4 Moreno Valley, California

5 **1. Parties.**

6 **1.1** This Lease ("Lease") is made by and between the **COUNTY OF RIVERSIDE**,  
7 hereinafter referred to as "County" and **BEL AIR PLAZA, LP**, a California limited partnership,  
8 hereinafter referred to as "Lessor." County and Lessor are hereinafter collectively referred to  
9 as the "Parties" or individually as a "Party."

10 **2. Premises.**

11 **2.1 Letting.** Lessor hereby leases to County, and County hereby leases from  
12 Lessor, the Premises, for the term, at the rental, and upon all terms, covenants and conditions  
13 set forth in this Lease.

14 **2.2 Defined.** The Premises shall consist of that certain portion of the Project, as  
15 defined herein, including all improvements therein or to be provided by Lessor under the terms  
16 of this Lease, and commonly known as 23119 Cottonwood Avenue, Building B, located in the  
17 City of Moreno Valley, County of Riverside, State of California, also identified as Assessor's  
18 Parcel Number 296-151-029-5 and generally described as office space consisting of  
19 approximately 30,656 square feet with a minimum of 123 reserved, secured, and non-exclusive  
20 common area parking spaces, all as shown on the site plan attached as Exhibit "A." It is  
21 understood that the Premises include all appurtenances and easements thereto and the non-  
22 exclusive right of ingress and egress at all times to and from the public streets and highways  
23 for County, its employees and invitees. The Premises, the building, the Common Areas, the  
24 land upon which they are located, along with all other buildings and improvements thereon, are  
25 herein collectively referred to as the "Project."

26 **2.3 Common Areas Defined.** The term "Common Areas" is defined as all areas  
27 and facilities outside the Premises and within the exterior boundary line of the Project and  
28 interior utility raceways and installations within the Premises that are provided by and

1 designated by the Lessor from time to time for the general non-exclusive use of Lessor,  
2 County, and other tenants of the Project and their respective employees, suppliers, shippers,  
3 customers, contractors, and invitees, including but not limited to common restrooms, parking  
4 areas, loading and unloading zones, trash areas, roadways, walkways, driveways, and  
5 landscaped areas.

6 **2.4 County's Rights-Common Areas.** Lessor grants to County, for the benefit of  
7 the County and its employees, suppliers, shippers, customers, contractors, and invitees, during  
8 the term of this Lease, the non-exclusive right to use, in common with others entitled to such  
9 use, the Common Areas as same may from time to time exist. Lessor shall have the right to  
10 promulgate rules and regulations for the management, safety, care, and cleanliness of the  
11 Common Areas provided, however, that said rules and regulations shall be subject to the  
12 approval of County. County's prior approval shall be required for any changes to the Common  
13 Areas which adversely affect County's use and occupancy of the Premises, the parking, or  
14 accessibility of the Premises.

15 **2.5 Condition of Premises.** Lessor shall deliver the Premises to County in a fully  
16 clean and safe condition, free of hazards and debris, entirely permitted and inspected by local  
17 authorities, on the Commencement Date, and Lessor warrants for the term of this Lease, that  
18 all systems and equipment, including, but not limited to, electrical, plumbing, fire sprinkler, fire  
19 suppression system, fire/life/safety system, elevators, security systems, lighting, heating,  
20 ventilating and air conditioning systems ("HVAC"), loading doors, if any, that serve the  
21 Premises and all other such elements in the Premises (herein defined as the "Base Building  
22 Systems"), other than those installed or constructed by County, shall be in safe, hazard free,  
23 good operating condition, and, the roof, bearing walls and foundation of the Premises shall be  
24 free of material defect.

25 **3. Use.** County shall use and occupy the Premises for the purpose of providing office  
26 space for use by the Department of Public Social Services, but the Premises may be used for  
27 any official business of County government or any other legal use which is reasonably  
28

1 comparable thereto. Nothing contained in this Lease shall be construed to require County to  
2 occupy the Premises continuously.

3 **4. Term.**

4 **4.1 Commencement.** This Lease shall be effective upon the date of its full  
5 execution by the parties hereto. The Term of this Lease shall be for a period of five (5) years  
6 ("Original Term") commencing December 1, 2012. The Original Term shall expire at midnight  
7 on November 30, 2017 ("Expiration Date").

8 **4.2 Holding Over.** Any holding over by County after the expiration of said term or  
9 any extension thereof shall be deemed a month to month tenancy upon the same terms and  
10 conditions of this Lease.

11 **5. Rent.** The anniversary dates shall be deemed to fall on the first day of the first full  
12 month of each lease year following commencement of the Lease term.

13 **5.1 Rent.** County shall pay the sum of Fifty Four Thousand Eight Hundred Seventy  
14 Four Dollars and 24/100ths (\$54,874.24) per month to Lessor as rent for the Leased Premises,  
15 payable, in advance, on the first day of the month or as soon thereafter as a warrant can be  
16 issued in the normal course of County's business.

17 **5.2 Percentage Increase.** Notwithstanding the provisions of Section 5.1 herein, the  
18 monthly rent shall be increased on each anniversary of this Lease by an amount equal to two  
19 and one half percent (2.5 %) of such monthly rental.

20 **6. Options.**

21 **6.1 Option to Extend Term.** Lessor grants to County two option(s) to extend the  
22 Lease term ("Extension Option(s)"). Each Extension Option shall be for a period of two years  
23 ("Extended Term"), subject to the conditions described in this Section 6.1.

24 **6.1.1 Exercise of Option.** The Extension Option(s) shall be exercised by  
25 County delivering to Lessor written notice thereof no later than sixty (60) days prior to the  
26 expiration of the Original Term or any extension thereof.

27 **6.1.2 Option Rent.** The rent payable by County during any Extended Term  
28 shall be increased two and one half percent (2.5%) of the previous month's rent.

1           **6.1.3** All terms and conditions of this Lease with exception of Rent and  
2 Lease Term shall remain in full force and effect during the Extended Term.

