BACKGROUND: (Continued)

The Project is needed in order to improve public safety by eliminating the conflicting train/vehicle/pedestrian movement. The Project will also serve to end traffic delays at Airport Boulevard caused by the at-grade crossing and improve the efficient movement of goods through Riverside County.

The Project will maintain access to Airport Boulevard from Grapefruit Boulevard and the adjacent properties. Palm Street would be extended to the north from the intersection of Airport Boulevard to Grapefruit Boulevard. Grapefruit Boulevard will be widened at this intersection to accommodate a left turn onto Palm Street and a southbound deceleration lane to a right turn into Palm Street. The south side of Airport Boulevard will be accessed by a new frontage road adjacent to the new raised Airport Boulevard.

The Notice of Exemption was filed and posted on July 28, 2011. RCTD staff conducted a review of the Project and it is exempt for the provisions of the California Environmental Quality Act (CEQA).

The Economic Development Agency/Facilities Management (EDA/FM) has presented a written offer to the property owners as required by Government Code Section 7267.2. The amount of the offer is consistent with current property values in the Thermal area for the various property types (and is based upon a fair market value appraisal report). EDA/FM has also offered to pay the reasonable costs, not-to-exceed \$5,000, for an independent appraisal obtained by the property owners (as required by Code of Civil Procedure Section 1263.025) as well as provided relocation benefits and assistance to the owners and tenants of Parcel 0241-028 under the California Relocation Assistance Act of 1970.

Settlement has not been reached with the following property owners, although negotiation is still in process for the necessary right-of-way, permanent easements, and temporary construction easements:

Parcel No.	Assessor's Parcel No(s).	Ownership
0241-001A and 0241-001B	757-021-001	Rios

BACKGROUND: (Continued)

On November 20, 2012, the Board approved Resolution No. 2012-169, Notice of Intention to Adopt a Resolution of Necessity Regarding the Airport Boulevard Grade Separation Project.

The county is authorized to acquire property by eminent domain pursuant to various statutes including Government Code, §25350.5.

This resolution has been reviewed and approved by County Counsel as to legal form.

FINANCIAL DATA:

The following summarizes the funding necessary for the acquisition of the properties referenced above:

Purchase Price:	\$377,169
County Appraisals:	\$ 35,800
Owner Appraisals:	\$ 25,000
Preliminary Title Reports:	\$ 2,000
EDA/FM Real Property Costs:	\$ 60,000
Total Estimated Acquisition Costs:	\$499,969

EDA/FM has already covered the costs for due diligence (appraisals and preliminary title reports) and have been or will be reimbursed by the Transportation Department. 6 Now, therefore, **BE IT RESOLVED AND ORDERED** by the Board of
7 Supervisors of Riverside County, State of California, not less than fourth/fifths of all
8 members concurring, in regular session assembled on December 18, 2012, that this
9 Board finds and determines each of the following:

10 1. Notice of the Board's intention to adopt this resolution of necessity was

12 date and at the time and place fixed for hearing, this Board did hear and consider all of
13 the evidence presented.

14 2. That the public interest and necessity require the Proposed Project;

16 most compatible with the greatest public good and the least private injury;

17 4. That the Subject Property Interests are necessary for the Proposed
18 Project;

23 unreasonably interfere with or impair the continuance of the public use as it presently
24 exists or may reasonably be expected to exist in the future (California Code of Civil
25 Procedure Section 1240.510) or the use of the Proposed Project is a more necessary
26 public use than is the presently existing public use (California Code of Civil Procedure
27 Section 1240.610);

1 7. That the Subject Property Interests are necessary for the Proposed
2 Project;

3 8. That acquisition of the Subject Property Interests will promote the
4 interests of the County of Riverside.

5 **BE IT FURTHER RESOLVED AND ORDERED** that the County Counsel of the
6 County of Riverside is hereby authorized and empowered:

7 1. To acquire (in the name of the County) the Subject Property Interests by
8 condemnation in accordance with the Constitution and laws relating to eminent
9 domain.

10 2. To prepare and prosecute in the name of the County such proceedings in
11 the proper court having jurisdiction thereof as are necessary for such acquisition.

12 3. To make application to the Court for an order to deposit the probable
13 amount of compensation out of proper funds under the control of the County into the
14 County Treasury and for an order permitting the County to take prejudgment
15 possession and use the Subject Property Interests for the purpose of constructing the
16 Proposed Project.

