According to the latest Annual Progress Report submitted by the Housing Authority for the time period of June 17, 2010 through June 16, 2011, the West S+C Project assisted three (3) families and seventeen (17) individuals.

According to the latest Annual Progress Report submitted by the Housing Authority for the time period of September 4, 2010 through June 16, 2011 the East S+C Project assisted thirty-four (34) individuals and eight (8) families with eighteen (18) children.

V. GENERAL PROVISIONS

A. TERM OF AGREEMENT

A. INDEPENDENT CAPACITY

Each party shall act in an independent capacity and not as an agent or employee of the other.

The County will make final determination of any dispute about conflict(s) of interest.

D. DEFAULT

1. A default shall consist of any use of grant funds for a purpose other than as authorized by this Agreement or failure in the Project Sponsor's duty to provide the supportive housing for the minimum term in accordance with the requirements of the provisions of the SHP Rule, the Application, the Technical Submission, or this Agreement. In the event of an occurrence of default, DPSS and HUD may take one or more of the following actions:

With respect to any action or claim subject to indemnification herein by Contractor, Contractor shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of County; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes Contractor's indemnification to County as set forth herein.

Contractor's obligation hereunder shall be satisfied when Contractor has provided to County the appropriate form of dismissal relieving County from any liability for the action or claim involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe Contractor's obligations to indemnify and hold harmless the County herein from third party claims.

In the event there is conflict between this cause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Contractor from indemnifying the County to the fullest extent allowed by law.

6A. Standard Performance Measures

Instructions:

For each applicable question on this form, the Applicant must establish performance measurement goals for this project. Applicants are required to set a housing stability goal and to select at least one income-related performance measure on which the grantee will report performance in the Annual Performance Report (APR). The "Universe (#)" column specifies the total number of persons about whom the measure is expected to be reported. In the "Target (#)" column, applicants should specify the number of applicable clients (e.g., the number of persons for whom the goal is relevant) who are expected to achieve the measure within the operating year. The system will calculate a percentage in the "Target (%)" column. For example, if 80 out of 100 clients are expected to remain in the permanent housing program or exit to other permanent housing, the target % should be "80%."

**1. Specify the universe and target for the housing measure.
 Click 'Save' to calculate the target percent (%).**

Housing Measure	Universe (#)	Target (#)	Target (%)
a. Persons remaining in permanent housing as of the end of the operating year or exiting to permanent housing (subsidized or unsubsidized) during the operating year.			0%