3           **6.2 Right of First Refusal to Lease Additional Space.** Lessor hereby grants to  
4 County a right of first refusal to lease the other premises in the building containing the leased  
5 Premises ("Adjacent Premises"), in the event Lessor received a bona fide offer from a third  
6 party to lease any portion of the Adjacent Premises, which offer is acceptable to Lessor. Lessor  
7 shall promptly notify County in writing of the offer, including the square footage of the portion of  
8 the Adjacent Premises proposed to be let and other terms and conditions of the offer. County  
9 shall have thirty (30) days within which to notify Lessor in writing whether County agrees to  
10 lease the portion of the Adjacent Premises under such offer upon the terms and conditions set  
11 forth in such offer. In the event County fails to give written notice of its election to lease the  
12 proposed additional space, Lessor shall be free to accept the bona fide offer and lease the  
13 Adjacent Premises to the third party. If the third party fails to lease such portion of the  
14 Adjacent Premises and the Adjacent Premises (or remaining portion of the Adjacent Premises)  
15 remains available; County shall have the same right of first refusal granted herein with regard  
16 to any future offer to lease such portion of the Adjacent Premises.

17           **6.3 Right of First Refusal to Extend Lease Term.** At such time as the Original  
18 Term and/or Extended Terms have expired, in further consideration of the Rent, Covenants,  
19 and Conditions to be paid, performed, and observed by County, Lessor hereby grants to  
20 County a right of first refusal to extend the Lease of the Premises. In the event Lessor receives  
21 a bona fide offer from a third party to lease the Premises, which offer is acceptable to Lessor,  
22 Lessor shall promptly notify County in writing of the offer, including the amount of rent offered  
23 and other terms and conditions of the offer. County shall have thirty (30) business days within  
24 which to notify Lessor in writing whether County agrees to extend the Lease of the Premises on  
25 the same terms and conditions as the third party offer. In the event County elects to extend the  
26 Lease of the Premises, the Lease shall be subject to the same terms and conditions as the  
27 third party offer, including, but not limited to, amount of rent, term, and commencement date. In  
28 the event County fails to give written notice of its election to extend the Lease of the Premises,

1 Lessor shall be free to accept the bona fide offer and lease the Premises to the third party. If  
2 the third party fails to lease the Premises and the Premises remains available, County shall  
3 have the same right of first refusal granted herein with respect to a bona fide offer to lease the  
4 Premises by a subsequent third party offerer.

5 **6.4 County's Right to Early Termination.** The Parties hereto recognize and  
6 understand that the rental consideration hereunder originates from County, State and/or  
7 Federal sources, and therefore County shall have the right to terminate this Lease (a) if such  
8 funding is reduced or otherwise becomes unavailable, based on County's annual fiscal budget,  
9 or (b) if any law, rule or regulation precludes, prohibits or materially adversely impairs County's  
10 ability to use the Premises for the use permitted herein, or (c) if County in its sole discretion  
11 determines that the Premises are no longer suitable for its use for any reason or cause.

12 **6.4.1 Notice.** County shall provide Lessor with written notification of its  
13 election to terminate this Lease at least sixty (60) days prior to the date of termination. County's  
14 notice shall state the reason for its termination of this Lease. County's obligation to pay Rent  
15 shall continue through the termination date.

16 **7. Compliance.**

17 **7.1 Compliance.** Lessor warrants that the Premises and improvements on the  
18 Premises shall comply with all applicable State and Federal laws, covenants or restrictions of  
19 record, building codes, regulations and ordinances ("Applicable Requirements") in effect on the  
20 Commencement Date of this Lease, regardless of the use to which County will put the  
21 Premises. If the Premises do not comply with said warranty, Lessor shall, promptly after  
22 receipt of written notice from County or any governmental agency having jurisdiction over such  
23 matters setting forth the nature and extent of such non-compliance, rectify the same at Lessor's  
24 expense. If the Applicable Requirements are hereinafter changed so as to require during the  
25 term of this Lease, unless same is the result of the use to which County puts the Premises, the  
26 construction of an addition to or an alteration of the Premises, the remediation of any  
27 Hazardous Substance as hereinafter defined, or the reinforcement or other physical  
28 modification of the Premises Lessor shall, promptly after receipt of written notice from County

1 or any governmental agency having jurisdiction over such matters setting forth the nature and  
2 extent of such non-compliance, rectify the same at Lessor's expense.

3 **7.2 Americans with Disabilities.** Lessor warrants and represents the Premises  
4 shall be readily accessible to and usable by individuals with disabilities in compliance with Title  
5 III of the Americans with Disabilities Act of 1990 and California Title 24, as amended from time  
6 to time and regulations issued pursuant thereto and in effect from time to time. Any cost  
7 incurred to cause the Premises to comply with said Act shall be borne by Lessor.

8 **7.3 Asbestos and Lead Based Paint.** Lessor warrants and represents the  
9 Premises shall be constructed, operated and maintained free of hazard from asbestos and lead  
10 based paint, as more fully set forth in the attached Exhibit "C."

11 **7.4 Hazardous Substance.** It is the intent of the Parties to construe the term  
12 "Hazardous Substances" in its broadest sense. Hazardous Substance shall be defined as any  
13 product, substance, or waste whose presence, use, manufacture, disposal, transportation, or  
14 release, either by itself or in combination with other materials, is either: (a) potentially injurious  
15 to the public health, safety or welfare, the environment or the Premises; (b) regulated or  
16 monitored by any governmental authority; or (c) a basis for potential liability of County to any  
17 governmental agency or third party under any applicable statute or common law theory.

18 Lessor acknowledges that County's use may from time to time require the presence of  
19 Hazardous Substances at the Premises. County agrees that all such Hazardous Substances  
20 located in, at, or on the Premises shall be used, stored, handled, treated, transported, and  
21 disposed of in compliance with all applicable laws.

22 Lessor warrants and represents to County that Lessor has not used, discharged,  
23 dumped, spilled or stored any Hazardous Substances on or about the Premises, whether  
24 accidentally or intentionally, legally or illegally, and has received no notice of such occurrence  
25 and has no knowledge that any such condition exists at the Premises. If any claim is ever  
26 made against County relating to Hazardous Substances present at or around the Premises,  
27 whether or not such substances are present as of the date hereof, or any such Hazardous  
28 Substances are hereafter discovered at the Premises (unless introduced by County, its agents

1 or employees), all costs of removal incurred by, all liability imposed upon, or damages suffered  
2 by County because of the same shall be borne by Lessor, and Lessor hereby indemnifies and  
3 agrees to be responsible for and defend and hold County harmless from and against all such  
4 costs, losses, liabilities and damages, including, without limitation, all third-party claims  
5 (including sums paid in settlement thereof, with or without legal proceedings) for personal injury  
6 or property damage and other claims, actions, administrative proceedings, judgments,  
7 compensatory and punitive damages, lost profits, penalties, fines, costs, losses, attorneys' fees  
8 and expenses (through all levels of proceedings), consultants or experts fees and costs  
9 incurred in enforcing this indemnity. The representation, warranty and indemnity of Lessor  
10 described in this Paragraph shall survive the termination or expiration of this Lease.