17 4. To compromise and settle such proceedings if such settlement can be
18 reached and, in that event, to take all necessary actions to complete the acquisition,
19 including stipulations as to judgment and other matters and the causing of all payments
20 to be made.

21 5. To correct any errors or to make or agree to nonmaterial changes in the
22 legal description of the real property that are deemed necessary for the conduct of the
23 condemnation action, or other proceedings or transaction required to acquire the
24 subject real property. Counsel is further authorized to reduce or modify the extent of
25 the interests or property to be acquired so as to reduce the compensation payable in
26 the action where such change would not substantially impair the construction and
27 operation for the project for which the real property is being acquired.

RECOMMENDED MOTION: (Continued)

3. Direct the Clerk of the Board to send the required notice to the property owners as required per Section 1245.235 of the Code of Civil Procedure.

BACKGROUND:

The Riverside County Transportation Department proposes to construct a grade separation project located at the at-grade crossing of Airport Boulevard and the Union Pacific Railroad (UPRR) tracks by raising the roadway over the railroad and constructing an overhead structure that will span the tracks and Grapefruit Boulevard (State Highway 111) at Airport Boulevard (Project). The Project is needed in order to improve public safety by eliminating the conflicting train/vehicle/pedestrian movement. The Project will also serve to end traffic delays at Airport Boulevard caused by the at-grade crossing and improve the efficient movement of goods through Riverside County.

The Project will maintain access to Airport Boulevard from Grapefruit Boulevard and the adjacent properties. Palm Street would be extended to the north from the intersection of Airport Boulevard to Grapefruit Boulevard. Grapefruit Boulevard will be widened at this intersection to accommodate a left turn onto Palm Street and a southbound deceleration lane to a right turn into Palm Street. The south side of Airport Boulevard will be accessed by a new frontage road adjacent to the new raised Airport Boulevard.

The Notice of Exemption was filed and posted on July 28, 2011. RCTD staff conducted a review of the Project and it is exempt for the provisions of the California Environmental Quality Act (CEQA).

The Economic Development Agency/Facilities Management (EDA/FM) has presented a written offer to the property owners as required by Government Code Section 7267.2. The amount of the offer is consistent with current property values in the Thermal area for the various property types (and is based upon a fair market value appraisal report). EDA/FM has also offered to pay the reasonable costs, not-to-exceed \$5,000, for an independent appraisal obtained by the property owners (as required by Code of Civil Procedure Section 1263.025) as well as provided relocation benefits and assistance to the owners and tenants of Parcel 0241-028 under the California Relocation Assistance Act of 1970.

1 **WHEREAS**, the statutes that authorize the County of Riverside to acquire the
2 Subject Property Interests by eminent domain include Article 1, Section 19 of the
3 California Constitution; Section 25350.5 of the Government Code; Section 760 of the

6 Now, therefore, **BE IT RESOLVED AND ORDERED** as follows by the Board of
7 Supervisors of Riverside County, State of California, in regular session assembled on
8 November 20, 2012.

9 1. **YOU ARE HEREBY NOTIFIED** that this Board (at its public meeting on
10 December 18, 2012, at 9:30 a.m. in the meeting room of the Board of Supervisors
11 located on the 1st floor of the County Administrative Center, 4080 Lemon Street,
12 Riverside, California) may decide to adopt a Resolution of Necessity that would
13 authorize the County of Riverside to acquire the Subject Property Interests by eminent
14 domain (and that would find and determine each of the following matters):

15 (a) That the public interest and necessity require the Proposed
16 Project;

17 (b) That the Proposed Project is planned or located in the manner that
18 will be most compatible with the greatest public good and the least private injury;

19 (c) That the Subject Property Interests are necessary for the
20 Proposed Project;

21 (d) That the offers required by Section 7267.2 of the Government
22 Code have been made to the owner of record of the Subject Properties;

23 (e) That, to the extent that the Subject Properties are already devoted
24 to a public use, the use of the Proposed Project is a compatible use that will not
25 unreasonably interfere with or impair the continuance of the public use as it presently
26 exists or may reasonably be expected to exist in the future (California Code of Civil
27 Procedure Section 1240.510) or the use of the Proposed Project is a more necessary
28

1 public use than is the presently existing public use (California Code of Civil Procedure
2 Section 1240.610);

3 (f) That the Subject Property Interests are necessary for the
4 Proposed Project;

5 (g) That acquisition of the Subject Property Interests will promote the
6 interests of the County of Riverside.

