SUBJECT: Approve the Third Amendment to Agreement No.11-128 with Animal Samaritans SPCA, Inc. for Spay/Neuter and other Clinical Services

PAGE 2 of 2

BACKGROUND (Continued):

Since July 2002 the Riverside County Department of Animal Services has contracted with Animal Samaritans SPCA, Inc., a non-profit spay, neuter and adoption facility in Thousand Palms, to perform spay/neuter surgeries and other clinical services for the animals adopted from the County run Thousand Palms and Blythe shelters.

PRICE REASONABLENESS:

The price rendered by Animal Samaritans for spay and neuter services is considered to be fair and reasonable, based on their pricing being lower than normal for-profit veterinary clinics in the surrounding area. Animal Samaritans is associated with the Society for the Prevention of Cruelty to Animals (SPCA) and is a certified non-profit agency. Pricing for spay, neuter procedure for a canine is \$65.00 any weight, and for a feline is \$40.00. This compares favorably against for-profit clinics which charge significantly above \$100.00 for a canine or feline procedure, on average. Based on this comparison, the price is deemed to be fair and reasonable.

FINANCIAL:

There is no additional impact on the general fund as this funding has been included in the department's 2012/2013 fiscal year budget pending approval.

Subject: Single Source Procurement, Request for Spay/Neuter Services

Request for: Approval of a single source vendor

The information below is provided in support of my Department requesting approval for a single source.

Supply/Service being requested: Spay, Neutering Services

Supplier being requested: Animal Samaritans SPCA, Inc.

Alternative suppliers that can or might be able to provide supply/service:

Alternative suppliers are limited to local, private veterinarians who do not have the capability to transport the animals or handle the volume of adoptions requiring spay and neuter.

Extent of market search conducted: Animal Samaritans is the only non-profit organization that subsidizes the performed surgeries with donations and in turn passes this savings to the customers it serves. The other vendors are private veterinarians that are for-profit practices that charge a much higher fee. The Veterinarians lack the ability to receive grants or donations, or seek to earn profits through their services.

Unique features of the supply/service being requested from this supplier, which no alternative supplier can provide: The Department of Animal Services, under the direction from the Fourth District, entered into a partnership with Animal Samaritans to build side-by-side animal shelters for both organizations in a campus-type setting. Animal Samaritans donated five acres of land and the County built the new Thousand Palms animal shelter, which opened January 2006. Department of Animal Services have developed a partnership on the premises that Animal Samaritans would provide the state required spay and neuter surgeries for all pets adopted from the Thousand Palms campus.

Reasons why my department requires these unique features and what benefit will accrue to the county: Animal Samaritans operates the largest volume spay and neuter clinic in the desert and since they are a large humane organization, they understand the needs and volume requirements necessary to supply an organization of Animal Service's size and complexity. The Animal Samaritans clinic is located on the Coachella Valley Animal Campus, thereby reducing transportation cost and increasing ease of access for customers.

Price Reasonableness: For the Prevention of Cruelty to Animals (SPCA) and is a certified non-profit agency. Pricing on the spay and neuter for a canine is \$65.00 any weight, and a feline \$40.00. This compares favorably against for-profit clinics which charge significantly above \$100.00 for a canine or feline procedure, on average. Based on this comparison, the price is deemed to be fair and reasonable.

Period of Performance: July 1, 2012 through June 30, 2013, with option to renew annually through June 30, 2016.

Does moving forward on this product or service further obligate the county to future similar contractual arrangements? No