2	12.3.2.2 Commercial General Liability	\$1,000,000 per occurrence
3	12.3.2.3 Automobile Liability	\$1,000,000 per occurrence

4 **13. Damage and Destruction.**

5 **13.1 Repair of Damage.** County agrees to notify Lessor in writing promptly of any  
6 damage to the Premises resulting from fire, earthquake, or any other identifiable event of a  
7 sudden, unexpected, or unusual nature ("Casualty"). If the Premises, whether covered by  
8 insurance or not, are damaged by a Casualty, or the Casualty results in the Premises not being  
9 provided with Base Building Systems or parking facilities, and if neither Lessor nor County has  
10 elected to terminate this Lease under this Section 13, Lessor shall promptly and diligently  
11 restore Premises, the County Improvements originally constructed by Lessor, Base Building  
12 Systems, and County's parking facilities to substantially the same condition as existed before  
13 the Casualty, subject to modifications required by building codes and other laws. If County  
14 requests that Lessor make any modifications to the County Improvements in connection with  
15 the rebuilding, Lessor may condition its consent to those modifications on: (a)  
16 confirmation by Lessor's contractor that the modifications shall not increase the time needed to  
17 complete the County Improvements; or (b) an agreement by County that the additional  
18 construction period shall not extend the rent abatement period.

19 **13.2 Repair Period Notice.** Lessor shall, within thirty (30) days after the date of the  
20 Casualty, provide written notice to County indicating the anticipated period for repairing the  
21 Casualty ("Repair Period Notice"). The Repair Period Notice shall be accompanied by a  
22 certified statement executed by the Contractor retained by Lessor to complete the repairs or, if  
23 Lessor has not retained a Contractor, a licensed Contractor not affiliated with Lessor, certifying  
24 the Contractor's opinion about the anticipated period for repairing the Casualty. The Repair  
25 Period Notice shall also state, if applicable, Lessor's election either to repair or to terminate the  
26 Lease under Section 13.3.

27 **13.3 Lessor's Option to Terminate or Repair.** Lessor may elect either to terminate  
28 this Lease or to effectuate repairs if: (a) the Repair Period Notice estimates that the period for

1 repairing the Casualty exceeds ninety (90) days from the date of the Casualty; or (b) the  
2 estimated repair cost of the Premises, even though covered by insurance, exceeds fifty percent  
3 (50%) of the full replacement cost.

4 **13.4 County's Option to Terminate.** If (a) the Repair Period Notice provided by  
5 Lessor indicates that the anticipated period for repairing the Casualty exceeds ninety (90) days,  
6 or (b) notwithstanding the above, in the event of a substantial or total casualty to the Premises  
7 or improvements, County may by written notice to Lessor within thirty (30) days after such  
8 damage or destruction of its intention to terminate this Lease, elect to terminate this Lease by  
9 providing written notice (County's Termination Notice) to Lessor within thirty (30) days after  
10 receiving the Repair Period Notice. If County does not elect to terminate within said thirty (30)  
11 day period, County shall be considered to have waived its' option to terminate.

12 **13.5 Rent Abatement Due to Casualty.** Lessor and County agree that County's  
13 Rent shall be fully abated during the period beginning on the later of: (a) the date of the  
14 Casualty; or (b) the date on which County ceases to occupy the Premises and ending on the  
15 date of Substantial Completion of Lessor's restoration obligations as provided in this Section 13  
16 ("Abatement Period"). If, however, County is able to occupy and does occupy a portion of the  
17 Premises, Rent shall be abated during the Abatement Period only for the portion of the  
18 Premises not occupied by County.

19 **13.6 Damage Near End of Term.** Despite any other provision of this Section 13, if  
20 the Premises are destroyed or damaged by a Casualty during the last eighteen (18) months of  
21 the original Lease Term, Lessor and County shall each have the option to terminate this Lease  
22 by giving written notice to the other of the exercise of that option within thirty (30) days after  
23 that damage or destruction, provided, however, County may negate Lessor's election to  
24 terminate under this Section 13.6 by electing, within ten (10) days after receipt of Lessor's  
25 termination notice, to exercise any unexercised option to extend this Lease. If County  
26 negates Lessor's election, this Lease shall continue in effect unless Lessor has the right to,  
27 and elects to, terminate this Lease under Section 13.3.

1           **13.7 Effective Date of Termination; Rent Apportionment.** If Lessor or County  
2 elects to terminate this Lease under this Section 13 in connection with a Casualty, this  
3 termination shall be effective thirty (30) days after delivery of notice of such election. County  
4 shall pay Rent, properly apportioned up to the date of the Casualty. After the effective date of  
5 the termination, Lessor and County shall be discharged of all future obligations under this  
6 Lease, except for those provisions that, by their terms, survive the expiration or earlier  
7 termination of the Lease.

8           **13.8 Waiver of Statutory Provisions.** The provisions of this Lease, including those  
9 in this Section 13, constitute an express agreement between Lessor and County that applies in  
10 the event of any Casualty to the Premises. Lessor and County, therefore, fully waive the  
11 provisions of any statute or regulation, for any rights or obligations concerning a Casualty  
12 including California Civil Code Sections 1932(2) and 1933(4).

13           **13.9 Release on Termination.** In the event of any termination of this Lease in  
14 accordance with Section 13, the Parties shall be released there from without further obligation  
15 to the other Party, except as may otherwise be specifically set forth in this Lease and items that  
16 have accrued and are unpaid.

17 **14. Eminent Domain.**

18           **14.1 Total Condemnation.** If all of the Premises are condemned by eminent  
19 domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-public  
20 use or purpose, this Lease will terminate as of the date of title vesting in that proceeding and  
21 the Rent will be abated from the date of termination.

