RECOMMENDED MOTION: (Continued)

3. Authorize and direct the Assistant County Executive Officer/EDA to certify acceptance of any documents running in favor of the County as part of this transaction; and
4. Authorize the Assistant County Executive Officer/EDA, or his designee, to execute any other documents and administer all actions necessary to complete this transaction.

BACKGROUND:

On February 9, 2009, the Board approved Resolution 2009-001, which authorized the purchase of an access easement over certain land in Grand Terrace owned by Denis W. Kidd (Kidd), the purpose of which was to enable vehicular access to adjacent land consisting of approximately twenty four acres in Colton acquired by Riverside County for the Public Safety Enterprise Communication (PSEC) project, specifically the Blue Mountain site. As Consideration for the easement interest that the County will receive from Kidd, the County agreed to convey approximately nineteen of the twenty four acres to Kidd with a reservation for an access easement in favor of the County and a declaration of restriction of future development by Kidd on the nineteen acre parcel. It was later discovered that the conveyance of the nineteen acres to Kidd would also require a reservation of an access easement in favor of the County. In response, Kidd requested an access easement over the remaining five acres of County owned land in order to gain access to other real property owned by Kidd, and proposed a restriction of future development on that same five acre parcel.

The Real Estate Division recommends restriction of commercial development as it pertains to the five acre remainder parcel except as it relates to public safety, and Kidd has agreed to restrict any development on the nineteen acre parcel and on APN 1178-191-04-0000 (forty acres), as it is his intent to eventually set aside this land as a park.

Given this new information and need to add interests in real property in this transaction, it is recommended to rescind Resolution No. 2008-372 and Resolution No. 2009-001 and adopt Resolution No. 2012-048 to provide for all the necessary changes in the terms of the Agreement and this transaction.

On September 2, 2008, M.O. 3.52 the Board certified the Final Environmental Impact Report (FEIR) for the PSEC project, which included this particular site.

The Resolution and the First Amendment to the Agreement of Purchase and Sale and Joint Escrow Instructions have been reviewed by County Counsel as to legal form.