7 2. If (within 15 days from the mailing of this Notice) you file a written request
8 to appear at the public meeting and be heard on the matters described above in 1(a),
9 1(b), 1(c), 1(d), 1(e), 1(f), 1(g), (or any one or more of them), you will have a right to
10 appear at that meeting and be heard on those matters.

11 3. All such written requests to appear and be heard must be filed with the
12 Clerk of the Riverside County Board of Supervisors.

13 4. Your written request to appear and be heard must be filed within the
14 fifteen (15) day time period. Failure to file such a timely written request will result in a
15 waiver of your right to appear and be heard.

16 5. Questions regarding the amount of compensation to be paid will not be a
17 part of the public meeting and the Board will not consider such questions in
18 determining whether a Resolution of Necessity should be adopted.

19 6. The Clerk of the Board of Supervisors shall cause a copy of this Notice to
20 be sent by first-class mail to each person whose property may be acquired by eminent
21 domain and whose name and address appears on the last equalized county
22 assessment roll (including the roll of state-assessed property).

23 ROLL CALL:

24 Ayes: Buster, Stone, Benoit, and Ashley

27 The foregoing is certified to be a true copy of a resolution duly
28 adopted by said Board of Supervisors on the date therein set forth.

Re: Resolution No. 2012-169, Notice of Intention to Adopt a Resolution of Necessity Regarding the Airport Boulevard Grade Separation Project

Dear Property Owner:

The law provides procedures for public agencies to acquire private property for public use. It requires that every agency which intends to condemn property notify the owners of its intention to condemn. Article 1, Section 19 of the California Constitution; Section 25350.5 of the Government Code; Section 760 of the Streets and Highways Code; and Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.110, 1240.410, 1240.510, and 1240.610 of the California Code of Civil Procedures (CCP) provides that the power of eminent domain may be exercised to acquire property for a proposed project if the following 7 conditions are established:

- (A) That the public interest and necessity require the Proposed Project;
- (B) That the Proposed Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (C) That the Subject Property Interests are necessary for the Proposed Project;
- (D) That the offer required by Section 7267.2 of the Government Code has been made to the owner of record of the Subject Properties;
- (E) That, to the extent that the Subject Properties are already devoted to a public use, the use of the Proposed Project is a compatible use that will not unreasonably interfere with or impair the continuance of the public use as it presently exists or may reasonably be expected to exist in the future (California Code of Civil Procedure Section 1240.510) or the use of the Proposed Project is a more necessary public use than is the presently existing public use (California Code of Civil Procedure Section 1240.610);
- (F) That the Subject Property Interests are needed for road purposes; and
- (G) That acquisition of the Subject Property Interests will promote the interests of the County of Riverside.

You are hereby notified that the Board of Supervisors ("Board") of Riverside County, State of California at its public meeting to be held on **December 18, 2012 at 9:30 a.m.** in the meeting room of the Board of Supervisors located on the 1st floor of the County Administrative Center, 4080 Lemon Street, Riverside, California, will be asked to decide if the above conditions have been met concerning your property and, if so, to adopt the Resolution of Necessity ("Resolution"). Questions regarding the amount of compensation to be paid or the value of the property to be acquired are not part of this proceeding and the Board will not consider such in determining whether a Resolution should be adopted.

The Board's adoption of the Resolution authorized the County to acquire the property by eminent domain. Within six months of the adopted Resolution, the County will prepare and file a complaint in Superior Court commencing the eminent domain proceeding. All issues related to the compensation to be awarded for the acquisition of your property will be resolved in this court proceeding. Enclosed is a copy of Resolution No. 2012-169, Notice of Intention to Adopt a Resolution of Necessity Regarding the Airport Boulevard Grade Separation Project which includes the legal description and plat map of the required property is attached to this Notice.

The law provides you an opportunity to appear before the Board and raise questions concerning only the conditions cited above. If you file a written request to appear (within 15 days from the mailing of this Notice), you are entitled to appear and object to the adoption of the Resolution.