22           **14.2 Partial Condemnation.** If any portion of the Premises is condemned by  
23 eminent domain, inversely condemned, or sold in lieu of condemnation for any public or quasi-  
24 public use or purpose and the partial condemnation renders the Premises unusable for  
25 County's business, this Lease will terminate as of the date of title vesting or order of immediate  
26 possession in that proceeding and the Rent will be abated to the date of termination. If the  
27 partial condemnation does not render the Premises unusable for the business of County and  
28 less than a substantial portion of the Premises is condemned, Lessor must promptly restore the

1 Premises to the extent of any condemnation proceeds recovered by Lessor, excluding the  
2 portion lost in the condemnation, and this Lease will continue in full force, except that after the  
3 date of the title vesting, the Rent will be adjusted, as reasonably determined by Lessor and  
4 County.

5 **14.3 Award.** If the Premises are wholly or partially condemned, Lessor will be  
6 entitled to the entire award paid for the condemnation, and County waives any claim to any part  
7 of the award from Lessor or the condemning authority. County, however, will have the right to  
8 recover from the condemning authority any compensation that may be separately awarded to  
9 County in connection with costs in removing County's merchandise, furniture, fixtures,  
10 leasehold improvements, and equipment to a new location.

11 **14.4 Temporary Condemnation.** In the event of a temporary condemnation, this  
12 Lease will remain in effect, County will continue to pay Rent, and County will receive any award  
13 made for the condemnation. If a temporary condemnation remains in effect at the expiration or  
14 earlier termination of this Lease, County will pay Lessor the reasonable cost of performing any  
15 obligations required of County with respect to the surrender of the Premises. If a temporary  
16 condemnation is for a period that extends beyond the Term, this Lease will terminate as of the  
17 date of occupancy by the condemning authority and any award will be distributed in  
18 accordance with Section 14.3.

19 **15. Estoppel Certificates.** Within twenty (20) business days after receipt of a written  
20 request by either party, the other party shall execute and deliver to the requesting party an  
21 Estoppel Certificate, in the form of the attached Exhibit "F," indicating in the certificate any  
22 exceptions to the statements in the certificate that may exist at that time.

23 **16. Subordination, Non-Disturbance, and Attornment.**

24 **16.1 Subordination, Non-Disturbance, and Attornment Agreement.** To carry out  
25 the purposes of Section 16.2 and Section 16.3, the Parties agree to execute a Subordination,  
26 Non-Disturbance and Attornment Agreement in the form set forth in the attached Exhibit "H."

27 **16.2 Subordination.** County agrees that within forty-five (45) business days after  
28 Lessor's written request, it shall execute the agreement referred to in Section 16.1 that Lessor

1 reasonably considers necessary to evidence or confirm the subordination or inferiority of this  
2 Lease to the lien of any mortgage, deed of trust or other encumbrance of the Premises or any  
3 renewal, extension, modification, replacement thereof, provided however, that such  
4 Subordination Agreement shall be strictly limited to matters contained in the Agreement  
5 referred to in Section 16.1 and no such Subordination Agreement shall materially increase any  
6 of County's obligations or materially decrease any of County's rights under this Lease, nor shall  
7 the possession of County be disturbed, by reason of any foreclosure, sale or other action under  
8 any such trust deed, mortgage or other encumbrance.

9       **16.3 Attornment.** If Lessor's interest in the Premises passes to a successor, and  
10 provided County has received the Non-Disturbance agreement referred to in Section 16.1,  
11 County shall, within forty-five (45) business days after Lessor's transferee's request, execute  
12 the agreement referred to in Section 16.1, thereby agreeing to attorn and to recognize the  
13 transferee as the Lessor under this Lease; provided the transfer of Lessor's interest in the  
14 Premises was by sale, lease, foreclosure, deed in lieu of foreclosure, exercise of any remedy  
15 provided in any encumbrance or operation of law.

16 **17. Breach by Lessor.**

17       **17.1 Lessor's Default.** Except as provided to the contrary in this Lease, Lessor's  
18 failure to perform any of its obligations under this Lease shall constitute a default by Lessor  
19 under the Lease if the failure continues for thirty (30) days after written notice of the failure from  
20 County to Lessor. If the required performance cannot be completed within thirty (30) days,  
21 Lessor's failure to perform shall constitute a default under the Lease unless Lessor undertakes  
22 to cure the failure within thirty (30) days and diligently and continuously attempts to complete  
23 this cure as soon as reasonably possible.

24       **17.2 County's Right to Cure Lessor's Default and Deduct Cost.** Except as  
25 provided to the contrary in this Lease, if County provides notice to Lessor of Lessor's failure to  
26 perform any of its obligations under this Lease and Lessor fails to provide such action as  
27 required by the terms of this Lease within the period specified, County may take the required  
28 action if: (a) County delivers to Lessor an additional written notice advising Lessor that County

1 intends to take the required action if Lessor does not begin the required action within ten (10)  
2 days after the written notice; and (b) Lessor fails to begin the required action within this ten (10)  
3 day period.

4 **17.3 Rent Setoff.** If, within thirty (30) days after receipt of County's written demand  
5 for payment of County's costs incurred in taking such action on Lessor's behalf, Lessor has not  
6 paid the invoice or delivered to County a detailed written objection to it, County may deduct  
7 from Rent payable by County under this Lease the amount set forth in the invoice, including  
8 transaction costs and attorneys' fees, plus interest at the then legal rate of interest from the  
9 date these costs are incurred until the date of County's Rent setoff.

10 **18. Lessor's Representations and Warranties.** Lessor represents and warrants to  
11 County that:

12 **18.1 Title.** County's Leasehold interest in the Premises is free and clear of  
13 restrictions which would restrict County's rights under this Lease.

14 **18.2 Certificate of Authority.** Lessor covenants that it is a duly constituted under  
15 the laws of the state of its organization, and that the person(s) who is acting as its signatory in  
16 this Lease is duly authorized and empowered to act for and on behalf of the Lessor. Lessor  
17 shall furnish County prior to the execution hereof with evidence of the authority of the signatory  
18 to bind the entity or trust as contemplated herein.

