Grant Information

The U.S. Department of Labor SCSEP FY 2012-13 allocation will be set as follows:

- The total estimated \$7,506,066 assumes two percent reduction in federal SCSEP funding from the FY 2011-12 level.
- Upon receipt of the actual FY 2012-13 grant award, the California Department of Aging (CDA) will reconcile actual available funds to this estimate and allocate the difference in Amendment #1.

Allocation Methodology

CDA used these methodologies to determine participant slot and funding allocations:

- The U.S. Department of Labor allocated slots to meet equitable distribution standards based on population data of individuals aged 55 years and older who fall below the federal poverty level.
- There will be a net reduction statewide of five participant slots effective July 1, 2012.
- Funding was allocated to each Area Agency on Aging (AAA) based on their number of slots.