Your written request to appear should include a statement indicating which of the conditions listed in the first paragraph above you contend have not been met. By designating which of the conditions form the basis of your challenge and explaining why you believe they have not been met, you will enable the Board to authorize a full and expeditious review of the project's effect on your property. The Transportation Department and Real Estate Division will conduct the review on behalf of the Board and ask for your participation. Based on this review, the Transportation Department and Real Estate Division will then prepare a report to be presented to the Board at the meeting at which you intend to appear.

Your written request to appear must actually be on file with the Clerk of the Riverside County Board of Supervisors. Please mail or personally deliver your request to:

Re: Resolution No. 2012-169, Notice of Intention to Adopt a Resolution of Necessity Regarding the Airport Boulevard Grade Separation Project

Dear Property Owner:

The law provides procedures for public agencies to acquire private property for public use. It requires that every agency which intends to condemn property notify the owners of its intention to condemn. Article 1, Section 19 of the California Constitution; Section 25350.5 of the Government Code; Section 760 of the Streets and Highways Code; and Sections 1240.010, 1240.020, 1240.030, 1240.040, 1240.110, 1240.410, 1240.510, and 1240.610 of the California Code of Civil Procedures (CCP) provides that the power of eminent domain may be exercised to acquire property for a proposed project if the following 7 conditions are established:

- (A) That the public interest and necessity require the Proposed Project;
- (B) That the Proposed Project is planned or located in the manner that will be most compatible with the greatest public good and the least private injury;
- (C) That the Subject Property Interests are necessary for the Proposed Project;
- (D) That the offer required by Section 7267.2 of the Government Code has been made to the owner of record of the Subject Properties;
- (E) That, to the extent that the Subject Properties are already devoted to a public use, the use of the Proposed Project is a compatible use that will not unreasonably interfere with or impair the continuance of the public use as it presently exists or may reasonably be expected to exist in the future (California Code of Civil Procedure Section 1240.510) or the use of the Proposed Project is a more necessary public use than is the presently existing public use (California Code of Civil Procedure Section 1240.610);
- (F) That the Subject Property Interests are needed for road purposes; and
- (G) That acquisition of the Subject Property Interests will promote the interests of the County of Riverside.

You are hereby notified that the Board of Supervisors ("Board") of Riverside County, State of California at its public meeting to be held on **December 18, 2012 at 9:30 a.m.** in the meeting room of the Board of Supervisors located on the 1st floor of the County Administrative Center, 4080 Lemon Street, Riverside, California, will be asked to decide if the above conditions have been met concerning your property and, if so, to adopt the Resolution of Necessity ("Resolution"). Questions regarding the amount of compensation to be paid or the value of the property to be acquired are not part of this proceeding and the Board will not consider such in determining whether a Resolution should be adopted.

The Board's adoption of the Resolution authorized the County to acquire the property by eminent domain. Within six months of the adopted Resolution, the County will prepare and file a complaint in Superior Court commencing the eminent domain proceeding. All issues related to the compensation to be awarded for the acquisition of your property will be resolved in this court proceeding. Enclosed is a copy of Resolution No. 2012-169, Notice of Intention to Adopt a Resolution of Necessity Regarding the Airport Boulevard Grade Separation Project which includes the legal description and plat map of the required property is attached to this Notice.

The law provides you an opportunity to appear before the Board and raise questions concerning only the conditions cited above. If you file a written request to appear (within 15 days from the mailing of this Notice), you are entitled to appear and object to the adoption of the Resolution.

Your written request to appear should include a statement indicating which of the conditions listed in the first paragraph above you contend have not been met. By designating which of the conditions form the basis of your challenge and explaining why you believe they have not been met, you will enable the Board to authorize a full and expeditious review of the project's effect on your property. The Transportation Department and Real Estate Division will conduct the review on behalf of the Board and ask for your participation. Based on this review, the Transportation Department and Real Estate Division will then prepare a report to be presented to the Board at the meeting at which you intend to appear.

12 Clerk of the Riverside County Board of Supervisors.

13 4. Your written request to appear and be heard must be filed within the
14 fifteen (15) day time period. Failure to file such a timely written request will result in a
15 waiver of your right to appear and be heard.

16 5. Questions regarding the amount of compensation to be paid will not be a
17 part of the public meeting and the Board will not consider such questions in
18 determining whether a Resolution of Necessity should be adopted.

19 6. The Clerk of the Board of Supervisors shall cause a copy of this Notice to