19 **18.3 No Litigation.** There are no judicial, quasi-judicial, administrative or other  
20 orders, injunctions, moratoria or pending proceedings against Lessor or the Premises which  
21 preclude or interfere with, or would preclude or interfere with, the construction contemplated  
22 herein or the occupancy and use of the Premises by County for the purposes herein  
23 contemplated.

24 **18.4 Easements.** Lessor shall not (a) subdivide, parcel or otherwise divide the  
25 Premises, (b) create, modify or terminate any ingress or egress to or from the premises, or (c)  
26 create any easements in the Premises, without County's prior written approval.  
27  
28

1 **19. Miscellaneous.**

2 **19.1 Quiet Enjoyment.** Lessor covenants that County shall at all times during the  
3 term of this Lease peaceably and quietly have, hold and enjoy the use of the Premises so long  
4 as County shall fully and faithfully perform the terms and conditions that it is required to do  
5 under this Lease. If the Premises are part of a building shared with other tenants of Lessor,  
6 during County's tenancy, Lessor may make or permit other tenants to make alterations,  
7 renovations and improvements to those portions of the building not occupied by County. Lessor  
8 covenants for itself and anyone deriving title from or holding title under Lessor that County's  
9 access, ingress, loading and unloading and sufficient parking for County's business shall not  
10 unreasonably be obstructed nor shall the daily business of County be disrupted as a result of  
11 such alterations, renovations and improvements.

12 **19.2 Non-Waiver.** No waiver of any provision of this Lease shall be implied by any  
13 failure of either party to enforce any remedy for the violation of that provision, even if that  
14 violation continues or is repeated. Any waiver by a party of any provision of this Lease must be  
15 in writing. Such written waiver shall affect only the provision specified and only for the time and  
16 in the manner stated in the writing.

17 **19.3 Binding on Successors.** The terms and conditions herein contained shall  
18 apply to and bind the heirs, successors in interest, executors, administrators, representatives  
19 and assigns of all the Parties hereto.

20 **19.4 Severability.** The invalidity of any provision in this Lease as determined by a  
21 court of competent jurisdiction shall in no way affect the validity of any other provision hereof.

22 **19.5 Venue.** Any action at law or in equity brought by either of the Parties hereto for  
23 the purpose of enforcing a right or rights provided for by this Lease shall be tried in a court of  
24 competent jurisdiction in the County of Riverside, State of California, and the Parties hereto  
25 waive all provisions of law providing for a change of venue in such proceedings to any other  
26 county.

27 **19.6 Attorneys' Fees.** In the event of any litigation or arbitration between Lessor  
28 and County to enforce any of the provisions of this Lease or any right of either party hereto, the

1 unsuccessful party to such litigation or arbitration agrees to pay to the successful party all costs  
2 and expenses, including reasonable attorneys' fees, incurred therein by the successful party,  
3 all of which shall be included in and as a part of the judgment rendered in such litigation or  
4 arbitration.

5 **19.7 County's Representative.** County hereby appoints the Assistant County  
6 Executive Officer/EDA as its authorized representative to administer this Lease.

7 **19.8 Agent for Service of Process.** It is expressly understood and agreed that in  
8 the event Lessor is not a resident of the State of California or it is an association or partnership  
9 without a member or partner resident of the State of California, or it is a foreign corporation,  
10 then in any such event, Lessor shall file with County's Assistant County Executive Officer/EDA,  
11 upon its execution hereof, a designation of a natural person residing in the State of California,  
12 giving his or her name, residence and business addresses, as its agent for the purpose of  
13 service of process in any court action arising out of or based upon this Lease, and the delivery  
14 to such agent of a copy of any process in any such action shall constitute valid service upon  
15 Lessor. It is further expressly understood and agreed that if for any reason service of such  
16 process upon such agent is not feasible, then in such event, Lessor may be personally served  
17 with such process out of this county and that such service shall constitute valid service upon  
18 Lessor. It is further expressly understood and agreed that Lessor is amenable to the process  
19 so served, submits to the jurisdiction of the court so obtained and waives any and all objections  
20 and protests thereto.

21 **19.9 Entire Lease.** This Lease is intended by the Parties hereto as a final  
22 expression of their understanding with respect to the subject matter hereof and as a complete  
23 and exclusive statement of the terms and conditions thereof and supersedes any and all prior  
24 and contemporaneous leases, agreements and understandings, oral or written, in connection  
25 therewith. This Lease may be changed or modified only upon the written consent of the Parties  
26 hereto.

27 **19.10 Interpretation.** The Parties hereto have negotiated this Lease at arms length  
28 and have been advised by their respective attorneys, or if not represented by an attorney,

1 represent that they had an opportunity to be so represented and no provision contained herein  
2 shall be construed against County solely because it prepared this Lease in its executed form.

4 obligations to be performed or observed by the Parties under this Lease.

5 **19.12 Recording.** Either Lessor or County shall, upon request of the other, execute,  
6 acknowledge and deliver to the other a short form memorandum of this Lease for  
7 recording purposes. The Party requesting recordation shall be responsible for payment of any  
8 fees applicable thereto.

9 **19.13 Consent.** Whenever Lessor's or County's consent is required under any  
10 provision of this Lease, it shall not be unreasonably withheld, conditioned or delayed.

11 **19.14 Title.** Lessor covenants that Lessor is well seized of and has good title to the  
12 Premises, and Lessor does warrant and will defend the title thereto, and will indemnify County  
13 against any damage and expense which County may suffer by reason of any lien,  
14 encumbrance, restriction or defect in title or description herein of the Premises. If, at any time,  
15 Lessor's title or right to receive Rent and any other sums due hereunder is disputed, County  
16 may withhold such sums thereafter accruing until County is furnished satisfactory evidence as  
17 to the Party entitled thereto.

18 **19.15 Conveyance by Lessor.** Should Lessor convey the Premises, all rights and  
19 obligations inuring to the Lessor by virtue of this Lease shall pass to the grantee named in such

21 those theretofore accrued and not discharged.

23 against the Premises for work done or materials furnished to a Party, that Party shall, at its own  
24 cost and expense, cause such lien or liens to be discharged within fifteen (15) days after notice  
25 thereof by filing or causing to be filed a bond or bonds for that purpose. In the event any notice  
26 preliminary to establishing such a lien (such as the California Preliminary 20-Day Notice) is  
27 served on Lessor for work done on the Premises, Lessor shall immediately forward a copy of  
28 such notice to Lessee.

