of the Simpson/Bowles proposal. We did not vote for either party in the recent election. We are not optimistic about the future of the economy and politics. We would like you to review the FIX THE DEBT.ORG proposal. We would like to see the republican and democratic parties work together. We want third party candidates to take part in the debates. We would like there to be a change in the Commission on Debates.

We suggest a top to bottom change in leadership in both parties. We are not happy with either party. We want money to be taken out of politics. We want a Blue Dog Democrat to take Nancy Pelosi's place. We would like to see the Governor of California to put pension reform into action. Senator Tom Colburn has suggested a line by line review of the budget to be done. We don't want Congressional and Senate employees to be paid until the budget is done. We are accepting of the Dream Act, but do not want all people in America to be legalized.

We believe that the President should replace Timothy Geitner as the Secretary of Treasury. He should have done this long ago. We are aware of the NoLabels site, and we are not in favor of the polarization of the campaign. The FDC superpack should be coordinated with candidates. We are in favor of citizens having to go to work, rather than remaining on welfare from the system.

We appreciate you taking time to review our concerns. We thank you for your future support.