1           **19.17 Surrender.** County shall, after the last day of the term or any extension thereof  
2 or upon any earlier termination of such term, surrender and yield up to Lessor the Premises in

Lessor shall make no changes or modifications to the Approved Working Drawings without the prior written consent of County, which consent may be withheld if such change or modification would directly or indirectly delay the "Substantial Completion," as that term is defined in Section 7.1 of this Leasehold Improvement Agreement, of the Premises or increase the cost of designing or constructing the Leasehold Improvements. Any changes or modifications approved by the County shall be at Lessor's sole cost and expense.

**SECTION 3 - CONSTRUCTION DRAWINGS**

3.1 Selection of Architect/Construction Drawings. Lessor shall retain an architect or space planner (the "Architect") to prepare the Construction Drawings. Lessor shall retain the engineering consultants (the "Engineers") to prepare all plans and engineering working drawings relating to the structural, mechanical, electrical, plumbing, HVAC, life safety, and sprinkler work of the Leasehold Improvements. ## **ASBESTOS**

- A. Lessor shall operate and maintain the below described spaces free of hazard from asbestos containing construction materials (ACCM's) as defined in Title 15, Sections 1601 and 2607 of the United States Code. An asbestos hazard will be recognized if an average concentration exceeds 0.01 fibers longer than five microns per cubic centimeter of air measured over an eight hour period as determined by the Transmission Electron Microscopy (TEM) method. TEM testing will be mandatory if samples tested by the Phase Contrast Microscopy (PCM) method indicate .1 or more fibers per cc of air.
1. Space leased to the County and plenums in the same HVAC zone.
  2. Common public areas which County employees or its invitees would normally/reasonably use.
  3. Building maintenance areas, utility spaces, and elevator shafts within or serving areas described in items 1 and 2 above.
- B. In the event construction of the building wherein leased premises are located was completed prior to 1979, the Lessor shall provide the County with certification that the areas referred to above are free of asbestos hazard from ACCM's prior to the execution of this lease. If said premises were constructed after 1979, Lessor shall provide County with a written statement to that effect.
- C. Certification shall be in the form of an ACCM's Survey and Evaluation Report prepared by a qualified Industrial Hygienist who shall be certified by the American Board of Industrial Hygiene (ABIH) or an Environmental Protection Agency (EPA) – Asbestos Hazard Emergency Response Act (AHERA) certified inspector. Said survey shall include those areas listed in paragraph (A). Survey requirements are: visual walk-through inspection and testing of suspected ACCM's. Bulk samples of suspected ACCM's shall be analyzed by a laboratory certified by the Department of Health Services and recognized by the EPA Quality Assurance Program using the polarized light microscopy (PLM) method. If friable asbestos is found or the physical condition of suspected ACCM's indicate possible fiber release, air sampling and testing by the Phase Contrast Microscopy (PCM) method must be performed. If asbestos fiber concentrations of .1 fibers per cc of air or greater are found, further testing by the Transmission Electron Microscopy (TEM) method is mandatory. Said survey and evaluation report shall identify all ACCM's found and recommend abatement procedures. If necessary, the report shall also specify guidelines for the implementation of an operation and maintenance plan inclusive of any required monitoring and testing intervals. The report is subject to review and approval by the County and the Lessor shall agree to all conditions contained therein.

- D. If at any time during the term of this lease, or during any extension or renewal hereof, previously unidentified ACCM's hazard is discovered, or airborne asbestos fibers above the maximum allowable limits are found to be entering the County-leased space from any other area within the building or buildings in which the County-leased space is located, the Lessor shall immediately, at Lessor's sole cost and expense, control such release and perform abatement of all hazardous ACCM's that are determined to be affecting the County-leased space.
- E. Lessor shall perform asbestos notification as required by Chapter 10.4 of the Health and Safety Code and shall guarantee that all abatement work as required under the conditions of this lease is performed by a licensed contractor certified by the Contractors State License Board and registered with the Division of Occupational Safety and Health. The County reserves the right to establish consultant oversight of any asbestos related work program at its expense.
- F. Additionally, Lessor shall be responsible for any and all direct or indirect costs associated with the abatement of the above described ACCM's which include, but is not limited to the actual costs to the Lessor for ACCM's abatement and for all required monitoring reports before, during, and after abatement. In effect, all costs shall be borne by the Lessor that are in any way associated with the abatement of ACCM's from the Lessor's building including clean up of contaminated County-owned equipment, furnishings, and materials. Copies of the air monitoring reports shall be furnished to the County together with certification by an Industrial Hygienist Consultant registered with Cal/OSHA that the area is free of hazard from ACCM's.
- G. If it is determined that for safety reasons its employees should be relocated at any time prior to or during the abatement of ACCM's, the Lessor shall provide comparable accommodating space (at no cost to the County) throughout the abatement process. Said determination shall be made by a qualified representative of Cal/OSHA. The Lessor specifically agrees to pay for all costs associated with this move or reimburse the County, if the County paid for this cost, including all reasonable administrative costs and cost of moving or renting furniture, data processing, and telephone equipment.
- H. In the event, after written notice is provided by the County, the Lessor fails, refuses, or neglects to diligently pursue abatement of above described asbestos hazard from ACCM's, the County may effect such abatement; and, in addition to any other remedies it may have, deduct all reasonable costs of such abatement and all costs associated in any way with the abatement of the above described ACCM's from the rent that may then be or thereafter become due throughout the term of this lease. For this purpose and as a condition of this lease agreement, the Lessor shall obtain an EPA generator number and grant license to the County for its use.

- I. In addition to any other remedies it may have, in the event the Lessor fails to diligently pursue abatement of asbestos hazard from ACCM's, as required under the provisions of this lease, the County may, by notice in writing, terminate this lease. Lessor shall be liable to the County for all expenses, losses, and damages reasonably incurred by the County as a result of such termination; including, but not limited to additional rental necessary to pay for an available similar replacement facility over the period of what would have been the remaining balance of the lease term plus any option periods, costs of any necessary alterations to the replacement facility, administrative costs, and costs of moving furniture, data processing, and telephone equipment.
  
- J. The Lessor shall indemnify, defend, and hold the County of Riverside, its officers, and employees harmless from and against any and all losses, damages, judgements, expenses (including court costs and reasonable attorney fees), or claims whatsoever, arising out of, or in any way connected with or related to, directly or indirectly, the presence of asbestos hazard from ACCM's within the County-leased space or the building in which the leased premises are located.

**SUBORDINATION, NON-DISTURBANCE, AND ATTORNMENT AGREEMENT**

This Subordination, Non-disturbance, and Attornment Agreement ("Agreement") is made as of \_\_\_\_\_ between \_\_\_\_\_ (Lender), a \_\_\_\_\_, having its principal place of business at \_\_\_\_\_ and the County of Riverside (County), by its authorized representative the Assistant County Executive Officer/EDA having its address for notification at 3403 Tenth Street, Suite 500, Riverside, California 92501.

**Recitals:**

A. Lender has agreed to make a loan to \_\_\_\_\_, a \_\_\_\_\_ (Lessor), to be secured by a deed of trust, dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of \_\_\_\_\_ County, California (together with all amendments, increases, renewals, modifications, consolidations, replacements, substitutions, and extensions, either current or future, referred to hereafter as the "Mortgage") encumbering Lessor's ownership interest in real property located in \_\_\_\_\_, \_\_\_\_\_, State of California. The legal description of the encumbered real property (the "Mortgage Premises") is set forth in Exhibit A, attached to this Agreement. The Mortgage, together with the promissory note or notes, the loan agreement(s), and other documents executed in connection with it are hereafter collectively referred to as the "Loan Documents".

B. On \_\_\_\_\_, \_\_\_\_\_, County and Lessor entered into a lease for the Mortgage Premises (the Lease). The Lease creates a leasehold estate in favor of County for space (the "Premises") located on the Mortgage Premises.

C. In connection with execution of the Mortgage, Lessor also executed and delivered to Lender an Assignment of Leases, Rents and Profits dated \_\_\_\_\_, \_\_\_\_\_, and recorded on \_\_\_\_\_, \_\_\_\_\_, as Instrument No. \_\_\_\_\_, in the Official Records of the County Recorder of \_\_\_\_\_, California concerning all rents, issues and profits from the Mortgage Premises. This document, together with all amendments, renewals, modifications consolidations, replacements, substitutions and extensions, is hereafter referred to as the "Assignment of Rents."

To confirm their understanding concerning the legal effect of the Mortgage and the Lease, in consideration of the mutual covenants and agreements contained in this Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged,

Lender and County, intending to be legally bound, agree and covenant as follows:

1. **Representations and Warranties.** County warrants and represents that the Lease is in full force and effect and that, as of the date of this Agreement and to the best of County's knowledge, there is no default under the Lease by Lessor or County.

2. **County Subordination.**

2.1. Subject to the provisions of Section 3, the Loan Documents shall constitute a lien or charge on the Mortgage Premises that is prior and superior to the Lease, to the leasehold estate created by it, and to all rights and privileges of County under it; by this Agreement, the Lease, the leasehold estate created by it, together with all rights and privileges of County under it, is subordinated, at all times, to the lien or charge of the Loan Documents in favor of Lender.

2.2. By executing this Agreement, County subordinates the Lease and County's interest under it to the lien right and security title, and terms of the Loan Documents, and to all advances or payments made, or to be made, under any Loan Document.

3. **Non-disturbance.**

3.1. Lender consents to the Lease.

3.2. Despite County's subordination under Section 2, County's peaceful and quiet possession of the Premises shall not be disturbed and County's rights and privileges under the Lease, including its right to early termination, its right to extend the term of the Lease, its right of first refusal to lease the property after expiration of the original term and any extensions thereof, shall not be diminished by Lender's exercise of its rights or remedies under the Loan Documents, provided that County has not canceled or terminated the Lease, nor surrendered, or abandoned the Premises.

3.3. If (a) Lender shall acquire title to, and possession of, the Premises on foreclosure in an action in which Lender shall have been required to name County as a party defendant, and (b) County is not in default under the Lease beyond any applicable cure or grace periods, has not canceled or terminated the Lease, nor surrendered, vacated or abandoned the Premises and remains in actual possession of the Premises at the time Lender shall so acquire title to, and possession of, the Premises, Lender and County shall enter into a new lease on the same terms and conditions as were contained in the Lease, except that:

(a) The obligations and liabilities of Lender under a new lease shall be subject to the terms and conditions of this Agreement (including the provisions of Sections 5-7);

(b) Lender shall have no obligations or liabilities to County under any such new lease beyond those of Lessor as were contained in the Lease; and

(c) The expiration date of any new lease shall coincide with the original expiration date of the Lease.

3.4. County shall not be named or joined in any foreclosure, trustee's sale, or other proceeding to enforce the Loan Documents unless such joinder shall be legally required to

perfect the foreclosure, trustee's sale, or other proceeding.

**4. Attornment.**

4.1. If Lender shall succeed to Lessor's interest in the Mortgage Premises by foreclosure of the Mortgage, by deed in lieu of foreclosure, or in any other manner, County shall be bound to Lender under all the terms, covenants and conditions of the Lease for the balance of its term with the same force and effect as if Lender were the Lessor under the Lease. County shall be deemed to have full and complete attornment to, and to have established direct privity between County and:

- (a) Lender when in possession of the Mortgage Premises;
- (b) a receiver appointed in any action or proceeding to foreclose the Mortgage;
- (c) any party acquiring title to the Mortgage Premises; or
- (d) any successor to Lessor.

4.2. County's attornment is self-operating, and it shall continue to be effective without execution of any further instrument by any of the parties to this Agreement or the Lease. Lender agrees to give County written notice if Lender has succeeded to the interest of the Lessor under the Lease. The terms of the Lease are incorporated into this Agreement by reference.

4.3. If the interests of Lessor under the Lease are transferred by foreclosure of the Mortgage, deed in lieu of foreclosure, or otherwise, to a party other than Lender (Transferee), in consideration of, and as condition precedent to, County's agreement to attorn to any such Transferee, Transferee shall be deemed to have assumed all terms, covenants, and conditions of the Lease to be observed or performed by Lessor from the date on which the Transferee succeeds to Lessor's interests under the Lease.

**5. Lender as Lessor.** If Lender shall succeed to the interest of Lessor under the Lease, Lender shall be bound to County under all the terms, covenants and conditions of the Lease, and County shall, from the date of Lender's succession to the Lessor's interest under the Lease, have the same remedies against Lender for breach of the Lease that County would have had under the Lease against Lessor; provided, however, that despite anything to the contrary in this Agreement or the Lease, Lender, as successor to the Lessor's interest, shall be:

- (a) liable for any act or omission of the Lessor; provided that the Lender may elect either to perform the pre-existing obligation or to permit the County to perform it and to recover the cost out of Rent;
- (b) subject to any offsets or defenses expressly permitted under the Lease, including abatement rights which County might have had against Lessor;
- (c) bound by any rent or additional rent that County might have paid for more than one month in advance to Lessor; or
- (d) bound by an amendment or modification of the Lease even though

made without Lender's written consent and whether or not the amendment or modification materially adversely affect any right of Lessor under the Lease.

(e) subject to the County 's right to assert continuing claims, such as material interference with the County's use and enjoyment of the premises, against the Lender.

6. **Right To Cure.** County agrees that, before County exercises any of its rights or remedies under the Lease, Lender shall have the right, but not the obligation, to cure the default within the same time given Lessor in the lease to cure the default, plus an additional thirty (30) days or ten (10) days in the case of defaults in the payment of money from Lessor to County. County agrees that the cure period shall be extended by the time necessary for Lender to commence foreclosure proceedings and to obtain possession of the Mortgage Premises, provided that:

(a) Lender shall notify County of Lender's intent to effect its remedy;

(b) Lender initiates immediate steps to foreclose on or to recover possession of the Mortgage Premises;

(c) Lender initiates immediate legal proceedings to appoint a receiver for the Mortgage Premises or to foreclose on or recover possession of the Mortgage Premises within the thirty (30) day period; and

(d) Lender prosecutes such proceedings and remedies with due diligence and continuity to completion.

7. **Assignment of Rents.** If Lessor defaults in its performance of the terms of the Loan Documents, County agrees to recognize the Assignment of Rents made by Lessor to Lender and shall pay to Lender, as assignee, from the time Lender gives County notice that Lessor is in default under the terms of the Loan Documents, the rents under the Lease, but only those rents that are due or that become due under the terms of the Lease after notice by Lender. Payments of rents to Lender by County under the assignment of rents and Lessor's default shall continue until the first of the following occurs:

(a) No further rent is due or payable under the Lease;

(b) Lender gives County notice that the Lessor's default under the Loan Documents has been cured and instructs County that the rents shall thereafter be payable to Lessor;

(c) The lien of the Mortgage has been foreclosed and the purchaser at the foreclosure sale (whether Lender or a Transferee) gives County notice of the foreclosure sale. On giving notice, the purchaser shall succeed to Lessor's interests under the Lease, after which time the rents and other benefits due Lessor under the Lease shall be payable to the purchaser as the owner of the Mortgage Premises.

8. **County's Reliance.** When complying with the provisions of Section 7, County shall be entitled to rely on the notices given by Lender under Section 7, and Lessor agrees to release, relieve, and protect County from and against any and all loss, claim, damage, or liability (including reasonable attorney's fees) arising out of County's compliance with such notice.

County shall be entitled to full credit under the Lease for any rents paid to Lender in accordance with Section 7 to the same extent as if such rents were paid directly to Lessor. Any dispute between Lender (or Lender's Transferee) and Lessor as to the existence of a default by Lessor under the terms of the Mortgage, the extent or nature of such default, or Lender's right to foreclosure of the Mortgage, shall be dealt with and adjusted solely between Lender (or Transferee) and Lessor, and County shall not be made a party to any such dispute (unless required by law).

9. **Lender's Status.** Nothing in this Agreement shall be construed to be an agreement by Lender to perform any covenant of the Lessor under the Lease unless and until it obtains title to the Mortgage Premises by power of sale, judicial foreclosure, or deed in lieu of foreclosure, or obtains possession of the Mortgage Premises under the terms of the Loan Documents.

10. **Cancellation of Lease.** County agrees that it will not cancel, terminate, or surrender the Lease, except at the normal expiration of the Lease term or as provided in the Lease.

11. **Special Covenants.** Despite anything in this Agreement or the Lease to the contrary, if Lender acquires title to the Mortgage Premises, County agrees that: Lender shall have the right at any time in connection with the sale or other transfer of the Mortgage Premises to assign the Lease or Lender's rights under it to any person or entity, and that Lender, its officers, directors, shareholders, agents, and employees shall be released from any further liability under the Lease arising after the date of such transfer, provided that the assignee of Lender's interest assumes Lender's obligations under the Lease, in writing, from the date of such transfer.

12. **Transferee's Liability (Non Recourse).** If a Transferee acquires title to the Mortgage Premises:

(a) County's recourse against Transferee for default under the Lease shall be limited to the Mortgage Premises or any sale, insurance, or condemnation proceeds from the Mortgage Premises;

(b) County shall look exclusively to Transferee's interests described in (a) above for the payment and discharge of any obligations imposed on Transferee under this Agreement or the Lease ; and

(i) Transferee, its officers, directors, shareholders, agents, and employees are released and relieved of any personal liability under the Lease;

(ii) County shall look solely to the interests of Transferee set forth in (a) above, and

(iii) County shall not collect or attempt to collect any judgment out of any other assets, or from any general or limited partners or shareholders of Transferee.

13. **Transferee's Performance Obligations.** Subject to the limitations provided in Sections 11 and 12, if a Transferee acquires title to the Mortgage Premises, the Transferee shall perform and recognize all County improvement allowance provisions, all rent-free and rent rebate provisions, and all options and rights of offer, in addition to Lessor's other obligations under the Lease.

14. **Notice.** All notices required by this Agreement shall be given in writing and shall be deemed to have been duly given for all purposes when:

(a) deposited in the United States mail (by registered or certified mail, return receipt requested, postage prepaid); or

(b) deposited with a nationally recognized overnight delivery service such as Federal Express or Airborne.
